Press Release

27th September 2020

Certain news items have appeared, expressing concerns about governance of the Bank. Based on voting results of the 93rd Annual General Meeting reappointment of 7 directors were not approved. However, the Bank continues to have a fully functional Board of Directors including 3 independent directors.

The Bank’s liquidity position as on date is comfortable, with Liquidity Coverage Ratio (LCR) is in excess of 250% about 262% against minimum 100 % required by RBI.

The Bank continues to enforce cost reduction measures both of direct and indirect costs. The Bank’s provision coverage ratio remains healthy at 72.6%, against the minimum of 70.0% prescribed under PCA. Further, besides existing business, the Bank will continue its focus on capital-light loans.

All the existing employees of Bank will continue to be in full service as usual, and remain ever committed as usual to serve customers.

The shareholders have approved for increase of the Authorized Share Capital of the Bank to Rs. 1,000,00,00,000/- (Rupees One Thousand Crores Only), subject to RBI approval.

The Bank will continue the process of considering and evaluating the proposed amalgamation of the "Clix Group" with the Bank, and as was previously informed on 15th September 2020, the mutual due diligence is substantially complete.

Additionally, to strengthen the Bank’s capital, the shareholders have approved resolution authorizing the Bank to undertake capital raising as FPO, Rights issue, QIP or other available routes to raise capital.

Till a new managing director is appointed, the existing senior management team alongwith the Board of Directors will discharge the day-to-day affairs of the Bank as usual.
