Dear Sir,

Sub: Submission of Notice of the 109th Annual General Meeting of Diana Tea Co Ltd alongwith the Annual Report for the Financial Year ended March 31, 2020

Pursuant to Regulation 30 read with Part A (Para A) of Schedule III and Regulation 34(1)(a) of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), we hereby enclose the Notice of the 109th Annual General Meeting of Diana Tea Co Ltd to be held on Thursday, September 24, 2020 at 3.00 P.M. (IST) through Video Conferencing or Other Audio Visual Means and the Annual Report of the Company for Financial Year ended March 31, 2020 respectively.

The said Notice which forms part of the Annual Report for the Financial Year ended March 31, 2020 is being sent only through e-mails to the shareholders of the Company at their registered e-mail addresses and the same has also been uploaded on the website of the Company under the web-link https://www.dianatea.in/ar/AR_2019-2020.pdf

This is for your information and record.

Thanking you,

Yours faithfully
For DIANA TEA COMPANY LIMITED

ANUSHREE BISWAS
COMPANY SECRETARY & COMPLIANCE OFFICER
MEMBERSHIP NO. 40821

Encl : a/a
NOTICE IS HEREBY GIVEN THAT THE ONE HUNDRED AND NINETH (109th) ANNUAL GENERAL MEETING OF THE MEMBERS OF DIANA TEA COMPANY LIMITED WILL BE HELD ON THURSDAY, SEPTEMBER 24, 2020 THROUGH VIDEO CONFERENCING (“VC”) / OTHER AUDIO-VISUAL MEANS (“OAVM”) AT 3.00 P.M. (IST), TO TRANSACT THE FOLLOWING BUSINESS:

ORDINARY BUSINESS:
1. To receive, consider and adopt the Audited Standalone and Consolidated Financial Statement for the Financial Year ended on 31st March, 2020 and the Reports of the Directors and Auditors thereon.
2. To appoint a Director in place of Mrs. Sarita Singhania (DIN:00343786) who retires by rotation and being eligible, offer herself for re-appointment.

SPECIAL BUSINESS:
3. TO RE-APPOINT MR. N.F. TANKARIWALA (DIN: 00035400), AS INDEPENDENT DIRECTOR OF THE COMPANY FOR A SECOND TERM OF 5 YEARS, NOT LIABLE TO RETIRE BY ROTATION:

   To consider and if thought fit to pass the following resolution as a Special Resolution:

   “RESOLVED THAT pursuant to the provisions of Sections 149, 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013, as amended from time to time (“the Act”), read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and other applicable rules if any (including any statutory modification(s) or amendments or re-enactment(s) thereof for the time being in force), Regulations 16, 17 and other relevant provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“SEBI Listing Regulations”) and the Articles of Association of the Company, Mr. N.F. Tankariwala (DIN: 00035400), Independent Director of the Company, who has submitted a declaration that he meets the criteria for independence under Section 149 of the Act and SEBI Listing Regulations, and in respect of whom Notice has been received from a Member under Section 160 of the Act proposing his reappointment as an Independent Director and whose reappointment has been recommended by the Nomination and Remuneration Committee and approved by the Board of Directors, and who is eligible for re-appointment, be and is hereby re-appointed as an Independent Director of the Company, not liable to retire by rotation, to hold office for a second term of five consecutive years with effect from June 26, 2020 to June 25, 2025.”

4. TO RE-APPOINT MR. H.M. PAREKH (DIN: 00026530), AS INDEPENDENT DIRECTOR OF THE COMPANY FOR A SECOND TERM OF 5 YEARS, NOT LIABLE TO RETIRE BY ROTATION:

   To consider and if thought fit to pass the following resolution as a Special Resolution:

   “RESOLVED THAT pursuant to the provisions of Sections 149, 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013, as amended from time to time (“the Act”), read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and other applicable rules if any (including any statutory modification(s) or amendments or re-enactment(s) thereof for the time being in force), Regulations 16, 17 and other relevant provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“SEBI Listing Regulations”) and the Articles of Association of the Company, Mr. H.M. Parekh (DIN: 00026530), Independent Director of the Company, who has submitted a declaration that he meets the criteria for independence under Section 149 of the Act and SEBI Listing Regulations, and in respect of whom Notice has been received from a Member under Section 160 of the Act proposing his reappointment as an Independent Director and whose reappointment has been recommended by the Nomination and Remuneration Committee and approved by the Board of Directors, and who is eligible for re-appointment, be and is hereby re-appointed as an Independent Director of the Company, not liable to retire by rotation, to hold office for a second term of five consecutive years with effect from June 26, 2020 to June 25, 2025.”

5. TO RE-APPOINT MR. GAUTAM BHALLA (DIN: 00675609), AS INDEPENDENT DIRECTOR OF THE COMPANY FOR A SECOND TERM OF 5 YEARS, NOT LIABLE TO RETIRE BY ROTATION:

   To consider and if thought fit to pass the following resolution as a Special Resolution:

   “RESOLVED THAT pursuant to the provisions of Sections 149, 152 read with Schedule IV and other applicable provisions, if any, of the Companies Act, 2013, as amended from time to time (“the Act”), read
RESOLVED THAT To consider and if thought fit to pass the following

6. TO APPROVE CONTINUATION OF PAYMENT OF REMUNERATION TO EXECUTIVE DIRECTORS WHO ARE PROMOTERS IN EXCESS OF THRESHOLD LIMITS AS PER SEBI (LODR) (AMENDMENT) REGULATIONS, 2018.

To consider and if thought fit to pass the following Resolution as Special Resolution:

“RESOLVED THAT pursuant to Regulation 17(6)(e) of SEBI (LODR) (Amendment) Regulations, 2018 along with the provisions of Sections 196, 197, 198 and other applicable provisions of the Companies Act, 2013 and the rules made thereunder (including any statutory modification or re-enactment thereof) read with Schedule - V of the Companies Act, 2013 and as per the recommendation of the Nomination & Remuneration Committee and the Board of Directors of the Company, the consent of the members of the Company be and is hereby accorded for continuation of payment of remuneration to the Executive Directors and Promoters of the Company, Mr. Sandeep Singhania, Managing Director as per revised terms and conditions as placed and approved by the shareholders in this Annual General Meeting till the expiry his term of reappointment effective from 27th August, 2020 and also to Mrs Sarita Singhania, Whole-Time Director of the Company at such terms and conditions as approved by members in its Annual General Meeting held on 19th September, 2019, till the expiry of her current tenure till 10th November 2021 notwithstanding:

i) The annual remuneration payable to each of them exceeding Rs. 5 Crores or 2.5 per cent of the net profits of the Company calculated as per the applicable provisions of the Companies Act, 2013, whichever is higher; or

ii) Their aggregate annual remuneration exceeding 5 per cent of the net profits of the Company calculated as per the provisions of Section 198 of the Companies Act, 2013.

RESOLVED FURTHER THAT the Board/ Company Secretary be and are hereby authorised to take all steps as may be necessary, proper and expedient to give effect to this Resolution.”

7. TO RE-APPOINT MR. SANDEEP SINGHANIA (DIN: 00343837) AS MANAGING DIRECTOR OF THE COMPANY:

To consider and if thought fit to pass the following Resolution as Special Resolution:

“RESOLVED THAT in accordance with the provisions of Sections 196, 197, 203 read with Schedule V and all other applicable provisions of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modifications or re-enactment thereof for the time being in force) the consent and approval of the Company be and is hereby granted for re-appointment of Mr. Sandeep Singhania (DIN : 00343837) as Managing Director (MD) of the Company for a period of five(5) years with effect from 27th August, 2020 on such terms and conditions including remuneration as set out in the Agreement executed by and between Mr. Sandeep Singhania and the Company, and details as given in the Statement annexed to the Notice convening this Meeting, with liberty to the Board of Directors (hereinafter referred to as “the Board” which term shall be deemed to include the Nomination and Remuneration Committee of the Board) to alter and vary the terms and conditions of the said re-appointment and / or remuneration as it may deem fit and as may be acceptable to Mr. Sandeep Singhania subject to the same not exceeding the limits specified under Schedule V to the Companies Act, 2013 or any statutory modification(s) or re-enactment thereof. Mr. Sandeep Singhania (DIN : 00343837) shall also be liable to retire by rotation at the Annual General Meetings in accordance with Section 152 of the Companies Act, 2013 and there will be no break in his office as Managing Director in case he is re-appointed by the shareholders.”

“RESOLVED FURTHER THAT in the event of loss or inadequacy of profits in any financial year of the Company during the term of Mr. Sandeep Singhania office as Managing Director, the remuneration set out in the aforesaid draft Letter of appointment be paid
or granted to Mr. Sandeep Singhania as minimum remuneration provided that the total remuneration by way of salary and other allowances shall not exceed the ceiling provided in Section II(A) of Part II of Schedule V to the said Act or such other amount as may be provided in the said Schedule V as may be amended from time to time or any equivalent statutory re-enactment(s) thereof.

“RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorized to vary or increase the remuneration (subject to the approval of Nomination and Remuneration Committee) in the said draft Letter of appointment to the extent the Board of Directors may consider appropriate and as may be permitted or authorized in accordance with any provision under the Act for the time being in force provided, however, that the remuneration payable to Mr. Sandeep Singhania shall be within the limits set out in the said Act including the said Schedule V to the Act or any amendments thereto or any modification(s) or statutory re-enactment(s) thereof and / or any rules or regulations framed thereunder and the terms of the aforesaid letter between the Company and Mr. Sandeep Singhania shall be suitably modified to give effect to such variation or increase as the case may be.”

“RESOLVED FURTHER THAT the Board be and is hereby authorized to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution.”

NOTES:

1) The Explanatory Statement pursuant to Section 102 of the Act, which sets out details relating to Special Businesses to be transacted at the 109th Annual General Meeting (“AGM”), is annexed hereto.

2) In view of the continuing COVID-19 pandemic, and to ensure social distancing norms, the Ministry of Corporate Affairs has allowed conducting Annual General Meeting through video conferencing (VC) or other audio-visual means (OAVM) without the physical presence of the Members at a Common Venue. Accordingly, the Ministry of Corporate Affairs issued Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020, prescribing the procedures and manner of conducting the Annual General Meeting through VC/OAVM. In terms of the said Circulars, the Companies Act, 2013 (“the Act”) and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time (“SEBI Listing Regulations”) the 109th Annual General Meeting (“AGM”) of the Members is to be held through video conferencing (VC) or other audio-visual means (OAVM). Hence, Members can attend and participate in the AGM through VC/OAVM only. The detailed procedure for participating in the meeting through VC/OAVM is annexed herewith and also available at the Company’s website i.e., www.dianatea.in. The deemed venue for the AGM shall be the Registered Office of the Company.

3) Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.

4) Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to goenkamohan@gmail.com with a copy marked to helpdesk.evoting@cdslindia.com

5) In case of joint holders attending the meeting, only such joint holders who are higher in the order of names will be entitled to vote.

6) The Register of Members and Share Transfer Register of the Company will remain close from 17th September, 2020 to 24th September, 2020 (both days inclusive) for the purpose of Annual General Meeting.

7) The Securities and Exchange Board of India (SEBI) has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participant(s), Members holding shares in physical form are required to submit their PAN details to the Registrar and Share Transfer Agents,
The Company has, subsequent to year end, transferred the following:

10) Pursuant to Section 124 and 125 of the Companies Act, 2013 any money transferred to the unpaid dividend account of a Company remaining unpaid or unclaimed for a period of seven consecutive years from the date of such transfer shall be transferred to Investor Education and Protection Fund. Members who have not so far encashed their dividend warrants for the accounting year ended 31st December 2012 to 31st March, 2019 may immediately approach the registrar for revalidation of unclaimed dividend warrants.

11) The Ministry of Corporate Affairs has notified provisions relating to unpaid/unclaimed dividend under Section 124 and 125 of the Companies Act, 2013 and Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016. As per these Rules, dividends which are not encashed/claimed by the shareholder for a period of seven consecutive years shall be transferred to the Investor Education and Protection Fund (IEPF) Authority. The IEPF Rules mandate the companies to transfer the shares of shareholders whose dividend remain unpaid/unclaimed for a period of seven consecutive years to the demat account of IEPF Authority.

The Company has, subsequent to year end, transferred a sum of Rs. 1.65 lakhs and 121566 shares to Investor Education and Protection Fund, in compliance with the provisions of Section 124, 125 and other applicable provisions of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016.

The Company is taking steps for sending individual notices to the concerned shareholders and for publishing of a public notice to shareholders under the IEPF Rules in this regard.

Hence, the Company urges all the shareholders to encash/claim their respective dividend during the prescribed period.

Members are informed that once the unpaid/unclaimed dividend or the shares are transferred to IEPF, the same may be claimed by the Members from the IEPF Authority by making an application in the prescribed Form IEPF-5 online and sending the physical copy of the same duly signed (as per the specimen signature recorded with the Company) along with requisite documents to the Registered Office of the Company for verification of the claim.

In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2019-20 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2019-20 will also be available on the Company’s website www.dianatea.in, websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com, and on the website of CDSL www.evotingindia.com.

This AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020. The recorded transcript of the forthcoming AGM shall also be made available on the website of the Company www.dianatea.in as soon as possible after the meeting is over.

Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.

The Ministry of Corporate Affairs, Government of India, pursuant to its Green Initiative in Corporate Governance, has permitted under Section 20 of the Companies Act, 2013, the service of documents including the Annual Report consisting of Notice, Accounts and other relevant Reports through the electronic mode. Shareholders holding shares in physical form are requested to register/update their e-mail address with the Company’s Registrar and Share Transfer Agent, M/s. Maheshwari Datamatics Pvt. Ltd. at http://mdpl.in/form/email-update.
15) Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.

16) Additional information, pursuant to Regulation 26 (4) & 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and as required under the provisions of Secretarial Standard-2 issued by The Institute of Company Secretaries of India, in respect of the directors seeking appointment/ re-appointment at the AGM, is furnished as annexure to the Notice. The Directors have furnished consent/ declaration for their appointment / re-appointment as required under the Companies Act, 2013 and the Rules thereunder.

17) The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, and the relevant documents referred to in the Notice will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available electronically for inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to contactus@dianatea.in.

18) Members who wish to update or register their e-mail addresses with the Company or with the Depositories may use the attached E-Communication Registration Form for updation / registration.

19) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

20) The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

**THE INSTRUCTIONS FOR MEMBERS FOR E-VOTING DURING AGM ARE GIVEN HEREIN BELOW:**

**ONCE THE VOTE IS CAST, THE MEMBER CANNOT CHANGE THE SAME OR RECAST THE SAME AGAIN:**

21) Members may also note that the Notice of the 109th Annual General Meeting and the Annual Report for the financial year ending on March 31, 2020 will also be available on the Company’s website www.dianatea.in. The Notice of AGM shall also be available on the website of CDSL viz. www.evotingindia.com.

22) The procedure for e-Voting on the day of the AGM is same as the instructions mentioned below for Remote e-voting.

23) Any person, who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at helpdesk.evoting@cdslindia.com. However, if he/she is already registered with CDSL for remote e-voting then he/she can use his/her existing User ID and password for casting the vote.

24) The e-voting period commences on Monday, 21st September, 2020 (10.00 A.M. IST) and ends on Wednesday, 23rd September, 2020 (5.00 P.M. IST). During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on the close of working hours on 17th September, 2020 (‘Cut-off date’) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting on Wednesday 23rd September, 2020 after 5.00 P.M. IST. Those Members, who will be present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.

25) The voting rights of Members shall be in proportion to their shares of the paid up equity share capital of the Company as on Cut-off Date.

26) The Members who have cast their vote by remote e-voting prior to the AGM may also attend/ participate in the AGM through VC / OAVM but shall not be entitled to cast their vote again. If any Votes are cast by the shareholders through the e-voting available during the AGM and if the same shareholders have not participated in the meeting through VC/OAVM facility, then the votes cast by such shareholders shall be considered invalid as the facility of e-voting during the meeting is available only to the shareholders attending the meeting.
27) Mr. Mohan Ram Goenka, Practicing Company Secretary (COP No. 2551), Partner, M R & Associates, Company Secretaries, Kolkata, who has consented to act as the Scrutinizer or failing him Ms. Sneha Khaitan, Partner M R & Associates was appointed by the Board of Directors as the Scrutinizer to scrutinize the voting process (electronically or otherwise) for 109th AGM in a fair and transparent manner and submit a consolidated Scrutinizer’s Report of the total votes cast to the Chairman or a person authorized by him in writing.

28) The Scrutinizer shall, immediately after the conclusion of voting at the meeting will first count the votes cast at the meeting and thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the Company and within a period not exceeding three days from the conclusion of the Annual General Meeting make a Consolidated Scrutinizer’s Report of the votes cast in favour or against, if any, to the Chairman of the Company or any other person authorized by him in writing who shall countersign the same and declare the result of the voting forthwith.

Further, in accordance with Regulation 44(3) of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Company shall submit to the Stock Exchange, details of the voting results in the prescribed format within 48 (Forty Eight) hours of conclusion of the Annual General Meeting. The results declared along with the Consolidated Scrutinizer’s Report shall be placed on the Company’s website www.dianatea.in and on the website of CDSL www.evotingindia.com. The Results shall simultaneously be communicated to the BSE Limited.

29) The results of e-voting shall be aggregated and declared on or after the Annual General Meeting of the Company. The results of the e-voting shall be aggregated and declared not later than 48 (Forty eight) hours of conclusion of the AGM i.e. Saturday, 26th September, 2020. The results declared along with the Scrutinizer’s Report shall be placed on the Company’s website www.dianatea.in and on the website of CDSL www.evotingindia.com immediately and communicated to BSE Limited. Subject to receipt of requisite number of votes, the resolutions set out in the Notice shall be deemed to be passed on the date of the AGM.

30) In terms of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, securities of listed companies can only be transferred in dematerialised form with effect from 1st April, 2019. In view of the above, members are advised to dematerialise shares held by them in physical form.

31) Subject to receipt of requisite number of votes, the Resolutions proposed in the Notice shall be deemed to have been passed on the date of the Meeting i.e. 24th September, 2020.

32) Note for Non-Individual Shareholders and Custodians

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the “Corporates” module.

If you have any queries or issues regarding attending AGM & E-Voting from the e-Voting System, you may refer the Frequently Asked Questions (“FAQs”) and e-voting manual available at www.evotingindia.com under help section or write an email to helpdesk.evoting@cdslindia.com or contact Mr. Nitin Kunder (022- 23058738 ) or Mr. Mehoob Lakhani (022-23058543) or Mr. Rakesh Dalvi (022-23058542).

All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, Manager, (CDSL, ) Central Depository Services (India) Limited, A Wing, 25th Floor, Marathon Futurex, Mahatma Mill Compounds, N M Joshi Marg, Lower Parel (East), Mumbai - 400013 or send an email to helpdesk.evoting@cdslindia.com or call on 022-23058542/43.
INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING FACILITY ARE AS UNDER:

(i) The e-voting period commences on Monday, 21st September, 2020 (10.00 A.M. IST) and ends on Wednesday, 23rd September, 2020 (5.00 P.M. IST). During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 17th September, 2020 may cast their vote electronically.

(ii) Shareholders who have already voted prior to the meeting date, may attend the meeting but would not be entitled to vote at the meeting.

(iii) The shareholders should log on to the e-voting website www.evotingindia.com.

(iv) Click on “Shareholders” tab to cast your votes.

(v) Now Enter your User ID:
   a. For CDSL: 16 digits beneficiary ID,
   b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
   c. Members holding shares in Physical Form should enter Folio Number registered with the Company.

OR

Alternatively, if you are registered for CDSL’s EASI/EASIEST e-services, you can log-in at https://www.cdslindia.com from Login - Myeasi using your login credentials. Once you successfully log-in to CDSL’s EASI/EASIEST e-services, click on e-Voting option and proceed directly to cast your vote electronically.

(vi) Next enter the Image Verification as displayed and Click on Login.

(vii) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.

(viii) If you are a first time user follow the steps given below:

<table>
<thead>
<tr>
<th>Dividend Bank Details OR Date of Birth (DOB)</th>
<th>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>• If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).</td>
</tr>
</tbody>
</table>

(ix) After entering these details appropriately, click on “SUBMIT” tab.

(x) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

(xi) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

(xii) Click on the EVSN for the relevant Diana Tea Company Limited on which you choose to vote.

(xiii) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

(xiv) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.

(xv) After selecting the resolution you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.

(xvi) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.

(xvii) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.

(xviii) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following explanatory statement sets out all material facts relating to the business mentioned under Item Nos. 3 to 7 of the accompanying Notice:

Item 3, 4 and 5- Re-appointment of Directors as Independent Director(s) for second term of five years:

As per the provisions of Sections 149, 152 and Schedule IV of the Act read with relevant Rules made thereunder as amended, the Company had appointed Mr. N.F. Tankariwala, Mr. H.M. Parekh and Mr. Gautam Bhalla as Independent Directors as per the requirement of the Act at the 104th Annual General Meeting of the Company w.e.f. June 26, 2015 for a term of consecutive five years up to June 25, 2020. As these Independent Directors shall be completing their first terms of appointment upon completion of five years on June 25, 2020, they are eligible for re-appointment for another term of five consecutive years subject to approval of the Members by Special Resolution.

The Company has received notices from a Member under Section 160 of the Act proposing their appointment as Independent Directors. The Company has received declarations from Mr. N.F. Tankariwala, Mr. H.M. Parekh and Mr. Gautam Bhalla confirming that they meet the criteria for independence as provided under Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) and that they are eligible to be appointed as Independent Directors of the Company. The Company has also received their consent to act as Independent Directors and declaration that they are not disqualified under Section 164(2) of the Act.

Selection of Directors at the Company is a very stringent process and Directors are selected basis their capability to add value to the Company and as a result to the shareholders. The performance evaluation of Independent Directors was conducted by the entire Board of Directors (excluding the Director being evaluated). Based on the performance evaluation, the Nomination and Remuneration Committee has recommended and the Board of Directors of the Company has approved, at their respective meetings held on June 29, 2020, the re-appointment of Mr. N.F. Tankariwala, Mr. H.M. Parekh and Mr. Gautam Bhalla as “Independent Directors”, not liable to retire by rotation, for a second term of five consecutive years commencing from June 26, 2020 upto June 25, 2025, subject to approval of the Members by Special Resolution at the ensuing Annual General Meeting of the Company.

In the opinion of the Board, the aforesaid Directors fulfil the conditions specified in the Act read with the rules made thereunder and SEBI Listing Regulations for being appointed as Independent Directors of the Company and are independent of the management.

In terms of Regulation 17 (1A) of SEBI Listing Regulations, approval of Members by way of Special Resolution is already taken to appoint or continue the directorship of Non-Executive Directors who have attained the age of 75 years in the 107th Annual General Meeting held on 18th September, 2018. Mr. N.F. Tankariwala and Mr. H.M. Parekh has attained the age of 75 years.

Brief Resume of Mr. N.F. Tankariwala, Mr. H.M. Parekh and Mr. Gautam Bhalla are provided separately in this Notice.

Accordingly, the Board recommends Special Resolutions, as set out at Item Nos. 3, 4 and 5 of the Notice, for approval by the Members. None of the Directors and Key Managerial Personnel of the Company and their relative(s), other than the concerned Independent Directors and their relative(s), are in any way deemed to be concerned or interested (financially or otherwise), in the proposed Special Resolutions set out at Item Nos.3,4 and 5 of the Notice.

Item 6 - Approval of continuation of payment of remuneration to Executive Directors who are promoters in excess of threshold limits as per SEBI (LODR) (Amendment) Regulations, 2018:

The Securities and Exchange Board of India (‘SEBI’) has amended certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations, 2015”). Pursuant to Regulation 17(6)(e) of the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, which are effective from 1st April, 2019, approval of the members by way of special resolution in general meeting shall be required, if the annual remuneration payable to Executive Directors, who are promoters or members of the promoter group, is in excess of the limits prescribed thereunder i.e. (i) where there is one such Director, Rs. 5 crore or 2.5 per cent of the net profits of the listed entity, whichever is higher; or (ii) where there is more than one such director, 5 per cent of the net profits of the listed entity. It is further prescribed that such approval once obtained shall be valid till the expiry of the term of the respective Executive Directors.
At present, on the Board of Directors of the Company, there are two executive directors who are promoters of the company. They are Mr. Sandeep Singhania, Managing Director (DIN: 00343837) and Mrs. Sarita Singhania (DIN: 00343786), Whole-Time Director.

Mr. Sandeep Singhania was appointed as Managing Director for a term of 5 years effective from 27th August, 2015 and the shareholders have approved remuneration payable to Mr. Sandeep Singhania in the AGM held on 18th September, 2018. Further, the re-appointment and revision in remuneration of Mr. Sandeep Singhania w.e.f. 27th August, 2020 had been recommended by the Nomination and Remuneration Committee and thereafter approved by the Board of Directors of the Company in its meeting held on 14th August, 2020, subject to the approval of the members in this Annual General Meeting.

Mrs. Sarita Singhania was appointed as Whole Time Director for a term of 5 years effective from 11th November, 2016 and the shareholders have recently approved remuneration payable to Mrs. Sarita Singhania in the AGM held on 19th September, 2019.

Though the remuneration payable to the Executive Promoter Directors shall remain within the limits already approved by the members at respective AGMs, the same may exceed the ceilings newly prescribed under Regulation 17(6)(e) of the SEBI Listing Regulations, 2015 and hence require approval of the members by way of special resolution.

In order to comply with the requirement of Amended Listing regulations, and on recommendation of Nomination and Remuneration Committee, Board of Directors is seeking fresh approval of the shareholders by way of special resolution for retaining all existing terms and conditions of appointment of aforesaid Executive Directors including remuneration payable to them at the expiry of their respective term in order to comply with the above mentioned newly introduced Regulation 17(6)(e) of SEBI (LODR) Regulations, 2015.

The Board recommends the SPECIAL RESOLUTION set out at Item No. 6 of the Notice for approval by the Members.

None of the Directors or Key Managerial Personnel of the Company or their relatives except Mr. Sandeep Singhania and Mrs. Sarita Singhania and their relative are interested financially or otherwise, in this Special Resolution except to the extent of their shareholding interest, if any, in the Company in the resolution set out at item No. 6 of the notice.

**Item 7- Re-Appoint Mr. Sandeep Singhania (DIN: 00343837) as Managing Director of the Company:**

Mr. Sandeep Singhania (DIN : 00343837) during his term as Managing Director of the Company had done his best for all round development and growth of the Company. Therefore, on recommendation of the Nomination and Remuneration Committee, the “Board” at their meeting held on 14th August, 2020, re-appointed Mr. Sandeep Singhania as the Managing Director of the Company for a further period of five years from 27th August, 2020 to 26th August, 2025, subject to the approval of the shareholders of the Company.

Mr. Sandeep Singhania (DIN : 00343837) is a commerce graduate and has been associated with the Company for more than 29 years and has thorough experience of tea industry. His sharp intellect, key insight and logical analysis on various issues along with his valuable inputs always enhance the performance of the Company.

With the introduction of Schedule V of the Companies Act, 2013 (‘the Act’) the Company having profits in a financial year may pay remuneration to a Managerial Person(s) not exceeding the limits specified in Section 197 of the Act and in cases where there is no profits or its profits are inadequate, the Company can pay remuneration to its managerial person in accordance with Section II (A) of Schedule V to the Act. Hence, it has been thought prudent to obtain the approval of the shareholders by way of a Special Resolution for payment of remuneration to Mr. Sandeep Singhania (DIN : 00343837) Managing Director of the Company upto three years effective from 27th August, 2020 in the absence/ inadequacy of profits in any financial year as per limits and the terms and conditions approved earlier as under:

The main terms and conditions of re-appointment of Mr. Sandeep Singhania as set out in the agreement placed before the meeting are as follows:-

1. **Mr. Sandeep Singhania** (hereinafter called “Mr. Singhania”) be re-appointed as Managing Director of the Company for a period of five years with effect from August 27, 2020. During currency of such five years period of Directorship of Mr. Singhania will be liable to retire by rotation at the Annual General Meetings in accordance with Section 152 of the Companies Act, 2013 and there will be no break in his office as Managing Director in case he is re-appointed by the shareholders.

2. As Managing Director of the Company, Mr. Singhania shall devote whole of his time, attention and ability to the business and affairs of the Company, subject to the superintendence, control and directions of the Board. Mr. Singhania shall be entitled to have the management of the whole or substantially the whole of the affairs of the Company.

3. In consideration of his services as Managing Director, Mr. Singhania shall be entitled to receive the following by way of remuneration upto the period of three years w.e.f. 27th August, 2020:

   A. **Salary:** Rs. 3,50,000/- per month.

   Revision of the basic salary shall be decided by the Board of Directors annually on the recommendation of the Nomination and Remuneration Committee in the salary range of ` 3, 00,000/- to ` 5, 00,000/- per month.
B. **Commission**: Commission as determined by the Board of Directors within the overall ceiling on managerial remuneration laid down in Sections 2(78) and Section 197 of the Companies Act, 2013 and based on the net profits of the Company in any particular year.

C. **Perquisites**: In addition to the salary and commission payable, Mr. Singhania shall also be entitled to perquisites and allowances like accommodation (furnished or otherwise) or house rent allowance in lieu thereof, house maintenance allowance, together with reimbursement of expenses or allowances for utilities such as gas, electricity, water, furnishing and repairs, medical reimbursement, leave travel concession for himself and his family, club fees, medical insurance and such other perquisites and allowances in accordance with the rules of the Company or as may be agreed to by the Board of Directors and Mr. Singhania.

The perquisites and allowance shall be valued as per Income Tax Act, 1961 or any other rules hereunder or any statutory modification(s) or re-enactment thereof, and in absence of such rules they shall be valued at actual cost.

Provision for use of the Company’s car for official duties and telephone (including payment of local calls and long distance official calls) shall not be included in the computation of perquisites.

Company’s contribution to Provident Fund and Superannuation or Annuity Fund, to the extent these either singly or together are not taxable under the Income Tax Act, Gratuity payable as per the rules of the Company and encashment of leave at the end of tenure, shall not be included in the computation of limits for the remuneration or perquisites aforesaid.

D. **Minimum Remuneration**: In the event of loss, absence or inadequacy of profits in any financial year during the term of office of Mr. Singhania, the remuneration payable to him by way of salary, allowances, commissions and perquisites shall not, without the approval of the Central Government (if required), exceed limit specified in Schedule V to the Companies Act, 2013 including any amendment(s), modification(s), variation(s) or re-enactment thereof.

The above remuneration is to be paid as minimum remuneration in the absence or inadequacy of profits, subject to the provisions of Schedule V of the Companies Act, 2013.

**Variation**: The Board of Directors or any Committee may alter and vary the terms and conditions of the appointment and/or agreement (including the amount of salary, commission and also type & amount of perquisites and other benefits payable to Mr. Singhania) in such manner as may be agreed between the Board or Committee thereof and Mr. Singhania, provided however that the remuneration payable to Mr. Singhania shall not exceed the limits specified in the Schedule V of the Companies Act, 2013, including any amendment(s), modification(s), variation(s) or re-enactment thereof.

The above payment shall be governed by the provisions of Schedule V to the ‘Act’ or any amendment thereof.

The “Board” commends the Special Resolution set out at Item No. 7 of the Notice for approval by the shareholders. The draft of the Agreement, proposed to be entered into between Company and Mr. Sandeep Singhania is available for inspection in electronic mode without payment of any fee by the Members up to the date of the AGM.

The above material terms of re-appointment and remuneration payable to Mr. Singhania as set out in the accompanying Notice should be considered an abstract and the Memorandum of Interest, pursuant to the provision of Section 190 of the Companies Act, 2013.

Save and except Mr. Sandeep Singhania, being an appointee, none of the other Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise, in these resolutions, except and to the extent of their shareholdings, if any in the Company.

Note: The above figures are extracted from the Consolidated and Standalone Financial Statements prepared under INDAS (Indian Accounting Standards) for the Financial Year ended on 31st March, 2020 and 31st March, 2019.

Review of Performance
The year under review was somewhat better than the previous year both in terms of crop as well as price realization. Our own crop for the year was higher by 7,034 kilograms when compared to last year, even after loosing end March crop because of COVID – 19 lockdown announced by Central Government. Our produce from bought leaf was 4,06,844 kilograms when compared to 9,07,027 kilograms last year. Since the bought leaf market was extremely bad during the current year, your company was extremely selective on purchasing the same. During the current year Indian Tea production is 1390 v/s last year 1349 million kilograms. The major crop contribution continues to come from small tea growers. This has led to poor sentiments prevailing in the market particularly for average quality tea, however good quality teas showed a sign of improvement in realization. Higher wages coupled with higher inputs which is growing every year with more or less stable realization continues to put lot of pressure on the margins of tea garden operation. With overall better average realization and economy, your company has been able to post a profit of ₹ 46.65 lakhs vis-à-vis a loss of ₹ 118.50 lakhs last year.

Prospects
Due to COVID-19 lockdown during the month of March & April there has been a major crop loss in North India to the tune of 113 million kilograms till the month of May. This has led to a buoyant tea market overall. The market is higher by around ₹ 60-70 per kilograms. It is after a long time wherein the elasticity of the market has gone in favor of the industry. All the packeters are running hand to mouth as far as their stock is concerned. By the year end it is expected that this shortfall in crop might increase to 170 to 175 million kilograms. This may keep the market bullish for
Researchers say polyphenols, found in tea, prevent cardio-vascular diseases.
Directors' Report

- The Terms of Reference of the Committee has been provided in the Corporate Governance Section forming part of this Report. During the financial year, the Committee had met 2 times as on May 28, 2019 and August 13, 2019.

Corporate Social Responsibility (CSR)

Your Company considers Corporate Social Responsibility as an important aspect of doing business. As a good corporate citizen, your Company shall initiate appropriate action towards various social causes in the future. Presently, the provisions of Section 135 of the Companies Act, 2013 are not applicable to the Company.

Management Discussion and Analysis

As per SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015, Management Discussion and Analysis Report is attached as Annexure “B” forming part of this report.

Directors’ Responsibility Statement

Pursuant to the requirement of clause (c) of sub-section (3) and (5) of Section 134 of the Companies Act, 2013, your Directors confirm that:

(a) in the preparation of the annual accounts, for the financial year ended 31st March, 2020, the applicable accounting standards had been followed along with proper explanation relating to material departures except gratuity liability being accounted for, as and when paid/payable;

(b) the directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company for the financial year ended 31st March, 2020 and of the profit and loss of the company for that year;

(c) the directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;

(d) the directors had prepared the annual accounts on a going concern basis;

(e) the directors had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively; and

(f) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Corporate Governance

Your Company attaches considerable significance to good Corporate Governance as an important step towards building investor confidence, improving investor’s protection and maximizing long term shareholders value. The certificate of the Auditors confirming compliance of conditions of Corporate Governance as stipulated under Regulation34 read with Schedule V(E) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 of the Stock Exchange is annexed as Annexure “C”.

Related party transactions

The related party transactions entered during the year were in ordinary course of business and also on arm’s length basis in compliance with the applicable provisions of the Companies Act, 2013 and Listing Regulations. There are no materially significant related party transactions made by the Company with Promoters, Directors or Key Managerial Personnel etc. which may have potential conflict of the interest with the Company at large. All related party transactions are presented to the Audit Committee and the Board, if required, for approval. Omnibus approval is obtained for the transactions which are foreseen and repetitive in nature. The Revised Policy on Related Party Transactions as approved by the Board is uploaded on the Company’s web link: www.dianatea.in/Policy-on-Related-Party-transactions_7.pdf.

Details of conservation of energy, technology absorption, foreign exchange earnings and outgo

The particulars as prescribed under sub-section (3)(m) of the Section 134 of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014, are given at Annexure “D” to the Directors’ Report.

Particulars of Employees

The ratio of the remuneration of each Director to the median employee’s remuneration and other particulars or
Details of employees pursuant to Section 197(12) of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 as amended are attached to this Report as Annexure “E”.

There are no directors who is in receipt of any commission from the company as well as from its holding company as per section 197 (14) of the Companies Act, 2013.

Annual Evaluation of Board’s Performance

During the financial year, the Board evaluated its own performance as well as that of its Committees and individual Directors. The exercise was carried out covering various aspects of the Boards functioning such as composition of the Board & committees, qualification, experience & competencies, performance of specific duties & obligations, governance issues etc. Separate exercise was carried out to evaluate the performance of Non-Independent Directors. The performance of Independent Directors has been evaluated based on the guidelines as provided under Schedule IV of the Act. The evaluation of the Independent Directors was carried out by the entire Board except by the Director being evaluated. The directors were satisfied with the evaluation results, which reflected the overall engagement of the Board and its Committees with the Company.

Auditors and Audit Report

M/s. B. Nath & Co., Chartered Accountants having registration number FRN No.307057E were appointed as statutory Auditors of the Company in the 107th Annual General Meeting to hold office for a term of 5(Five) years from the Conclusion of 107th Annual General Meeting till the conclusion of the 112th Annual General Meeting. Pursuant to the amendments made to Section 139 of the Companies Act, 2013 by the Companies (Amendment) Act, 2017 effective from May 7, 2018, the requirement of seeking ratification of the Members for the appointment of the Statutory Auditors has been withdrawn from the Statute. Hence the resolution seeking ratification of the Members for continuance of their appointment at this AGM is not being sought. The Statutory Auditors hold a valid peer review certificate as prescribed under Regulation 33(1)(d) of SEBI Listing Regulations, 2015.

Further, the report of the Auditors along with notes to Schedules is enclosed to this report. The Company is in the regime of unmodified opinions on financial statements. Further, the Statutory Auditors have not reported any incident of fraud during the year under review to the Audit Committee of your Company.

Secretarial Audit

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed M/s. MR& Associates, Company Secretaries in Practice, to undertake the Secretarial Audit of the Company for the financial year ending 31st March, 2020. The Secretarial Audit Report for the financial year ended 31st March, 2020 is annexed herewith as Annexure “F” to this Report. The Secretarial Audit Report is self-explanatory and does not contain any adverse qualification, reservation or remark.

Cost Audit

As per Section 148 of theCompanies Act 2013 read with Rule 4 of Companies (Cost Records and Audit) Rules, 2014, the Company is required to maintain cost records for the financial year 2019-2020 and accordingly such accounts and records are made and maintained. However the Company is not required to appoint Cost Auditor to conduct the audit of cost records for the financial year 2019-2020.

Human Resources

Your Company treats its “human resources” as one of its most important assets.

The Company has a large work force employed at the tea estates. There were no major disruptions of work at the garden or any other establishment of the Company during the period under review. The correct recruitment practices are in place to attract best talent. Industrial Relations at all the units remained satisfactory.

Material changes and commitments, if any, affecting the Financial Position

No material changes and commitments have occurred during the financial year 2019-20 which might affect the financial position of the company.

Disclosure under Sexual Harassment of women at workplace (Prevention, Prohibition & Redressal) Act, 2013

Your Company is committed to provide a work environment which ensures that every woman employee is treated with dignity, respect and equality. There is zero-tolerance towards sexual harassment and any act of sexual harassment invites serious disciplinary action.

Your Company hereby declares that it has complied with provisions relating to the constitution of Internal Complaints Committee of Woman at Workplace (Prevention, Prohibition and Redressal) Act, 2013. No complaint has been brought to the notice of the Management during the financial year ended on 31st March, 2020.
Directors’ Report

Risk Management
In terms of the requirement of the Companies Act, 2013 and Listing Regulations, the Company has developed and implemented the Risk Management Policy. The Company has taken adequate measures to mitigate various risk encountered. In the opinion of the Board there is no such risk which may threaten the present existence of the Company.

Declaration by Independent directors
Necessary declarations have been obtained from all the Independent Directors that they meet the criteria of Independence as laid down under Section 149(6) of the Companies Act, 2013 and Regulation 16(1) (b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modification(s) or re-enactment(s) thereof for the time being in force).

Remuneration Policy
The remuneration policy of the Company aims to attract, retain and motivate qualified people at the Board levels. The remuneration policy seeks to employ people who not only fulfill the eligibility criteria but also have the attributes needed to fit into the corporate culture of the company. The remuneration policy is consistent with the ‘pay-for-performance’ principle. The Company has formulated Criteria for making payment to Non Executive Directors which is available in Company’s weblink: https://www.dianatea.in/Criteria%20of%20making%20payment%20to%20non-executive%20directors_6.pdf

Executive Directors
The Nomination and Remuneration Committee takes into account experience, qualification and prevailing industry practices before giving its recommendation to the Board. On recommendation of the Nomination and Remuneration Committee, the Board decides remuneration to be paid to Executive Directors, subject to approval of shareholders in terms of provisions of the Companies Act, 2013, read with Schedule V thereof. The Committee aims towards rewarding, on the basis of performance and reviews on a periodical basis.

Non-Executive Directors
The Company has formulated Criteria for making payment to Non Executive Directors which is available in Company’s weblink: https://www.dianatea.in/Criteria%20of%20making%20payment%20to%20non-executive%20directors_6.pdf. As per the criteria, Non-Executive Directors are paid sitting fees for attending the meetings of the Board of Directors and Committees.

Details of Significant and material orders passed by the Regulators/ Courts/ Tribunals impacting the going concern status and the Company’s operations in future.
There were no significant and material orders passed by the regulators or courts or tribunals that would impact the Going concern Status and or will have any bearing on Company’s Operations in future.

Transfer to Investor Education and Protection fund
Your Company has, subsequent to year end, transferred a sum of ₹1.65 lakhs and 121566 shares to Investor Education and Protection Fund, in compliance with the provisions of Section 124, 125 and other applicable provisions of the Companies Act, 2013 read with Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016.

The said amount represents dividend for the year 2011 which remain unclaimed for a period of 7 years from its due date of payment.

Internal financial controls systems with reference to the financial statement
Your Company has adequate Internal Financial Control System at all levels of Management and they are reviewed from time to time. The Internal Audit is carried out in house as well as by firm of Chartered Accountants. The Audit Committee of the Board looks into Auditor’s review which is deliberated upon and corrective action taken, wherever required.

Consolidated Financial Statements
In accordance with the provisions of sub-section (3) of Section 129 of the Act and SEBI Listing Regulations, the Consolidated Financial Statements of the Company, including the financial details of all the subsidiary companies, forms part of this Annual Report. The Consolidated Financial Statements have been prepared in accordance with the Accounting Standards prescribed under Section 133 of the Act.

Particulars of Loans, Guarantees and Investments

The particulars of loans, guarantees or investments made under section 186 of the Companies Act 2013 are covered in the notes to accounts of the Financial Statement for the year ended 31st March, 2020 forming part of this Annual Report.

Directors

As per provisions of Section 152 of the Companies Act, 2013 read with Companies (Appointment and Qualifications of Directors) Rules, 2014, Mrs. Sarita Singhania (DIN 00343786) is liable to retire by rotation at the forthcoming Annual General Meeting and being eligible, offers herself for reappointment. The Board recommends her re-appointment as a Director liable to retire by rotation.

There has been no change in the Composition of the Board of Directors during the Financial year 2019-20.

Mr. H.M. Parekh (DIN:00026530), Mr. N.F. Tankariwala (DIN: 00035400) and Mr. Gautam Bhalla (DIN: 00675609), Independent Directors of the Company has been re-appointed for second term of 5 years w.e.f. 26th June 2020, subject to approval of shareholders in the ensuing Annual General Meeting. All Independent Directors have given their consent for re-appointment and has confirmed that they still retain their status as Independent Directors and that they does not suffer from any disqualifications for appointment.

Mr. Sandeep Singhania (DIN:00343837), Managing Director, whose existing tenure is expiring on 26th August, 2020, has been reappointed for a further period of 5 (Five) years, effective from 27th August, 2020, on recommendation of Nomination & Remuneration committee by the Board, subject to approval of shareholders in the ensuing Annual General Meeting (AGM). He is liable to retire by rotation.

Pursuant to regulation 36 of SEBI (LODR) Regulation 2015, a brief resume / details relating to Directors who are proposed to be appointed/re-appointed and the details of the director liable to retire by rotation is furnished in the Notice of the ensuing Annual General Meeting (AGM) of the Company.

The Independent Directors have confirmed that they have registered their names in the data bank maintained with the Indian Institute of Corporate Affairs (‘IICA’). In terms of Section 150 of the Act read with Rule 6(4) of the Companies (Appointment & Qualification of Directors) Rules, 2014, the Independent Directors are required to undertake online proficiency self-assessment test conducted by the IICA within a period of one year from the date of inclusion of their names in the data bank. The Independent Directors to whom the provisions of proficiency test are applicable, will take the said online proficiency self-assessment test in due course.

Those who drank more than 6 cups per day, had a more than 50% lower risk of coronary heart disease compared to tea abstainers.
Directors' Report

The Board of Directors of your Company is of the opinion that the Independent Directors re-appointed during the year under review possess the requisite expertise and experience (including proficiency) and are the persons of high integrity and repute. They fulfil the conditions specified in the Companies Act, 2013 and the Rules made thereunder and are independent of the management.

Key Managerial Personnel
Ms. Anushree Biswas was appointed as Company Secretary & Compliance Officer of the Company with effect from 13th August, 2019.
Ms. Namrata Jain designated as Company Secretary & Compliance Officer of the Company, resigned from the post with effect from 26th June, 2019.
Mr. Ramesh Kumar Jhunjhunwala, Chief Financial Officer of the Company was appointed as Compliance Officer of the Company with effect from 27th June, 2019 and resigned with effect from 12th August, 2019.

Deposits
The Company has not accepted any deposits within the meaning of sub-section (31) of Section 2 and Section 73 of the Companies Act, 2013 ("the Act") and the Rules framed thereunder. As on March 31, 2020, there were no deposits lying unpaid or unclaimed.

Compliance of Secretarial Standards
The Company complies with all applicable Secretarial Standards as mandated by the Institute of Company Secretaries of India.

Acknowledgement
Your Directors place on record their appreciation for employees at all levels, who have contributed to the growth and performance of your Company.
Your Directors also thank the clients, vendors, bankers, shareholders and advisers of the Company for their continued support.
Your Directors also thank the Central and State Governments, and other statutory authorities for their continued support.

Industry Structure and Development
The total world tea production was about 6005.78 million kilograms in 2019 as compared to 5856 million kilograms in 2018 out of which contribution from Indian Tea crop was approximately 1390.08 million kilograms against 1349 million kilograms last year. China also contributed majorly to the excess production. Total Indian export was 252.15 kilograms against last year’s 254.50 kilograms. The contribution of small growers in India tea production continue to swell every year and has almost reached 50% of the total crop whereas production from the organized sector is declining consistently. Global tea consumption is likely to grow due to rising population and tea being recognized as a health drink. Indian tea consumption continues to grow at a steady rate of 3% CAGR.

Segment Analysis
Tea crop is entirely dependent on weather conditions being agriculture in nature. With continued uncertain weather conditions, the crop tends to suffer because of excessive rainless period followed by pest infestation. However, with our prudent field practices and 100% irrigation facilities, we try to overcome such situation at the earliest.

Opportunities Threats, Risks and Concerns
Global tea production is rising every year and so is the consumption. Being agricultural in nature, production is directly linked to the weather conditions prevailing during the year and tends to affect the production in adverse conditions. Furthermore, mushrooming of small growers in the Indian tea sectors is challenging the survivability of organized tea gardens as there is no level playing field between the two. The latter is burdened with huge social cost falling under Plantation Labour Act, whereas small growers are not affected by it. Rising cost in form of higher wages and other inputs not supported by increase in price realization, continues to pose major threat on survivability or organized sector.

Outlook
Due to lockdown in the month of March and April due to COVID – 19 announced by Central Government, there’s been a major crop loss in Northern India till tune of 113 Million Kilograms till the month of May and is likely to go upto 170-175 million kilograms by year end. This shortage in crop has led to buoyancy in tea prices which is higher than ₹ 65 – ₹ 70 than compare to last year. This buoyancy is likely to be maintained for the balance part of the year. Our company continues to emphasize in regular developmental work in field in uprooting and replanting of 3% to 4% of total Tea area per annum which helps us being one of the highest yielding company in Northern India with better cost economy and higher quality.

Financial Review and Analysis
The Company’s financial position is strong enough which has helped company to pass through in turbulent times. The development and modernization work in garden is always given top priority for improvement in quantity as well as quality. The surplus fund in the Company is deployed in such a way that reasonable returns are derived.

Details of Significant Changes
The SEBI-LODR (Amendment) Regulation, 2018 introduced the requirement of disclosing details of significant changes (i.e., change of 25% or more as compared to the immediately previous financial year) in the key financial ratios, accordingly, such changes are tabled below-

Tea is believed to boost your body’s immune defenses.

**Internal Control**

The Company has laid down policies, guidelines and procedures, which form part of its internal control system. The Company’s internal control system are periodically tested and supplemented by an extensive programme of internal audit by independent firm of Chartered Accountants. Audits are finalized and conducted based on internal risk assessment. Significant findings are brought to the notice of the Audit Committee of the Board and corrective measures are recommended for implementation.

**Material Development in Human Resources and Industrial Relations**

Industrial relations in all tea estates and units continued to be cordial. Focus on better deployment of labour in garden area has resulted in improving productivity both in quantitative and qualitative manner. The total number of people employed in your Company as on 31st March, 2020 was 3610.

**Cautionary Statement**

The statements in the report of the Board of Directors and the Management’s Discussion and Analysis Report describing the Company’s projections, estimates, expectations or predictions may be forward looking statements within the meaning of applicable securities Laws and Regulations. Actual results could differ materially from those expressed or implied since the Company’s operations are influenced by many external and internal factors beyond the control of the Company.

During the year under review, there were no such instances wherein the Board had not accepted any recommendation of the Committees of the Board.

None of the Directors on the Board serve as a Director in more than 8 (Eight) listed entities. Further, none of the Directors on the Board serve as an Independent Director of more than 7 (Seven) listed entities across all entities in which he/she is a Director. Further, none of the Director on the Board who is serving as a whole time Director / Managing Director in any listed entity is serving as an Independent Director of more than 3 (Three) listed entities across all entities in which he/she is a Director. The Company does not have any alternate Director on its Board for any Independent Director in accordance with Regulation 25(1) of SEBI Listing Regulations, 2015. The count for the number of listed entities on which a person is a Director / Independent Director shall be only those whose equity shares are listed on a stock exchange as per Regulation 17A of SEBI Listing Regulations, 2015. Further, in compliance with Regulation 26 of SEBI Listing Regulations, 2015, none of the Directors on the Board is a member of more than 10 (Ten) committees or Chairman of more than 5 (Five) committees across all public limited companies (whether listed or not) in which he/she is a Director. For assessment of these criteria, the membership/chairmanship of the Audit Committee and the Stakeholders Relationship Committee alone has been considered. Further, in compliance with Section 165 of the Companies Act, 2013, none of the Directors on the Board hold directorship in more than 20 (Twenty) companies at the same time with the directorship in public companies not exceeding 10 (Ten). All the Directors have made necessary disclosures regarding directorship/ committee positions occupied by them in other listed entities / public limited companies (whether listed or not) in accordance with SEBI Listing Regulations, 2015 and the Companies Act, 2013.

Independent Directors:

The Non-Executive Independent Directors fulfil the conditions of Independence specified in Section 149 of the Companies Act, 2013 and Regulation 16(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Board hereby give confirmation that in the opinion of the board, the independent directors fulfil the conditions specified in these regulations and are independent of the management. Further, there is no resignation of Independent Director who resigns before the expiry of the tenure.

Separate Meeting of Independent Directors:

As stipulated by the code of Independent Directors under Companies Act, 2013 and the Listing Regulations, a separate meeting of the Independent Directors of the Company was held on 15.02.2020 to review the performance of Non-Independent Directors and Board as a whole. The Independent Directors also reviewed the quality, quantity and timeliness of the flow of information between the Management and the Board.

Familiarisation Program:

The Company has taken step to familiarize its directors including Independent Directors about the Company operations, business model, industry in which the Company operates and their role and responsibilities. The details of such program is posted on the Company’s weblink: https://www.dianatea.in/20200807_Details_of_Familiarisation_Programme.pdf

During the year, three familiarization programmes were conducted on 28th May 2019, 9th September 2019 and 14th November 2019. As a part of the programme, Presentation Drinking tea leads to fewer signs of aging.
Annexure to the Directors’ Report

on SEBI (Prohibition of Insider Trading) (Amendment) Regulations, 2018 was circulated to the Independent Directors and was also deliberated upon. The Company Secretary also regularly apprises the Board about their roles, rights and responsibilities in the Company from time to time as per the requirements of SEBI Listing Regulations, 2015, Companies Act, 2013 read together with the Rules and Schedules thereunder and the RBI Directions.

2. AUDIT COMMITTEE

The Company has an Qualified Independent Audit Committee within the scope as set out in Regulation 18 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended by SEBI (Listing Obligations and Disclosure Requirements)(Amendment) Regulations, 2018 read with Section 177 of the Companies Act, 2013. Audit Committee of the Board of Directors (“the Audit Committee”) is entrusted with the responsibility to supervise the Company’s internal controls and financial reporting process.

The Audit Committee comprises of Mr. H.M. Parekh, Chairman of the Committee, Mr. N. F. Tankariwala, Independent Director, Mr. Gautam Bhalla, Independent Director and Mr. Sandeep Singania, Managing Director of the Company. The Chairman of the Audit Committee attended the last Annual General Meeting which was held on 19.09.2019.

Ms. Anushree Biswas, Company Secretary & Compliance officer, acted as the Secretary of the Committee.

Terms of Reference:
The Audit Committee acts as a link between the Internal and Statutory Auditors and the Board of Directors. The Committee provides the Board with additional assurance as to the adequacy of the Company’s internal control systems and financial disclosures. The brief terms of reference of the Audit Committee as per Section 177 of the Companies Act, 2013 and Regulation 18(3) of the SEBI (Listing Obligation and Disclosures) Regulations, 2015 is to review with the Management and/or Internal Auditors and/or Statutory Auditors in the following areas:

a. Overseeing the Company’s financial reporting process and disclosure of financial information to ensure that the financial statements are correct, sufficient and credible
b. Reviewing the quarterly, half-yearly and annual financial statements before submission to the Board.
c. Reviewing with the management, external and internal auditors, the adequacy of internal control systems
d. Reviewing the adequacy of internal audit function
e. Discussing with internal and external auditors any significant finding and follow-up on such issues
f. Reviewing key accounting matters and developments
g. Reviewing the utilization of funds raised by the Company
h. Reviewing the statutory compliance system
i. Reviewing the related parties’ transactions
j. Review the utilization of loans and/or advances from/investment by the holding company in the subsidiary exceeding rupees 100 crore or 10% of the asset size of the subsidiary, whichever is lower including existing loans / advances / investments
k. Reviewing other matters as directed by the Board

Four Meetings of Audit Committee were held for the financial year 2019-20 as on May 28, 2019, August 13, 2019, November 14, 2019 and February 13, 2020.

Performance evaluation criteria:

During the year under review, the Board carried out annual evaluation of its own performance as well as evaluation of the working of various Board Committees viz. Audit Committee, Stakeholders Relationship Committee and Nomination and Remuneration Committee and Individual Directors (including Chairman, Independent Directors and Non Independent Non-Executive Directors). This exercise was carried out through a structured questionnaire prepared separately for Individual Board Members (including the Chairman) and above Board Committees based on the criteria as formulated by the NRC and in context of the Guidance note dated January 05, 2017 issued by SEBI.

The framework used to evaluate the performance of the Independent Directors is based on the expectation that they are performing their duties in a manner which should create and continue to build sustainable value for the shareholders, and in accordance with the duties and obligations imposed upon them.

During the year under review, the Independent Directors of the Company reviewed the performance of Non-Independent Directors, the Board as a whole and of the Chairperson of the Company, taking into account the views of Non-Executive Director.

Further, the Independent Directors hold unanimous opinion that the Non-Independent Director as well as the Chairman bring to the Board, abundant knowledge in their respective field and are experts in their areas. Besides, they are insightful, convincing, astute, with a keen sense of observation, mature and have a deep knowledge of the Company.

The Board as a whole is an integrated, balanced and cohesive unit which is well engaged with different perspectives and where diverse views are expressed and deliberated when required, with each Director bringing professional domain knowledge to the table. All Directors are participative, interactive and communicative.

The Chairman has abundant knowledge, experience, skills and understanding of the Board's functioning, possesses a mind for detail, is meticulous to the core and conducts the Meetings with poise and maturity.

The information flow between the Company’s Management and the Board is complete, timely with good quality and sufficient quantity.

Remuneration Policy:

The Nomination and Remuneration policy of the Company is designed to create a high-performance culture. It enables the Company to attract, retain and motivate employees to achieve results. The Nomination and Remuneration policy is available on [https://www.dianatea.in/20200701_NR_Policy.pdf](https://www.dianatea.in/20200701_NR_Policy.pdf)

Key skills/expertise/competence of the Board of Directors:

The Board of Directors of the Company comprises qualified members who bring in the required skills, expertise, and competence to allow them to make effective contribution to the Board and its Committees. The Board members are committed to ensuring that the Board is in well compliance with the highest standards of corporate governance. In terms of SEBI Listing Regulations, 2015, the Company identified the following list of core skills/expertise/competencies as is required in the context of the Company’s business(es) and sector(s) for it to function effectively and those which are actually available with the Board:

Antioxidants in tea may prevent and reduce the severity of rheumatoid arthritis.

AUDITORS’ CERTIFICATE REGARDING COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To
The Members of
Diana Tea Company Limited
3/B, Lal Bazar Street
Kolkata - 700 001

We have examined the compliance of conditions of Corporate Governance by Diana Tea Company Limited (the “Company”), for the year ended 31st March, 2020, as stipulated in Regulations 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27 and clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as “SEBI Listing Regulations, 2015).

The compliance of conditions of Corporate Governance is the responsibility of the Company’s management. Our examination was carried out in accordance with the Guidance Note on Certification of Corporate Governance, issued by the Institute of Chartered Accountants of India and was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations, 2015 for the year ended on March 31, 2020.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Annexure to the Directors' Report

Conservation of Energy, Technology Absorption, foreign exchange earnings and outgo

The information under Section 134 (3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014 for the financial year ended March 31, 2020 is given here below and forms part of the Directors' Report.

A) Conservation of Energy:

i) In line with the Company’s commitment towards conservation of energy, all tea estates continue with their efforts in improving energy efficiency. The steps taken in this direction at various tea estates are as under:

a) Online conveyerisation of manufacturing process which resulted in optimisation of capacity utilization thereby savings in energy and increasing efficiency.

b) Installation of coal savers, reduce coal consumption

c) Wind turbo ventilators to save power cost

d) Replacement of inefficient motors with energy efficient motors

e) Replacement of obsolete machineries with energy and cost saving machineries

f) Installation of adequate power capacitors to maximise power factor and load factor resulting in minimum transmission loss and reducing per unit cost

g) Installation of LED lights to reduce the consumption of electricity for domestic purpose.

ii) The steps taken by the company for utilizing alternate sources of energy: During the financial year under review the company has not utilized any other alternate sources of energy for its operation.

iii) The capital investment/ CWIP on energy conservation equipments is ₹ 63.36 lakhs

B) Technology Absorption

i) The efforts made by the Company towards technology absorption during the year under review are:

a) Managerial staff are engaged to attend seminars and training programmes for agricultural practices in the field and manufacturing process in the factories.

b) Introduction of plucking machines in the field to improvise productivity

c) Online new conveyerisation of flow process in the factory has eventually helped us in optimising capacity utilization and reduce energy cost

d) Usage of low voltage LED light.

e) Installation of coal saver to reduce coal consumption.

f) Installation of wind turbo ventilators.

ii) The benefits derived resulted in increase in productivity and optimization of capacity utilization resulting in cost savings in our tea estates..

iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year) – NOT APPLICABLE

C) FOREIGN EXCHANGE EARNINGS AND OUTGO

During the financial year, the foreign exchange outgo was ₹ 65.45 lakhs and the foreign exchange earning was NIL.

Form No. MR - 3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Diana Tea Co.Ltd.
Sir R N M House,
3B Lal Bazar Street,
Kolkata- 700001

1. We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good
corporate practices by M/s. DIANA TEA CO. LTD. (hereinafter called “the company”). Secretarial Audit was conducted
in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and
expressing our opinion thereon.

2. Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records
maintained by the company and also the information provided by the Company, its officers, agents and authorized
representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the company has, during
the audit period covering financial year ended on 31st March, 2020 (“the audit period”) complied with the statutory
provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in
place to the extent, in the manner and subject to the reporting made hereinafter:

3. We have examined the books, papers, minute books, forms and returns filed and other records maintained by the
Company for the financial year ended on 31st March, 2020 according to the provisions of:
   i) The Companies Act, 2013 (the Act), and the rules made thereunder;
   ii) The Securities Contracts (Regulation) Act, 1956 and the rules made thereunder;
   iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
   iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992:-
      (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
      (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
      (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993
          regarding the Companies Act and dealing with client;
      (d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations,
          2015 and other applicable regulations /guidelines/circulars issued by SEBI from time to time, to the extent
          applicable.

I further report that, there were no actions/ events in pursuance of;
   (a) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of
       Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
   (b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
   (c) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
   (d) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
   (e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
   (f) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018

Give your heart some rest, A cup of tea is the best.
Annexure to the Directors’ Report

We further report that having regard to the compliance system prevailing in the Company, we have relied upon the representation made by the Management, for compliance with the specific applicable laws like:

(a) Food Safety and Standards Act, 2006
(b) Tea Act, 1953
(c) Plantations Labour Act, 1951
(d) Essential Commodities Act, 1955
(e) The Tea Waste (Control) Order, 1959
(f) Tea (Marketing) Control Order, 2003
(g) Weight And Measurement Act, 1976

We have also examined compliance with the applicable clauses of the following:
(i) Secretarial Standards as issued and mandated by the Institute of Company Secretaries of India;
(ii) The Listing Agreement entered into by the Company with BSE Ltd and Calcutta Stock Exchange Limited. Further, it is evident from the website of CSE, that the status of the Company is suspended.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. There were no changes in the composition of the Board of Directors that took place during the year.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board meetings were carried out unanimously.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company had obtained approval of shareholders by way of Special Resolution passed at Annual General Meeting of the Company held on 19.09.2019 for approval for payment of remuneration to Mrs. Sarita Singhaniya (DIN:00343786) for remaining period of her tenure.

This Report is to be read with our letter of even date which is annexed “Annexure A” and forms an Integral Part of this Report.

Note: The Audit was conducted earlier for nine month and the audit documents were obtained from the Company except compliance for the quarter January to March 2020. The COVID-19 outbreak was declared as a global pandemic by the World Health Organization. On March 24, 2020, the Indian government announced a strict 21-day lockdown which was further extended across the country to contain the spread of the virus. Due to COVID-19 pandemic impact, the compliance documents for the quarter January to March, 2020 were obtained through electronic mode and verified with requirements. It is further stated that due to the pandemic situation cause by COVID-19, few intimations made to Stock Exchanges under relevant SEBI Regulations and compliance under the Companies Act 2013 read with relevant rules were within the extended period and relaxations granted by respective regulatory authorities.

(TO THE SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020)

To,
The Members
Diana Tea Co.Ltd.
Sir R N M House,
3B Lal Bazar Street,
Kolkata - 700001

Our report of even date is to be read along with this letter.

1. Maintenance of Secretarial Records is the responsibility of the Management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.

2. We have followed the Audit practices and processes as where appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial Records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.

3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.

4. Wherever required, we have obtained the Management Representation about the compliance of laws, rules and regulations and happening of events etc.

5. The compliance of the provisions of corporate and other applicable laws, rules, regulations and standards is the responsibilities of the management. Our examination was limited to the verification of procedures on test basis.

6. The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Anti oxidants that are in tea, Keeps you always fit and healthy.
Independent Auditor's Report

TO THE MEMBERS OF DIANA TEA COMPANY LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Diana Tea Company Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to followings:

a) Note no 42(f) to the standalone financial statements which explains the uncertainties and management’s assessment of the financial impact due to the lock-down and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in subsequent period is highly dependent upon circumstances they evolve. Further our presence at the physical verification of inventory conducted by the management was impracticable under current lock-down restrictions imposed by the Government and we have therefore relied on the related alternate audit procedures to obtain comfort over the existence and condition of inventory at year end.

b) The company has not made provision for part of gratuity liability as per actuarial valuation as per Ind AS 19 - Employee Benefits.

c) The loans and advances include amounts loan and receivable from one party, standing since long, in respect for which no confirmation/acknowledgement, schedule of delivery and agreement was available and no provision has been made in the books for such advances. However as per information and explanation given to us, the company has initiated process of recovery of the same and as per management no provision for such advances is required to be made in the current quarter and the year ended March 31, 2020.

Our Opinion is not modified in respect of above matters

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matters to be communicated in our report.

Tea is a rich source of anti-oxidant called Flavonoids, which improves blood circulation and health of skin.

<td>1.</td>
<td>Estimation of Useful Life of Bearer Plants</td>
<td>• Assessed the management’s estimates of the useful life of Bearer Plants with reference to: (1) the consistency with the Company’s pattern of economic benefits embodied in such assets and future operating plans including acquisitions and requirements of the Bearer Plants; (2) the comparison to the useful life estimates adopted by the comparable tea producers; and (3) consideration of the Company’s historical experience.</td>
</tr>
</tbody>
</table>
|        | Useful life of Bearer Plants requires the management to exercise significant judgement in relation to the estimate thereof. Nature, timing and likelihood of changes to the natural factors may affect the useful life expectancy of the assets and therefore could have a material impact on the depreciation expense for the year. As per the Ind AS 16 – “Property, Plant and Equipment”, the management reviews the estimated useful life and the residual value of Bearer Plants annually and adjust for changes, where appropriate. Accordingly, the matter has been identified as key audit matter. | • Evaluated the assumptions and critical judgements used by the management through testing of underlying documents / details.  
• Assessed the related disclosures included in the standalone Ind AS financial statements in this regard. |

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Corporate Governance and Shareholder’s Information, but does not include the standalone financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged With Governance for the Standalone Financial Statement

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered

Tea protects against gastro-intestinal cancer formation in humans.
Independent Auditor's Report

material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
   d) In our opinion, the aforesaid standalone financial statements comply with the ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

A few cups of black tea everyday reduced the risk of atherosclerosis - a key factor that contributes to coronary heart disease.
Independent Auditor’s Report

e) The matter described in Emphasis of Matters paragraph above, in our opinion, may not have an adverse effect on the functioning of the Company.

f) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.

h) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

i) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements as stated in Note No 29 to the Ind AS financial statements.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure - A to the Independent Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Diana Tea Company Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opt for the healthier option, iced tea with a dash of lemon.
Opinion
In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure - B to the Independent Auditors’ Report

The Annexure referred to in Independent Auditors’ Report to the members of the Company on the standalone Ind AS financial statements for the period ended March 31, 2020, we report that:

(i)  
(a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets;

(b) The fixed assets were physically verified during the year under audit by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on the such verification;

(c) As per information and explanation given to us by the management, and the records verified by us and based on the examination of the registered sale deed provided to us, we report that all the immovable properties are held in the name of the Company.

(ii) In our opinion the inventories were physically verified during the year by the Management at reasonable intervals and as explained to us, no material discrepancies were noticed on physical verification.

(iii) According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Consequently, the provisions of paragraph iii(a), iii(b) and iii(c) of the Order are not applicable to the Company and hence, not commented upon;

(iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 186 of the Companies Act, 2013 in respect of making investments. The Company has not given any loan or granted any security in terms of sections 185 and 186 of the Act;

(v) The Company has not accepted any deposit from the public covered under Section 73 to 76 of the Companies Act, 2013. Therefore, the provisions of paragraph 3(v) of the Order is not applicable to the Company;

(vi) According to the information and explanations given to us, in our opinion, the Company have, prima facie, made and maintained the prescribed cost records pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government under subsection (1) of Section 148 of the Companies Act, 2013. We have, however, not made a detailed examination of the cost records with a view to determining whether they are accurate or complete;

(vii) a) According to the information and explanation given to us and on the basis of our examination of the records of the company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Income Tax, GST, Cess or other material statutory dues have been generally regularly deposited during the period by the Company with appropriate authorities.

According to the information and explanation given to us no undisputed statutory dues including Provident Fund, Income Tax, GST, cess or other material statutory dues were in arrears as at March 31, 2020 for a period of more than six months from the date they become payable.

b) According to the information and explanation given to us, the following dues of vat, sales-tax, central sales tax, excise, service tax and ESI have not been deposited by the company on account of dispute as at March 31, 2020:

<table>
<thead>
<tr>
<th>Name of the Statute</th>
<th>Nature of dues</th>
<th>Amount (` in Lakhs)</th>
<th>Period to which the amount relates</th>
<th>Forum where dispute is pending</th>

</tbody>
</table>

(viii) In our opinion and according to the information given to us, the Company has not defaulted in repayment of dues to banks. There were no debentures outstanding during the year.

Researchers say polyphenols, found in tea, prevent cardio-vascular diseases.
Annexure - B to the Independent Auditors’ Report

(ix) According to information and explanation given to us, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) and term loans during the year ended March 31, 2020. Accordingly paragraph 3(ix) of the Order is not applicable.

(x) Based on the audit procedures performed and the information and explanations given to us, we report that no material fraud on or by the Company has been noticed or reported during the period, nor have we been informed of such case by the management;

(xi) According to information and explanation given to us, the Company has paid or provided managerial remuneration in accordance with the provisions of section 197 read with Schedule V to the Act.

(xii) In our opinion and according to the information and explanation given to us, the Company is not a Nidhi Company and hence the paragraph 3(xii) is not applicable;

(xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.

(xiv) According to information and explanation given to us the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the period under review;

(xv) According to information and explanation given to us, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly the paragraph 3(xv) is not applicable the Company;

(xvi) In our opinion and on the basis of information and explanation given to us by the management, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Standalone Statement of Changes in Equity for the year ended 31st March, 2020

Description of reserves in statement of changes in equity

i) Share Premium Account:
   This reserve is used to record the premium on issue of shares. The reserve is available for utilisation in accordance with the provisions of the Act.

ii) General Reserve:
    General reserve is created and utilised in compliance with the provisions of the Act.

iii) Retained Earnings:
     Retained earnings represents accumulated profits earned by the company and remaining undistributed as on date.

iv) Capital Reserves:
    This reserve was created on account of forfeiture of shares in earlier years and shall be utilised in accordance with the provisions of the Act.

v) Revaluation Reserve:
   Revaluation Surplus, is the excess of market value over the carrying value of certain assets. The said reserve is utilised for adjustment of depreciation attributable to such excess amount and is credited to retained earnings.

vi) FVOCI Equity Investments:
    The Company has elected to recognise changes in the fair value of certain investments in equity instruments through other comprehensive income. These changes are accumulated within the FVOCI equity investments reserve. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are derecognised.

Notes to Standalone Financial Statements as at and for the year ended 31st March, 2020

1. CORPORATE INFORMATION
Diana Tea Company Limited (the Company) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its equity shares are listed on stock exchanges in India. It is engaged in the business of manufacturing and sale of tea and having its tea estates in the state of West Bengal. The estates have processing factories capable of producing CTC tea with installed combined capacity of 5000 tones.

2. SIGNIFICANT ACCOUNTING POLICIES
A) Statement of compliance
These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013. The financial statements have also been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013. The Company adopted Ind AS from 1st April, 2017.

B) Basis of Preparation
The financial statements of the Company have been prepared in accordance with the relevant provisions of the Companies Act, 2013, Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013.

All assets and liabilities have been classified as current or non-current as per Company’s operating cycle and other criteria set out in Schedule-III of the Companies Act 2013. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the purpose of Current or non-current classification of assets and liabilities.

The financial statements have been prepared on historical cost basis, except for financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/or disclosures in these financial statements is determined on such a basis, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 – Inventories or value in use in Ind AS 36 – Impairment of Assets. In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.”

C) Use of estimates and critical accounting judgments
The preparation of the financial statements require the use of accounting estimates which, by definition, will seldom equal the actual result. Management also needs to exercise judgment in applying the Company’s accounting policies.

This note provides an overview of the areas that involved a high degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Anti oxidants that are in tea, keeps you always fit and healthy.
Critical estimates and judgments

The areas involving critical estimates and judgments are:

i) Taxation

The Company is engaged in agricultural activities and also subject to tax liability under MAT provisions. Significant judgment is involved in determining the tax liability for the Company. Also there are many transactions and calculations during the ordinary course of business for which the ultimate tax determination is uncertain. Further judgment is involved in determining the deferred tax position on the balance sheet date.

ii) Depreciation and amortisation

Depreciation and amortisation is based on management estimates of the future useful lives of the property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.

iii) Employee Benefits

The present value of the defined benefit obligations and long term employee benefits depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the obligations. In determining the appropriate discount rate, the Company considers the interest rates of Government securities that have terms to maturity approximating the terms of the related defined benefit obligation. Other key assumptions for obligations are based in part on current market conditions.

iv) Provisions and Contingencies

Provisions and contingencies are based on Management’s best estimate of the liabilities based on the facts known at the balance sheet date.

v) Estimation uncertainty relating to the global health pandemic on COVID-19

The Company has considered internal and external information up to the date of approval of financial statements. In assessing the recoverability of property plant and equipments, receivables, intangible assets, cash and cash equivalent and investments. The Company has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions; the Company expects to recover the carrying amount of these assets. The Company has concluded that the impact of COVID – 19 is not material based on these estimates. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

D) Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognised as at 1st April, 2016 measured as per the previous Generally Accepted Accounting Principles (GAAP).

An item of property, plant and equipment is recognised as an asset if it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is de-recognised. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalised. Borrowing costs incurred during the period of construction is capitalised as part of cost of the qualifying assets.

A glass of Cola harms a lot, Tea is good, cold or hot.
The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of profit and loss.

E) Intangibles
Subsequent to initial recognition, intangible assets with definite useful lives are reported at cost less accumulated amortisation and accumulated impairment losses.

F) Depreciation and amortisation of property, plant and equipment and intangible assets
(i) Depreciation is provided on prorata basis on straight line method at the rates determined based on estimated useful lives of tangible assets where applicable, specified in Schedule II to the Act. These charges are commenced from the dates the assets are available for their intended use and are spread over their estimated useful economic lives or, in the case of leased assets, over the lease period, if shorter. The estimated useful lives of assets and residual values are reviewed regularly and, when necessary, revised. No further charge is provided in respect of assets that are fully written down but are still in use. Depreciation on assets under construction commences only when the assets are ready for their intended use.

(ii) Bearer Plants are depreciated from the date when they are ready for commercial harvest.

(iii) Leasehold Land is amortised over the tenure of respective leases.

G) Government Grants
Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other operating income. Government grants relating to the acquisition/construction of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other operating income.

H) Impairment
At each Balance Sheet date, the Company reviews the carrying values of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognised in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised in the statement of profit and loss immediately.

I) Leases
The Company determines whether an arrangement contains a lease by assessing whether the fulfillment of a transaction is dependent on the use of a specific asset and whether the transaction conveys the right to use that asset to the Company in return for payment. Where this occurs, the arrangement is deemed to include a lease and is accounted for either as finance or operating lease.

Leases are classified as finance leases where the terms of the lease transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

The Company as lessee
(i) Operating lease – Rentals payable under operating leases are charged to the statement of profit and loss on a straight line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising...
under operating leases are recognised as an expense in the period in which they are incurred. In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

(ii) Finance lease – Finance leases are capitalised at the commencement of lease, at the lower of the fair value of the property or the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in the statement of profit and loss over the period of the lease.

J) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

a) Financial assets

Cash and bank balances

Cash and bank balances consist of:

(i) Cash and cash equivalents - which includes cash in hand, deposits held at call with banks and other short term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have maturities of less than one year from the date of such deposits. These balances with banks are unrestricted for withdrawal and usage.

(ii) Other bank balances - which includes balances and deposits with banks that are restricted for withdrawal and usage.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets measured at fair value

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument by instrument basis at the time of initial recognition of such equity investments.

Financial asset not measured at amortised cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Tea neutralizes bad effect of smoking and prevents damage of liver (emphysema).
Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables
- Financial assets that are debt instruments and are measured as at FVTOCI
- Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

The Company follows ‘simplified approach’ for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognising impairment loss based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cashflows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss. This amount is reflected under the head ‘other expenses’ in the statement of profit and loss. The Balance Sheet presentation for various financial instruments is described below:

**Financial assets measured as at amortised cost:** ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount.

Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Debt instruments measured at FVTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as ‘accumulated impairment amount’ in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/origination.

**Derecognition of financial assets**

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

**b) Financial liabilities and equity instruments**

Classification as debt or equity

*Tea lowers the risk of cardio-vascular diseases.*
Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

**Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

**Financial Liabilities**

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant.

Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

**Derecognition of financial liabilities**

The Company derecognises financial liabilities when, and only when, the Company’s obligations are discharged, cancelled or they expire.

**Derivative financial instruments**

In the ordinary course of business, the Company uses certain derivative financial instruments to reduce business risks which arise from its exposure to foreign exchange and interest rate fluctuations. The instruments are confined principally to forward foreign exchange contracts and interest rate swaps. The instruments are employed as hedges of transactions included in the financial statements or for highly probable forecast transactions/firm contractual commitments. These derivatives contracts do not generally extend beyond six months except for interest rate derivatives.

Derivatives are initially accounted for and measured at fair value from the date the derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period.

**K) Employee benefits**

**Defined contribution plans**

Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company’s obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

**Defined benefit plans**

For defined benefit retirement schemes the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each Balance Sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognised immediately in other comprehensive income. The service cost and net interest on the net defined benefit liability/(asset) is treated as a net expense within employment costs.

Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier.

The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as reduced by the fair value plan assets.

**Compensated absences**

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised based on actuarial valuation at the present value of the obligation as on the reporting date.

**L) Inventories**

a) Stock of Tea is valued at lower of cost computed on annual average basis or net realisable value. Stock of Tea Waste is valued at estimated realisable value.

*Tea reduces cholesterol, especially the low density lipoprotein (LDL).*
b) Stock of stores and spares are valued at cost on weighted average basis or net realisable value.
c) As per practice followed by the Company the value of green leaf in stock as at the close of the year are not taken into accounts.
d) Provision is made for obsolete and slow moving stores wherever necessary.

M) Provision
Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. Where the time value of money is material, provisions are measured on a discounted basis.

Constructive obligation is an obligation that derives from an entity’s actions where:
(a) by an established pattern of past practice, published policies or a sufficiently specific current statement, the entity has indicated to other parties that it will accept certain responsibilities and;
(b) as a result, the entity has created a valid expectation on the part of those other parties that it will discharge those responsibilities.”

N) Onerous contracts
A provision for onerous contracts is recognised when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

O) Income taxes
Tax expense for the year comprises current and deferred tax. The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company’s liability for current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the Balance Sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences. In contrast, deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to cover or settle the carrying value of its assets and liabilities.

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

Current and deferred tax are recognised as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. MAT is recognised as deferred tax assets in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

A few cups of black tea everyday reduced the risk of atherosclerosis - a key factor that contributes to coronary heart disease.
P) Revenue Recognition
   Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes or duties collected on behalf of the government.

   Sale of Goods
   Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer. No revenue is recognised if there are significant uncertainties regarding recovery of the amount due, associated costs or the possible return of goods.

   Interest Income
   Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

Q) Borrowing Costs
   Borrowings costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for the intended use or sale.

R) Cash and Cash Equivalents
   For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the Balance Sheet.

S) Trade Receivables
   Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any.

T) Segment Reporting
   Identification of Segments
   The Company has identified Tea products as its sole operating segment and the same has been treated as primary segment. The Company’s secondary geographical segments have been identified based on the location of customers and then demarcated into Indian and overseas revenue earnings.

U) Earnings Per Share
   Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

V) Contingent Liabilities
   A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The company does not recognize a contingent liability but discloses its existence in the financial statements.

<td>0.79</td>
</tr>
</tbody>
</table>

The credit period on sales of goods ranges from 30 to 60 days without security. No interest is charged on trade receivables upto the end of the credit period.

In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix. There has been no significant change in the credit quality of receivables past due for more than 180 days.

The Company does not generally hold any collateral or other credit enhancements over these balances nor does it have a legal right of offset against any amounts owed by the Company to the counter-party.

Antioxidants in tea may prevent and reduce the severity of rheumatoid arthritis.
In determining the recoverability of a trade receivable, the Company considers any change in the credit quality of the trade receivable from the date credit was initially granted up to the end of the reporting period. The concentration of credit risk is limited due to the fact that the customer base is large and unrelated.

</table>

(b) Terms/rights attached to equity shares

(i) The company has only one class of equity shares having par value of ₹ 5/- per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividend in Indian Rupees. The dividend if any proposed by Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

(ii) In the event of liquidation of the Company, the holders of the equity shares will be entitled to receive remaining assets of the Company. The distribution will be in proportion to the number of equity shares held by the shareholders.

(c) For the period of five years immediately preceding the date at which the Balance Sheet is prepared, the company has a) not allotted any shares other than for cash, b) not allotted any shares by way of bonus, c) not bought back any shares.

A glass of Cola harms a lot, Tea is good, cold or hot.
### (d) Details of shareholders holding more than 5% shares in the Company

</tbody>
</table>

b) Defined Benefit Plan - Gratuity

The Gratuity scheme is a final salary defined benefit plan, that provides for lump sum payment at the time of separation; based on scheme rules the benefits are calculated on the basis of last drawn salary and the period of service at the time of separation and paid as lump sum. There is a vesting period of 5 years.

Associated Risks:

Where there is a benefit being promised and benefit being provided, there will always be some uncertainty for the benefit provider and the benefit recipient.

A glass of Cola harms a lot, Tea is good, cold or hot.
Notes to Standalone Financial Statements as at and for the year ended 31st March, 2020

i. Risk to the Beneficiaries (i.e. for Employees)

**Insufficient funds**: The greatest risk to the beneficiary is that there are insufficient funds available to provide the promised benefits. This may be due to:
- The insufficient funds set aside, i.e. underfunding
- The insolvency of Employer - The holding of investments which are not matched to the liabilities; or
- A combination of these events

ii. Risk to the Benefit provider (i.e. for employer)

**Parameter Risk**: Actuarial valuation is done on basis of some assumptions like salary inflation, discount rate and withdrawal assumptions. In case the actual experience varies from the assumptions, fund may be insufficient to pay off the liability.

**Risk of Illiquid Assets**: Another risk is that the funds, although sufficient, are not available when they are required to finance the benefits. This may be due to assets being locked for longer period or in illiquid assets.

**Risk of Benefit Change**: There may be a risk that a benefit promised is changed or is changeable within the terms of the contract.

**Assets Liability Mismatching Risk**: ALM risk arises due to mismatch between assets and liabilities either due to liquidity or changes in interest rates or due to different duration.

41. Capital Management

The Company’s capital management is intended to create value for shareholders by facilitating the meeting of long-term and short-term goals of the Company.
The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity and other long-term/short-term borrowings. The Company’s policy is aimed at combination of short-term and long-term borrowings.
The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

42. Financial risk management objectives and policies

The Company’s principal financial liabilities, comprise loans and borrowings, trade and other payables, security deposits, employee liabilities, unpaid and finance lease obligation. The main purpose of these financial liabilities is to finance the Company’s operations and to provide guarantees to support its operations. The Company’s principal financial assets include trade and other receivables, and cash and short-term deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company’s senior management oversees the management of these risks. The Company’s senior management is supported by a Risk Management Compliance Board that advises on financial risks and the appropriate financial risk governance framework for the Company. The financial risk committee provides assurance to the Company’s senior management that the Company’s financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company’s policies and risk objectives. It is the Company’s policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings and deposits.

The sensitivity analyses in the following sections relate to the position as at 31 March 2020 and 31 March 2019.

The sensitivity analyses have been prepared on the basis that the amount of debts.

The following assumptions have been made in calculating the sensitivity analysis:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31st March 2020 and 31st March 2019.

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company’s exposure to the risk of changes in market interest rates relates primarily to the Company’s long-term debt obligations with floating interest rates.

The Company is subject to variable interest rates on some of its interest bearing liabilities. The Company’s interest rate exposure is mainly related to debt obligations. The Company also uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like short term loans.

The risk estimates provided assume a parallel shift of 100 basis points interest rate across all yield curves. This calculation also assumes that the change occurs at the Balance Sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans.

Researchers say polyphenols, found in tea, prevent cardio-vascular diseases.
and borrowings affected. With all other variables held constant, the Company’s profit before tax is affected through the impact on floating rate borrowings, as follows:

c) Credit risk
Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Customer credit risk is managed by each divisions subject to the Company’s established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit or other forms of credit insurance.

The risk relating to trade receivables is shown under note no 10.

d) Liquidity risk
Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company has obtained fund and non-fund based working capital lines from various banks. The Company’s objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans, buyer’s credit and other means of borrowings. The company invests its surplus funds in liquid schemes of mutual funds, which carry no/low mark to market risk.

The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding and debt maturing within 12 months can be rolled over with existing lenders.

e) Agricultural Risk
Cultivation of tea being an agricultural activity, there are certain specific financial risks. These financial risks arise mainly due to adverse weather conditions, logistic problems inherent to remote areas, and fluctuation of selling price of finished goods (tea) due to increase in supply/availability.
Notes to Standalone Financial Statements as at and for the year ended 31st March, 2020

The Company manages the above financial risks in the following manner:
- Sufficient inventory levels of agro chemicals, fertilisers and other inputs are maintained so that timely corrective action can be taken in case of adverse weather conditions.
- Slightly higher level of consumable stores viz. packing materials, coal and HSD are maintained in order to mitigate financial risk arising from logistics problems.
- Sufficient working-capital-facility is obtained from banks in such a way that cultivation, manufacture and sale of tea is not adversely affected even in times of adverse conditions.

f) Other Risk-Impact of the COVID 19 pandemic
The spread of COVID-19 has severely impacted businesses around the globe. In many countries, including India, there has been severe disruption to regular business operations due to lockdowns, disruptions in transportation, supply chain, travel bans, quarantines, social distancing and other emergency measures. Diana’s gardens and office were under nationwide lockdown since March 24, 2020. As a result of lockdown the volumes for the month of March 2020 have been impacted consequently, the performance for the month of March 2020 has also been partially impacted. Operations are being resumed in a phased manner taking into account directives from the Government. The impact on our business will depend on future developments that cannot be reliably predicted. It is uncertain how long these conditions will last. The impact of global health pandemic might be different from that estimated as at the date of approval of these financial statements and the Company will closely monitor any material changes to future economic conditions. The Company has evaluated its liquidity position and of recoverability and carrying values of its assets and has concluded that no material adjustments are required at this stage in the financial statements.

43. Financial Instruments
The significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 2 (I) to the financial statements.

(a) Financial assets and liabilities
The carrying value of financial instruments by categories as of March 31, 2020 is as follows:

Fair value hierarchy:
The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:
Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

A glass of Cola harms a lot, Tea is good, cold or hot.
Level 3 inputs are unobservable inputs for the asset or liability.

The investments included in Level 2 of fair value hierarchy have been valued using quotes available for similar assets and liabilities in the active market. The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximate the fair value because there is a range of possible fair value measurements and the cost represents estimate of fair value within that range.

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosure are required):

Independent Auditor’s Report

TO THE MEMBERS OF DIANA TEA COMPANY LIMITED
Report on the Audit of the Consolidated Financial Statements

Opinion
We have audited the accompanying consolidated financial statements of Diana Tea Company Limited (“the Company”), and its subsidiary, (the Company and its subsidiaries together referred to as the “Group”) which comprise the Consolidated Balance Sheet as at March 31, 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the “consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2020, the consolidated loss and consolidated total comprehensive loss, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion
We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter
We draw attention to following:

a) Note no 42(f) to the consolidated financial statements which explains the uncertainties and management’s assessment of the financial impact due to the lock-down and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in subsequent period is highly dependent upon circumstances they evolve. Further our presence at the physical verification of inventory conducted by the management was impracticable under current lock-down restrictions imposed by the Government and we have therefore relied on the related alternate audit procedures to obtain comfort over the existence and condition of inventory at year end.

b) In case of Holding Company, company has not made provision for part of gratuity liability as per actuarial valuation as per Ind AS 19 - Employee Benefits.

c) In case of Holding Company, the loans and advances include amounts loan and receivable from one party, standing since long, in respect for which no confirmation/acknowledgement, schedule of delivery and agreement was available and no provision has been made in the books for such advances. However as per information and explanation given to us, the company has initiated process of recovery of the same and as per management no provision for such advances is required to be made in the current quarter and the year ended March 31, 2020.

Our Opinion is not modified in respect of above matters

Key Audit Matters
Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matters to be communicated in our report.

Tea is a rich source of anti-oxidant called Flavonoids, which improves blood circulation and health of skin.
Sr. No. | Key Audit Matter (KAM) | Auditor’s Response
--- | --- | ---
1. | In case of Holding Company, Estimation of Useful Life of Bearer Plants | • Assessed the management’s estimates of the useful life of Bearer Plants with reference to: (1) the consistency with the Company’s pattern of economic benefits embodied in such assets and future operating plans including acquisitions and requirements of the Bearer Plants; (2) the comparison to the useful life estimates adopted by the comparable tea producers; and (3) consideration on of the Company’s historical experience.

Useful life of Bearer Plants requires the management to exercise significant judgement in relation to the estimate thereof. Nature, timing and likelihood of changes to the natural factors may affect the useful life expectancy of the assets and therefore could have a material impact on the depreciation expense for the year. As per the Ind AS 16 – “Property, Plant and Equipment”, the management reviews the estimated useful life and the residual value of Bearer Plants annually and adjust for changes, where appropriate. Accordingly, the matter has been identified as key audit matter.

• Evaluated the assumptions and critical judgements used by the management through testing of underlying documents / details.

• Assessed the related disclosures included in the consolidated Ind AS financial statements in this regard.

Information Other than the Consolidated Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Corporate Governance and Shareholder’s Information, but does not include the consolidated financial statements and our auditor’s report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged With Governance for the Consolidated Financial Statement

The Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, Board of Directors is responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion.

Tea protects against gastro-intestinal cancer formation in humans.
Independent Auditor’s Report

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid.
   b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept by the Company so far as it appears from our examination of those books.

A few cups of black tea everyday reduced the risk of atherosclerosis - a key factor that contributes to coronary heart disease.
c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) On the basis of the written representations received from the directors of the Company as on March 31, 2020 taken on record by the Boards of Directors of the Company and its subsidiary incorporated in India and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in “Annexure A” which is based on the auditors’ reports of the Company and its subsidiary company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies.

g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group as stated Note No 29 to the Ind AS financial statements.

ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts, which were required to be transferred, to the Investor Education and Protection Fund by the Company.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Diana Tea Company Limited (“the Company”) and its subsidiary as of March 31, 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Boards of Directors of the Company and its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opt for the healthier option, iced tea with a dash of lemon.
Annexure - A to the Independent Auditor’s Report

Opinion
In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal financial control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters
Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 1 (one) subsidiary company, which is a company incorporated in India, is based on the corresponding reports of the auditors of such company incorporated in India.

*Tea lowers the risk of cardio-vascular diseases.*
Tea reduces cholesterol, especially the low density lipoprotein (LDL).
Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2020

1. CORPORATE INFORMATION

Diana Tea Company Limited (the Company) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its equity shares are listed on stock exchanges in India. It is engaged in the business of manufacturing and sale of tea and having its tea estates in the state of West Bengal. The estates have processing factories capable of producing CTC tea with installed combined capacity of 5000 tones.

2.1. Principles of Consolidation

The consolidated financial statements incorporate the financial statements of the Company and its subsidiaries. Control is achieved when the Company:-

• has power over the investee;
• is exposed, or has rights, to variable returns from its involvement with the investee; and
• has the ability to use its power to affect its returns.

The Company reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Company considers all relevant facts and circumstances in assessing whether or not the Company’s voting rights in an investee are sufficient to give it power, including:

• the size of the Company’s holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
• potential voting rights held by the Company, other vote holders or other parties;
• rights arising from other contractual arrangements; and any additional facts and circumstances that indicate that the Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders’ meetings.

Consolidation of a subsidiary begins when the Company obtains control over the subsidiary and ceases when the Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the Consolidated Statement of Profit and Loss from the date the Company gains control until the date when the Company ceases to control the subsidiary.

Profit or loss and each component’s other comprehensive income are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

The financial statements of the Company and its Subsidiary Companies have been consolidated on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. The financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as that of the Company.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group’s accounting policies. All intra group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation. Unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless transaction provides evidence of an impairment of the transferred asset.

Changes in the Group’s ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group’s interests and the noncontrolling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the Company.

The following subsidiaries have been considered in preparation of the consolidated financial statements:

Anti oxidants that are in tea, Keeps you always fit and healthy.
Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2020

2.2. Significant Accounting Policies

A) Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013. The financial statements have also been prepared in accordance with the relevant presentation requirements of the Companies Act, 2013. The Company adopted Ind AS from 1st April, 2017.

B) Basis of Preparation

The financial statements of the Company have been prepared in accordance with the relevant provisions of the Companies Act, 2013, Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013. All assets and liabilities have been classified as current or non-current as per Company's operating cycle and other criteria set out in Schedule-III of the Companies Act, 2013. Based on the nature of business, the Company has ascertained its operating cycle as 12 months for the purpose of Current or non-current classification of assets and liabilities. The financial statements have been prepared on historical cost basis, except for financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosures in these financial statements is determined on such a basis, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 – Inventories or value in use in Ind AS 36 – Impairment of Assets. In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

C) Use of estimates and critical accounting judgments

The preparation of the financial statements require the use of accounting estimates which, by definition, will seldom equal the actual result. Management also needs to exercise judgment in applying the Company’s accounting policies. This note provides an overview of the areas that involved a high degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgments

The areas involving critical estimates and judgments are:

i) Taxation

The Company is engaged in agricultural activities and also subject to tax liability under MAT provisions. Significant judgment is involved in determining the tax liability for the Company. Also there are many transactions and calculations during the ordinary course of business for which the ultimate tax determination is uncertain. Further judgment is involved in determining the deferred tax position on the Balance Sheet date.

ii) Depreciation and amortisation

Depreciation and amortisation is based on management estimates of the future useful lives of the property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortisation charges.

A glass of Cola harms a lot, Tea is good, cold or hot.
iii) Employee Benefits
The present value of the defined benefit obligations and long term employee benefits depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) include the discount rate. Any changes in these assumptions will impact the carrying amount of defined benefit obligations.

The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the obligations. In determining the appropriate discount rate, the Company considers the interest rates of Government securities that have terms to maturity approximating the terms of the related defined benefit obligation. Other key assumptions for obligations are based in part on current market conditions.

iv) Provisions and Contingencies
Provisions and contingencies are based on Management’s best estimate of the liabilities based on the facts known at the Balance Sheet date.

v) Estimation uncertainty relating to the global health pandemic on COVID-19
The Company has considered internal and external information up to the date of approval of financial statements. In assessing the recoverability of property plant and equipments, receivables, intangible assets, cash and cash equivalent and investments. The Company has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions; the Company expects to recover the carrying amount of these assets. The Company has concluded that the impact of COVID – 19 is not material based on these estimates. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

D) Property, plant and equipment
Property, plant and equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of property, plant and equipment recognised as at 1st April, 2016 measured as per the previous Generally Accepted Accounting Principles (GAAP).

An item of property, plant and equipment is recognised as an asset if it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is de-recognised. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses (net of revenue) are capitalised. Borrowing costs incurred during the period of construction is capitalised as part of cost of the qualifying assets.

The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of profit and loss.

E) Intangibles
Subsequent to initial recognition, intangible assets with definite useful lives are reported at cost less accumulated amortisation and accumulated impairment losses.

F) Depreciation and amortisation of property, plant and equipment and intangible assets
(i) Depreciation is provided on prorata basis on straight line method at the rates determined based on estimated useful lives of tangible assets where applicable, specified in Schedule I to the Act. These charges are commenced from the dates the assets are available for their intended use and are spread over their estimated useful economic lives or, in the case of leased assets, over the lease period, if shorter. The estimated useful lives of assets and residual values are reviewed regularly and, when necessary, revised. No further charge is provided in respect of assets that are fully written down but are still in use. Depreciation on assets under construction commences only when the assets are ready for their intended use.

Researchers say polyphenols, found in tea, prevent cardio-vascular diseases.
Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2020

(ii) Bearer Plants are depreciated from the date when they are ready for commercial harvest.
(iii) Leasehold Land is amortised over the tenure of respective leases.

G) Government Grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other operating income. Government grants relating to the acquisition/ construction of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other operating income.

H) Impairment

At each Balance Sheet date, the Company reviews the carrying values of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognised in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised in the statement of profit and loss immediately.

I) Leases

The Company determines whether an arrangement contains a lease by assessing whether the fulfillment of a transaction is dependent on the use of a specific asset and whether the transaction conveys the right to use that asset to the Company in return for payment. Where this occurs, the arrangement is deemed to include a lease and is accounted for either as finance or operating lease.

Leases are classified as finance leases where the terms of the lease transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

The Company as lessee

(i) Operating lease – Rentals payable under operating leases are charged to the statement of profit and loss on a straight line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred. In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

(ii) Finance lease – Finance leases are capitalised at the commencement of lease, at the lower of the fair value of the property or the present value of the minimum lease payments. The corresponding liability to the lessor is included in the Balance Sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in the statement of profit and loss over the period of the lease.

J) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs

Opt for the healthier option, iced tea with a dash of lemon.
that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

**Effective interest method**

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

**a) Financial assets**

**Cash and bank balances**

Cash and bank balances consist of:

(i) **Cash and cash equivalents** - which includes cash in hand, deposits held at call with banks and other short term deposits which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value and have maturities of less than one year from the date of such deposits. These balances with banks are unrestricted for withdrawal and usage.

(ii) **Other bank balances** - which includes balances and deposits with banks that are restricted for withdrawal and usage.

**Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Financial assets measured at fair value**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument by instrument basis at the time of initial recognition of such equity investments.

Financial asset not measured at amortised cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

**Impairment of financial assets**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets:

- Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables
- Financial assets that are debt instruments and are measured as at FVTOCI
- Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

The Company follows ‘simplified approach’ for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

*Tea contains catechin and theaflavin, which act firmly against influenza virus and inhibits AIDS activity.*
Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2020

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, the Company reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cashflows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/expense in the statement of profit and loss. This amount is reflected under the head ‘other expenses’ in the statement of profit and loss. The Balance Sheet presentation for various financial instruments is described below:

Financial assets measured as at amortised cost: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the Balance Sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Debt instruments measured at FVTTOCI: Since financial assets are already reflected at fair value, impairment allowance is not further reduced from its value. Rather, ECL amount is presented as ‘accumulated impairment amount’ in the OCI.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/origination.

Derecognition of financial assets
The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

b) Financial liabilities and equity instruments

Classification as debt or equity
Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments
An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities
Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method where the time value of money is significant.

Those who drank more than 6 cups per day, had a more than 50% lower risk of coronary heart disease compared to tea abstainers.
Interest bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the statement of profit and loss.

**Derecognition of financial liabilities**

The Company derecognises financial liabilities when, and only when, the Company’s obligations are discharged, cancelled or they expire.

**Derivative financial instruments**

In the ordinary course of business, the Company uses certain derivative financial instruments to reduce business risks which arise from its exposure to foreign exchange and interest rate fluctuations. The instruments are confined principally to forward foreign exchange contracts and interest rate swaps. The instruments are employed as hedges of transactions included in the financial statements or for highly probable forecast transactions/firm contractual commitments. These derivatives contracts do not generally extend beyond six months except for interest rate derivatives.

Derivatives are initially accounted for and measured at fair value from the date the derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period.

**K) Employee benefits**

**Defined contribution plans**

Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company’s obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

**Defined benefit plans**

For defined benefit retirement schemes the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each Balance Sheet date. Re-measurement gains and losses of the net defined benefit liability/(asset) are recognised immediately in other comprehensive income. The service cost and net interest on the net defined benefit liability/(asset) is treated as a net expense within employment costs.

Past service cost is recognised as an expense when the plan amendment or curtailment occurs or when any related restructuring costs or termination benefits are recognised, whichever is earlier.

The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as reduced by the fair value plan assets.

**Compensated absences**

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised based on actuarial valuation at the present value of the obligation as on the reporting date.

**L) Inventories**

a) Stock of Tea is valued at lower of cost computed on annual average basis or net realisable value. Stock of Tea Waste is valued at estimated realisable value.

b) Stock of stores and spares are valued at cost on weighted average basis or net realisable value.

c) As per practice followed by the Company the value of green leaf in stock as at the close of the year are not taken into accounts.

d) Provision is made for obsolete and slow moving stores wherever necessary.

**M) Provision**

Provisions are recognised in the Balance Sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. Where the time value of money is material, provisions are measured on a discounted basis.

*Tea is believed to boost your body’s immune defenses.*
Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2020

Constructive obligation is an obligation that derives from an entity’s actions where:
(a) by an established pattern of past practice, published policies or a sufficiently specific current statement, the entity has indicated to other parties that it will accept certain responsibilities and;
(b) as a result, the entity has created a valid expectation on the part of those other parties that it will discharge those responsibilities.

N) Onerous contracts
A provision for onerous contracts is recognised when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established, the Company recognises any impairment loss on the assets associated with that contract.

O) Income taxes
Tax expense for the year comprises current and deferred tax. The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of profit and loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Company’s liability for current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is the tax expected to be payable or recoverable on differences between the carrying values of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit and is accounted for using the Balance Sheet liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences. In contrast, deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

The carrying value of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to cover or settle the carrying value of its assets and liabilities.

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

Current and deferred tax are recognised as an expense or income in the statement of profit and loss, except when they relate to items credited or debited either in other comprehensive income or directly in equity, in which case the tax is also recognised in other comprehensive income or directly in equity.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. MAT is recognised as deferred tax assets in the Balance Sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

P) Revenue Recognition
Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes or duties collected on behalf of the Government.

Sale of Goods
Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer. No revenue is recognised if there are significant uncertainties regarding recovery of the amount due, associated costs or the possible return of goods.

Tea with lemon, tea with honey, It is healthy and costs little money.
Interest Income
Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

Q) Borrowing Costs
Borrowings costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for the intended use or sale.

R) Cash and Cash Equivalents
For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the Balance Sheet.

S) Trade Receivables
Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment, if any.

T) Segment Reporting
Identification of Segments
The Company has identified Tea products as its sole operating segment and the same has been treated as primary segment. The Company’s secondary geographical segments have been identified based on the location of customers and then demarcated into Indian and overseas revenue earnings.

U) Earnings Per Share
Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

V) Contingent Liabilities
A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The company does not recognize a contingent liability but discloses its existence in the financial statements.

(b) Terms/rights attached to equity shares

(i) The Company has only one class of equity shares having par value of ₹ 5 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividend in Indian Rupees. The dividend if any proposed by Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

(ii) In the event of liquidation of the Company, the holders of the equity shares will be entitled to receive remaining assets of the Company. The distribution will be in proportion to the number of equity shares held by the shareholders.

(c) For the period of five years immediately preceding the date at which the Balance Sheet is prepared, the Company has a) not allotted any shares other than for cash, b) not allotted any shares by way of bonus, c) not bought back any shares.

Those who drank more than 6 cups per day, had a more than 50% lower risk of coronary heart disease compared to tea abstainers.

</tr>
<tr>
<td>Employee's Contribution to Provident Fund</td>
<td>254.58</td>
<td>249.93</td>
</tr>
</tbody>
</table>

 b) Defined Benefit Plan - Gratuity

The Gratuity scheme is a final salary defined benefit plan, that provides for lump sum payment at the time of separation; based on scheme rules the benefits are calculated on the basis of last drawn salary and the period of service at the time of separation and paid as lump sum. There is a vesting period of 5 years.

Associated Risks:

Where there is a benefit being promised and benefit being provided, there will always be some uncertainty for the benefit provider and the benefit recipient.

i. Risk to the Beneficiaries (i.e. for Employees)

Insufficient funds: The greatest risk to the beneficiary is that there are insufficient funds available to provide the...
promised benefits. This may be due to:
- The insufficient funds set aside, i.e. underfunding
- The insolvency of Employer - The holding of investments which are not matched to the liabilities; or
- A combination of these events

ii. Risk to the Benefit provider (i.e. for employer)

Parameter Risk: Actuarial valuation is done on basis of some assumptions like salary inflation, discount rate and withdrawal assumptions. In case the actual experience varies from the assumptions, fund may be insufficient to pay off the liability.

Risk of Illiquid Assets: Another risk is that the funds, although sufficient, are not available when they are required to finance the benefits. This may be due to assets being locked for longer period or in illiquid assets.

Risk of Benefit Change: There may be a risk that a benefit promised is changed or is changeable within the terms of the contract.

Assets Liability Mismatching Risk: ALM risk arises due to mismatch between assets and liabilities either due to liquidity or changes in interest rates or due to different duration.

(A) Changes in Defined Benefit Obligation

37. Details of Loans and Guarantees given covered under section 186(4) of the Companies Act, 2013:

The Company has made investments in the shares of different companies and given loans to different parties which are general in nature. The loans given are interest bearing which are not lower than the prevailing yield of related government security close to the tenure of the respective loans. Further, the company has not given any guarantee or provided any security.

38. The company has provided deferred tax assets for ₹ 78.73 Lakhs (PY ₹ 59.58 Lakhs) based on the future profitability projection. The management is of the view that future taxable income will be available to realise/adjust such deferred tax assets.

39. Expenditure in Foreign Currency:

41. Capital Management

The Company’s capital management is intended to create value for shareholders by facilitating the meeting of long-term and short-term goals of the Company.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirements are met through equity and other long-term/short-term borrowings. The Company’s policy is aimed at combination of short-term and long-term borrowings.

The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

42. Financial risk management objectives and policies

The Company’s principal financial liabilities, comprise loans and borrowings, trade and other payables, security deposits, employee liabilities, unpaid and finance lease obligation. The main purpose of these financial liabilities is to finance the Company’s operations and to provide guarantees to support its operations. The Company’s principal financial assets include trade and other receivables, and cash and short-term deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company’s senior management oversees the management of these risks. The Company’s senior management is supported by a Risk Management Compliance Board that advises on financial risks and the appropriate financial risk governance framework for the Company. The financial risk committee provides assurance to the Company’s senior management that the Company’s financial risk activities

*Those who drank more than 6 cups per day, had a more than 50% lower risk of coronary heart disease compared to tea abstainers.*
are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company’s policies and risk objectives. It is the Company’s policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

a) Market risk
Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings and deposits.

The sensitivity analyses in the following sections relate to the position as at 31 March 2020 and 31 March 2019.

The sensitivity analyses have been prepared on the basis that the amount of debts.

The following assumptions have been made in calculating the sensitivity analysis:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31st March 2020 and 31st March 2019.

b) Interest rate risk
Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company’s exposure to the risk of changes in market interest rates relates primarily to the Company’s long-term debt obligations with floating interest rates.

The Company is subject to variable interest rates on some of its interest bearing liabilities. The Company’s interest rate exposure is mainly related to debt obligations. The Company also uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like short term loans.

The risk estimates provided assume a parallel shift of 100 basis points interest rate across all yield curves. This calculation also assumes that the change occurs at the Balance Sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company’s profit before tax is affected through the impact on floating rate borrowings, as follows:

<table>
<thead>
<tr>
<th></th>
<th>Increase/ decrease in basis points</th>

<td>(13.18)</td>
</tr>
<tr>
<td>₹ In Lakhs</td>
<td>(-) 100</td>
<td>17.81</td>
<td>13.18</td>
</tr>
</tbody>
</table>

c) Credit risk
Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Customer credit risk is managed by each divisions subject to the Company’s established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit or other forms of credit insurance.

The risk relating to trade receivables is shown under note no 10.

d) Liquidity risk
Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

*Tea neutralizes bad effect of smoking and prevents damage of liver (emphysema).*
Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2020

The Company has obtained fund and non-fund based working capital lines from various banks. The Company’s objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank loans, buyer’s credit and other means of borrowings. The company invests its surplus funds in liquid schemes of mutual funds, which carry no/low mark to market risk.

The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding and debt maturing within 12 months can be rolled over with existing lenders.

<td>466.29</td>
<td>2,436.50</td>
</tr>
</tbody>
</table>

e) Agricultural Risk

Cultivation of tea being an agricultural activity, there are certain specific financial risks. These financial risks arise mainly due to adverse weather conditions, logistic problems inherent to remote areas, and fluctuation of selling price of finished goods (tea) due to increase in supply/availability.

The Company manages the above financial risks in the following manner:
- Sufficient inventory levels of agro chemicals, fertilisers and other inputs are maintained so that timely corrective action can be taken in case of adverse weather conditions.
- Slightly higher level of consumable stores viz. packing materials, coal and HSD are maintained in order to mitigate financial risk arising from logistics problems.
- Sufficient working-capital-facility is obtained from banks in such a way that cultivation, manufacture and sale of tea is not adversely affected even in times of adverse conditions.

f) Other Risk-Impact of the COVID 19 pandemic

The spread of COVID-19 has severely impacted businesses around the globe. In many countries, including India, there has been severe disruption to regular business operations due to lockdowns, disruptions in transportation, supply chain, travel bans, quarantines, social distancing and other emergency measures. Diana’s gardens and office were under nationwide lockdown since March 24, 2020. As a result of lockdown the volumes for the month of March 2020 have been impacted consequently, the performance for the month of March 2020 has also been partially impacted. Operations are being resumed in a phased manner taking into account directives from the Government. The impact on our business will depend on future developments that cannot be reliably predicted. It is uncertain how long these conditions will last. The impact of global health pandemic might be different from that estimated as at the date of approval of these financial statements and the Company will closely monitor any material changes to future economic conditions. The Company has evaluated its liquidity position and of recoverability and carrying values of its assets and has concluded that no material adjustments are required at this stage in the financial statements.

43. Financial Instruments

The significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 2 (I) to the financial statements.

*Anti oxidants that are in tea, Keeps you always fit and healthy.*
Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2020

(a) Financial assets and liabilities

The carrying value of financial instruments by categories as of March 31, 2020 is as follows:

<table>

Fair value hierarchy:

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

The investments included in Level 2 of fair value hierarchy have been valued using quotes available for similar assets and liabilities in the active market. The investments included in Level 3 of fair value hierarchy have been valued using the cost approach to arrive at their fair value. The cost of unquoted investments approximate the fair value because there is a range of possible fair value measurements and the cost represents estimate of fair value within that range.

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosure are required):

Notes:

i) There have been no transfers between level 1 and level 2 for the years ended March 31, 2020 and March 31, 2019

A glass of Cola harms a lot, Tea is good, cold or hot.
Notes to Consolidated Financial Statements as at and for the year ended 31st March, 2020

44. The wholly owned Subsidiary M/s Sage Organics Private Limited of the Parent Company was incorporated on January 8, 2020, and as there was no trading activity during FY 2019-20, therefore no Profit & Loss account was made for the Wholly Owned Subsidiary Company for FY. 2019-20. Hence the Consolidated Results of Profit & Loss actually reflects the Standalone Figures of Parent Company.

45. Additional information as required by Paragraph 2 of the General Instructions for Preparation of Consolidated Financial Statements to Division II to Schedule III to the Companies Act, 2013
