TCS Announces New Delivery Center in Londrina, Brazil

The new center will help Brazilian organizations in their technology transformation with a focus on strategic areas such as digital transformation, artificial intelligence and cognitive business operations

TCS will create 1,600 new jobs in the southern city of Londrina over the next five years

LONDRINA | MUMBAI, April 15, 2024: [Tata Consultancy Services](#) (TCS) (BSE: 532540, NSE: TCS), a global leader in IT services, consulting, and business solutions, announced a new delivery center in Londrina, Paraná, Brazil. This new center will create more than 1,600 new job opportunities over the next five years, contribute to the local economy and strengthen TCS' presence in the region.

Present in Londrina since 2018, TCS employs around 1,700 people in the city. The new centralized campus will bring the city workforce under one roof, creating a vibrant hub for collaboration and innovation in Londrina. The delivery center will specialize in key areas such as Business Transformation, Artificial Intelligence, and Cognitive Business Operations, offering a comprehensive suite of IT services to clients in Brazil and around the world.

During his recent visit to the Tata Experience Center in Mumbai, **Carlos Massa Ratinho Junior, Governor of the State of Paraná, Brazil**, said, *"This announcement by TCS is so important to us, because it involves a strategic area for the development of our state. I have come to India to learn more about the capabilities that the country has built in many areas, especially in digital technologies, where India is a global leader, and leveraging experiences from here we can deepen digitization of various services and products for the Brazilian economy."*

Bruno Rocha, Country Head, TCS Brazil, said, *"The new delivery center in Londrina is a testament to our ongoing commitment to Brazil and our confidence in local talent. We are looking to double the number of associates in key areas such as Cybersecurity, Cloud, CBO, ITIS, AI, and automation, reflecting our dedication to innovation and excellence in technology services."*

TCS has been operating in Brazil for over two decades, with operations in Londrina, São Paulo and Rio de Janeiro. Serving over 140 clients in the region across industries such as banking, insurance, mining, retail, and telecommunications, TCS has earned recognition as a Top Employer in Brazil for 10 consecutive years and received the diversity seal from the state of São Paulo in 2022.

About Tata Consultancy Services

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for over 56 years. Its consulting-led, cognitive powered, portfolio of business, technology and engineering services and solutions is delivered through its unique Location Independent Agile™ delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India's largest multinational business group, TCS has over 601,000 of the world's best-trained consultants in 55 countries. The company generated consolidated revenues of US \$29 billion in the fiscal year ended March 31, 2024, and is listed on the BSE and the NSE in India. TCS' proactive stance on climate change and award-winning work with communities across the world have earned it a place in leading sustainability indices such as the MSCI Global Sustainability Index and the FTSE4Good Emerging Index.
