## SpiceJet Removed from DGCA's Enhanced Surveillance

**GURUGRAM, October 16, 2024:** SpiceJet is pleased to announce that the Directorate General of Civil Aviation (DGCA) has removed the airline from its enhanced surveillance regime. The enhanced surveillance was initiated on 13th September 2024. This decision comes as a testament to our unwavering commitment to maintaining the highest standards of safety, operational efficiency, and regulatory compliance.

As part of the enhanced surveillance, the DGCA conducted a total of 266 spot checks across various locations. "It has been ensured that deficiencies and findings found during the spot checks have been subject to suitable rectification action by the operator. In light of the same and the financial infusion of additional funds into the company, SpiceJet has been taken off the enhanced surveillance regime," the DGCA said in a media statement.

We are grateful to the DGCA for their cooperation and guidance throughout this process. SpiceJet remains fully committed to delivering safe, efficient, and customer-centric operations while upholding the highest standards of regulatory compliance.
