Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard (Ind AS) and other recognised accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Further the comparative financial information of the Company for the quarter and nine months ended on 31st December 2018 and year ended 31st March 2019 prepared in accordance with Ind AS included in this Statement have been reviewed/audited respectively by the predecessor auditor. 3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Parent's personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated above, and based on the consideration of Management certified financial results of subsidiary, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the aforesaid Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder by the Institute of Chartered Accountants of India and other recognized accounting principles, generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by Circular No. CIR/CFD/FAC/ 62/2016 dated 05th July 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. The consolidated unaudited financial results include the interim financial results of a subsidiary including two step down subsidiaries (subsidiary), which have not been reviewed by their auditors but are based on certified financial results by the management, whose interim financial results reflect total revenue of Rs. 87749.18 lakhs for the quarter ended 31 December 2019 and total profit after tax of Rs. 77.39 Lakhs for the said quarter, as considered in the consolidated unaudited financial results. The subsidiary, located outside India, whose unaudited or un-reviewed financial results for the quarter ended 31 December 2019 have been prepared by the Management, in accordance with generally accepted accounting principles in its country. The Company's management has converted the financial results of such subsidiary located outside India from accounting standards generally accepted in its countries to accounting principles generally accepted in India. These conversion adjustments made by the Company's management have not been reviewed by other auditors and hence are as furnished by the Management in the Consolidation herein.

Our report, in so far as it relates to such subsidiary is based on preparation, conversion adjustments, certification by the Management and un-reviewed or un-audited by the other auditors.

Our review report on consolidated financial results is not qualified in respect of these matters.
