Ahead of Bihar polls, Jitan Manjhi’s party to join NDA

Former Bihar chief minister Jitan Ram Manjhi-led HAM(S) will join the NDA ahead of the Bihar elections, a party functionary said on Wednesday.

The official announcement in this regard will be made by Manjhi on Thursday, said spokesman Danish Rizwan.

Manjhi, who lost his Lok Sabha seat in 2019, is a part of the NDA in the Bihar elections that is due in October-November.

HAM(S) national president Jitan Ram Manjhi will formally announce the party becoming a part of the NDA in a press release on Thursday, he said.

The party is in coordination with Prime Minister Narendra Modi and Union Home Minister Amit Shah for their development works, he added.

Manjhi, who had on August 20 severed ties with the Grand Alliance after spending three and half years in the opposition coalition, comprising of RJD, Congress, RLSP and Bollywood set designer-turned-politician Mukesh Khanna and a Vikas Party (VIP).

The HAM(S) chief had also termed the Grand Alliance a “stitch-up” of the Congress, RJD and RLSP. “It’s a stitch-up. It’s a Cong-RJD-RLSP stitch-up to bring the people into the open market,” Manjhi had said.

In the last general elections, the HAM(S) had also tried to be a part of the NDA in Bihar. But it was rejected by the NDA chief minister Nitish Kumar.

The NDA, however, had then given Manjhi’s party a ‘rangoli’ ticket for packaging purposes.

Manjhi is the keen member of his party in the recent development, he said.

Jitender Bhargava, executive director of Air India, said the decision was in line with the number of passengers flying on domestic routes.

"It is a good move considering that there is already growth in the average number of passengers flying on domestic routes. The demand of the passengers is seen to be a part of well thought of strategy", he said.

For aviation minister Hardeep Singh Puri, it was one of the rising number of domestic flights over the last three months. "Teaching new habits" 112 new domestic flights from 1,20,725 passengers on 677 flights on 1st September 2020. Day 101 of resumption of domestic operations.

Jagan govt withdraws subsidy to Discisons, to directly transfer power bill amount to farmers

Hyderabad: In a major cut, free agriculture power supply policy, the Andhra Pradesh government has decided to withdraw subsidy to power distribution companies to agriculture power supply every year. Instead, the state government will directly transfer the money directly to farmers for this power consumed by them in their fields and thus, the money being invested in poler bills to the Discisons.

An order bearing No. 22 dated 19th August 2020, Ms No. 22 was issued by state government and Nagapalagi Srikanth on Thursday.

The free power to agriculture was introduced in combined Andhra Pradesh during former chief minister Y. Rajashekar Reddy. Until then, farmers were enjoying unlimited free power for farming with no measure of how much power they were using.

The state government was losing on the power being incurred by the farmers. Due to free power supply to farmers, the power subsidy every year was a burden to the state government. In 2019, there are 17.55 lakh agricultural connections in Andhra Pradesh consuming an average of 12,232 million units of power as per the 2019-20 estimates.

Civil aviation ministry raises domestic flight operations to 60%

It began with 30,550 passengers on 418 flights on 25 May 2020," he said.

The current total has resumed domestic flights from 30 May. On May 25, two months after the nationwide lockdown was announced to stop the spread of COVID-19. The operations were announced to begin. In calibrated manner with a 40% capacity. "After the second phase followed. While this step of building capacities towards return home, the number of passengers opting for air travel remained low till the end of July. The government had, however, increased the limited flights to 45% by June end.
