Dear Sirs,

**Sub: Company Update: Commissioning of clinkerisation unit**

We are pleased to announce, as part of the Company's ongoing expansion plan, the commissioning of our 2<sup>nd</sup> clinker line of 2.70 mtpa at Hirmi Cement Works, our integrated cement manufacturing unit located in Chhattisgarh. Cement mill upgradation for a further capacity of 1.30 mtpa is also on track to commission in Q2FY23.

The commissioning of clinkerisation unit was completed well ahead of schedule. This is a unique achievement considering the slowdown faced in project work earlier during the year due to Covid.

The above is for your information and record, please.

Thanking You,

Yours faithfully  
For UltraTech Cement Limited
