18. Solar Plant Sale
For the purpose of setting up the Solar Power plant, Company obtained ECB facility of USD 6.50 million from Axis Bank in 2011. The terms and conditions were reviewed/modified/renewed from time to time. Axis Bank had created charge on assets of Project (Power Plant), whose yearly revenue was in the range of INR 6-8 Crs, to secure due repayment of outstanding dues. Charge was created on all movable fixed assets installed and lying at the power plant and immovable property (Land).
Company committed default in payment of amount and as a result Company was classified as Non-Performing Asset (NPA) in the books of Bank from April 2018. Owing to continuous defaults, bank initiated legal action for recovery of its dues against Company and issued demand notice dated 15 January 2019 under SARFAESI Act calling upon the borrower to repay outstanding amount of INR 1,462.45 Lakhs as on 31st December 2018 within a period of 60 days.

Company could not repay the amount within 60 days of notice and hence Bank proceeded with the provisions of the act and put the secured assets for sale through E-Auction Notice dated 28 March 2019 at Reserve price of INR 1,710.00 Lakhs. It was based on the valuation report submitted by BKC Advisors Pvt Ltd. dated 22 March 2019 which gave the Fair Value of the entire Solar Assets at INR 1,962.17 Lakhs, Realisable value at INR 1,710.14 Lakhs and Distress Value at 1,534.11 Lakhs. E-Auction was conducted on the said date and assets were successfully sold at price of INR 1,715.00 Lakhs as against the book value of INR 3,424.10 Lakhs (Net of Creditors).

Since all assets and liabilities has been transferred in relation to Solar Power Plant, the sale is treated as Slump Sale as per provisions of Income Tax Act, 1961.

As per Ind AS 105, 'Non-current assets held for sale and discontinued operations'

A discontinued operation is a component of an entity that can be distinguished operationally and financially for financial reporting purposes from the rest of the entity and:
- Represents a separate major line of business or geographical area of operation
- Is part of a single coordinated plan to dispose of a separate major line of business or major geographical area of operation
- Is a subsidiary acquired exclusively with a view for resale

Though the plant is a component which can be distinguished separately for operation and financial purposes, the Solar Power Plant cannot be classified as major line of business because it is not a substantial component of the Profit and Loss statement of the Company. This can be further substantiated as the turnover from the Solar Power Plant for the year March 31, 2019 is INR 684.01 Lakhs which is less than 10% of the total turnover (INR 21,300.76 Lakhs) of the Company.

Since Solar Power Plant is not considered as discontinuing operation, disclosures pertaining to Ind AS 105 are not required.

The loss on sale of the Asset INR 1709.10 Lakhs has been shown as an exceptional item on the face of Profit and Loss statement.

26. **Going Concern:**
All the manufacturing activities of all the plants of the Company have been discontinued due to Non availability of funds. Also, since there has been no improvement in the position of the funds it casts material uncertainty about the functionality of all the plants soon.

All the above-mentioned conditions indicate the existence of material uncertainty that may cast significant doubt about the Company’s ability to continue as a going concern. However, the Statement of the Company have been prepared on a going concern basis on the below mentioned grounds:

a) The RP is working towards a workable resolution plan to resolve financial position with the lenders within the prescribed time limit and to continue its certain projects on subcontract basis to keep its PQ’s, capabilities and brand intact.

b) The Company has made every endeavour to protect and preserve the value of the property and initiate a resolution process by inviting prospective Resolution Applicants without much loss of time which will further enable the investors to start the company without major value deterioration.

INDEPENDENT AUDITORS' REVIEW REPORT ON STANDALONE UNAUDITED FINANCIAL RESULTS FOR QUARTER ENDED 30 JUNE 2019 OF EMCO LTD PURSUANT TO REGULATION 33 OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

To the Insolvency Professional
EMCO Ltd.

Introduction

1. We have reviewed the accompanying statement of standalone unaudited financial results of EMCO LTD ("the Company"), for the quarter ended 30 June 2019 ("the Statement"), being submitted by the Company pursuant to requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

2. The Honorable National Company Law Tribunal, Mumbai ("NCLT") on 22 July, 2019 admitted the Corporate Insolvency Resolution Process ("CIRP") application filed against the Company and appointed Mr. Kedaram Ramratan Laddhas the Interim Resolution Professional ("IRP") in terms of the Insolvency and Bankruptcy Code, 2016 ("the Code"). Further, the committee of creditors constituted during the CIRP in its first meeting held on 16 September 2019, has appointed Mr. Sundaresh Bhat as the RP to manage the affairs of the Company. In accordance with Section 22(b) of IBC, an application for confirmation of Mr. Sundaresh Bhat as the RP of Company was filed with the Hon'ble NCLT Mumbai. The Hon'ble NCLT Mumbai vide its order dated 14 October 2019 (written order made available on 11 November 2019) ('RP Confirmation Order'), confirmed the appointment of Mr. Sundaresh Bhat as the Resolution Professional of Company. In view of the pendency of the CIRP, the power and responsibilities of the Board of Directors shall vest with the RP under the provision of the Code.

3. This statement is the responsibility of the Company's Management and have been endorsed by the Chief Financial Officer, confirming that financial results do not contain any material misstatements and thereafter provided to the Resolution Professional for his signing on 05 August 2020 and for further filing with stock exchanges; has been prepared with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" – ("Ind AS 34") prescribed under section 133 of the Companies Act, 2013, read with relevant rules thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial results based on our review.

4. For the purpose of this review, we have relied upon the standalone financial results provided to us by the RP. It is noteworthy that the RP has inserted a note, as part of notes to accounts, set out in Note No. 8, as per which he has assumed that the data/ information provided by the officials of the Company and the records of the Company made available to him are in conformity with the applicable laws and present a true and fair view of the position of the Company and not personally verified such information; and that he should be absolved from the accuracy, veracity and sufficiency or completeness of information provided to him by the officials of the Company basis which the standalone financial results have been prepared. As per the said note, the RP has

signed the standalone unaudited financial results only to facilitate the CIRP process without any liability of the same. To the extent the RP has disclaimed his liability with respect to accuracy, veracity and sufficiency or completeness of information provided to him by the officials of the Company, the standalone unaudited financial results may suffer from issues of accuracy, veracity, sufficiency, completeness or reliability. [Relevant observations upon the extent of veracity of the unaudited quarterly standalone financial results have been made in the below paragraph 6 of this Section.]

Scope of Review

5. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Engagements to “Review of Interim Financial Information performed by Independent Auditor of the entity” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis for Qualified of Opinion

6. Inventory consisting of raw material, Work-in-process & stores, spares & packing materials of INR 10,384.21 Lakhs is stated at book value since the management is in the process of assessing the value of existing stock. In the absence of physical verification of stock and inadequate information of the realizable value of stock, we are unable to comment on the carrying value of inventory in the standalone unaudited financial results. Refer note No.20 of the standalone unaudited financial results.

Qualified Conclusion:

Based on our review conducted as above, except for the effects/possible effects of our observation stated in para 6 above (including the non-quantification for the reasons stated therein), nothing has come to our attention that causes us to believe that the standalone unaudited financial results prepared in all material respects in accordance with the applicable Indian Accounting Standards prescribed under section 133 of Companies Act 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 Of the SEBI (Listing and Obligations and Disclosure Requirements) Regulations, 2015, as amended, read with SEBI Circular No. CIR/CFD/CMD/44/2019 dated March 29, 2019.

18. Solar Plant Sale

For the purpose of setting up the Solar Power plant, Company obtained ECB facility of USD 6.50 million from Axis Bank in 2011. The terms and conditions were reviewed/modified/renewed from time to time. Axis Bank had created charge on assets of Project (Power Plant), whose yearly revenue was in the range of INR 6-8 Crs., to secure due repayment of outstanding dues. Charge was created on all movable fixed assets installed and lying at the power plant and immovable property (Land).

Company committed default in payment of amount and as a result Company was classified as Non-Performing Asset (NPA) in the books of Bank from April 2018. Owing to continuous defaults, bank initiated legal action for recovery of its dues against Company and issued demand notice dated 15 January 2019 under SARFAESI Act calling upon the borrower to repay outstanding amount of INR 1,462.45 Lakhs as on 31st December 2018 within a period of 60 days.

Company could not repay the amount within 60 days of notice and hence Bank proceeded with the provisions of the act and put the secured assets for sale through E-Auction Notice dated 28 March 2019 at Reserve price of INR 1,710.00 Lakhs. It was based on the valuation report submitted by BKC Advisors Pvt Ltd. dated 22nd March 2019 which gave the Fair Value of the entire plant at INR 1962.17 Lakhs, Realisable value at INR 1,710.14 Lakhs and Distress Value at 1,534.11 Lakhs. Since all assets and liabilities has been transferred in relation to Solar Power Plant, the sale is treated as Slump Sale as per provisions of Income Tax Act, 1961.

As per Ind AS 105, ‘Non-current assets held for sale and discontinued operations’

A discontinued operation is a component of an entity that can be distinguished operationally and financially for financial reporting purposes from the rest of the entity and:

- Represents a separate major line of business or geographical area of operation
- Is part of a single coordinated plan to dispose of a separate major line of business or major geographical area of operation
- Is a subsidiary acquired exclusively with a view for resale
Though the plant is a component which can be distinguished separately for operation and financial purposes, the Solar Power Plant cannot be classified as major line of business because it is not a substantial component of the Profit and Loss statement of the Company. This can be further substantiated as the turnover from the Solar Power Plant for the year March 31, 2019 is INR 684.01 Lakhs which is less than 10% of the total turnover (INR 21,300.76 Lakhs) of the Company.

Since Solar Power Plant is not considered as discontinuing operation, disclosures pertaining to Ind AS 105 are not required.

All the above-mentioned conditions indicate the existence of material uncertainty that may cast significant doubt about the Company’s ability to continue as a going concern. However,
the Statement of the Company have been prepared on a going concern basis on the below
mentioned grounds

a) The RP is working towards a workable resolution plan to resolve financial position with
the lenders within the prescribed time limit and to continue its certain projects on
subcontract basis to keep its PQ’s, capabilities and brand intact.

b) The Company has made every endeavour to protect and preserve the value of the
property and initiate a resolution process by inviting prospective Resolution applicants
without much loss of time which will further enable the investors to start the company
without major value deterioration.

INDEPENDENT AUDITORS’ REVIEW REPORT ON STANDALONE UNAUDITED FINANCIAL RESULTS FOR QUARTER AND PERIOD ENDED 30 SEPTEMBER 2019 OF EMCO LTD PURSUANT TO REGULATION 33 OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

To the Insolvency Professional
EMCO Ltd.

Introduction

1. We have reviewed the accompanying statement of standalone unaudited financial results of EMCO LTD ("the Company"), for the quarter and period ended 30 September 2019 ("the Statement"), being submitted by the Company pursuant to requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

2. The Honorable National Company Law Tribunal, Mumbai ("NCLT") on 22 July, 2019 admitted the Corporate Insolvency Resolution Process ("CIRP") application filed against the Company and appointed Mr. Kedarram Ramratan Laddhas the Interim Resolution Professional ("IRP") in terms of the Insolvency and Bankruptcy Code, 2016 ("the Code"). Further, the committee of creditors constituted during the CIRP in its first meeting held on 16 September 2019, has appointed Mr. Sundaresh Bhat as the RP to manage the affairs of the Company. In accordance with Section 22(b) of IBC, an application for confirmation of Mr. Sundaresh Bhat as the RP of Company was filed with the Hon'ble NCLT Mumbai. The Hon'ble NCLT Mumbai vide its order dated 14 October 2019 (written order made available on 11 November 2019) ("RP Confirmation Order"), confirmed the appointment of Mr. Sundaresh Bhat as the Resolution Professional of Company. In view, of the pendency of the CIRP, the power and responsibilities of the Board of Directors shall vest with the RP under the provision of the Code.

3. This statement is the responsibility of the Company’s Management and have been endorsed by the Chief Financial Officer, confirming that financial results do not contain any material misstatements and thereafter provided to the Resolution Professional for his signing on 05 August 2020 and for further filing with stock exchanges; has been prepared with the recognition and measurement principles laid down in the Indian Accounting Standard 34 “Interim Financial Reporting” – ("Ind AS 34") prescribed under section 133 of the Companies Act, 2013 read with relevant rules thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial results based on our review.

4. For the purpose of this review, we have relied upon the standalone financial results provided to us by the RP. It is noteworthy that the RP has inserted a note, as part of notes to accounts, set out in Note No. 8, as per which he has assumed that the data/information provided by the officials of the Company and the records of the Company made available to him are in conformity with the applicable laws and present a true and fair view of the position of the Company and has not personally verified such information; and that he should be absolved from the accuracy, veracity and sufficiency or completeness of information provided to him by the officials of the Company basis which the standalone financial results have been prepared. As per the said note, the RP has signed the standalone unaudited financial results only to facilitate the CIRP process without any liability of the same. To the extent the RP has disclaimed his liability with respect to accuracy, veracity and sufficiency or completeness of information provided to him by the officials of the
Company, the standalone unaudited financial results may suffer from issues of accuracy, veracity, sufficiency, completeness or reliability. [Relevant observations upon the extent of veracity of the Financial Results have been made in the below paragraphs 6 & 7.]

Scope of Review

5. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Engagements to "Review of Interim Financial Information performed by Independent Auditor of the entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis for Qualified Opinion

6. Statutory dues pertaining to employees and workmen other than those employees whose cost is treated as CIRP cost is not discharged by the company. Further the impact for such non-compliance in the form of interest and penalty is currently not quantified by the company and hence we are not able to comment on the financial implication of these delays in payment of statutory dues. Refer note No. 20 of the standalone unaudited financial results

7. Inventory consisting of raw material, Work-in-process & stores, spares & packing materials of INR 9,813.07 Lakhs is stated at book value since the management is in the process of assessing the value of existing stock. In the absence of physical verification of stock and inadequate information of the realizable value of stock we are unable to comment on the carrying value of inventory standalone unaudited financial results. Refer note No. 21 of the standalone unaudited financial results

Qualified Conclusion:
Based on our review conducted as above, except for the effects/possible effects of our observation stated in para 6 & 7 above (including the non-quantification for the reasons stated therein), nothing has come to our attention that causes us to believe that the standalone unaudited financial results prepared in all material respects in accordance with the applicable Indian Accounting Standards prescribed under section 133 of Companies Act 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing and Obligations and Disclosure Requirements) Regulations, 2015, as amended, read with SEBI Circular No. CIR/CFD/CMD/44/2019 dated March 29.2019.

20. Solar Plant Sale

For the purpose of setting up the Solar Power plant, Company obtained ECB facility of USD 6.50 million from Axis Bank in 2011. The terms and conditions were reviewed/modified/renewed from time to time. Axis Bank had created charge on assets of Project (Power Plant), whose yearly revenue was in the range of INR 6-8 Crs, to secure due repayment of outstanding dues. Charge was created on all movable fixed assets installed and lying at the power plant and immovable property (Land).
Company committed default in payment of amount and as a result Company was classified as Non-Performing Asset (NPA) in the books of Bank from April 2018.

Owing to continuous defaults, bank initiated legal action for recovery of its dues against Company and issued demand notice dated 15 January 2019 under SARFAESI Act calling upon the borrower to repay outstanding amount of INR 1,462.45 Lakhs as on 31st December 2018 within a period of 60 days.

Company could not repay the amount within 60 days of notice and hence Bank proceeded with the provisions of the act and put the secured assets for sale through E-Auction Notice dated 28 March 2019 at Reserve price of INR 1,710.00 Lakhs. It was based on the valuation report submitted by BKC Advisors Pvt Ltd. dated 22nd March 2019 which gave the Fair Value of the entire plant at INR 1,962.17 Lakhs, Realisable value at INR 1,710.14 Lakhs and Distress Value at 1,534.11 Lakhs. E-Auction date of assets was kept at 30 April 2019.

E-Auction was conducted on the said date and assets were successfully sold at price of INR 1,715.00 Lakhs as against the book value of INR 3,424.10 Lakhs (Net of Creditors).

Since all assets and liabilities has been transferred in relation to Solar Power Plant, the sale is treated as Slump Sale as per provisions of Income Tax Act, 1961.

As per Ind AS 105, ‘Non-current assets held for sale and discontinued operations’

A discontinued operation is a component of an entity that can be distinguished operationally and financially for financial reporting purposes from the rest of the entity and:
• Represents a separate major line of business or geographical area of operation
• Is part of a single coordinated plan to dispose of a separate major line of business or major geographical area of operation
• Is a subsidiary acquired exclusively with a view for resale

Though the plant is a component which can be distinguished separately for operation and financial purposes, the Solar Power Plant cannot be classified as major line of business because it is not a substantial component of the Profit and Loss statement of the Company. This can be further substantiated as the turnover from the Solar Power Plant for the year March 31, 2019 is INR 684.01 Lakhs which is less than 10% of the total turnover (INR 21,300.76 Lakhs) of the Company.

Since Solar Power Plant is not considered as discontinuing operation, disclosures pertaining to Ind AS 105 are not required.

To the Insolvency Professional
EMCO Ltd.

Introduction

1. We have reviewed the accompanying statement of standalone unaudited financial results of EMCO LTD ("the Company"), for the quarter and period ended December 31, 2019 ("the Statement"), being submitted by the Company pursuant to requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

2. The Honorable National Company Law Tribunal, Mumbai ("NCLT") on July 22, 2019 admitted the Corporate Insolvency Resolution Process ("CIRP") application filed against the Company and appointed Mr. Kedarram Ramratan Laddhas the Interim Resolution Professional ("IRP") in terms of the Insolvency and Bankruptcy Code, 2016 ("the Code"). Further, the committee of creditors constituted during the CIRP in its first meeting held on September 16, 2019, has appointed Mr. Sundaresh Bhat as the RP to manage the affairs of the Company. In accordance with Section 22(b) of IBC, an application for confirmation of Mr. Sundaresh Bhat as the RP of Company was filed with the Hon'ble NCLT Mumbai. The Hon'ble NCLT Mumbai vide its order dated 14 October 2019 (written order made available on 11 November 2019) ("RP Confirmation Order"), confirmed the appointment of Mr. Sundaresh Bhat as the Resolution Professional of Company. In view of the pendency of the CIRP, the power and responsibilities of the Board of Directors shall vest with the RP under the provision of the Code.

3. This statement is the responsibility of the Company’s Management and have been endorsed by the Chief Financial Officer, confirming that financial results do not contain any material misstatements and thereafter provided to the Resolution Professional for his signing on 05 August 2020 and for further filing with stock exchanges; has been prepared with the recognition and measurement principles laid down in the Indian Accounting Standard 34 “Interim Financial Reporting” ("Ind AS 34") prescribed under section 133 of the Companies Act, 2013 read with relevant rules thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on these financial results based on our review.

4. For the purpose of this review, we have relied upon the standalone financial results provided to us by the RP. It is noteworthy that the RP has inserted a note, as part of notes to accounts, set out in Note No. 8, as per which he has assumed that the data/information provided by the officials of the Company and the records of the Company made available to him are in conformity with the applicable laws and present a true and fair view of the position of the Company and has not personally verified such information; and that he should be absolved from the accuracy, veracity and sufficiency or completeness of information provided to him by the officials of the Company basis which the standalone financial results have been prepared. As per the said note, the RP has signed the standalone unaudited financial results only to facilitate the CIRP process without any liability of the same. To the extent the RP has disclaimed his liability with respect to accuracy, veracity and sufficiency or completeness of information provided to him by the officials of the Company, the standalone unaudited financial results may suffer from issues of accuracy, veracity, sufficiency, completeness or reliability. [Relevant observations upon the extent of veracity of the]
standalone unaudited financial results have been made in the below paragraphs 6 & 7 of this Section.

Scope of Review
5. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Engagements to “Review of Interim Financial Information performed by Independent Auditor of the entity” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis for Qualified Opinion
6. Statutory dues pertaining to employees and workmen other than those employees whose cost is treated as CIRP cost is not discharged by the company. Further the impact for such non-compliance in the form of interest and penalty is currently not quantified by the company and hence we are not able to comment on the financial implication of these delays in payment of statutory dues. Refer note No. 22 of the standalone unaudited financial results.

7. We have been appointed as the Statutory Auditors of the Company vide resolution dated 08 January 2020 of the Committee of Creditors ("COC") meeting and thus could not observe the counting of physical inventories during the quarter ended December 2019.

The management did not conduct physical verification of stock for few locations. The value of stock present at these locations as per the books of accounts is INR 424.70 Lakhs. This stock is currently carried at book value and necessary adjustments in relation to both quantity and valuation will be made at the year-end 31 March 2020, after conducting physical verification of the stock at respective locations.

Basis the physical verification conducted by the management for the stock of raw material, work in process, finished goods, stores, spares and packing material, an amount of Rs 7,697.28 has been written off on account of stock physically not present. The management is in the process of assessing the value of stock physically present and has not given any impact of decrease in valuation of existing stock in the standalone unaudited financial results. As a result we are unable to comment on carrying value of inventory in the standalone unaudited financial results. Refer note No. 23 of the standalone unaudited financial results.

Qualified Conclusion:
Based on our review conducted as above, except for the effects/possible effects of our observation stated in para 6 & 7 above (including the non-quantification for the reasons stated therein), nothing has come to our attention that causes us to believe that the standalone unaudited financial results prepared in all material respects in accordance with the applicable Indian Accounting Standards prescribed under section 133 of Companies Act 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies generally
accepted in India has not disclosed the information required to be disclosed in terms of Regulation 33 Of the SEBI (Listing and Obligations and Disclosure Requirements) Regulations, 2015, as amended, read with SEBI Circular No. CIR/CFD/CMD/44/2019 dated March 29, 2019.
