Dear Sir,

Sub: Disclosure of event under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

In the wake of spread of the novel Coronavirus disease (COVID-19) across the globe, to safeguard interest of the public at large the Indian Government including various State Governments and Municipal Authorities have issued various advisory directives including putting some restriction on movement of public to break the chain of COVID-19. In adherence to the said measures, the Company along with its subsidiary Companies have been taking various precautionary measures to ensure safety and health of all its employees.

Further, in view of the lockdown in many of the States across the country, the operations in most of our locations are disrupted. The spread of COVID–19 and lock-down situation would also impact financially on the Company which is not ascertainable at this stage. We further expect that this situation will improve in coming days and we would cope-up to cater the demand of our consumers through combined efforts of all our employees & stakeholders spread across the Country. Further, the Company will continue to closely monitor the situation and take appropriate action as and when needed as per guidelines issued by the respective authorities.

Please take the above on your record and disseminate the same for the information of Investors.

Thanking You,

Yours Faithfully,

For Jyothy Labs Limited
