NCP leaders being maligned: Patil

Jalgaon, Aug 27 (UNI) : NCP state president and former minister Jayant Patil on Saturday said ,NCP has a great opportunity in the future. But NCP leaders are being maligned as NCP will become the largest party. Trying to suppress of voice by questioning.

Patil assured the workers that they will strongly oppose this pressure and bring justice to the common man.

Patil was on his Samvad Tour' of Jalgaon district on today. On this occasion, Patil also appealed to people to go to people, know their problems, create active activists in their areas, stop disputes among themselves and strengthen our organization.

Parivar Samvad Yatra was conducted during Maha Vikas Aghadi government. Then it was realized that there is a large section of people who believe in Sharad Pawar in this Maharashtra. You have a big idea. On this basis we can make this organization

very broad and expressed the opinion that we all should make sincere efforts for this.

Complete booth committees, enable organization, complete membership registration. Many of our candidates in Jalgaon district had a direct fight with the Shiv Sena while ordering that we should try to grow our party. The elected MLAs of Shiv Sena betrayed Uddhav Thackeray. People never like defectors. So people have a lot of anger towards these MLAs.

If the verdict of the Supreme Court goes against the ruling party, the possibility of holding elections within a few months cannot be ruled out. So we must continue to do organizational building.

Patil urged the workers to get to work saying that their watch should reach every household.

Eknath Khadse among others leaders were present on this occasion.
