Management Perspective

"I am pleased to report that Godfrey Phillips delivered strong operational and financial performance during the fiscal year FY2019-20. The Company reported Gross Sales Value of Rs. 7,144 Crores and Net Profit of Rs. 388 Crores representing an increase of 15.3% and 51.6% respectively compared to FY2019. Similarly, our PAT margins increased to 5.4% from 4.1% compared to last year.

Godfrey Phillips delivered strong cigarette domestic volume growth of 10.0% during the year along with a better product mix and improved realizations. Our domestic cigarette market share also increased from 11.8% in FY 2019 to 12.9% in FY 2020. The Company topline performance has been supported by an increase in the export of unmanufactured tobacco and cut tobacco, resulting in the International Business contributing Rs. 598 Crores, registering a strong growth of 21.1%.

Gross Sales from 24Seven Convenience Stores (TFS) increased by 33.2% to Rs. 410 Crores with the number of stores now at 103 at the end of March 2020. We continue to optimize our customer product offerings and seek operational efficiencies at all levels in pursuit of store level profitability.

The outbreak of COVID-19 pandemic and measures taken by the Govt. of India to contain its spread has resulted in significant reduction in the economic activities in the country. In view of the market conditions the business operations of the company in terms of production and sales were also impacted. A sense of uncertainty continues to prevail even now. However, we are unified as a team in these current uncertain times and are trying our best to ensure that our key processes of manufacturing, sales and distribution continue to remain resilient and deliver for the company. Moreover our team remains fully committed to its core business of tobacco and accordingly, had opted for geographic expansion into the high potential markets of southern India by developing local sales and distribution infrastructure. We have charted up business plans for each of our operating segment and the management team and myself remain fully focused to drive profitable growth create value for all stakeholders."

Godfrey Phillips was recognized amongst India's Top 30 Manufacturing Places to Work For and this was in addition to the Great Place to Work certification received in June 2019 by Great Place to Work Institute, India. I am happy to share that our ranking has further improved to 29 from 37 last year, in the recent announcements made by the Institute in June 2020.
