Mr. Niranjan Gupta, Chief Executive Officer (CEO), Hero MotoCorp, said, "The financial year 2024 has been a remarkable period for Hero MotoCorp. During the year, our focus on product launches, network upgrade and customer satisfaction drove us to new heights. From the highest number of product launches, to the expansion of new format retail outlets and upgrade at super speed, to a digital-first approach in premium, we set the building blocks in place for accelerated growth in future. Our fiscal prudence and strategic actions ensured that our financial performance has been robust, resulting in highest ever annual revenue and Profits.

"Moving forward, we expect the macro-economic factors to aid the industry's growth. With commodity prices remaining stable, expectations of normal monsoons, and government spending expected to increase, we see multiple tailwinds for the sector over the upcoming quarters. We will be driving market share gains on the back of our launches in premium and 125 cc segment done in FY 24. Further, we are going to boost scooter portfolio by launching Xoom 125 cc and Xoom 160 cc in first half of the fiscal. Coming year will see us taking big strides in EV, through product launches in mid and affordable segment. Overall, we see a very positive outlook for upcoming years."

During the year, Hero MotoCorp made a huge impression in the premium motorcycle segment by launching as many as six new products – Xtreme 125R, Xtreme 200S, Xtreme 160R 4V, Harley-Davidson X440, Karizma XMR and the Mavrick 440. Additionally, with multiple launches in other categories, it created an exciting portfolio of motorcycles and scooters for the customers. The company also upgraded its retail network with new-age Premia outlets and the launch of over 400 Hero 2.0 stores.

In keeping with its aggressive product strategy, the company also unveiled its exciting future roadmap at the EICMA Motor Show in Milan and at its own bi-annual event Hero World. The Company showcased the world's first class-convertible vehicle - Surge S32, path-breaking EV concepts - Lynx and Acro – flex-fuel options for popular motorcycle models and its upcoming range of scooters - Xoom (125 & 160), new VIDA V1 and V1 Coupe.

The company expanded its emerging mobility brand, VIDA, Powered by Hero, to over 100 cities in the country and along with Ather Energy has also expanded the charging network to over 2000 charging points in over 100 cities. Hero MotoCorp bolstered some of its key international markets such as Nepal, Costa Rica, by appointing new distributor partners.

In a historic achievement for Indian manufacturing and sports, Hero MotoSports Team Rally, the rally-racing team of Hero MotoCorp, clinched the second position at the famed Dakar Rally 2024. This is the first time an Indian team has made it to the podium of Dakar.
