Happiest Minds collaborates with ENERCON to drive sustainable wind energy solutions

Bengaluru, India, March XX, 2024: Happiest Minds Technologies Limited (NSE: HAPPSTMNDS), a 'Born Digital . Born Agile', Mindful IT Company, today announced the strategic collaboration with ENERCON, a leading wind energy technology company.

Happiest Minds has established its role as a long-term development partner in ENERCON's pioneering efforts to expand onshore wind energy. To facilitate this journey, a distributed agile pod team has been set up to collaborate closely with their product owners, subject matter experts (SMEs), and local partners. Furthermore, Happiest Minds will focus on enhancing a specific product aimed at optimizing wind energy generation.

Joseph Anantharaju, Executive Vice Chairman & CEO of Product and Digital Engineering Services (PDES), Happiest Minds, said, *"This partnership marks a significant stride toward fostering sustainable and climate-friendly industries. We have assembled a highly skilled team dedicated to supporting them every step of the way. Our digitally agile approach has been instrumental in securing this opportunity."*

Dr.-Ing. Michael Kersten Head PSS Management R&D of ENERCON, said, *"Our aim is to supply reliable, low-cost green power to industries. We are excited to work with Happiest Minds in this endeavor due to their agility, enthusiasm for collaboration, and commitment to fostering a sustainable ecosystem."*

About Happiest Minds Technologies

About ENERCON

As a pioneer of wind energy technology and a committed supporter of the energy transition, we have specialized in developing, producing, selling and servicing onshore wind turbines. Pursuing our mission of 'Energy for the world', we have been championing sustainable energy generation from onshore wind since 1984. Thanks to our innovative wind turbine technology, high quality standards and many years of experience, we are one of the industry's leading manufacturers anywhere in the world.
