Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
S Chand And Company Limited

1. We have reviewed the accompanying statement of unaudited standalone financial Results of S Chand And Company Limited (the "Company") for the quarter ended December 31, 2019 and year to date from April 01, 2019 to December 31, 2019 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards (Ind AS) specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. The Company’s financial results have, historically, been subject to seasonal trends between the last quarter and whole financial year. Traditionally, the academic session beginning from April contributes to higher revenues in the last quarter of the financial year. Ongoing revenue also determines signs of seasonality, with revenue generally lower during other quarters, which are not close to the beginning of academic sessions. These trends are likely to continue in the future.

The lease equalisation reserve of ₹ 13.55 million has been adjusted with the ROU. The Company has elected not to apply the requirements of Ind AS 116 to short-term leases of all assets that have a lease term of 12 months or less. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term. The effect of this adoption has resulted in an increase of ₹ 13.23 million in depreciation in depreciation and amortisation expense and a reduction of ₹ 56.61 million in other expenses on account of lease rents for the quarter ended December 31, 2019 and an increase of ₹ 37.29 million in finance cost, ₹ 66.29 million in depreciation and amortisation expense and a reduction of ₹ 103.33 million in other expenses on account of lease rent for the nine months ended December 31, 2019.
