EKI Energy Services Ltd. Wins Three Prestigious Awards at Environmental Finance Sustainable Company Awards 2023, Shining Bright on the Global Stage

- **Mr. Manish Dabkara, Chairman & MD of EKI** awarded **Net Zero Champion of the Year (Global)**
- **Mr. Samrat Sengupta, Vice President of EKI** awarded **Sustainable Business Leader of the Year (APAC)**
- **EKI also honoured with Community Involvement Program of the Year (EMEA)** for its **Clean Cooking Initiative**

**India, 15th September 2023:** EKI Energy Services Ltd., a leading carbon credit developer and supplier across the globe, proudly announces its impressive performance at the prestigious Environmental Finance Sustainable Company Awards 2023. The event, which celebrates organisations and individuals leading the way in environmental and sustainable practices, saw EKI shine brightly on the global stage with three remarkable accolades.

The Environmental Finance Sustainable Company Awards recognize leading companies across all industries that are transforming their business practices to pave the way towards a net-zero future.

In a momentous triumph, Mr. Manish Dabkara, Chairman & MD of EKI, has been awarded the title of "Global Net Zero Champion of the Year". This esteemed recognition underscores Mr. Dabkara's visionary leadership and unwavering commitment to advancing net-zero initiatives on a global scale.

EKI's dedication to community and sustainability has also received international acclaim, as the organisation has been awarded the title of Community Involvement Program of the Year (EMEA) for its clean cooking initiative which focuses on community development while ensuring environmental sustainability. EKI's improved cookstoves, 'Agneeka Ecomini' lower fuel requirements, improve indoor air quality, reduce the drudgery of women and children who travel long distances to carry heavy logs of wood and significantly reduce greenhouse gas emissions. EKI reports it has already distributed over two million of its cookstoves to communities in many low-income parts of the world, largely Asia and Africa.

In another triumphant win, EKI's Vice President, Mr. Samrat Sengupta, has been named the Sustainable Business Leader of the Year in the APAC region. This accolade celebrates his outstanding contributions to sustainable business practices, setting a shining example for the global community.
Mr. Manish Dabkara, Chairman & MD, EKI Energy Services Ltd. said, “These awards stand as a testament to EKI’s unwavering dedication to creating a sustainable future for all. They reaffirm our commitment to innovation and relentless collaboration in our pursuit of net-zero emissions. We are honoured by this recognition, which reflects our team's global commitment to sustainability. We remain steadfast in our mission to safeguard our planet and leave a lasting legacy of environmental stewardship."

EKI is committed to driving innovation, sustainability, and positive change globally. These accolades from the Environmental Finance Sustainable Company Awards 2023 serve as a testament to the company's ongoing commitment to a greener, more sustainable future.
