- *Tata Consultancy Services and Nationwide are Celebrating 10 Years of their Relationship*
- *TCS will Help the Building Society Transform its Operational Core and Build a Future-proof, Resilient Foundation*

**LONDON | MUMBAI, March 30, 2021:** Tata Consultancy Services (TCS) (BSE: 532540, NSE: TCS), a leading global IT services, consulting and business solutions organization, announced that it has renewed its strategic partnership and services footprint with Nationwide Building Society, the world's largest building society and one of the largest savings and mortgage providers in the UK, to help strengthen the latter's enterprise agility and operational resilience.

Over the past 10 years, TCS has been collaborating with Nationwide in the transformation of its core technology stack to help drive faster innovation, newer services, and superior experiences for its members. During the decade-long relationship with Nationwide, TCS has executed many successful programs including strategic initiatives such as regional brand integration, consolidation and simplification of its data centre operations and more lately has supported its resiliency agenda. Nationwide was also one of the early adopters of TCS' award-winning product ignio™ AIOps.

*"The new agreement reaffirms our confidence in the decade long partnership with TCS and we look forward to continuing to work together to deliver Nationwide's IT strategy," said Gary Delooze, Chief Information Officer, Nationwide Building Society. "Our continued technology investments will simplify our IT estate and create the platforms and services necessary to meet the future needs of our members.
