Estimation of the future impact of Covid-19 on its operations

The business of the Company depends on operations of Original Equipment Manufacturers (OEMs) and any disruption at the customer end will have an impact on sales and revenues of the Company. Presently, the Company could able to meet the demand for the month of May, 2020, June, 2020 & July 2020 and till date from customers.

The Company is closely monitoring the development in the economic and business situations arising out of Covid-19 and taking appropriate actions to meet the demand of its Customers & taking several measures to control its costs. The Company will continue to monitor developments to identify significant uncertainties relating to revenue in future periods.

Details of impact of Covid-19 on -

- Capital and financial resources and liquidity position:
  The Company’s capital and credit lines from banks remain intact. Collections from receivables are satisfactory till date.

  Profitability Since the operations remain suspended completely for month of April 2020 and partially for month of May 2020, revenues and profitability of the company have impacted for these two months. The Company is closely monitoring developments of the economy and the business to take appropriate steps to work proactively and minimise the Covid-19 impact.

- Ability to service debt and other financing arrangements:
  Till date, the Company has paid instalments of term loans and interest thereon except for State Bank Of India where the Company has obtained...
Automotive Stampings and Assemblies Limited

CIN: L28932PN1990PLC016314

The moratorium as per RBI guidelines for payment of term loan interest & instalments and Working capital interest. Further all Bills of Exchanges have been honoured on due dates by the Company. With the commencement of operations, the Company expects to meet financial obligations towards banks.

- **Assets:** All assets of the Company were maintained properly as per Standard Operating Procedures (SOP) during the lockdown period and operations were resumed smoothly. Presently, the operating health of all the Property, Plants and Equipments are maintained in good operating condition.

- **Internal Financial reporting and control:** The Company has a well-established Internal Financial Control Reporting through implementation of SOPs and adhered to during the lockdown period also.

- **Supply Chain:** Supply chain of the Company was affected initially due to constraints in the availability of raw materials, transportation and manpower at supplier’s locations. In recent times an improvement in supply chain is being observed facilitating Company’s operations.

- **Demand for its products / services:** Post lockdown period, the business is slowly coming to normalcy, with majority of customers have started their operations. Subject to any further restrictions that may be imposed by the Government, the Company expects the normalcy in demand for products from 2nd quarter of the financial year 2020-2021 and onwards.

| Existing contracts / agreements for agreements where non-fulfilment of the obligations by any party will have significant impact on the Company’s business | The Company do not have any long term contracts / agreements for any fulfilment of obligations. The company supplies its products based on the schedule released by its customers. |

The Company is continuously evaluating the current situation of COVID19 pandemic and its potential effects on the performance and financials and is taking appropriate measures to the extent possible to mitigate the impact of disruption. Please also refer Financial Results alongwith notes for the quarter ended June 30, 2020 submitted to Stock Exchanges on August 21, 2020.

Please take it on your records.

Thanking you,

Yours faithfully,

For **Automotive Stampings and Assemblies Limited**
