Encl: The Un-audited Financial Results for the Quarter ended June 30, 2020
To
The Board of Directors
Easun Capital Markets Limited

1. We have reviewed the accompanying statement of unaudited financial results of Easun Capital Markets Limited ("the Company") for the quarter ended June 30, 2020 (the "statement") attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulations")

2. This Statement, which is the responsibility of the Company’s management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 “Interim Financial Reporting” ("Ind AS 34"), as prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India.

3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement.

4. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in all material respects in accordance with applicable Ind AS and other recognized accounting practices and policies and has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw attention to Note 7 to the financial results, as regards the management’s evaluation of COVID-19 impact on the future performance of the company. Our conclusion is not modified in respect of this matter.

It has dented the existing world order, global value chains, labour and capital movements across globe and needless to say, the socio-economic conditions of large section of world population. The COVID-19 pandemic, perhaps, represents so-far the biggest test of the robustness and resilience of our economic and financial system. Given the uncertainty regarding the evolution of the COVID curve, it was absolutely critical to anticipate the emerging economic risks and take pro-active monetary actions and plans of sizable magnitude For our company active engagement with stakeholders is being done to identify emerging risks and take prompt action. Considering the interconnectedness, we have taken steps to strengthen the risk management and liquidity management framework of the Company.
