INDEPENDENT AUDITORS' REVIEW REPORT

To

The Board of Directors of,

JMT AUTO LIMITED

We have reviewed the accompanying statement of standalone unaudited financial results of M/s JMT AUTO LIMITED (‘the company), for the quarter ended 30th June, 2020 being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (as amended) (“Listing Regulations”), including relevant circulars issued by the SEBI from time to time.

This Statement, which is the responsibility of the company’s management and approved by Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards 34, Interim Financial Reporting (IND AS 34) prescribed under section 133 of the Companies Act, 2013 (“the Act”), SEBI Circular CIR/CFD/FAC/62/2016 dated 5 July 2016 and (hereinafter referred to as ‘the SEBI Circular’) and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under Section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
Basis of Qualified Conclusion

We draw attention to the following:

1. As per "Indian Accounting Standard 109", Trade receivables & loan & advances are subject to confirmation/reconciliation and some of them are long outstanding. Accordingly we are unable to comment upon the recoverability of the same Impact and its consequential impact on the financial statement.

Emphasis of Matter

We draw attention to the following matters:

1. Trade Payables are subject to confirmation/reconciliation.
2. We have relied upon the report of external agency for inventory verification.
3. No balance confirmation/statement and current status from axis bank is available as certain payments are delayed. Hence the bank balance is subject to confirmation. However, provision for interest has been considered in the books of accounts as on 30.06.2020.
Qualified Conclusion

Based on our review conducted as above, except for the matters described in Basis of Qualified conclusion, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, the SEBI Circular(s), and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.
