SHREEJI Bags Business from TATA Power Solar Systems Ltd.

Navi Mumbai, 16th May, 2022: Shreeji Translogistics Limited, which has grown to become one of the largest integrated national logistical solution providers in India, has recently bagged business from TATA Power Solar Systems Limited for transportation of their products PAN India.

Management Comments

Wholetime Director of Shreeji Translogistics Limited, Mr. Rupesh Shah says that *“Transport is the foundation of any society. The progress in techniques and management principles reduces operational costs and usage of energy as well as improves the moving load, delivery speed, service quality and usage of facilities. Transportation businesses focus on improving customer relationship management to outrun competitors and turn prospective clients into loyal ones by reacting fast to any client’s requests and handling unpredictable issues by providing them information they need within shortest terms. Due to deep-rooted commitment to build long-lasting relationships with our customers, upgrade our technologies and meet changing requirements of customers, we, at Shreeji, are happy to add a new customer “TATA Power Solar Systems Limited” formerly known as “TATA BP Solar” which is an Indian Company that specializes in solar energy services and is one of the largest solar rooftop EPC players in India. We assume a business of approx. INR 150 million annually with TATA Power Solar. Since Solar Energy is today’s resource for a brighter tomorrow, I would like to conclude that the most reliable way to predict the future is to create it.”*

ABOUT SHREEJI

Shreeji started as “Shreeji Transport Corporation” (STC) with sole focus on parcel services in 1984. As safety of consignment became the priority, in early 90’s, the Company shifted to full-bodied trucks. Then, a new vertical was added by name of “Bangalore Roadways” with focus on truck brokerage business. There came a turning point when Shreeji was converted as “Shreeji Transport Services Private Limited” in 1994. And, in the meantime, the Company’s Full Truck Load (FTL) business was increasing in Southern India. Over the years, the Company started using containerized trucks for both FTL & parcel business. The Company also introduced Global Positioning System (GPS) on its trucks for real-time tracking of vehicle movement. In 2002, the Company started and pioneered in Bonded Trucking business, which was a path-breaking move for the Company. Shreeji has been a pioneer in Custom Bonded Trucking since a decade and has also received an Award as Premier Bonded Trucking Operator in the Year 2022 by India Cargo Awards. In 2017, the Company got listed and now is in BSE Main Board.
