RattanIndia backed Revolt Motors announces the expansion in Andhra Pradesh

April 07, 2022: RattanIndia backed Revolt Motors, India's next gen-mobility is expanding its retail presence in Southern India with the opening of new store in Nellore, Andhra Pradesh. After Vizag & Vijaywada, this will be the 3rd retail outlet in the State and the 22nd addition to the existing marketplace in southern part of India. The company has been robustly expanding across the nation and aims to open 40+ new stores in this year.

Andhra Pradesh being the third most EV friendly states of India supports every aspect of electric mobility and is focussed on accelerating the adoption of EVs. The government's EV policies supports to encourage faster adoption and manufacturing of EVs. The state government also offers various subsidies for customers like 100% road tax exemption for newly-purchased EVs and the state is looking forward to going 100% electric by 2030 in terms of city buses and an investment of whopping 30000 CR is expected for EV manufacturing.

The RV400 comes with a 3KW (Mid Drive) motor, powered by a 72V, 3.24KWh Lithium-Ion battery that can churn out a top speed of 85km/h. The bike can be operated through the MyRevolt App, which offers connectivity features such as bike locator/Geo fencing, customised sounds that you can change with just a tap on the screen, complete bike diagnostics, battery status, historical data on your rides and KMs done, and also the option of locating the nearest Revolt Switch Station to swap your Revolt's battery at, and be on-the-move in less than 60 seconds.

RV400 features three riding modes - Eco, Normal and Sport – each suiting to the riding style and needs of the driver. Also, comes with Upside Down (USD) forks up-front and a fully-adjustable mono shock at the rear to give an unparalleled riding experience.
