This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion. We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the subsidiaries, associates and a joint venture as given in Annexure I.

The financial information for the quarter does not include any adjustments that may have been required had the financial statements of 2019-20 been audited."
6. Based on our review conducted and procedures performed as stated in paragraph 3 above, and based on the consideration of review reports of other auditors as referred to in paragraph 9 below, except for the effects of the matters described in paragraph 5 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. We draw your attention to the note 4 of the Statement which describes that the Parent has been executing projects for M/s. Andhra Pradesh Power Generation Corporation Limited and M/s. Telangana Power Generation Corporation Limited as part of a consortium. The Parent took over the projects as consortium leader in 2014-15 and a corporate insolvency resolution process was ordered against the erstwhile consortium lead member M/s. Tecpro Systems Limited ('Tecpro') in 2017-18. The net receivable from these projects of Rs. 46,982 Lakhs, its status and process of recoverability is explained in the aforementioned note. Our conclusion is not modified in respect of this matter.

8. We draw your attention to note 5 of the Statement, wherein the Group has disclosed impact assessment due to COVID-19 pandemic. Such impact assessment done by the management of the Group is dependent on the circumstances as they evolve in subsequent periods. Our conclusion is not modified in respect of this matter.
