   Based on the above, the Company is confident of its ability to meet the funds requirement and to continue its business as a going concern and accordingly, the financial results have been prepared on that basis.

2. The Hon'ble Supreme Court (‘SC’) pronounced its Judgement on October 24, 2019 (‘Judgement’), dismissing the appeals of operators and allowing Department of Telecommunication’s (DoT) appeal in respect of the definition of Gross Revenue (‘GR’) and Adjusted Gross Revenue (‘AGR’) as defined in the Unified Access Service License Agreement.

As at March 31, 2020, TTML had provided Rs.2,423.37 crores towards LF, SUC, interest, penalty and interest on penalty as applicable arising out of the above SC judgement read with subsequent orders in this matter.

Post March 31, 2020, SC has passed three (3) orders as below:

- On June 11, 2020, SC directed the operators to file joint affidavit with respect to proposal to secure the outstanding LF amount. The aforesaid order was passed on the DoT application filed in March 2020, seeking to recover the balance outstanding amount over 20 years (the modification application). In the said modification application, DoT had also claimed dues including SUC, interest, penalty and interest on penalty. The statement of recoverable amount mentioned by DoT in the annexure to the modification application did not have the break-up of TTML and the other entity, namely Tata Teleservices Limited (TTSL) separately.

- On June 18, 2020, SC directed that operators to file audited Balance Sheets for the last 10 years including for the financial year ended March 31, 2020 as well as the Income Tax Returns and the particulars of AGR (LF) deposited during the last 10 years. SC also requested telecom operators to make payment of reasonable amount to show their bona fide, before the next date of hearing. TTML complied with the order and filed the required documents in a joint affidavit with TTSL.

- On July 20, 2020, SC passed an order agreeing with the statement relating to recoverable amount, filed by DoT as part of modification application and further ordered that there cannot be any re-assessment or recalculation of this amount. The order on time frame during which the payment is to be made and how to securitize the outstanding dues, is reserved.

Consequently, without prejudice and on prudence, during the quarter ended June 30, 2020 TTML has recorded an incremental provision of Rs.766.77 crores (including net interest considering interest rate as per the modification application filed by DoT on March 16, 2020 with effect from the date of Court Judgement) to give effect to the differential amount between the amounts of AGR dues stated as final in the SC order as well as amounts for subsequent period for which demands have not been received by TTML till date and the provision upto March 31, 2020. Same has been computed based on the terms of the License Agreement, Court Judgement and orders and the guidelines issued by DoT from time to time in this regard. The amount has been provisioned in compliance with the accounting standards, strictly without prejudice to TTML’s legal rights, claims, remedies and contentious available under law. TTML does not admit, acknowledge or confirm any liability towards the same and the fact that some amount is being provisioned does not affect or dilute TTML’s defense against the enforcement of the said LF and SUC demands by DoT in any way.

Accordingly, the provisions pertaining to AGR matter as on June 30, 2020 stand at Rs.3,190.14 crores and disclosed as provision for contingencies.

3. Exceptional items comprises of the following:

(a) Restructuring cost of NIL for the quarter ended June 30, 2020 (Rs.26.12 crores for the quarter ended March 31, 2020, Rs.2.26 crores for the quarter ended June 30, 2019 and Rs.46.79 crores for the year ended March 31, 2020).

(b) As at June 30, 2019, the Company had reviewed the recoverable amount of its CMB assets based on fair value less costs to sell and recorded Rs.184.47 crores as partial reversal of impairment recorded during the year ended March 31, 2018 and disclosed the same as an exceptional item for the quarter ended June 30, 2019.

(c) Additional provision towards LF & SUC of Rs.766.77 crores for the quarter ended June 30, 2020 (Rs.548.35 crores for the quarter ended March 31, 2020 and Rs.2,423.37 crores for the year ended March 31, 2020.) Refer note 2.

The impact of the COVID-19 pandemic has been felt across the economy and business segments. Initial phase of lockdown saw reduction in economic activity whereas the relaxation of lockdown from June 2020 onwards has witnessed a rise in business sentiment and activity. The demand for the Company’s products and services have thus seen an uptick from June 2020. In preparation of these financial results, the Company has taken into account both the current situation and likely future developments and has considered internal and external source of information to arrive at its assessment. The Company has considered such impact to the extent known and available currently. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration. Hence, the Company will continue to monitor any material changes to future economic conditions which may have any bearing on the Company’s operations.

5. The Company is engaged in the business of providing telecommunication services under Unified License. In the context of Ind AS 108 on ‘Segment Reporting’, the results are considered to constitute a single reportable primary / business segment.

6. The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on August 12, 2020.

7. Previous period figures have been regrouped/ reclassified where necessary, to conform with current period’s presentation for the purpose of comparability.

8. Figures for the quarter ended March 31, 2020 are balancing figures between the audited financial figures in respect of the full financial year ended on March 31, 2020 and the unaudited published year to date figures upto the third quarter ended on December 31, 2019, which were subjected to limited review by the Statutory Auditors.
