Jio in-flight services to take off at 20k ft & above

RELIANCE JIO (ON) Fearful about its customers will be able to tune in to government-subsidized government international flights after the government recently provided a go-ahead. Jio Air, the new carrier, has arranged 200 flights, with the first scheduled to depart from Mumbai on 24th November.

The airline's current main rivals are Indian Airlines, which has announced 40 flights, and the Air India, which will launch its service in February 2022. Jio Air's first flight will depart from Mumbai at 16:30 hours and arrive in Dhaka at 21:30 hours.

The airline has partnered with 3,000 travel agents in India, and the company has already started flights in 12 cities. The airline plans to expand its operations to 80 domestic destinations by 2022 and 50 international destinations by 2023.

ICICI Lombard

The company has been operating in the insurance sector for over 50 years and has a strong presence in the market. It offers a wide range of insurance products, including motor insurance, health insurance, and life insurance.

ICICI Lombard has recorded a significant increase in its profits in the recent past. The company's profit increased by 21% in the quarter ended September 2021, driven by strong growth in all its segments.

The company is also expanding its reach by entering new markets and expanding its product offerings. It has recently launched its motor insurance product in the US market and has plans to expand its operations to other countries.

In conclusion, ICICI Lombard is a strong player in the insurance sector and is well-positioned to continue its growth in the future.

Nippon Life

Nippon Life is a leading insurance company in Japan and one of the largest insurance companies in the world. It offers a wide range of insurance products, including life insurance, health insurance, and property insurance.

The company's profits have been growing steadily in recent years, driven by strong demand for its insurance products. It has also been expanding its operations to new markets, including the US and Europe.

In conclusion, Nippon Life is a strong player in the insurance sector and is well-positioned to continue its growth in the future.
