# NOTES :

- 1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated May 5, 2020 read with circulars dated April 8, 2020, April 13, 2020 and January 13, 2021 (collectively referred to as MCA Circulars) and Securities and Exchange Board of India has vide its Circular dated 12<sup>th</sup> May 2020 and 15<sup>th</sup> January 2021permitted the holding of the Annual General Meeting (AGM) through Video Conferencing (VC) / Other Audio Video Means (OAVM) without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and MCA Circulars, the 31<sup>st</sup> Annual General Meeting of the Company is being conducted through VC / OAVM. The venue of the meeting shall be deemed to be the registered office of the Company. Since this AGM is being held through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
- 2. Corporate Members are requested to send a scanned copy of duly certified board resolution authorizing their representative to attend the 31<sup>st</sup> Annual General Meeting through VC / OVAM on its behalf and to vote through remote e-voting at scrutinizer@bdhind.com with a copy marked to evoting@nsdl.co.in at least 48 hours before the commencement of the 31<sup>st</sup> Annual General Meeting.
- 3. The Register of Members and Share Transfer Books of the Company will remain closed from Thursday, 19<sup>th</sup> August 2021 to Wednesday, 25<sup>th</sup> August 2021 (both days inclusive).
- 4. The dividend, if declared at the 31<sup>st</sup> AGM, will be paid to those members whose names appear in the Register of Members on Wednesday, 25<sup>th</sup> August 2021 and to those beneficial owners whose names are provided by National Securities Depository Limited (NSDL) and Central Depository (India) Limited (CDSL) as at the close of business hours on Wednesday 18<sup>th</sup> August 2021 subject to deduction of tax at source as applicable.
- 5. Ms. Karthika Nair, (DIN 00019695) Director retires by rotation at the ensuing Annual General Meeting and being eligible offers herself for re-appointment. Her qualifications are M.Sc and MMS (Marketing) from University of Mumbai. She has been director of the Company since 1999. She is not a Director of any other Company. She is daughter of Ms. Jayashree Nair. The details of the membership of committees of the Board and shareholding are mentioned in Corporate Governance Report.
- 6. The Explanatory Statement pursuant to Section 102 of the Companies Act 2013 setting out material facts relating to the business stated under Item no. 4, 5 and 6 is annexed hereto.
- 7. Members are requested to:-

# EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT 2013

#### Item no. 4

The Board of Directors on the recommendation of the Audit Committee have appointed M/s. Krishna S & Associates, Cost Accountants (Firm Registration No. 100939) as the Cost Auditors for auditing cost records of the Company for the financial year ending 31<sup>st</sup> March 2022. As per Rule 14 of the Companies (Audit and Auditors) Rules 2014, the remuneration payable to the Cost Auditors is to be ratified by the shareholders. The Board has decided the remuneration payable to M/s. Krishna S. & Associates, Cost Auditors as mentioned in the resolution on the recommendation of the Audit Committee. Hence this resolution is put for the consideration of the shareholders. None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No.4. The Board of Directors accordingly recommend the ordinary resolution set out at Item No. 4 of the accompanying Notice for the approval of the members of the Company.

#### Item no. 5

The Board of Directors at their meeting held on 28<sup>th</sup> June, 2021, discussed on the treatment of forfeited shares lying with the Company. In the past, the Board had forfeited 3,64,200 shares of face value of Rs. 10/- each due to non-payment of call money of Rs.5/- each by the shareholders. While showing details of the equity share capital in the Balance Sheet, the details of forfeited shares also needs to be shown till the time these shares are either re-issued or cancelled. Considering small quantum of the shares, it is proposed to cancel these shares. Further, pursuant to Section 61(1) (e) of the Companies Act, 2013, a limited company having a share capital may, if so authorised by its articles of association in its general meeting cancel shares which, at the date of the passing of the resolution in that behalf, have not been taken or agreed to be taken by any person, and diminish the amount of its issued share capital by the amount of the shares so cancelled. Accordingly, the approval of the Members is sought for passing an Ordinary Resolution as set out at Item No. 5 of the Notice for cancellation of equity shares forfeited by the Company. None of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the Resolution set out at Item No. 5. The Board of Directors accordingly recommend the ordinary resolution set out at Item No. 5 of the accompanying Notice for approval of the Members of the Company.

#### Item no. 6

As per the provision of Section 20 of the Companies Act 2013, a Company may serve documents on its Members by post or by registered post or by speed post or by courier or such electronic mode as may be prescribed. Further a member may request the delivery of document through any other mode by paying such fees as may be determined by the Members in the Annual General Meeting. Accordingly the approval of Members is sought by way of a special resolution as set out in item no 6 of the Notice for charging from the Members such fees in advance equivalent to estimated actual expenses of delivery of documents including handling charges, service charges etc. pursuant to any request made by any Member for delivery of such documents through a particular mode of service mentioned above, provided that such request alongwith requisite fees has been duly received by the Company at least 10 (Ten) days in advance of dispatch of document by the Company to Members.None of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in the resolution set out at item no. 6 of the approval of the members of the Company.

#### MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Developments - The financial year 2020-21 was a challenging one with COVID 19 pandemic disrupting the lives and economies across the world. It has also put a tremendous burden on the healthcare infrastructure which is crucial for saving lives and reducing the impact of the pandemic. Though the accumulating human toll continues to raise concerns, the growing vaccine coverage is lifting sentiments. As per IMF, the global economy contracted by 3.3% in 2020 and now expected to grow by 6% in 2021 largely due to successful roll-out of vaccines helped by policy support. The Pharmaceutical industry is one of the significant contributors to world economy. Its importance has grown beyond its contribution to the impact it has on the world economy amidst ongoing COVID 19 pandemic. The Governmentof India continued its investment in Ayushman Bharat- National Health Protection Mission covering over 50 crores beneficiaries for easy access to free vaccination of eligible citizens and free testing & treatment of COVID19 patients at hospitals empanelled under Pradhan Mantri Jan ArogyaYojana. The Government of India under Pradhan Mantri Janaushadi Pariyojana provides quality generic medicines at affordable prices to all through Janaushadhi Kendras reducing the out of pocket expenses in healthcare. The Government of India is promoting domestic manufacturing of bulk drugs and medical devices parks in the country under its Make in India initiative to reduce import dependence, easy access to standard testing facilities, reduce cost of production for affordability and value addition in domestic medical device industry. The revision of the National List of Essential Medicines (NLEM) has gained importance inlight of fast changing concepts in medicine, treatment regimens, introduction of new technologies and innovationsin drug delivery systems and formulations to address the better management of medicines, better quality of medical care, safety, cost effectiveness and consideration of diseases as public health problems in India. Additionally new regulations like the Personal Data Protection Bill 2019 and E-Pharmacy Rules are expected to be introduced in the current financial year.

**Outlook** – Indian Pharmaceutical Industry is 3<sup>rd</sup> largest by volume and 14<sup>th</sup> largest by value in the world. The financial year 2020-21 started with pandemic and its impact was maximum during initial months due to lockdowns imposed restricting movement of people and goods. There was disruption in the supply chains and international trade with more than 100 countries closing borders to contain COVID 19. The pharmaceutical business is directly confronted to work on regulatory challenges, reduce dependency on one region or country for input raw materials, de-risk the product by developing capabilities to manufacture the product at different locations, strengthen response on costs and adapt to the operational challenges to manage the volatility in the external environment amidst of COVID 19 pandemic. Indian Pharmaceutical companies are working with the Government for accelerating development and production of the vaccines and drugs for treating the COVID19. The Indian Pharmaceutical industry exhibited a strong growth trajectory over the years and enjoys an important position in global pharmaceutical arena. The Indian Pharmaceutical industry includes a network of almost 3000 companies and approximately 10500 manufacturing units having world class capabilities in the formulation development and vision to establish India's footprint in international markets. It has contributed significantly to global healthcare by ensuring quality, accessible and affordable medicines around the globe. India continues to be the largest provider of vaccines and generic drugs globally. Increasing per capita income, growing penetration of health insurance, government thrust on improving penetration of modern and cost effective medicines into rural areas and accelerating access of pharmaceutical products to the poor and low-income sections of population, increased incidence of chronic ailments due to changing lifestyle, longer life expectancy and improvement in healthcare awareness are the growth enablers for the Indian pharmaceutical industry. India has a large pool of scientists and engineers having potential to steer the pharmaceutical industry to greater heights. With the varied range of medicines available for exports, largest number of approved manufacturing facilities, improvement in medical infrastructure and jump inpenetration of health insurance in the country, the long term outlook for Indian pharmaceutical industry remains largely positive subject to prevailing uncertainty in spread of COVID19 and its new strains prolonging the pandemic in India.

**Opportunities, Risks and Concerns** – The COVID 19 pandemic extending into second year has redefined the conventional way of business in view of emergence of new variants of COVID 19, increasing trend of infections, interruptions by intermittent lockdowns, travel restrictions which disrupt the return to normalcy, growth plans and revenues. Future development will depend upon the path of the health crisis including whether the new COVID 19 strains prove susceptible to vaccines or they prolong the pandemic, the effectiveness of policy actions to limit persistent economic damage, the evolution of financial conditions and commodity prices and the adjustment capacity of the economy. In February 2021 the Government approved Production Linked Incentive (PLI) Scheme for pharmaceutical sector over a period of FY 2020-21 to FY 2028-29. This Scheme is expected to attract investments, enhance domestic manufacturing capabilities, create employment and contribute to the availability of wider range of affordable medicines for consumers. Under Atmanirbhar Bharat 3.0 Mission COVID Suraksha was announced by the Government of India and implemented by Department of Biotechnology - Government of India to accelerate the

development and production of Indigenous COVID Vaccines. The Government is also promoting wide use and distribution of generic drugs to reduce costs and bring down healthcare expenses through various initiatives. Speedy introduction of generic drugs into the market has remained in focus and is expected to benefit the Indian pharmaceutical companies. Indian pharmaceutical companies are focusing on global generic and API business, R&D activities, contract research and manufacturing alliances. The emerging new variants of viruses, drug resistant infections, specialty medicines, biological agents, immune therapies etc. has spurred R&D activities providing the industry with more products in their drug pipeline with revenue and growth streams. The Indian pharmaceutical industry is strengthened by low cost of manufacturing and high process knowledge skills to grab larger share of global pharmaceutical market. India has emerged as a preferred pharmaceuticals manufacturing location. The continuity of COVID 19 pandemic has made the year ahead once again challenging and require cautious approach on costs. During the year, there was no change in the nature of Company's business.

**Financial Performance and Operations Review -** During the financial year under report the Company registered a total income of Rs. 5875.47 lakhs as against Rs. 6027.29 Lakhs registering a reduction of 3.40% over previous year. Export Sales in the financial year 2020-21 are Rs. 3188.46 lakhs as compared to Rs. 3167.07 lakhs in the financial year 2019-20. In the financial year 2020-21 the Company achieved Domestic Sales of Rs. 2687.01 lakhs as compared to Rs. 2860.22 lakhs in financial year 2019-20. The operations have resulted in a net profit of Rs. 635.94 lakhs during the year under report as against Rs. 594.24 lakhs registering a growth of 7% over the previous financial year.

#### INDEPENDENT AUDITOR'S REPORT

## To the Members of **BDH INDUSTRIES LIMITED**

#### **REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS**

#### Opinion

We have audited the accompanying standalone financial statements of BDH INDUSTRIES LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity, Statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting Standards prescribed under section 133 of the Act read with companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key Audit matters to be communicated in our report.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the management discussion and analysis Board's Report, Report on Corporate governance but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated, if based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and

cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS and relevant provisions of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

- 1. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
- 2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :
  - Identify and assess the risks of material misstatement of the Standalone financial statements, whether due
    to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence
    that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
    misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,
    forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 3. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 4. We also provide those charged with governance with a statement that we have complied with relevant ethical

44

**BDH INDUSTRIES LTD.** 

requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

5. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

- 1 As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, The Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid Standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with relevant rules issued thereunder and relevant provisions of the Act.
  - e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements Refer Note 25(ix)(ii) to the financial statements.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- 3 In respect of companies where managerial remuneration is within limit :

With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V of the Act.

#### "ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT

## Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of BDH Industries Limited ("the Company") as of March 31st, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of

48

collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### A) CORPORATE INFORMATION

BDH INDUSTRIES LIMITED (CIN L24100MH1990PLC059299) is a public limited company, incorporated in 1990 under the Companies Act, 1956 having its registered office in Mumbai. The company is engaged in manufacturing of therapeutic formulations covering wide range of pharmaceuticals. Its shares are listed on the Bombay Stock Exchange. The company caters to both domestic as well as international market.

#### Authorisation of Standalone Financial Statements

The Standalone financial statements were authorised for issue in accordance with a resolution of the Director on June 28, 2021.

#### B) BASIS OF PREPARATION

#### a) Statement of Compliance

The standalone financial statements comply in all material aspects with Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 ("the Act"), the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The financial statements have been prepared on historical cost basis, except for the following :

- i) certain financial assets and liabilities are measured at fair value; and
- ii) defined benefit plans plan assets measured at fair value

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

#### b) Use of Judgments, Estimates and Assumption

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of circumstances surrounding the estimates. Changes in estimates are reflected in the financial statement in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

The financial statements require management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosures of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

#### i) Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

#### ii) Defined benefit plans (Gratuity benefits)

The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future.

These interalia include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

#### iii) Useful lives of Property, Plant and Equipment

The company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

#### iv) Impairment of Property, Plant and Equipment

For property, plant and equipment, an assessment is made at each reporting date to determine whether there is an indication that the carrying amount may not be recoverable or previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised.

#### v) Inventories

The Company estimates the net realisable value (NRV) of its inventories by taking into account estimated selling price, estimated cost of completion, estimated costs necessary to make the sale, obsolescence considering the past trend. Inventories are written down to NRV where such NRV is lower than their cost.

#### vi) Recognition and measurement of other Provisions

The recognition and measurement of other provisions is based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the closing date. The actual outflow of resources at a future date may therefore, vary from the amount included in other provisions.

#### C) SIGNIFICANT ACCOUNTING POLICIES

#### I) Current and non-current classification

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is current when :

- It is expected to be realised or intended to be sold or consumed in normal operating cycle, or
- It is held primarily for the purpose of trading, or
- It is expected to be realised within twelve months after the reporting period, or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when :

- It is expected to be settled in normal operating cycle, or
- It is held primarily for the purpose of trading, or
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

#### II) PROPERTY, PLANT AND EQUIPMENT

- i) Land is carried at historical cost. All other items of Property, Plant and Equipment are stated at historical cost less depreciation. Cost of acquisition comprises its purchase price including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use; any trade discount and rebates are deducted in arriving at the purchase price.
- ii) Capital Work In Progress represents expenditure incurred on capital assets that are under construction or are pending capitalisation and includes project expenses pending allocation. Project expenses pending allocation are apportioned to the Property, Plant and Equipment of the project proportionately on capitalisation.
- iii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
- iv) The residual useful life of Property, Plant & Equipment is reviewed at each balance sheet date and adjusted if required in the depreciation rates.
- v) Depreciation on all assets of the Company is charged on Straight Line Method over the useful life of the assets mentioned in Schedule II to the Companies Act, 2013.
- vi) No Depreciation is provided on followings :
  - i) Windmills for Renewable Energy

The above asset is yet to be put to use for commercial purposes.

#### **III) IMPAIRMENT LOSS**

On an annual basis the Company makes an assessment of any indicator that may lead to impairment of assets. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. The recoverable amount is higher of an asset's net selling price and value in use. Value is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

#### **IV) INVENTORIES**

#### i) RAW MATERIAL

Raw Materials are valued at lower of cost or net realizable value. Cost is determined on First In First Out basis.

#### ii) PACKING MATERIAL

Packing Materials are valued at lower of cost or net realizable value. Cost is determined on First In First Out basis.

#### iii) WORK IN PROCESS

Work in Process are valued at cost. The cost of Stock-in-process comprises of cost of purchases, cost of conversion and other cost incurred in bringing the inventories to it's present location and condition.

#### iv) FINISHED GOODS

Finished Goods are valued at lower of cost or net realizable value. The cost of Finished Goods comprises of cost of purchases, cost of conversion and other cost incurred in bringing the inventories to it's present location and condition.Net realisable value is the estimate of the selling price in ordinary course of business as applicable.

#### V) EMPLOYEE BENEFITS

#### i) Short Term Employee Benefits

All employee benefits payable wholly within twelve months of rendering the services are classified as short term employee benefits. Benefits such as salaries, wages, bonus, compensated absences, exgratia, leave encashment and leave travel allowance is recognised in the period in which the employees renders related services.

#### ii) Long Term Employee Benefits

#### 1 Defined Contribution Plan

The Company's contribution to Provident Fund Scheme, Employee's State Insurance Scheme are considered as defined contribution plans and are recognised as an expense to the statement of profit and loss, based on the amount of contribution required to be made and when services are rendered by employees.

#### 2 Defined Benefit Plan

The Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees. The Gratuity Plan provides a lumpsum payment to vested employees at retirement, death, or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company.

Liabilities with regard to Gratuity Plan are determined by actuarial valuation, performed at each balance sheet date using the Projected Unit Credit Method.

The Company contributes ascertained liabilities to the BDH Industries Limited Employees' Group Gratuity Cash Accumulation Scheme (the Trust). Trustees administer contributions made to the Trust and contributions are invested in a scheme with Life Insurance Corporation of India as permitted by laws of India.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

The retirement benefit obligations recognised in the balance sheet represents the present value of the defined benefit obligations reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme. The company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Actuarial gains and losses are recognised in full in the other comprehensive income for the period in which they occur. The effect of any plan amendments are recognized in the statement of profit and loss.

#### 3 Compensated absences

The Company has a policy on compensated absences which are both accumulating and nonaccumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using Projected Unit Credit method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on nonaccumulating compensated absences is recognized in the period in which the absences occur.

#### 4 Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of ex-gratia, bonus and performance incentive are recognised in the period in which the employee

renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

#### VI) FOREIGN CURRENCY TRANSACTIONS

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees.

Transactions denominated in foreign currency are recorded at the exchange rate on the date of transaction. The exchange gain/loss on settlement/negotiation during year is recognised in the Statement of Profit and Loss. Foreign currency monetary transactions remaining unsettled at the end of the year are converted at year-end rates. The resultant gain or loss is accounted for in the Statement of Profit and Loss.

#### **VII) REVENUE RECOGNITION**

- i) The Company derives revenues primarily from sale of products and services.
- ii) Revenue from sale of product is recognized on transfer of all significant risk and rewards of ownership of the products on to the customers, which is generally after dispatch of goods and the Company presents revenues net of GST in its statement of profit and loss.
- iii) Revenue from service is recognised as and when services are rendered and related costs are incurred.
- iv) Interest income is recognised on time proportion method basis taking into account the amounts outstanding and the rate applicable.
- v) In case of export benefits which are in the nature of neutralisation of duties and taxes are grouped under material costs. All other export incentives are grouped under other operating revenue.

#### **VIII) RESEARCH & DEVELOPMENT**

Revenue expenditure on research and development is charged to Statement of Profit and Loss in the year in which it is incurred. Capital expenditure on research and development is considered as an addition to property, plant and equipment.

#### IX) TAXATION

#### i) CURRENT TAX

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company and its subsidiaries and associates operate and generate taxable income. Management periodically evaluates position taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

#### ii) DEFERRED TAX

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

For items recognised in OCI or equity, deferred / current tax is also recognised in OCI or equity.

58)

#### X) CASH AND CASH EQUIVALENTS

Cash and Cash Equivalents includes Cash in hand, deposits with bank and interest accrued thereon.

#### XI) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

#### Provision

A Provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

#### Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

#### **Contingent assets**

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

#### XII) EARNINGS PER SHARE

Earnings per share is calculated by dividing the net profit or loss before OCI for the year by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

#### XIII) DIVIDEND

Dividend distribution (including Dividend Distribution Tax thereon relating to earlier year) to the Company's equity holders is recognized as a liability in the Company's annual accounts in the year in which the dividends are approved by the Company's equity holders.

#### x) Capital Management

For the purpose of the Company's capital management, capital includes paid-up equity share capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximize the shareholders value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust its dividend payment ratio to shareholders, return capital to shareholders or issue fresh shares. The

Company monitors capital using a gearing ratio, which is net debt divided by its total capital. The Company includes within its net debt the interest bearing loans and borrowings, trade and other payables less cash and cash equivalents.

Particulars	2020-21	2019-20
Borrowings	850.71	922.36
Trade payables	1744.20	1561.47
Other payables	137.01	152.34
Less: Cash and cash Equivalents (C&CE)	2262.30	2298.88
Net debt	469.62	337.29
Total Equity	4306.89	3823.91
Capital and Net Debt Gearing Ratio	10.90%	8.82%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets the financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the lending institutions to immediately call back the loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing the capital during the years ended March 31, 2021 and March 31, 2020.

#### xi) Impact of Covid - 19 (Global Pandemic)

The Company has taken into account all the possible impacts of COVID-19 in preparation of these standalone financial statements. The Company has considered the possible effects on the carrying amounts of property, plant and equipment, inventories, receivables and other current assets. Based on internal and external sources of information and economic forecasts, the Company expects the carrying amount of these assets will be recovered and will continue to have sufficient liquidity to fund its business operations and expansions.

## xii) Previous years figures have been regrouped / reclassified wherever necessary to correspond with the current years classification disclosure.
