### Business update in the prevailing COVID-19 situation

In light of the unprecedented situation owing to the spread of COVID-19, Royal Enfield suspended its production activities starting from March 23rd, 2020. As per the latest directive from the Government of India, all local manufacturing and sales operations will remain closed until April 14th, 2020.

Royal Enfield has always shared a relationship of trust and goodwill with all its vendors and business partners, and it continues to do so. The Company will honour all its payment commitments as per schedule for material and goods already supplied, and/or services already rendered. Its engagement with business partners, vendors and agencies, is ongoing and done in a manner that is contractually provisioned for.

With regards to BS IV stock, the Company successfully cleared all its inventory of BS IV motorcycles across channels and dealerships by March 20th, 2020.
