While extreme safety measures were in place much before the Lockdown, we had to close the office in line with the instructions of the Central / State Government / Local Authorities and will continue to abide by any further Government orders issued in this regard. Also, all the employees in our Office have been instructed to work from home.

The Company is closely monitoring the situation and will decide on resumption of its operations based on further directives from the Government.

In this evolving situation, the overall adverse impact on the operations of the Company is not immediately assessable. The duration of this shutdown will depend upon directives to be further issued by the respective Government authorities in this regard. The impact can be fully assessed only on resumption of full scale operations.

The Company has also filed the ‘Company Affirmation of Readiness towards COVID-19’ e-form with the Ministry of Corporate Affairs.
