Independent Auditor’s Report on Consolidated Financial Results of JYOTI STRUCTURES LIMITED for the Year ended on March 31, 2018 pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Jyoti Structures Limited

1. We were engaged to audit the accompanying Statement of Consolidated Ind AS Financial Results of Jyoti Structures Limited ("the Holding Company") for the year ended 31st March, 2018 ("the Statement"), being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by circular no. CIR/CFD/FAC/62/2016 dated 5th July, 2016.

The Statement includes the results of the Holding Company, its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”; the subsidiaries and Joint Ventures collectively referred to as “the components” and individually “the Component”). This Statement, which is the responsibility of the Holding Company’s Management and approved by the Board of Directors, has been prepared from the related consolidated financial statements prepared in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules thereunder and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit of such consolidated Ind AS financial statements.

2. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Holding Company’s preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

Because of the matter described in the “Basis for Disclaimer of Opinion” paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

3. Basis for Disclaimer of Opinion

A) In the absence of the audited financial statements or management certified accounts, for the year ended 31st March, 2018, of three wholly-owned subsidiaries namely Jyoti International Inc, Jyoti Americas LLC and Jyoti Structures Canada Ltd., and two Joint Ventures viz. Gulf Jyoti International LLC and Lauren Jyoti Pvt. Ltd., transactions and
balances in respect of these have not been incorporated in the Consolidated Financial Results, which is not in compliance with the requirements of Ind AS – 110 issued by ICAI. Further, the details w.r.t. Joint Ventures as required under Ind AS 110 and SEBI (LODR) Regulations, 2015 have not been disclosed.

B) We were unable to communicate with the auditors of all the components since the communication details were not provided to us. We had shared our requirements with auditors of four components of which communication details were provided to us on 11-Mar-2020 on which revert is awaited. Further, in the absence of full details / records in respect of all the components being available, we are unable to carry out additional procedures in respect to the same. Hence, we were unable to communicate with the component auditors.

C) In the absence of details of transactions and balances outstanding with components within the group, the elimination of transactions and balances outstanding within the group done in the consolidated financial results could not be verified by us. Further, the transactions / balances within the group in the books of the holding company as well as in the audited financial statement of one of the subsidiaries have also not been fully eliminated in the absence of relevant details. The same is not in compliance with the requirements of Ind AS 110 issued by ICAI. In the absence of the details being made available, the impact of the same is not ascertainable. The details in respect of amounts appearing under Other Comprehensive Income w.r.t. components are not available due to which we are unable to comment on the same.

D) The requirements of Ind AS – 110 issued by ICAI such as alignment of accounting policies of all component and holding company have not been complied with. Impact, whereof, if any, is not ascertainable in the absence of relevant details being made available.

E) The company has considered the management certified accounts of one foreign subsidiary (including three step-down subsidiaries) and audited financial statements of one foreign subsidiary for the purpose of consolidation. These financial statements / accounts have been consolidated on a line by line basis without giving effect, if any, of the differences in the GAAP / accounting framework applicable for the respective foreign countries and India.

F) The consolidated financial results include the financial and other information in respect of three subsidiaries (including one foreign subsidiary referred above) based on unaudited financial statements.

The consolidated financial results includes Assets and Liabilities of Rs. 12,304.49 Lacs and Rs. 6,770.17 Lacs respectively as at March 31, 2018 & Income and Total Comprehensive Income of Rs. 6933.25 Lacs & Rs. -5293.31 Lacs respectively for the year ended March 31, 2018 in respect of these unaudited subsidiaries. In the absence of the audited accounts w.r.t. these, we are unable to comment on the amounts of these components considered in the consolidated financial results.

G) The amount of Non-Controlling Interest as at March 31, 2017 in respect of the foreign subsidiaries was without considering the amount of “Other Comprehensive Income (OCI)” which should have been considered as per Ind AS 110 issued by ICAI. Necessary impact w.r.t. current year’s share of OCI in respect of one of such component have been considered however, in the absence of details the corresponding amounts as at March 31, 2017 have not been restated, which, in our opinion, is not compliance with the requirements of Ind AS 8 and Ind AS 1 issued by ICAI. The impact of the same, in the absence of details, is not ascertainable.
H) The management has prepared these Consolidated Financial Results on a going concern basis in spite of following facts and circumstances:
   a) The Group has reported loss after tax (including OCI) of INR 422,082.74 Lacs during the year;
   b) The net-worth of the Group has been fully eroded and is (-) INR 556,172.97 Lacs as at 31 Mar 2018;
   c) There are minimal operations at plants at Nashik and Raipur during the current financial year and revenue activities have also stopped on the same, except for a few sites;
   d) The financial statements / details in respect of all the subsidiaries are not available and investments in some of the subsidiaries have been fully impaired in earlier years owing to erosion of net-worth of the entity(ies);
   e) The Auditors of one of the subsidiaries whose audited financials have been considered in the consolidated financial results have drawn attention to the accumulated losses of the said entity;
   f) Legal proceedings are pending before various Judicial Authorities seeking claims / compensations;
   g) Claims for default of requirements of various statutes, listing agreement / SEBI LODR have been made by the regulators / exchanges.

The above mentioned conditions cast significant doubt about the Group’s ability to continue as a going concern. The Group may be unable to discharge its liabilities in the normal course of business and adjustments may have to be made to reflect the situation that assets may need to be realized other than in the normal course of business and at amounts which could differ significantly from the amounts at which they are currently recorded in the balance sheet.

I) The holding company has considered closing rate for translation of assets and liabilities of foreign components and average of buying and selling rate of the last working day of the financial year for translation of items appearing in statement of profit and loss of foreign components, which is not in line with requirements of Ind AS 21.

J) In respect of the holding company:

   i) The Hon’ble NCLT pursuant to application filed under CIRP had passed order dated March 27, 2019 approving a plan for resolution of the holding company, which shall, amongst others, require giving effect to changes in the reported amount of assets and liabilities, the effect of which shall be taken in the books upon fulfilment of conditions precedent as per the plan. Accordingly, the consolidated financial results do not include any adjustment which may arise from giving effect to the approved plan. Further, the effect of the process of claims reconciliation has not been fully taken in the financial results, which have been further stated at Note No. 5 of the consolidated financial results. Due to these conditions at the date of this report, we are unable to ascertain the impacts of the same on the consolidated financial results.

   ii) During the year, upto December 2017 the company was using SAP and thereafter due to non-availability of access and other factors, the holding company has migrated the entire data from April 2017 on standalone Tally software. The same is not integrated with other modules such as Inventory, HR, Production, Sales etc. which is a serious control lapse in our view considering the size and nature of business of the holding company.

Further, the data have been migrated from SAP dump to Tally of which no independent migration / system audit have been carried out. In view of these control issues, we are unable to comment on the impact, if any, these may have on these consolidated financial results.

The approvals, process notes, authorisations etc. necessary in case of manual
processes are not fully available due to which we are unable to satisfy ourselves on
the existence, operativeness and effectiveness of internal controls in respect of
transaction / balances for and as on the period from 1 Apr 2017 to 4 Jul 2017 in
respect of the holding company. Impact of the same, if any, on the consolidated
financial results is not ascertainable.

iv) The percentage of vouchers / records available with the holding company w.r.t.
expenses (other than consumption of inventory, stores, purchases, HR related,
depreciation, provisions, interest) is around 20% only, most of which is related to pre-
CIRP period. We have selected our sample from these available vouchers and hence
are not able to comment on the remaining part. In view of these, we are unable to
comment on the impact, if any, on the consolidated financial results.

v) The financial statements and other details in respect of various subsidiaries,
associates and joint ventures of the company are not available due to which we are
unable to comment on the impact it may have on the carrying amount and the
impairment, if any, in respect of investments, advances, receivables and payable, the
requirement of provisioning for guarantees provided, disclosures for liabilities
crystalised or contingent.

vi) There are no inventory records / stock ledger (being part of books of accounts)
available to which we are unable to trace / reconcile the movement in the same
through purchase, sales, consumption etc. and comment on the provision, if any,
required based on the condition and usability of the stocks. Further, the physical
verification of inventories of holding company was not carried out during the year
under audit. In view of these, we are unable to comment on the impact, if any, on the
statement.

vii) In respect of its expenses:
   a) The details for cross checking the employee costs, such as employee wise HR
data, grade, scale, attendance records, payroll details etc. are not available
due to which we are unable to check the amount of Employee Costs debited
to statement of profit and loss for the year ended March 31, 2018 amounting
to Rs. 8,812 lacs.
Similarly, the details for Rs. 663 Lacs included in retainership charges are
not available due to which we are unable to verify the same.

   b) The details, break up, working papers in respect of most of the amount of
assets, liability income and expenses for the amount stated therein
pertaining to the period prior to the initiation of CIRP process are not
available and hence we are unable to comment in respect of such balances /
amounts appearing in the consolidated financial results.

   c) The basis for amortisation of finance cost amounting to Rs. 1,010 Lacs and
the underlying records / vouchers and supporting in respect of expenses
aggregating to Rs. 4,424 Lacs are not available due to which we are unable
to verify the same.

In view of these details not being available, we are unable to comment, of the impact
on the consolidated financial results.

viii) Statutory Dues / Compliances

   a) The working / reconciliation of returns filed for various statutory dues such
as Excise, VAT, GST, TDS, Service tax. EPF, EST etc. are not available due to
which we are unable to comment on the statutory compliances and whether
the amounts are in agreement with the books or not and the consequential
impact it may have on the consolidated financial results.

b) There has been regular default w.r.t. payment of interest to its lenders, payment of statutory dues to govt. authorities (GST, VAT, TDS, PF, ESI, Service Tax, Employee liabilities etc.), delay in worker dues etc., which may entail interest / penalty etc. which is not ascertainable and hence not provided for. Adhoc / partial provision in some identified cases for holding company have been made against the same.

Further, in respect of periodic returns of GST to be filed, the holding company is filing Nil returns in few cases instead of taking the actual figures of sales, purchase etc. and determining the amount of tax due and payable, which may invite penal consequences, impact whereof we are unable to comment.

c) Balances available with statutory authorities and input credits are subject to reconciliation, filing of return and admission by the respective statutory authorities and no provision has been made thus, we are unable to comment whether any provision for impairment in the value of such receivables is required. Further, in the absence of any details being available and/or being under reconciliation an amount of Rs.77.29 Crore being refund receivable have been expensed off. In the absence of sufficient details in respect of the same, we are unable to comment in respect of the same.

ix) Revenue & Contracts and Trade Receivables

a) In the absence of any documentary evidence from the parties / customers for the continuation of live contracts, we are unable to comment on the status of the contracts and adjustment, if any required for the same in the statement. Further, the details of work in progress with the age, stage of completion, acceptability to customers, progress billing etc. are not available due to which we are unable to comment on the requirements of provision, if any, for WIP.

b) No detailed workings are available for the calculation of liquidated damages contractually leviable for delay in completion of contracts and the costs for Defect Liability Period (DLP) which are contractually required to be incurred for specified periods. In the absence of such contract wise evaluation, we are unable to comment on the adequacy of adhoc provision of Rs. 1700 Lacs as at March 31, 2018 (including Rs. 100 Lacs created during the year);

c) During the year no provision has been made for loss on future cost to complete ongoing work-in-progress. No supporting working for such estimate of cost to completion was provided to us for our verification. In absence of sufficient appropriate audit evidence of provision of loss on future cost to complete work-in-progress, we are unable to comment, if any provision for loss on future cost is required for the completion of the contract.

x) Identified non compliances of Companies Act

We are unable to comment on the impact, if any, of these identified non-compliances of the provisions of Companies Act, 2013 on the consolidated financial results:

a) The Company has not appointed Internal Auditors as required by Section 138 of the Companies Act 2013;

b) The company has provided for an amount of Rs. 184.28 Lacs as at March 31, 2018 in respect to the interest payable to Micro and Small Enterprises for which no working are available;

b) Outstanding loans and advances to related parties including subsidiaries and joint ventures against which the aggregate amount receivable as on 31 Mar 2018 amounted to Rs. 344 Crore. In the absence of the documents pertaining to such advances, confirmation of balances, financial statements / other information of these companies and independent evaluation of recoverability of these amounts, we are unable to comment on the adequacy of the adhoc provision of Rs. 302 Crore made against such advances.

c) The basis / premise for determining the amount at which the transactions are being entered into with related parties till the period 4-July-2017 are not available and hence we are unable to comment on the reasonableness / genuineness of the same and the corresponding compliances of the Companies Act, 2013 in respect thereto.
