Dear Sir/Madam,

Due to the change in our mailing address from India to the USA, the new share certificates issued by the company were returned to the company. We therefore are not in possession of these share certificates with respect to the shares owned by us (we are in possession of the old share certificates issued by the company on 14th March 2008).

We would like you to issue duplicate share certificates to us. This will help us with the Dematerialization process for the company shares owned by us. Please let us know the process for obtaining duplicate share certificates.

Sincerely,

(Sushma Shivpuri)
