Hari Shetty

*Chief Strategist and Sales Excellence Officer
Wipro Limited*

Hari Shetty stands as a senior leader at Wipro with an extensive career that spans over three decades. As sector head, he leads the technology platform, products, and gaming business division. His expertise encompasses client engagement, strategy development, execution, and P&L oversight for his business. Hari's profound passion for technology drives his belief in its transformative potential for businesses and society.

In his previous capacity, Hari was pivotal as the "Change & Transform" leader for the consumer business division, where he championed four big bets: digital transformation, cloud services, engineering services, and cybersecurity. In this role, he led several large digital transformation initiatives by crafting industry-specific solutions that meld design with engineering prowess.

Hari has also played leadership roles across several industries including Retail and Distribution. As the head of the Retail vertical, he played a key role in incubating and expanding the business through strategic client partnerships, elevating Wipro to a top-tier provider of technology, business, and digital services to a majority of the world's leading retailers.

With a global consulting experience that exceeds 30 years, Hari has worked with clients worldwide, recognizing the pivotal role of cloud computing, artificial intelligence, and automation in reshaping business landscapes. He has made significant contributions to the advancement of these fields through his articles and insights. As a speaker at various forums, Hari addresses the challenges posed by technological disruption and opportunities for business value creation. In recognition of his contribution, he was rated among the world's Top 25 Technology Consultants and Leaders of 2024.

An alumnus of the Indian Institute of Science (IISc), Hari holds a multi-disciplinary educational background with degrees in computer science & engineering (B.E), management (MTech), finance (CFA), and law (LLB). Additionally, Hari has been trained at the Harvard Business School on "Leading Professional Service Firms".
