Our Vision And Mission

**VISION**

To be the best investment solutions provider, recognized for its innovation approach, trustworthiness, investment research investor friendly attitude & above all its ability to capitalize on the right opportunities for wealth creation.

**MISSION**

To pursue a customer- centric approach by exceeding customer expectation through efficient and timely services besides persistently upgrading our quality standards, retaining the spirit of teamwork: integrity transparency and fairness.
Our Core Values
My RERA is a one-stop first-of-a-kind Review & Rating platform for Real Estate industry. We have largest number of registered societies, agents and builders with genuine customers reviews that help in enhancing visibility and brand value.

We envision to become India’s leading Review & Rating portal for real estate sector and transform it to make it transparent and digital.

We encourage societies, agents and builders to capitalize on the review economy and gain from the ratings to build their value and brand.
Area Online

Indian retail industry is under transition today, bringing a lot of transformations from static to digital retailing business. The shoppers enjoy the privilege of Digital shopping of the goods and services required by them in a variety of formats to meet their expectations.

Ecommerce business model generally consists of eight key components i.e. value proposition, market opportunity, revenue model, competitive environment, competitive advantage, market strategy, organizational development, and management team

Area Online targets the middle class & upper class people who have hands on experience in technology but don’t have much time to do shopping from the physical outlets. Taking this into consideration Area Online has successfully positioned itself as a Glocal (Go global Act local) e-commerce giant where one can sell anything & get it delivered at any remote locations

Virtual Exhibition

A Virtual Event is a gathering of people sharing a common virtual environment on the web, rather than meeting in a physical location. Virtual Event provides a rich source of marketing data as every activity of a participant at Virtual Event can be tracked and evaluated. It helps create a virtual engagement index, which is a variable to measure interaction quantity and quality of participants.

Using the versatility and scope of the online space to host a Digital Exhibition Fair, which allows exhibitors to fully view their items in rich content formats and allows visitors to access and explore these offers in the comfort of their homes.

A world class web-based platform ensures you get to display all your products virtually as well speak to your customers as part of the conference sessions and through one-to-one audio/video calls. You also get the functionality to disseminate white papers, case studies, PPTs, brochures and any other informative material that you would normally share with your customers. So, sitting from the comfort of your office or even home, you get to reach out to your target audience seamlessly through your mobile device.
