### Notes:

- The above results which are prepared and published in accordance with Regulation 33 of the SEBI (Listing Obligations & Disclosure Requirements), 2015, have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on May 28, 2019. The financial results are in accordance with the Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules thereunder and other accounting principles generally accepted in India. The results for the quarter and year ended March 31, 2019, have been subjected to an audit by the Statutory Auditors of the Company who have expressed a modified opinion thereon.
- A customer of the Company has been retaining amounts aggregating Rs 293.68 lakhs (Service Tax liability Rs.238.52 Lakhs upto June 30, 2017 and GST liability Rs. 55.16 Lakhs from July 2017 onwards) in respect of service tax/GST levied by the Company on reimbursement of expenses. The Company is currently in discussion with this customer for recovering the retained amounts and Management believes that they have a strong case to collect the outstanding amounts and accordingly no provision has been made thereon. The audit report has been modified in this respect.
- During the year ended March 31, 2009 the Office of the Commissioner of Customs (Preventive) had seized three helicopters for alleged non-compliance of the duty waivers given to non-scheduled operators (passenger). The Company had received a Show Cause Cum Demand Notice (SCN) citing an amount of Rs 2,379.24 lakhs towards custom duty under Section 28 of the Customs Act, 1962 and applicable interest and penalty thereon. Pursuant to the receipt of the said SCN, the Commissioner of Customs (Preventive) had confirmed a demand of Rs 2,621.95 lakhs towards differential duty of customs and penalty thereon for two helicopters. The Management believes that the Company is in compliance with the relevant customs and other regulatory guidelines in this respect, based on a decision in a previous year from Custom Excise and Service Tax Appellate Tribunal (CESTAT) West Zonal Bench, in favour of the Company on a similar matter and on an opinion from an external legal expert and that the demand being contested by the Company will be set aside by the higher appellate tribunal. An amount aggregating Rs 538.26 lakhs has been paid as duty under protest during the year ended March 31, 2010.
- The Airports Authority of India (AAI) had revised the licence fees for use of land with effect from October 2014. The Company had disputed the revision as unreasonable and had requested for arbitration and conciliation. The Arbitrator has passed the final order dated August 24, 2018, wherein the total amount payable by the Company for the period from October 2014 up to March 2019, including GST, has been determined at Rs. 1,488.25 lakhs.

In accordance with the arbitration award, the Company has accounted for an additional amount of Rs. 233.65 lakhs under Hangar Rent Expense during the current year after adjusting the provision made in earlier periods.

The Company had also provided for anticipated interest amounting to Rs. 209.34 lakhs till the year ended March 31, 2018 on the disputed license fees payable. Since the arbitration award has not provided for any interest payable on the above amount, this amount has been reversed and disclosed under Exceptional Item.

- The Company is engaged in providing helicopter services in India, which is considered as one reportable segment. There are no separate reportable segments as per Ind AS 108 Operating Segments.
- The Company had filed an application with the National Company Law Tribunal (NCLT) to alter the term of their existing non-convertible redeemable preference shares which were redeemable on December 27, 2017 and convert the same to 659,34,900 Optionally Convertible Cumulative Redeemable Preference Shares of Rs. 10/- with an option to convert the same into 73,26,100 Equity Shares of Rs. 10/- each issued at a premium of Rs. 80/- per share.

The NCLT had issued a notice inviting objections, if any, to the petition filed by the Company. Since the NCLT received an objection, the Company has withdrawn their petition and NCLT has passed an order stating that the petition is dismissed and withdrawn.

The preference shares which were classified as equity in the financial statements as at March 31, 2018, have now been reclassified as Other Financial Liability. No interest has been provided for this liability as the Company has received a consent to waive the interest for the year.

- The figures for the quarters ended March 31, 2019 and March 31, 2018 are the balancing figures between the audited figures in respect of the full financial years and the published year to date figures up to the third quarter of the respective financial years.
- Figures for the previous periods have been re-grouped / reclassified wherever necessary to confirm to the current period classification.

CHARTERED ACCOUNTANTS

Independent Auditor's Report on Quarterly and Annual Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

# TO THE BOARD OF DIRECTORS OF GLOBAL VECTRA HELICORP LIMITED

- 1. We have audited the accompanying statement of Ind AS Financial Results of GLOBAL VECTRA HELICORP LIMITED ("the Company") for the quarter and the year ended March 31, 2019, together with the notes thereon ("the Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (initialed by us for identification). These quarterly and annual Ind AS Financial Results have been prepared on the basis of Ind AS Financial Statements, which are the responsibility of the Company's Management and have been approved by the Board of Directors of the Company at its meeting held on May 28, 2019. Our responsibility is to express an opinion on these Ind AS Financial Results based on our audit of such Ind AS Financial Statements, which have been prepared in accordance with the Indian Accounting Standard (Ind AS), prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Attention is drawn to the fact that the figures for the quarter ended March 31, as reported in these results are the balancing figures between audited figures in respect of the financial years ended March 31, and the published year to date figures up to the end of the third quarter of the relevant financial years. Also, the figures up to the end of the third quarter had only been reviewed and not subject to audit.
- 2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.
- 3. Basis for Qualified Opinion:
  - As detailed in Note No. 2 to the abovementioned Statement, a customer has disputed service tax / GST levied by the Company on reimbursement of expenses aggregating to Rs. 293.68 Lakhs (service tax liability Rs. 238.52 Lakhs upto June 30, 2017 and GST liability Rs. 55.16 Lakhs from July 2017 onwards). No provision has been made by the Company in respect of such outstanding as required by the accounting policies of the Company. However, Management believes that the Company has a strong case to collect the outstanding amounts. In the absence of a balance confirmation or other evidence, we are unable to comment on the recoverability of these amounts. Had the Company made the provision, the loss for the year would have been higher by Rs. 293.68 Lakhs and Trade Receivables as at that date would have been lower by this famount.

### KALYANIWALLA & MISTRY LLP

4. Qualified Opinion:

Based on our audit conducted as above, in our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the basis for Qualified Opinion in paragraph 3 above, these Ind AS Financial Results for the quarter and year ended March 31, 2019:

- (a) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
- (b) give a true and fair view of the net profit (financial performance including other comprehensive income) and other financial information for the quarter and the year ended March 31, 2019.

### 5. Emphasis of Matter:

We draw attention to Note No. 3 to the abovementioned Statement, in respect of the order received from the Office of the Commissioner of Customs (Preventive) confirming the demand for differential duty of customs along with penalty aggregating to Rs. 2,621.95 lakhs. No provision has been made by the Company for the same nor the interest due thereon as at March 31, 2019, as the Management believes, based on a decision in the previous year from Customs Excise and Service Tax Appellate Tribunal (CEST AT), West Zonal Bench, in favour of the Company on a similar matter and an opinion from an external legal expert, that the demand will be set aside by a higher appellate authority.

Our opinion is not modified in respect of this matter.
