The Buyback is within 25% of the aggregate of paid-up capital and free reserves of the Company as per the standalone unaudited limited reviewed half year ended Financial Statements as at September 30, 2019 (the "Unaudited Limited Reviewed Financial Statements"). The Offer Size of the Buyback constitutes 19.30% of the aggregate of the paid-up equity share capital and free reserves of the Company, and represents 24.86% of the total issued and paid-up equity share capital of the Company.

Since the Buyback constitutes more than 10% of the total paid-up equity capital and free reserves of the Company, in terms of Section 68(2)(b) of the Act, it is necessary to obtain the consent of the shareholders of the Company, for the Buyback by way of a special resolution.    a) The Buyback is being done to return surplus funds, after taking into account the strategic and operational cash needs of the Company in the short to medium term;

   b) The Buyback may help in improving earnings per share, return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value;
c) The Buyback gives an option to the equity shareholders, who can either (i) choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback; or (ii) choose to not participate and enjoy a resultant increase in their percentage shareholding, post the Buyback, without additional investment;

d) The Buyback, which is being implemented through the Tender Offer as prescribed under the Buyback Regulations, would involve minimum reservation of 15% for Small Shareholders and allocation of higher number of shares as per their entitlement or 15% of the number of shares to be bought back, reserved for the Small Shareholders. The Company believes that this reservation for Small Shareholders would benefit a large number of public shareholders, who would get classified as Small Shareholder.

iv. Premium of 52.94% and 52.76 % over the volume weighted average market price of the Equity Shares on BSE and NSE, respectively, during the 60 trading days preceding the date of intimation to the Stock Exchanges of the date of the meeting of the Board of Directors wherein the proposal of Buyback was considered.

(e) **Maximum amount required under the Buyback and its percentage of the total paid up capital and free reserves**

The maximum amount required for Buyback will not exceed Rs. 21,08,00,000/- (Rupees Twenty One Crores Eight Lakhs only), excluding transaction costs viz. brokerage, applicable taxes inter alia including Buyback taxes, securities transaction tax, GST, stamp duty, expenses incurred or to be incurred for the Buyback like filing fees payable to the SEBI, advisors/legal fees, public announcement publication expenses, printing and dispatch expenses and other incidental and related expenses, etc.

The maximum amount mentioned aforesaid is 19.30% of the aggregate of the fully paid-up equity share capital and free reserves as per the Unaudited Limited Reviewed Financial Statement of the Company as at September 30, 2019, which is within the prescribed limit of 25%.

The funds for the implementation of the proposed Buyback will be sourced out of the free reserves of the Company or such other source as may be permitted by the Buyback Regulations or the Companies Act. The funds borrowed if any shall not be utilized for the purpose of Buyback. The Company shall transfer from its
free reserves, a sum equal to the nominal value of the Equity Shares so bought back to the Capital Redemption Reserve Account and details of such transfer shall be disclosed in its subsequent audited Financial Statements.

(f) Method to be adopted for the Buyback

The Buyback shall be on a proportionate basis through the tender offer route, as prescribed under the Buyback Regulations, to the extent permissible, and the “Mechanism for acquisition of shares through Stock Exchanges” as prescribed under the SEBI Circular. The Buyback will be implemented in accordance with the Act, Rules, to the extent applicable, the Buyback Regulations and on such terms and conditions as may be deemed fit by the Company.

As required under the Buyback Regulations, the Company will announce a record date for the Buyback for determining the names of the shareholders holding Equity Shares of the Company who will be eligible to participate in the Buyback (“Eligible Shareholder(s)”). Subject to the approval of the special resolution under this Postal Ballot Notice and subject to SEBI’s comments on the draft letter of offer, Eligible Shareholders will receive a letter of offer along with a tender/offer form indicating their entitlement.

The Equity Shares to be bought back is divided in two categories:
(i) Reserved category for small shareholders; and
(ii) General category for all other shareholders.

As defined in Regulation 2(i)(n) of the Buyback Regulations, a “small shareholder” is a shareholder who holds equity shares having market value, on the basis of closing price on Stock Exchange having highest trading volume as on record date, of not more than Rs. 2,00,000/- (Rupees Two Lakhs only).

In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to Buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the record date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.

Based on the holding on the record date, the Company will determine the entitlement of each Eligible Shareholder to tender their shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder as on the record date and the ratio of the Buyback applicable in the category to which such shareholder belongs. In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company will club together the equity shares held by such shareholders with a common Permanent Account Number (PAN) for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the equity shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these equity shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar and Transfer Agent as per the shareholder records received from the Depositories.

Shareholders’ participation in Buyback will be voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate.

Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding equity shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the shareholder as on the record date.

The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. The settlement of the tenders under the Buyback will be done using the “Mechanism for acquisition of shares through Stock Exchange” notified under the SEBI Circular.
As per the proviso to regulation 40(1) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (notified by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018), effective from April 1, 2019, transfers of securities of the Company shall not be processed unless the securities are held in the dematerialized form with a depository. Accordingly, the Company will not be able to accept Equity Shares tendered in physical form in the Buyback. Shareholders are advised to approach the concerned depository participant to have their Equity Shares dematerialized before tendering their Equity Shares in the Buyback.

Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the letter of offer to be sent to the Eligible Shareholder(s).

(g) **Time limit for completing the Buyback**

Subject to receipt of regulatory consents and approvals, if any, the Buyback is proposed to be completed within One year from the date of passing of special resolution detailed in this Postal Ballot Notice.

(h) **Compliance with Section 68(2)(c) of the Act**

The aggregate paid-up share capital and free reserves as per the Unaudited Limited Reviewed Financial Statement of the Company as at September 30, 2019 is Rs. 10925.16 Lakhs. Under the provisions of the Act, the funds deployed for the Buyback cannot exceed 25% of the aggregate of the fully paid-up share capital and free reserves of the Company i.e., is Rs. 2731.29 Lakhs.
