Dear Sir,

Re: Surveillance of Rating of the Claims Paying Ability of ICICI Lombard General Insurance Company Limited

Please refer the Rating Agreement between ICRA Limited (ICRA) and your company, whereby, ICRA Limited is required to review the ratings assigned to your company on an annual basis, or as and when the circumstances so warrant.

The rating committee of ICRA, after due consideration, has reaffirmed “iAAA” (pronounced as I Triple A) rating to the Claims Paying Ability of ICICI Lombard General Insurance Company Limited. This rating indicates highest claims paying ability and a fundamentally strong position. The prospect of meeting policy holder obligations is the best. The Claims Paying Ability rating is not specific to any particular policy or contract because the standing of a particular obligation would depend on an assessment of its relative standing under the laws governing the obligation and the insurance company.

In any of your publicity material or other document wherever you are using our above rating, it should be stated as “iAAA”. Any intimation by you about the above rating to any Banker/Lending Agency/Government Authorities/Stock Exchange would constitute use of this rating by you.

You are required to forthwith inform us about any default or delay exceeding 14 days in settlement of any claim after its obligation has been accepted to you under the rules governing the insurance contract. You are also required to keep us informed of any other developments which may have a direct or indirect impact on the claims paying ability of the company including any proposal for rescheduling or postponement of the payment of the claims of the company to any policy holder(s)/reinsurance company/insurance company.

You are required to inform us immediately in case of non-compliance with the minimum solvency margin as prescribed by the regulatory authority (ies). ICRA reserves the right to suspend, withdraw or revise the above rating at any time on the basis of new information or unavailability of information or such other circumstances, which ICRA believes, may have an impact on the rating assigned to you.

The ratings, however, should not be treated as a recommendation to enter into any insurance/reinsurance contract with your company.

We thank you for your kind cooperation during the course of the rating exercise.

With kind regards,

Yours sincerely,

For ICRA Limited
