Heubach Group selects HCLTech to accelerate digital transformation

VIENNA and NOIDA, India, April 26, 2023: Heubach Group, a leading global pigment manufacturer, has selected HCLTech, a leading global technology company, to drive its digital transformation agenda.

HCLTech will deliver an IT system for Heubach Group across 11 countries to include deployment of hybrid cloud, cybersecurity solutions, end-user services and secure networks. The new IT system will help Heubach Group achieve its strategic objectives and drive productivity and growth.

“We were extremely selective about our preferred digital transformation partner and HCLTech, with its proven track record in delivering flexible and resilient IT systems, fits the bill. We have been impressed by the pace and scale of its delivery and are looking forward to cooperating with HCLTech,” said Oliver Neubrand, CFO at Heubach Group.

“At HCLTech, we’re committed to supercharging progress for enterprises across industries and our multifaceted partnership with Heubach Group is a testament to that. We’re excited to be helping this market leader transform, empower its employees and power growth,” said Pankaj Tagra, Corporate Vice President and EMEA Lead, Diversified Industries, HCLTech.
