10. Earnings Per Share
Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent (after adjusting for interest on the convertible preference shares) by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares. However company don't have any dilutive potential Equity shares. Hence, Basic and Diluted EPS is same.

The earnings considered in ascertaining the Company's earnings per share comprise of the net profit after tax.
