**Kotak Mahindra Bank Launches Cardless Cash Withdrawal Facility Through ATMs**

**Mumbai, 24th August, 2020**

Kotak Mahindra Bank (Kotak) today announced the introduction of a cardless cash withdrawal facility through ATMs (Instant Money Transfer - IMT). This technology enables customers to withdraw cash without a debit or credit card.

**Key Features**
- Customers can withdraw cash from any of the 8,500 ATMs associated with Kotak, by presenting any valid identification document.
- The feature is available to all Kotak customers with a Kotak bank account, whether Kotak cardholders or not.

**Mr. Ashish Chauhan, MD & CEO, Kotak Mahindra Bank, said:****

"As a digital-first banking group, the convenience and affordability of kiosks, ATMs, and mobile banking are key to our strategy. This technology will enable us to provide a cash withdrawal facility to our customers, who may not have a card, and also bring the convenience of these facilities to a larger number of customers. We are excited to roll out this facility to our customers and look forward to receiving their feedback.

**About Kotak Mahindra Bank**

Kotak Mahindra Bank Limited (Kotak), incorporated in India and registered under the Indian Companies Act, 1956, is a nationalised bank and a subsidiary of Kotak Mahindra Financial Services Limited. The bank has a strong presence across all retail and corporate segments. It also has a strong retail network with over 6,600 branches and ATM network of 8,500 across the country.

**Using the Feature**

Customers can now use the IMT feature at any of the 8,500 ATMs associated with Kotak by presenting any valid identification document such as Aadhaar Card, Driving License, Voter ID, PAN Card, or any other government-issued ID. Customers will be able to withdraw cash up to Rs. 2,000 per transaction, subject to the applicable withdrawal limit set by the bank.

**Safety and Security**

Kotak has implemented robust security measures to ensure the safety and security of transactions. The technology uses stringent authentication processes, including biometric verification, to ensure that only authorized users can access the feature. This helps in preventing any unauthorized transactions or fraud.

**Customer Feedback**

Kotak Mahindra Bank is looking forward to receiving feedback from its customers on the IMT feature. They encourage customers to provide their feedback through the bank’s official channels to help improve the feature further.
