MARKETS

ON POSITIVE BUZZ
Sensex reels
FE BUREAU
Mumbai, October 30

BENCHMARK INDICES ON
Wednesday extended gains for
the fourth consecutive session
to close at a five-month high,
and optimism of the economic
downturn cycle coming
to an end on account of better-
than-expected corporate earn-
ings. Reports of the govern-
ment scrapping taxes on
dividend payouts also helped
investor sentiment.
The Sensex advanced 220
points or 0.55% to close at
40,058.53, while the Nifty 50 Index
rose 0.49% to close at 11,864.
The benchmark, which had
216 points away from its rec-
closing high, closed above the
key 40,000-level after June 4.

Out of the 30 stocks listed on
Sensex, 18 stocks closed in
the green, with the highest gains
recorded by State Bank of India,
Infosys and Bharti Airtel. Tata
Consultancy Services and Infosys
together accounted for
nearly half of the Sensex rally.

Auto stocks rise
YOOSEF KP & SHASHANK DIPANKAR
Mumbai, October 30

THE AUTO SECTOR seems to
have turned a corner with investors
lapping up the heavily beaten stocks.
The BSE Auto Index, which had
underperformed the benchmarks for
nearly two years, has made a
comeback in the last three months
to emerge as the best sectoral
index on the BSE after surging by
over 24%.

As several auto companies announced that they
were rebounding in demand during the fest-
ive season, the stocks continued
their upward movement. Lower cor-
porate tax rates and better-than-
expected quarterly results from
companies such as Tata Motors and
Maruti Suzuki also supported the
time.

Interestingly, Maruti Suzuki's,
Bajaj Auto and Tata Motors topped
the list of best performers on Sensex.
