CAPITAL INDIA FINANCE LIMITED (CIFL)
1. Introduction

1.1 The World Health Organization ("WHO") on March 11, 2020 has declared Corona virus ("COVID-19") a pandemic, which has affected over half a million people in several countries and territories around the world with the sustained risk of further global spread. The virus infects people easily and spreads from person to person in an efficient and sustained way in multiple regions. The declaration refers to the spread of a disease, rather than the severity of the illness it causes.

1.2 With a view to arrest the spread of the virus by breaking its cycle of transmission at a large scale and pace, the Government of India ("GOI") has announced a nationwide lockdown beginning March 24, 2020 for a period of 21 days, subject to monitoring of the measures taken by the Ministry of Home Affairs, from time to time. The lockdown restricts people from stepping out of their homes, shutdown of transport services – road, rail and air (with exceptions for public safety, emergency and essential services) and suspension of services of educational institutions, industrial establishments and hospitality services.

1.3 To mitigate the burden of debt servicing brought about by disruptions on account of COVID-19 pandemic and resultant nationwide lockdown, the Reserve Bank of India ("RBI") vide its circular DOR.No.BP.BC.47/21.04.048/2019-20 dated March 27, 2020 ("RBI Circular") announced COVID-19 Regulatory Package ("RBI Package") where inter-alia certain regulatory measures were announced.
