FROM THE DESK OF MANAGING DIRECTOR

Dear Shareholders,

It gives me immense pleasure to share with you the Financial Results of the Company for the financial year 2020-2021. As I write to you, life and lifestyle across the world are undergoing a radical change. We are in the midst of very uncertain times due to the spread of COVID-19 in India and across the world. I hope that each one of you and your family members are safe and continue to adhere to the various guidelines and take all necessary precautions. The Coronavirus pandemic hasn't ended yet; these are difficult times and we must prepare to embrace the radical changes in our lives and the way we work. The impact of COVID-19 pandemic on both the global and domestic economies has been unprecedented and largely disruptive. The overall business environment remained muted with demand slackening in almost all sectors.

Financial markets also went through extreme volatility owing to stringent lockdowns. However, the second half of the year saw a quicker and remarkable recovery due to unlocking of restrictions, pick-up in economic activity, favorable government reforms, and mass disbursement of vaccines to halt the spread of the virus. Financial markets soared to all-time highs, reflecting improvement in investor sentiment.

As the pandemic spread, our topmost priority was to ensure the safety of our employees and facilitating uninterrupted services and support to our customers.

The year gone by threw the world in a devastating second wave of the novel COVID-19 virus, threatening all that was taken for granted - mobility, safety, and a normal life itself. Governments and central banks across the world deployed a range of policy tools to support their economies such as lowering key policy rates; monetary policy easing measures; cash transfers and fiscal stimulus measures. The recent uptick in macroeconomic landscape has brightened the outlook along with massive vaccination drives in India. Robust recovery in the services sector as well as rebound in consumption and investment demand are expected to support the growth estimates.

It is no denying that the current crisis is something we have not witnessed in a century. However, we would like to believe the answer lies in staying strong and doing the right things. We believe in the possibilities of what a team of passionate employees can deliver for the Company. We believe in the possibilities of what a strong organization supported by investors with long term outlook can achieve. We believe in possibilities of what an organization which understands their needs and supports can achieve. Therefore, I would like to express my gratitude to all our stakeholders on behalf of the Company for their dedication, hard work and continuing faith in Neil Industries Limited.

I solicit your continued cooperation.

With warm regards,
Yours sincerely,

SD/-

MANAGEMENT DISCUSSION & ANALYSIS

ECONOMIC CONDITION

Just a year ago when the World Health Organization (WHO) declared COVID-19 a pandemic and India imposed a strict lockdown in March, a deep despondency and risk psychosis became pervasive. Since then, lives have been lost, surviving life has been disrupted and lifestyles have been fundamentally altered. In 2020-21, it cumulated to 15.7 per cent of GDP, including liquidity and other measures taken by the Reserve Bank of India (RBI).

Although the global economy is emerging from the collapse triggered by the pandemic, the recovery is projected to be subdued. The pandemic has exacerbated the risk associated with a decade-long wave of global debt accumulation. Debt levels have reached historic highs, making the global economy particularly vulnerable to financial market stress. The pandemic is likely to steepen the long-expected slowdown in potential growth over the next decade, undermining prospects for poverty reduction. The heightened level of uncertainty around the global outlook highlights policy maker's role in raising the likelihood of better growth outcomes while warding off worse ones. Limiting the spread of the virus, providing relief for vulnerable populations and overcoming vaccine-related challenges are key immediate priorities. As the crisis abates, policy makers need to balance the risks from large and growing debt loads with those from slowing the economy through premature fiscal tightening. To confront the adverse legacies of the pandemic, it will be critical to foster resilience by safeguarding health and education, prioritizing investments in green infrastructure, improving governance and enhancing debt transparency. Global cooperation will be key in addressing many of these challenges.

BUSINESS OVERVIEW

NBFCs have been playing a vital role in the financial system over the last decade or so now. They complement as well as compete with banks, bringing in efficiency and diversity in the financial intermediary segment. Even in the toughest of times and economy, NBFC have been providing all the requisite support through its operations to the support system of our economy.

PERFORMANCE

During the financial year 2020-2021 Company earned profit of 97.187 (Rs in '00000) as compared to last financial year's profit of 115.83 (Rs in '00000). The Company is determined to perform better during the current year by expanding its area of operations. However, this will be subject to the challenging environment caused by the pandemic.

OUTLOOK

The outlook for capital markets as well as for our industry would be strongly influenced by the outcomes pertaining to the COVID-19 pandemic and the duration of recovery. Your Company along with other NBFCs were impacted by COVID-related stress due to their underlying business models. On the supply side, the sources of funds dried up, more so for the small and mid-sized NBFCs, on account of reduced risk appetite of banks for low rated and unrated exposures. The situation was worsened by the

unprecedented redemption pressure, resulting in a spike in spreads. On the demand side, it became difficult for NBFCs to find creditworthy projects and borrowers to lend to as a result of the pandemic induced stress.

A key measure taken by the Reserve Bank and Government of India during H1:2020-21 to ameliorate the liquidity constraints faced by NBFCs, was to set up a Special Purpose Vehicle (SPV) to purchase short-term papers from eligible NBFCs which could then utilize the proceeds to extinguish their existing liabilities. The special securities issued by the SPV were guaranteed by the Government of India and would be purchased by the Reserve Bank. Additionally, the scope of the Government scheme on partial credit guarantee (PCG) was expanded to cover the borrowings of lower-rated NBFCs.

Overall, the authorities' initial response to the COVID-19 pandemic was massive given the enormity of the problem. Prompt measures across monetary, liquidity, fiscal and financial regulatory domains kept the financial system well-lubricated and smoothly functioning. These early measures contained volatility and imbued confidence to the financial markets. In the medium run, the pandemic support packages have to be unwound in a calibrated manner with minimal disruption to restore the prudential norms to pre-pandemic levels.

LESSONS FROM THE 2020-21 EXPERIENCE

Looking back, COVID-19 unleashed a once-in-a-lifetime crisis on the global economy, defying all prognoses and producing downturns in a wide swathe of countries that were deeper than the most pessimistic projections. From the time it was declared a public health emergency of international concern by WHO in January 2020, contagion rapidly flared across the globe, necessitating stringent lockdowns that resulted in even larger disruptions to activity, even as the sheer scale of infections challenged testing and hospital intensive care capacity. Globally, GDP outcomes in the first quarter of 2020 were worse than expected, but there were notable exceptions of which India was one. In the second quarter, however, the pandemic took down all economies in its path, producing a deep, synchronised plunge which was unprecedented. Unlike in other recessions, private consumption demand, services output and the labour market, especially for low-skilled workers who do not have the option of working from home, went into a marked retrenchment, reflecting the combination of social distancing, activity and mobility restrictions, steep income losses, and severely dented consumer confidence. Businesses cut back on investment in the face of the evaporation of demand, supply chain disruptions and pessimism about future earnings. Thus, the pandemic produced a fusion of a broad-based aggregate demand shock and a lockdown-induced supply shock.

Towards the close of the second quarter and into the third quarter, infections abated in many countries. As economies re-opened and there was a pick-up in mobility, the global economy began climbing out of the recession. Overall activity normalised faster than anticipated, with private consumption rebounding the most vigorously. In some economies, GDP outturns surprised on the upside, supported by public transfers and investment. Global trade began recovering with the restart of activity and a strong pickup in external demand.

By late September, however, the pandemic began to spread again, with the number of confirmed infections worldwide. Moreover, there were renewed surges even where the infection curve had flattened. Consequently, countries had to slow down re-opening and reinstate lockdowns, which eventually caused GDP to decelerate globally again in the fourth quarter. By end December, multiple vaccine approvals and the launch of vaccination in some countries brought hope. Together with a progressive adaptation to pandemic protocols and additional policy measures by some countries, conditions moved into place for a strong start to the year 2021.

In its first wave, the pandemic's fury was at its height in Q1:2020-21. The Indian economy contracted 24.4 per cent y-o-y, the deepest downturn amongst G20 countries. In Q2, however, the contraction started to ease, reflecting vigorous efforts to revive the economy, gradual relaxation of mobility restrictions, monetary and liquidity easing, and fiscal support. By Q3, India had pulled out of a technical recession. In its February 2021 estimates, the National Statistical Office (NSO) estimated that real GDP for the full year would have shrunk by 8.0 per cent, the first contraction since 1980-81 and the severest since national accounts have been compiled in India

RISK AND CONCERNS

The Company has in place a robust risk management framework that identifies and evaluates business risks and opportunities. Company recognises that these risks need to be handled effectively and mitigated to protect the interests of the shareholders and stakeholders, to achieve business objectives and create sustainable value and growth. The Company's risk management processes focus on ensuring that these risks are promptly identified and a mitigation action plan is developed and monitored periodically to ensure that the risks are being addressed accordingly. The Company's risk management framework operates with the following objectives:

- Proactively identify and highlight risks to the right stakeholders
- Facilitate discussions around risk prioritisation and mitigation
- Provide a framework to assess risk capacity and appetite; develop systems to warn when the appetite is getting breached

A strong governance framework ensures that the Board of Directors and its committees approve risk strategies and delegates credit authorities. Robust underwriting practices and continuous risk monitoring ensure that portfolios stay within acceptable risk levels.

INTERNAL CONTROL SYSTEM

The Company believes that Internal Control is one of the key pillars of governance, which provides freedom to the management within a framework of appropriate checks and balances. Neil Industries Limited has a robust internal control framework, which has been instituted considering the nature, size and risks in the business. The framework comprises, inter alia, a well-defined organization structure, roles and responsibilities, documented policies and procedures, financial delegation of authority, etc. These policies are complimented by a management information and monitoring system, which ensures compliance with internal processes, as well as with applicable laws and regulations.

The Company's internal control environment ensures efficient conduct of operations, security of assets, prevention and detection of frauds/ errors, accuracy and completeness of accounting records and the timely preparation of reliable financial information. The Head of Internal Audit reports functionally to the Audit Committee and administratively to the Chairman and Managing Director of the Company. Key internal audit findings are presented to the Audit Committee at its quarterly meetings.

Most importantly, the senior management sets the tone at the top of no tolerance to non-compliance and promotes a culture of continuous innovation and improvement.

HUMAN RESOURCE CAPITAL

The Company is committed in sharing value with its employees and deals with them as partners of the Company. We employ best talent and train them to meet all challenges so that growth is organic and contributed by everyone. The Company believes that its success depends on high level of skills and professionalism of its people and makes continuous endeavors to improve their efficiency through training and reward.

Acknowledging that human resources play a crucial role in enabling it to meet its objectives, the Company chooses its people very carefully, ensuring that they conform to the company's culture and follow its values and belief system. Setting the benchmark high, with its good governance the promoters are hands-on involved in the management of the Company with strategic inputs from a well-diversified and competent board.

(L51109WB1983PLC036091)
Reg. office: 88/B, Ground Floor, Lake View Road Kolkata-29
Corp Office: 14/113, Civil Lines, 402-403, Kan Chambers,
Kanpur-208001.

I have conducted the Secretarial Audit of the compliance of applicable Statutory Provisions and the adherence to good corporate practices by **NEIL INDUSTRIES LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the NEIL INDUSTRIES LIMITED (the company's) books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and; authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by "the Company" for the financial year ended on 31st March 2021, to the extent applicable, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder

- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings **(Not applicable during the year)**;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
- (a) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

 - (f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not applicable during the year)**;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **(Not applicable during the year)**;
- (vi) other Acts- As per the information provided by the company its officers and authorize representative there is no such other act /s applicable specifically to the Company.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
(as amended from time to time).

- (ii) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 entered into by the Company with Bombay Stock Exchange.

To the best of my understanding, during the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that based on the information provided by the company, its officers and its authorized representatives during the conduct of the audit , and also on the report by respective department heads /Company Secretary/CEO taken on record by the Board of Directors of the Company, in my opinion, adequate system and processes and control mechanism exist in the company to monitor and to ensure the compliance with applicable general laws such as labour laws and environmental laws to the extent applicable to it.

I further report, that the compliance by the company of the applicable financial laws, like direct and indirect tax laws, has not been reviewed in this audit since the same have been subject to review by statutory financial auditor and other designated professionals.

I further report, that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors/ KMP that took place during the period under review were carried out in compliance with the provisions of the Act. Mr. Pankaj Kumar Mittal who was appointed as additional Director on 13.08.2020 in the category of Non Executive Non Independent, was regularized in the Annual General Meeting held in the year 2020. Mrs. Archana Singh and Mr. Chandra Kant Dwivedi was re- appointed as the Independent Director of the Company through Special Resolution passed in the Annual General Meeting.

I further report that the Company approved the Voluntary Delisting of Equity Shares of the Company from CSE Ltd. No exit opportunity was given to the shareholders of the Company as it continued to remain listed on BSE Limited which has nationwide terminals. The whole process was done in accordance with the Provisions of Regulation 6(a), 7 and other applicable Provisions of SEBI (Delisting of Equity Shares) Regulations, 2009 as amended.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance. In addition to this, a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Majority decisions are carried through while the dissenting members' views are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We have relied on the representations made by the Company and its officers for systems and mechanisms formed by the Company for compliances under applicable laws/Acts/Regulations to the Company.

This report is to be read with our letter of even date which is annexed as "**Annexure - A**" and forms an integral part of this Report.

Independent Auditor's Report

To the Members of Neil Industries Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Neil Industries Limited (“the Company”), which comprise the Balance Sheet as on 31st March 2021, and the Statement of Profit and Loss, and the Statement of Cash Flows for the year ended on that date, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as on March 31, 2021, the profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the financial statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management

Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information. We are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure-A to the Auditor's Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")**

We have audited the internal financial controls over financial reporting of **NEIL INDUSTRIES LIMITED** ("the Company") as of 31 March, 2021 in the conjunction with our audit of financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally

accepted accounting principles. A company's internal financial control system over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that the receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future period are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure - B to the Auditors' Report

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of even date)

- i. In respect of its fixed assets:
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
 - c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, at present no immovable property is owned by the Company. Accordingly, clause (c) of paragraph 3 (i) of the Order is not applicable.
 - ii. The physical verification of inventory has been conducted at reasonable intervals by the management and no material discrepancies were noticed.
 - iii. As per the records produced before us and explanations given to us, the Company has not granted any loans, secured and unsecured to companies, firms, Limited Liability Partnership or other parties covered in the register maintained under section 189 of the Companies Act, 2013, therefore, the relevant provisions of the Order are not applicable to the Company.
 - iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of sections 185 and 186 of the Act, with respect to loans and investments made.
 - v. In our opinion and according to information and explanations given to us, the Company has not accepted any deposits within the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013, therefore, the relevant provisions of the Order are not applicable to the Company.
 - vi. The Central Government has not prescribed maintenance of cost records under Section 148 (1) of the Companies Act, 2013 in respect of business activities of the Company.
 - vii. (a) Based on the records produced before us, the Company has been generally regular in depositing with appropriate authorities undisputed statutory dues such as provident fund, employees state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues applicable to it.
 - (b) There is an outstanding demand with the Income tax authorities:

Assessment Year	IT Authority	Tax Payable as per IT Assessment Order	Tax Paid against Demand	Remark
2009-2010	CIT(A)	4513110.00	1479374.00	Case decided in favor of the company by CIT(A) and the refund of Rs. 1479374.00 is due
2014-2015	CIT (A)	7551090.00	1734480.00	Case pending for disposal by CIT (A)

viii. The Company has not taken any loans or borrowings from financial institutions, banks and government or has not issued any debentures. Hence reporting under clause 3 (viii) of the Order is not applicable to the Company.

ix. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3 (ix) of the Order is not applicable to the Company.

x. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees have been noticed or reported during the course of our audit.

xi. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.

xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3 (xii) of the Order is not applicable.

xiii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.

xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi. The Company is a Non-banking Financial Company (NBFC) registered under section 45-IA of the Reserve Bank of India Act 1934.

Note 1 : Summary of significant accounting policies & other explanatory information :

(a) Basis of Preparation :

The Financial Statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) to comply with the section 133 of the Companies Act 2013 ("the 2013 Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules 2015, and Companies (Indian Accounting Standards) Rules, 2016.

All the assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalent, the Company has ascertained the operating cycle to be 12 months.

Functional and presentation currency:

These standalone financial statements are presented in Indian rupees, which is the Company's functional currency.

(b) Property, Plant and Equipment

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. Where the carrying amount of an assets or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In accessing value in use, the estimated future cash flow are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risk specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transaction can be identified, an appropriate valuation method is used. There was no impairment loss on Fixed Assets on the basis of review carried out by the Management in accordance with the Accounting Standard 28 issued by The Institute of Chartered Accountants of India.

(c) Depreciation :

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life, at the rates and in the manner as prescribed in Schedule II to the Companies Act, 2013.

(d) Investments :

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Any inter class transfer should be with the approval of the Board and as per RBI regulation.

Current investments are carried at a lower rate of cost and fair value determined on an individual investment basis. Unquoted investments in the unit of Mutual Fund in the nature of current investment are also carried at lower of cost and fair value determined on an individual investment basis.

Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

(e) Revenue Recognition:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the

revenue can be reliably measured. In a situation where management believes that the recovery of interest is uncertain..

Interest income on loans given is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable. Such interests, where installments are overdue in respect of non-performing assets are recognized on realization basis. Any such income recognized and remaining unrealized after they become overdue in respect of secured and unsecured loans is reversed.

(f) **Derivative Instruments and Hedge Accounting :**

Derivative contracts are initially measured at fair value and re-measured at subsequent reporting dates. Change in fair value of these Derivative contracts are designated and effective as hedges of future cash flows are recognized directly in "Hedge Reserve Account" under Shareholders' Funds and the ineffective portion is recognized immediately in Statement of Profit and Loss.

Changes in fair value of Derivative Contracts that do not qualify for hedge accounting are recognized in Statement of Profit and Loss as they arise.

The amount recognized in the Hedge Reserve is transferred to the Statement of Profit and Loss when the hedged transaction crystallizes.

If the forecast transactions are no longer expected to occur, the cumulative gain or loss previously recognized in the hedge reserve is transferred to Statement of Profit and Loss.

Hedge Accounting is discontinued when the hedging instrument expires or sold, terminated or exercised or no longer qualifies for hedge accounting. If any of these events occur or if a hedge transaction is no longer expected to occur, the net cumulative gain or loss recognized under Shareholders' Fund is transferred to the Statement of Profit and Loss for the year.

(g) **Inventories Valuation**

Finished goods and Trading goods including equity shares are valued at cost or net realizable value which are lower and are arrived as per FIFO basis.

(h) **Recognition of Expenditure:**

a. Employee Benefits:

Short Term Employee Benefit is recognised as an expense in the Profit and Loss Account of the year in which related service is rendered.

Post employment and other Long term Benefit are not yet being provided for in the accounts. These benefit scheme has not yet been framed by the company.

b. Taxes on Income:

Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India

Deferred Tax is recognised, subject to consideration of prudence, in respect of deferred tax Assets/Liabilities arising on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent period.

(i) **Provisions :**

i) A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on management estimate required to settle the obligation on the balance sheet date. These are reviewed on each balance sheet date and adjusted to reflect the current management estimates.

(j) **Contingent Liabilites :**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation.

(k) **Cash & Cash Equivalents :**

Cash and Cash Equivalents in the Balance Sheet comprise of Cash at Bank, Cash in Hand and Short-term investments with an original maturity of three months or less.
