Analyst Call | Mumbai | 14.05.2024

Disclaimer

This presentation has been prepared solely for use at the investor/analyst call. By attending the call where this presentation is made, or by reading the presentation slides, you agree to be bound by the following limitations:

- a. Siemens Limited ("Siemens" or "Company") cannot give assurance to the correctness of such information and statements. These forward-looking information and statements can generally be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements sometimes use terminology such as "targets", "believes", "expects", "aims", "assumes", "intends", "plans", "seeks", "will", "may", "anticipates", "would", "could", "continues", "estimate", "milestone" or other words of similar meaning and similar expressions or the negatives thereof;
- b. By their nature, forward-looking information and statements involve known and unknown risks, uncertainties and other important factors that could cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements that may be expressed or implied by the forward-looking information and statements in this presentation. Should one or more of these risks or uncertainties materialize, or should any underlying assumptions prove to be incorrect, the Company's actual financial condition or results of operations could differ materially from that or those described herein as anticipated, believed, estimated or expected;
- c. Given the aforementioned uncertainties, prospective or present investors are cautioned not to place undue reliance on any of these forward-looking statements;
- d. No part of this presentation, nor the fact of its distribution, should form the basis of, or be relied on in connection with, any contract or commitment or investments decision whatsoever. Investor/prospective investor must seek advice on specific situation from well-informed legal, investment, tax, financial, and management professionals;
- e. This presentation and its contents must not be distributed, published or reproduced. This presentation does not constitute a recommendation regarding the securities of the Company.

Resilience in Global economy; India maintains growth momentum

❑ Global Economy recovering well

❑ Indian Economy

- Maintains strong performance and **growth momentum**
 - GDP growth (FY25 - 7%) ¹, IIP (147.2) ², Manufacturing PMI (59.12) ³
 - Stable inflation: 4.9% ³, interest rates: 6.5% ³
- **Capacity utilization** of manufacturing industry steadily improving
- Prospects of **broad-based private capex** rising

1) RBI forecast 2) Feb 2024 3) Mar 2024

Siemens' Key Markets growing

❑ Strong Vertical market indicators:

- **Core Verticals:** Data Centers, Power Utilities (T&D), Metals, Cement, Automotive, E-Vehicles, Pharma
- **Railways** continue ordering Rolling Stock, Signaling and Electrification projects
- **Emerging Verticals:** Semiconductors, Batteries, Electronics, Green hydrogen

❑ Some **large Government projects** deferred

❑ Slowdown in ordering of industrial automation products due to normalization of demand following shorter delivery cycles

// **We strongly believe that India is really taking off. The last years have shown that the growth rates are amazing.**

You are attracting more high-quality products, more complex products are manufactured in India

Roland Busch
President and CEO, Siemens AG

Siemens Limited – An Overview

Proposed Demerger of Energy Business

Energy Business Highlights

Other Business Segments Highlights

Financial Overview

Transaction Overview

Siemens Limited (“SL”) to demerge its Energy Business into a separately listed entity, Siemens Energy India Limited (“SEIL”)

Transaction Structure

Structure Post Demerger

Share Entitlement Ratio

Shareholders of Siemens Ltd will get **1 (one) share of SEIL each for every 1 (one) share each held in SL**

- Identical shareholding of both companies post demerger
- Entire process expected to be completed within CY 2025

Strategic Rationale

Two strong and independent companies

Siemens Limited

- A leading technology-focused company in Industry, Infrastructure and Mobility
- Empowering customers to transform their industries and markets
- Combining the real and the digital worlds

Siemens Energy India Limited

- Aims to become the most valued energy technology company
- Supporting customers in transitioning to a more sustainable world

Business Focus

The proposed demerger will create two strong, independent companies, focusing on their core activities, portfolios and capital allocation

Market Focus

Both companies will be able to execute their own strategy, with a tailored go-to-market and operational approach to leverage the full potential of the Indian and export markets

Unlock Shareholder Value

The proposed demerger will unlock the value of both businesses for shareholders

Key Milestones and Indicative Timelines

SL expects to complete the demerger and listing in CY 2025
