Rlys identifies 6 more routes for high-speed corridors

PRESSTIRE OF INDIA

New Delhi, January 27

THE RAILWAYS has identified 6 more routes for high-speed corridors, taking the total number of high-speed rail corridors to 19. The identification is part of the National High-Speed Rail Corridor (NHSCR) project.

The identified corridors include: New Delhi - Varanasi, New Delhi - Haridwar, New Delhi - Mathura, New Delhi - Patna, New Delhi - Nagpur, and New Delhi - Tirupati.

The railways have also announced that the work on the Haridwar - New Delhi corridor will start soon. The work will also start on the Delhi - Mathura corridor.

Government will now write to the relevant state governments to finalise the alignment of the corridors. The railways will also begin preliminary work on the corridors.

Govt to propose mandatory training for all highway engineers: Gadkari

HIGH-CARER TRAINING: Is likely to be made mandatory for all highway engineers, as India looks towards getting ready for the next generation of highways. This has been confirmed by Union Minister for Road Transport and Highways, Nitin Gadkari, who also said that the training should be mandatory for all highway engineers.

It is expected that this will help in enhancing the knowledge and skills of highway engineers, leading to a better quality of construction and maintenance of highways.

The government is also planning to set up a National Highway University (NHU) to provide advanced training to highway engineers.

All coaches, wagons to get RFID tags, tracked by ‘21

PRESSTIRE OF INDIA

New Delhi, January 27

AROUND 3,00,000 coaches and wagons of the railways will be fitted with Radio Frequency Identification (RFID) tags, an official source said on Wednesday.

It will allow the railways to track the coaches and wagons accurately, ensuring better safety and security. The tags will assist in the identification of coaches and wagons, reducing the chances of theft and misplacement.

The railway ministry has already started the process of installing the RFID tags on coaches and wagons.
