EPACK Durable Limited receives 1st incentive under Production Linked Incentive (PLI) Scheme for White Goods

HIGHLIGHTS:

- EPACK Durable Limited (Company) had made an application under PLI Scheme for White goods dated September 15, 2021 and subsequently received Government of India's (GOI) approval wide approval number IFCI/CASD/DPIIT/PLIWG-211112058 dated November 12, 2021;
- The Company made requisite investment in Target Segment which is manufacturing of Room Air Conditioner (RAC) Components (*plastic moulding, heat exchangers, cross flow fans, sheet metal*) during the Financial year 2021-22;
- The said manufacturing of RAC Components takes place at Company's state of the art manufacturing facility situated at Dehradun, Uttarakhand and Bhiwadi, Rajasthan;
- After audit and due diligence carried out by nodal agency appointed by GOI, the Company has received its 1st PLI Incentive from GOI for the Financial Year 2022-23.

NOIDA, APRIL 2, 2024

EPACK Durable Limited (Company) has received its 1st incentive under PLI Scheme for White Goods, from Government of India. The Company had made requisite investments as per terms of PLI approval, in the Target Segment of manufacturing of RAC Components during the Financial Year 2021-22 and subsequently, after audits and due diligence carried out by the nodal agencies appointed by the Government of India, the Company has received its 1st incentive of Rs. 15 crores for the Financial year 2022-23, under the said Scheme.

On this occasion, Mr. Ajay DD Singhania, Managing Director & CEO stated "*Firstly, we are thankful to Government of India for always providing support and encouraging platform to manufacturing Industry. At EPACK, we are thrilled to have received this incentive recognition from Government. EPACK has always believed in providing holistic manufacturing services to its customers under its Product servings and manufacturing of RAC components is also a step towards the same. EPACK, in its own way, has been contributing towards strengthening manufacturing eco-system in India, generating employment opportunities and reducing dependency on imports, and such schemes provide necessary motivation required to continue on the development journey.*"

About EPACK Durable Limited:

EPACK Durable Limited is the second largest room air conditioner Original Design Manufacturer (“ODM”) in India, in terms of number of indoor and outdoor units manufactured in Fiscal 2023 through its ODM route. The expertise of EPACK Durable lies in manufacturing a diverse portfolio of Room Air Conditioners and Small Domestic Appliances (SDAs). A customer-centric company where business is driven by a focus on continuous innovation and operational efficiency. EPACK Durable works jointly with the customer team and customises the products, according to different client requirements. The strong manufacturing and design capabilities include developing, designing and manufacturing models of RACs of varying designs and technical specifications. Further, the current RAC product offerings enable the company to offer more customisation to RAC brands in terms of completely built-up units or IDUs and ODUs separately. EPACK Durable has three manufacturing facilities located at Dehradun (Uttarakhand), Bhiwadi (Rajasthan) and Sri City (Andhra Pradesh).
