  - Reduction in footfalls of patients in Outpatients Department (OPD) impacting consultations, treatments and future registration volumes
  - Complete shutdown of international travel resulting in cancellation of planned treatments of international patients
- Initiatives and contributions towards mitigating COVID challenges:
  - Safety guidelines and operational protocols implemented across all centers of the network
  - Migration of OPD to technology based ‘virtual’ mode through tele-consultations, tele-medicine and ‘video visits’ to maintain continuity of care for oncology patients
  - ICMR approval received for developing and conducting clinical trials for Cytokine based as well as Plasma based therapies for COVID patients
  - Ahmedabad multispecialty center amongst the 1st hospitals to enroll patients in clinical trials for Glenmark’s Favipiravir
  - Strand Lifesciences, our associate company, amongst the 1st group of private labs approved for PCR based COVID testing
- Oncology centers in Tier 2/3 towns Pan-India demonstrate strong resilience amidst national lockdown:
  - Revenues of Hubli and Gulbarga centers in Karnataka grew 37% & 15% y-o-y respectively
  - Nashik and Nagpur centers in Maharashtra region experienced marginal revenue decline of 2% each, on y-o-y basis
  - Cuttack center in East India grew revenues by 1.7% y-o-y and Ongole in AP, over a smaller base, saw revenue growth of 77% y-o-y
- HCG’s Center of Excellence in Bangalore ranked no.1 in All-India survey of oncology hospitals by Times of India; Borivali and Cuttack centers also ranked amongst the top six oncology hospitals of India

Commenting on the results, Dr. B.S. Ajaikumar, Chairman and CEO, HealthCare Global Enterprises Ltd. said, “We are pleased to report Q1 FY21 results, amidst unprecedented and most challenging environment. After making a bottom in April, we have seen improving trends thereon across our operations and are focusing on maintaining continuity of care for oncology patients across the country. The situation on ground continues to remain unpredictable and we are following a proactive approach to deal with the dynamic environment. I would like to recognize the efforts of our entire team that has demonstrated phenomenal sense of responsibility, competence and faith in leading from the forefront. We are pleased to announce the completion of preferential allotment transaction of INR 651 crores, with 80% of the funds already received, and balance to be infused subsequently. We welcome Mr. Amit Soni, Sr. Managing Director and Mr. Siddharth Patel, Partner from CVC as board members and look forward to a long-term relationship as partners in HCG’s journey. With a healthy balance sheet and focus on sweating our existing and new assets towards an inflexion point, we are excited to reap benefits from past expansions and investments driving strong cash flows and returns in the near future. HCG’s leadership in oncology, fertility and precision diagnostics, with Pan-India scale, augurs our commitment towards value creation and social impact for all our stakeholders.”
