**PRESS RELEASE**

New Delhi, August 24

**TOLL COLLECTIONS ON HIGHWAYS**

Highways in the north and east region continue to do very well and the toll revenue of the AICHL during the month of July 2023, registered a growth of 12% compared to July 2022.

The toll revenue collected during the month of July 2023 was Rs. 1,573.74 crore, an increase of 12% over the corresponding month in the previous year.

The increase in toll revenue was primarily due to the increased traffic on highways in the north and east regions of the country, which contribute significantly to the overall toll revenue of the AICHL.

The AICHL has been successful in implementing innovative toll collection technologies, such as the U-Toll system, which has helped in reducing the time taken to collect tolls and improving efficiency.

**TOLL REVENUE GROWTH**

The overall toll revenue for the year to date (YTD) January-July 2023 has shown a growth of 8.1% compared to the same period in the previous year.

The AICHL is committed to providing high-quality road infrastructure and ensuring efficient toll collection to support the needs of the transportation sector.

**Sonia to remain interim president, AICC meet in 4-6 months to elect new chief**

The Congress party has decided to continue with Sonia Gandhi as the interim president of the All India Congress Committee (AICC) for another four to six months. The decision was taken during a meeting of the Congress Working Committee (CWC) held in New Delhi on August 24.

The CWC meeting, held in the wake of the recent defeats in state elections, discussed the need for a new President to lead the party. Sonia Gandhi, who has been the interim president since the death of her father, Rahul Gandhi, was re-elected unopposed for another term.

Sonia Gandhi has been the interim president of the Congress since the death of her father, who had also served in the same role before stepping down.

The decision to extend Sonia Gandhi’s term was taken to ensure continuity and stability within the party. The Congress has been facing a series of setbacks in recent elections, and the leadership is looking to consolidate its position before the next general elections in 2023.

The report by Icra values the toll collections on highways at Rs. 233.84 billion in July 2023, compared to Rs. 212.84 billion in July 2022.

**Tax non-virginia tobacco to earn Rs. 46k cr revenue: NGO to Centre**

NGO to Centre

The NGO has written to the Centre to impose a 25% excise duty on tobacco products other than virginia tobacco to earn Rs. 46,000 crore annually.

The NGO, which represents the interests of tobacco farmers, has already written to the Union finance minister Nirmala Sitharaman to impose a 25% excise duty on non-virginia tobacco to recover the tax revenue lost due to the Excise Duty abolition of tobacco products.

The NGO argues that the abolition of the Excise Duty on tobacco products has led to a decline in the tax revenue and has also had a negative impact on the livelihoods of the tobacco farmers.

The NGO has calculated that a 25% excise duty on non-virginia tobacco would generate Rs. 46,000 crore annually, which would help in addressing the revenue loss and supporting the tobacco farmers.
