The Operations were shutdown / minimized at places as per the Governments Directions / Notifications. Thermal scanning to the Employees, Social distancing and sanitization of Hands and wearing masks by all Employees in all the divisions of the Plants and Offices are strictly adhered to.

The Company has adopted a ‘work from home‘ policy for employees wherever feasible and ensured smooth transition to new style of functioning, thereby the business operations of the Company continued uninterruptedly. II. Estimation of the future impact of CoVID-19 on the operations:
