About Castro India Limited:

Castro India Limited is one of India’s leading lubricants company and has established itself as a pioneer and innovator in the Indian lubricants industry. Its iconic brands such as Castrol CRB, Castrol GTX, and in more recent times power brands like Castrol Activ, Castrol MAGNATEC and Castrol VECTON, are used by millions of consumers and customers across the country. The company also has a presence in select segments like High Performance Lubricants and metalworking fluids in industries as varied as automotive manufacturing to mining to machinery and wind & energy.

Castro India Limited has a large manufacturing and distribution network in India with three manufacturing plants and a distribution network of 350 distributors who sell to consumers and customers through over 100,000 retail outlets. Castrol sub-distributors also reach additional outlets in rural markets whilst Castrol India Limited also directly services over 3,000 key institutional accounts.

Besides providing world class products and services, Castrol India Limited is focused on safety, compliance and quality as its number one priority.
