Performance Highlights - (Qtr2 and H1, FY2020)

- YoY Revenues grew by 6% for Q2 and 4% for H1, FY2020. Extended Monsoon impacted Sales to the Road Sector, while slowdown in Auto industry impacted Sales to the Tyre industry. The above was more than made up through significant increase in Exports leading to overall positive growth in Revenues.

- Working Capital savings were achieved despite growth in Revenues, improving quality of Balance Sheet.

- The company continues to invest in Management team which was further strengthened with senior hires in key product lines.

- The Company expects to benefit from increased Government’s focus on Roads Sector and measures to improve liquidity position of players.
