"RESOLVED THAT pursuant to the provisions of Section 148 and all other applicable provisions, if any, of the Companies Act, 2013 (the Act) and the Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) or re-enactment thereof, for the time being in force), the remuneration of 25,000 /- per annum (Rupees Twenty Five Thousand only) plus taxes, as applicable and inclusive of actual travel and out-of-pocket expenses for the financial year ending 31st March, 2022 to be paid to M/s Rajesh & Company, Cost Accountants, appointed by the Board of Directors of the Company to conduct the audit of the cost records of the Company, be and is hereby ratified and confirmed.

RESOLVED FURTHER THAT the Board of Directors of the Company (including any Committee thereof) be and is hereby authorized to do all such acts, deeds and things and take all such steps as may be necessary, proper or expedient to give effect to this resolution."

4. To consider and, if thought fit, to pass with or without modification(s), the following resolution as a Special Resolution:

"RESOLVED THAT pursuant to the provisions of Sections 62(1)(c), 42 and other applicable provisions, if any, of the Companies Act, 2013, read with the relevant rules made there under (including any statutory modification(s) or re-enactment thereof for the time being in force) (the "Act") and in accordance with the enabling provisions of the Memorandum of Association and Articles of Association of the Company, the provisions on preferential issue as contained in the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("SEBI (ICDR) Regulations"), the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended and any other rules/regulations/guidelines, notifications, circulars and clarifications issued thereon from time to time, the SEBI (Substantial Acquisition of Shares and Takeover) Regulations, 2011 as amended, the Securities and Exchange Board of India ("SEBI") and subject to such approvals, consents, permissions and sanctions as may be necessary or required from regulatory or other appropriate authorities, including but not limited to SEBI and subject to such conditions and modifications as might be prescribed while granting such approval, consents, permissions and sanctions and which terms may be agreed to by the Board of Directors of the Company (the "Board") and all such other approvals, consent of the Members of the Company be and is hereby accorded to the Board to create, issue, offer and allot, in one or more tranches, upto 38,90,000 (Thirty Eight Lakhs Ninety Thousand) Convertible Warrants (the "Warrants") on a preferential basis to the promoters/promoter group and others i.e. persons/entities not forming part of the promoter and promoter group ("Warrant Holder(s)"/"Proposed Allottee(s)"), as mentioned in the statement setting out material facts, entitling the Warrant Holder(s) to apply for and get allotted one Equity Share of the face value of Rs. 10/- (the "Equity Shares") each fully paid-

up against each Warrant within a period of 18 (eighteen) months from the date of allotment of Warrants, in such manner and at such price as may be arrived at in accordance with the SEBI (ICDR) Regulations and upon such terms and conditions as maybe deemed appropriate by the Board in accordance with the provisions of SEBI (ICDR) Regulations (including Chapter V thereof) or other applicable laws in this respect.

RESOLVED FURTHER THAT the resultant Equity Shares to be allotted on conversion of the Warrants in terms of this resolution shall rank pari passu in all respects with the existing Equity Shares of the Company. **RESOLVED FURTHER THAT** the Board be and is hereby authorized to determine, vary, modify, alter any of the terms and conditions of the proposed issue including reduction of the size of the issue, as it may deem expedient, in its discretion.

RESOLVED FURTHER THAT the aforesaid issue of the Warrants shall be on the following terms and conditions:

- i. The "relevant date" for the purpose of determining the minimum price of the Warrants under the SEBI (ICDR) Regulations is Monday, 16th August, 2021, being the date 30 (thirty) days prior to the date of passing of this Resolution by the Members of the Company;
- ii. The price of each equity share to be issued in lieu of the Warrants will be calculated in accordance with the provisions of Regulation 164 of Chapter V of the SEBI (ICDR) Regulations on the basis of the relevant date;
- iii. In accordance with the provisions of Chapter V of the SEBI (ICDR) Regulations, 25% (Twenty five percent) of the consideration payable against the Warrants, shall be paid by the warrant holder(s) to the Company on or before allotment of the Warrants and the balance consideration i.e. 75% (Seventy five percent) shall be paid at the time of allotment of Equity Shares pursuant to exercise of option of conversion against each such Warrant;
- iv. The tenure of the Warrants shall not exceed 18 (eighteen) months from the date of allotment of the Warrants;
- v. The warrant holder(s) shall be entitled to exercise the option of conversion of any or all of the Warrants in one or more tranches by way of a written notice to the Company, specifying the number of warrants proposed to be exercised along with the aggregate amount thereon, without any further approval from the shareholders of the Company prior to or at the time of conversion. The Company shall accordingly, issue and allot the corresponding number of Equity Shares to the warrant holder(s);
- vi. If the entitlement against the Warrants to apply for the Equity Shares is not exercised within the aforesaid period of 18 (eighteen) months, the entitlement of the warrant holder(s) to apply for Equity Shares of the Company along with the rights attached thereto shall expire and any amount paid on such Warrants shall stand forfeited;
- vii. In the event that the Company completes any form of capital restructuring prior to the conversion of the Warrants, then, the number of Equity Shares that each Warrant converts into and the price payable for such Equity Shares, shall be adjusted accordingly in a manner that, to the extent permitted by applicable laws, Warrant Holder: a) receives such number of Equity Shares that Warrant Holder would have been entitled to receive; and b) pays such consideration for such Equity Shares to the Company which Warrant Holder would have been required to pay, had the Warrants been exercised immediately prior to the completion of such capital restructuring;
- viii. Upon exercise by warrant holder the option of conversion of any or all of the warrants, the Company shall issue and allot appropriate number of Equity Shares and perform all such actions as are required to give effect to such issue, including but not limited to delivering to Warrant Holder(s), evidence of the credit of the Equity Shares to the depository account of Warrant Holder(s) and entering the name of Warrant Holder(s) in the

NOTICE OF ANNUAL GENERAL MEETING

- records of the Company (including in the Register of Members of the Company) as the registered owner of such Equity Shares;
- ix. The warrants by itself until exercise of conversion option and Equity Shares allotted, does not give to the Warrant Holder(s) thereof any rights with respect to that of a shareholder(s) of the Company; and
- x. The warrants and equity shares allotted pursuant to conversion of such warrants shall be subject to lock-in as stipulated under the SEBI (ICDR) Regulations.

RESOLVED FURTHER THAT the Warrants shall be issued and allotted by the Company to the Warrants Holders within a period of 15 days from the date of passing of this resolution, provided that where the allotment of the said Warrants is pending on account of pendency of any approval for such allotment by any regulatory authority or the Central Government, the allotment shall be completed within a period of 15 days from the date of such approval.

RESOLVED FURTHER THAT for the purpose of giving effect to above resolution, any one of the Directors and/or Company Secretary of the Company be and is hereby authorized to do all such acts, deeds, matters and things as it may in its absolute discretion deem necessary, desirable or expedient for the purpose of the issue or allotment of the Warrants and upon conversion of the Warrants into Equity Shares, listing of the said Equity Shares with the Stock Exchange and to resolve and settle any questions and difficulties that may arise in the proposed issue, offer and allotment of the said Warrants, utilization of issue proceeds, sign all such undertakings and documents as may be required, and any such documents so executed and delivered or acts and things done or caused to be done shall be conclusive evidence of the authority of the Company in so doing and any document so executed and delivered or acts and things done or caused to be done prior to the date thereof are hereby ratified, confirmed and approved as the acts and deeds of the Company, as the case may be and to do all such acts, deeds, matters and things in connection therewith and incidental thereto as the Board may in its absolute discretion deem fit, without being required to seek any further consent or approval of the shareholders.

RESOLVED FURTHER THAT the Board be and is hereby authorized to delegate all or any of the powers herein conferred by this resolution to any duly constituted and authorized Committee of Directors or any one or more Directors/officials of the Company to give effect to this Resolution."

NOTES: GENERAL:

1. In view of the continuing restrictions on the movement of people at several places in the country, due to the outbreak of COVID-19, the Ministry of Corporate Affairs, Government of India ('MCA'), and the Securities and Exchange Board of India ('SEBI'), have allowed companies to conduct Annual General Meetings ('AGM') through video-conferencing ('VC') / other audio-visual means ('OAVM') during the calendar year 2020, without the physical presence of Members. This also addresses the health and safety of the Members.
- This AGM is being convened in compliance with applicable provisions of the Companies Act, 2013 ('the Act') and the Rules made thereunder; provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'); the provisions of General Circular No. 20/2020 dated 5th May, 2020 read with General Circular No. 14/2020 dated 8th April, 2020; General Circular No.17/2020 dated 13th April, 2020 issued by the MCA and Circular No. SEBI/HO/CFD/ CMD1/CIR/P/2020/79 dated 12th May, 2020 issued by SEBI, ('MCA and SEBI Circulars').
2. An Explanatory Statement pursuant to Section 102 of the Act, in respect of Item nos. 3 to 4 of the Notice set out above, is annexed hereto. The Board of Directors have considered and decided to include item nos. 3 to 4 as Special Business as they are unavoidable in nature. The relevant details, pursuant to Regulations 26(4) and 36(3) of the Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, ('ICSI') in respect of Director seeking re-appointment at this AGM is annexed.
3. In accordance with the Secretarial Standard – 2 on General Meetings issued by the ICSI read with Clarification / Guidance on applicability of Secretarial Standards - 1 and 2 dated 15th April, 2020 issued by the ICSI, the proceedings of the AGM shall be deemed to be conducted at the Registered office of the Company i.e. 6, Neptune Tower, Ashram Road, Ahmedabad-380 009 (Gujarat) which shall be the venue of the AGM. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
4. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
5. In compliance with the provisions of Section 108 of the Act, read with the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of Listing Regulations and MCA circulars, the Company is pleased to provide its members the facility to cast their vote by electronic means on all resolutions set forth in this Notice. The Company has appointed Central Depository Services (India) Limited ('CDSL') for facilitating voting through electronic means, as the authorized agency. The Members may cast their votes using an electronic voting system from a place other than the venue of the AGM ('remote e-voting'). The instructions for e-voting are enclosed with this Notice.
6. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance slip are not annexed to this Notice.
7. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the Directors are interested, maintained under Section 189 of the Act, will be available for inspection by the Members through electronic mode during the AGM.
- The aforesaid documents along with documents referred to in the Notice will also be available electronically for inspection by the Members, without payment of any fees, from the date of circulation of this Notice up to the date of AGM, i.e Wednesday 15th September, 2021. Members seeking inspection of the aforementioned documents can send an email to pgfoils@pgfoils.in
8. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for minimum 1,000 members on 'first come first serve' basis. This will not include large Shareholders (Shareholders holding 2% or more equity shares), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of 'first come first serve' basis.

NOTICE OF ANNUAL GENERAL MEETING

9. Institutional / Corporate Shareholders intending to authorize their representatives to attend the meeting pursuant to Section 113 of the Act, are requested to email certified copy of the Board / governing body resolution / authorization etc. authorizing their representatives to attend and vote on their behalf at email IDs pgfoils@pgfoils.in with a copy marked to evoting@cdslindia.com.
10. The Company has listed its shares at:
 - a) BSE Limited,
Phiroze Jeejeebhoy Towers,
Dalal Street, Mumbai - 400 001.The listing fees of these Exchanges have been paid in time.

DISPATCH OF ANNUAL REPORT:

11. In compliance with the aforesaid MCA Circulars and SEBI Circular dated 12th May, 2020, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2020-21 will also be available on the Company's website www.pgfoils.in, websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com, and AGM notice is also available on CDSL web i.e. www.evotingindia.com.

DECLARATION OF RESULT:

12. The Board of Directors has appointed Mr. Manish Sancheti, Proprietor, M Sancheti & Associates, Company Secretaries as a Scrutinizer to scrutinize the remote e-voting process and e-voting at the AGM in a fair and transparent manner.
13. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, first count the votes cast during the AGM, thereafter unblock the votes cast through remote e-voting and make, not later than 48 hours of conclusion of the AGM, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same.
14. The result declared along with the Scrutinizer's Report shall be placed on the Company's website www.pgfoils.in and on the website of CDSL www.evotingindia.com immediately. The Company shall simultaneously forward the results to BSE Limited, where the shares of the Company are listed.

BOOK CLOSURE:

15. The Register of Members and Transfer Books in respect of Equity Shares of the Company will remain closed from **Thursday, 9th September, 2021 to Wednesday, 15th September, 2021** (both days inclusive) for the purpose of payment of dividend.

UNPAID DIVIDEND & TRANSFER TO IEPF ACCOUNT:

16. Pursuant to the provisions of Section 124 of the Act, unpaid /unclaimed dividend for the financial year 2010-2011 has been transferred by the company to the Investor Education Protection Fund ("IEPF") established by the Central Government.
In terms of the provisions of Section 125(5) of the Act, dividend which remains unpaid/ unclaimed for a period of seven years from the date of declaration will be transferred to the IEPF.
Further, in terms of the provisions of the Invest or Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), equity shares in respect of which dividend has not been paid or claimed for seven consecutive years of more from the date of declaration will also be transferred to an account viz. "Investor Education and Protection Fund Authority Ministry of Corporate Affairs", which is operated by the IEPF Authority pursuant to the IEPF Rules.
In compliance with the aforesaid Rules, the Company has already transferred equity shares for which dividend remained unpaid/unclaimed for a period of seven years from the date of declaration to the Investor Education and Protection Fund Authority Ministry of Corporate Affairs, after providing necessary intimations to the relevant shareholders. Industry Scenario

Aluminium Foil, Food Packaging Foil Manufacturing Plant, Detailed Project Report, Profile, Business Plan, Industry Trends, Market Research, Survey, Manufacturing Process, Machinery, Raw Materials, Feasibility Study, Investment Opportunities, Cost and Revenue, Plant Economics, Production Schedule, Working Capital Requirement, Plant Layout, Process Flow Sheet, Cost of Project, Projected Balance Sheets, Profitability Ratios, Break Even Analysis

Aluminium plays a major role in the modern world through its innumerable forms of applications- from kitchen ware to electric conductors and from railway wagon to Appollo spacecraft. Because of its intrinsic and versatile properties of lightness, strength to weight ratio, corrosion resistance, electrical and thermal conductivity, non toxicity etc., a wide range of uses has opened up for this metal. Aluminium as a packaging material is unmatched owing to its light weight, hygienic and non-contamination which eventually results in longer shelf-life of end products.

Aluminium foil is a thin sheet of metal. As such it can be an absolute barrier to moisture, gases, odors, bacteria and moulds. The high reflectivity of aluminium ensures good protection against radiant heat, whilst its opacity is important in preventing deterioration of a very large range of foods and drinks which are affected by light. It is used for packaging and non packaging uses. The growth of this industry has been in the recent past, owing to the growing application of foil in a variety of products.

India is one of the key producers of aluminium foil in the region. Over 70% of aluminium foil used in India is for packaging applications. Pharmaceuticals followed by beverages, personal care and a wide range of food and non-food products, semi rigid containers and house foil are the principal applications of aluminium foil in India in the packaging sector. Indai is the biggest aluminium foil manufacturer in the country. Other major manufacturers include India Foils, Emco, PG Foils and Flex Art. Holding on to the emerging indicators and the future prospects, Hindalco has plans to increase its aluminum smelting capacity three-fold to 1.8 mtonne and alumina refining capacity four-fold to 6 mtonne annually. As a whole it is a good project for new entrepreneurs to invest.

Future outlook

Supply of Aluminium is in excess and any deficit can be imported at low rates of duty. Currently, the demand is stable while supply is in excess. Demand for aluminium is estimated to grow 6% - 8% per annum in view of the low per capita consumption in India.

Competition is primarily on quality and price, as being a commodity, differentiation is difficult. However, the recent spate of consolidation has reduced the competitive pressure in the industry. Further increasing value addition to aluminum products has helped some companies protect themselves from high volatilities witnessed in this industry.

Operational performance

Company achieved a Gross turnover excluding trading turnover of Rs. 239.05 Crores as against Rs. 210.98 Crores in the previous year and production for the year 7284.41 MT as against last year 6834.53 MT.

Financial Performance

Profit before tax for the year is Rs. 19.38 Crores compared to profit of Rs. 15.63 Crores in last year, higher, mainly due to strong earnings in last quarter of the year and in last year, company had a loss of Rs. 3.28 Crores due to less claim allowed by insurance company towards fire in factory premises during F.Y. 2018-19.

Resources & Liquidity

Company continues to maintain its conservative financial profile. Company Banked with IDBI Bank Limited for their working capital needs. Company has sufficient working capital limits of Rs. 115 Crores from IDBI Bank Ltd and HDFC Bank Ltd. at concessional and extremely competitive interest rate. Presently Company is not availing any cash credit facility due to ample liquidity. Cash Flow for less than 2 years is adequate to extinguish its entire debts timely. Company made most of local purchases on cash basis at discounted rates but overseas purchases are on credit basis on cheaper interest rates under buyer's credit facility.

Opportunities and outlook

Company has opportunity to increase production and sales turnover due to acceptance of product by most of the major Pharma Companies in India & Bangladesh and close of few foil manufacturers in country. Company also sees opportunity in improvement in margin due to possibility of imposition of Anti-Dumping Duty.

Threats

Due to downfall in metal and grannual rates customers may ask for rate reduction and more import activities from China and other countries at lower rate if no Anti dumping duty impose by Government.

Risks and Concerns

The Risk Management framework of your Company ensures regular review by management to proactively identify the emerging risks, to do risk evaluation and risk prioritization along with development of risk mitigation plans and action taken to minimize the impact of the risk. The framework requires that the Risk Management Committee be periodically informed about risk minimization procedures adopted by your Company. These processes are also periodically reviewed by management. The various risks, including the risks related to the economy, regulation, competition, technology etc., are documented, monitored and managed efficiently.

Your company faces risk with similar to those faced by companies operating in the non ferrous metal sector. The volatility of the primary metal LME linked price on account of fluctuation in \$ and LME continues to be a key issue and success or failure is linked on how effectively companies are able to manage their purchase to tide over these critical periods. The company is exposing to risk from fluctuations in foreign exchange as nearly 95% of foil stock purchase is linked with dollar rate. Profitability may also be affected on account of competition from existing and prospective manufactures of the same products and cheap import from China.

Export

The company's contribution to foreign exchange earnings amounted to Rs. 3103.45 Lacs during the year under review and the total foreign exchange utilized by the company amounted to Rs. 6343.29 Lacs the details of which are provided in annexure to the director's report. Company is presently exporting to various countries and further trying to increase export to developed countries. Company already appointed a very senior professional for development of export market. Company is concentrating on Bangladesh foil market and expects to achieve almost 2/3rd foil market shares in years to come.

Human Resources

The Human Resource philosophy and strategy of your Company is to attract and retain the best talent, be an employer of choice and create a holistic workplace environment, where employees get opportunities to realize their potential. Companies are judged on career growth prospects, rewards, work life balance, Performance evaluation and stability. Our standing here is a reflection of not just our employee's view but also of the larger Indian workforce which responded.

Considering the long term business goals, your

Company has ensured that the Human Resources strategy is in line with and complementary to the business strategy.

It is your company's belief that people are at the heart of corporate & constitute the primary source of sustainable competitive advantage. The trust of your company's human resource development efforts therefore is to create a responsive and market driven organization. Your company continues its focus on strengthening competitiveness in all its business. Your directors look forward to the future with confidence.

The company has followed a conscious policy of providing training to Management Staff through in-house and external programme, for upgrading personal and technical skills in relevant areas of functional disciplines.

Internal Control System

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the **Companies Act, 2013** ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the **Companies (Indian Accounting Standards) Rules, 2015**, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

Note No. 48 to the financial statement which describes that FDR investment of Rs. 69.00 cr made by the company with Dhanlaxmi Bank Ltd had been misappropriated by various parties including the officials of the said bank . The case is under investigation with Competent Authority /Economic Offence wing , Mumbai . Seeking to the merit of the case will be in favour of company and it will be able to receive all sum misappropriated. Based on this, the company has not made provision.The final determination of the said investment amount would depend upon the final decision of the appropriate authorities in future .Our opinion is not qualified in respect of this matter.

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of P G Foils Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of P G Foils LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company is a leading manufacturer/producer of Aluminium Foil in the various form. The financial statements of the company for the year ended 31st March 2021 were approved and authorized for issue by board of directors in their meeting held on 30.06.2021

B) SIGNIFICANT ACCOUNTING POLICIES STATEMENT OF COMPLIANCE

The Financial Statements have been prepared in accordance with Companies Act 2013, Indian Accounting Standard and complies with other requirements of law and were authorised for issue in accordance with a resolution of the Board of Directors of the company passed on 30.06.2021

C) BASIS OF PREPARATION

a) The financial statements of the company are consistently prepared and presented under historical cost convention on an accrual basis in accordance with Ind AS except for certain financial assets and liabilities that are measured at fair values.

The company's functional currency and presentation currency is Indian Rupees (INR). All amounts disclosed in the financial statements and notes are in INR and all values are rounded to the nearest lakhs (INR 00,000) except when otherwise indicated.

b) Classification of Assets and Liabilities into current and Non-Current

The Company presents its assets and liabilities in the Balance Sheet based on current/ non-current classification.

An asset is treated as current when it is:

- expected to be realised or intended to be sold or consumed in normal operating cycle;
- held primarily for the purpose of trading;
- expected to be realised within twelve months after the reporting period; or
- cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets including Deferred tax assets are classified as non-current.

A liability is treated as current when :

- it is expected to be settled in normal operating cycle;
- it is held primarily for the purpose of trading;
- it is due to be settled within twelve months after the reporting period; or
- there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities including Deferred tax liabilities are classified as non-current.

Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the company has ascertained its operating cycle being a period within twelve months for the purpose of current and non-current classification of assets and liabilities.

c) Use of judgements, estimates and assumptions

The preparation of the company's financial statements required management to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosures of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment in the future periods in the carrying amount of assets or liabilities affected.

The following are the key assumptions concerning the future, and other other key sources of estimation uncertainty at the end of reporting period that may have significant risk of causing material adjustments to the carrying amounts of assets and liabilities with in :-

CASH FLOW STATEMENT FOR THE YEAR ENDED 31 MARCH, 2021

i) Estimation of uncertainty related to Global Health Pandemic from COVID-19

The Company has considered the possible effects that may result from pandemic relating to COVID-19 on the carrying amount of financial assets including Trade Receivables. In developing the assumptions relating to the possible future uncertainties in global economic conditions because of the pandemic, the Company as at the date of approval of these financial statement has used internal and external source of information, on the expected future performance of the company and based on estimates the company expects that the carrying amount of financial assets will be recovered and the company do not expect any significant impact of COVID-19 on the company's financial statement as at the date of approval of these Financial Statements.

ii) Lease:

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of IND AS 116. Identification of a lease requires significant judgement. The company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The company determines the lease term as the non-cancellable period of lease, together with both periods covered by an option to extend the lease if the company is reasonably certain to exercise that option and periods covered by an option to terminate the lease if the company is reasonably certain not to exercise that option. In exercising whether the company is reasonably certain to exercise an option to extend a lease or to exercise an option to terminate the lease, it considers all relevant facts and circumstances that create an economic incentive for the company to exercise the option to extend the lease or to exercise the option to terminate the lease. The company revises lease term, if there is change in non-cancellable period of lease. The discount rate used is generally based on incremental borrowing rate.

iii) Useful life of property, plant and equipment and intangible assets:

The company has estimated useful life of the Property, Plant and Equipment as specified in Schedule II to Companies Act 2013. However, the actual useful life for individual equipments could turn out to be different, there could be technology changes, breakdown, unexpected failure leading to impairment or complete discard. Alternately, the equipment may continue to provide useful service well beyond the useful assumed.

iv) Fair value measurement of financial instruments:

When the fair values of financial assets and financial liabilities cannot be measured based on quoted process in active market, the fair value is measured using valuation techniques including book value and discounted cash flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not possible, a degree of judgement is required in establishing fair values.

v) Impairment of financial and non-financial assets:

The impairment provisions for the financial assets are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the input for the impairment calculations, based on Company's past history, existing market conditions, technology, economic developments as well as forward looking estimates at the end of each reporting period.

vi) Taxes:

Taxes have been paid / provided, exemptions availed, allowances considered etc. are based on the extent laws and the company's interpretation of the same based on the legal advice received wherever required. These could differ in the view taken by the authorities, clarifications issued subsequently by the government and court, amendments to statutes by the government etc.

vii) Defined benefit plans:

Gratuity payable to employees is provided on the basis of premium paid under group gratuity scheme with Life Insurance Corporation of India.

viii) Provisions:

1. Provision for Leave encashment has been made on accrual basis on leave un-availed as on 31.03.2021 .
2. Service awards have been adjusted/accounted on the basis of completed months of service provided by employees.

ix) Contingencies:

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligations at the end of the reporting period. However, the actual liability could be considerably different.

d) Property, Plant and Equipment

i) Property, plant and equipment situated in India comprising land other assets namely Building, Plant & Machinery, Office equipment etc, the company has elected to continue with the carrying value as its deemed cost on 1.4.2016 measured as per previous GAAP and use that carrying value as its deemed cost as on the transition date. The cost of Tangible assets comprises its purchase price, borrowing cost, any other cost directly attributable to bringing the assets into present location and condition necessary for it to be capable of operating in the manner intended by the Management, initial estimation of any de - commissioning obligations and finance cost.

ii) **Depreciation** on Fixed Asses is provided on Written Down Value Method over their useful lives and in the manner specified in Schedule II of the Companies Act,2013. Property, Plant & Equipmet which are added/disposed off during the year the depreciation is provided on pro rata basis with reference to month of addition/deletion.

iii Component Accounting

When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the Statement of Proffit and Loss as incurred. The present value of the expected cost for the decommissioning of the asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

iv Expenditure during construction/erection period is included under Capital Work-in-Progress and is allocated to the respective fixed assets on completion of construction/ erection.

- v Property, plant and equipment are eliminated from financial statement, either on disposal or when retired from active use. Losses arising in the case of retirement of Property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognized in Statement of Profit and Loss in the year of occurrence.
- vi The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

e) Investment properties

Investment properties consists of investments in land and buildings that are held to earn rental income or for capital appreciation, rather than for use in the production or supply of goods or services or for administrative purposes or sale in the ordinary course of business. Investment property is stated at cost less accumulated depreciation and impairment losses. Depreciation on building is provided over the estimated useful lives as specified in Schedule II to Companies Act, 2013. The Residual Life, useful lives and depreciation method of investment properties are reviewed, and adjusted on Prospective basis as appropriate, at each financial year end. The effects of any revision are included in the Statement of Profit and Loss when the changes arise.

f) Intangible assets:

- i) Intangibles assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably. Intangible Assets are stated at cost which includes any directly attributable expenditure on making the asset ready for its intended use. Intangible assets with finite useful lives are capitalized at cost and amortized on a straight-line basis over a period of 10 years.
- ii Software:- Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit and loss in the period in which the expenditure is incurred.
The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. Intangibles assets with indefinite useful lives (like goodwill, brands), if any are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite useful life is reviewed annually to determine whether indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite life is made on prospective basis.

g) Research and development cost:

1 Research Cost:

Revenue expenditure on research is expensed under the respective heads of accounts in the period in which it is incurred.

2 Development Cost:

Development expenditure on new product is capitalised as intangible asset, if technical and commercial feasibility as per IND AS 38 is demonstrated.

h) Inventories:

- i Raw materials, Packing materials, Stores and Spares and fuel are valued at lower of cost (on first in first out basis) and net realisable value.
- ii Stock in process is valued at lower of cost (on first in first out basis) and net realisable value.
- iii Finished goods and stock in trade are valued at lower of cost and net realisable value.
- iv Scrap is valued at estimated realisable value.
- v Export Goods in transit valued at sales value including freight thereof.
- vi Stock in transit valued at purchase price including clearing expenses, custom duty paid and incidental expenses thereto
- vii Cost for this purpose includes direct material, direct labor, other variable cost and manufacturing overhead based on normal operating capacity
- viii Net realisable value is estimated selling price in the ordinary course of business less estimated cost of completion and selling expenses

i) Cash and cash equivalents:

- i Cash and cash equivalents are financial assets. Cash and cash equivalents consist of cash and short-term highly liquid investments that are readily convertible to cash with original maturities of three months or less at the time of purchase and are carried at cost plus accrued interest.

ii Cash Flow Statement:

Cash Flow are reported using indirect method, whereby profit for the year is adjusted for effects of transactions of non cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing, and financing activities of the company are segregated.

iii Bank Balances Other than above:

Dividend Escrow account balance, deposit with bank as margin money for guarantees issued by bank, deposits kept as security deposit for statutory authorities are accounted as bank balance other than cash and cash equivalent.

j) Financial instruments:

A financial instrument is any contract that at the same time gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments are recognized as soon as the company becomes a contracting party to the financial instrument. In cases where trade date and settlement date do not coincide, for non-derivative financial instruments the settlement date is used for initial recognition or derecognition, while for derivatives the trade date is used. Financial instruments stated as financial assets or financial liabilities are generally not offset; they are only offset when a legal right to set-off exists at that time and settlement on a net basis is intended.

1 Financial assets:

Financial assets include trade receivable, cash and cash equivalents, derivative financial assets and also the equity / debt instruments held. Initially all financial assets are recognised at amortised cost or fair value through Other Comprehensive Income or fair value through Statement of Profit or Loss, depending on its business model for those financial assets and their contractual cash flow characteristics. Subsequently, based on initial recognition/ classification, where assets are measured at fair value, gain and losses are either recognised entirely in the statement of profit and loss (i.e. fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income).

a. Trade receivables:

Trade receivables are recognised initially at fair value and subsequently measured at amortized cost less credit loss/impairment allowances.

Receivables that do not bear interest or bear below market interest rates and have an expected term of more than one year are discounted with the discount subsequently amortized to interest income over the term of the receivable.

Impairment is made on the expected credit losses, which are the present value of the cash deficits over the expected life of receivables. The estimated impairment losses are recognised in the Statement of Profit and Loss. Subsequent changes in assessment of impairment are recognized in the Statement of Profit and Loss as changes in estimates.

b. Loans, Debts & other financial assets

Loans and other financial assets are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are recognized initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, loans and other financial assets are measured at amortized cost using the effective interest method, less any impairment losses.

c. Investment in equity shares and mutual funds:

Investment in equity securities and mutual funds are initially measured at fair value. Any subsequent fair value gain or loss for investments held for investment is recognized through Other Comprehensive Income. Any subsequent gain or loss for investment held for trading are recognized through Statement of Profit and Loss.

d. Investment in associates, joint venture and subsidiaries:

The Company's investment in subsidiaries and associates, joint venture are carried at cost except where impairment loss recognised.

2. Financial liabilities:

Financial liabilities such as loans and borrowings and other payables are recognized initially on the trade date, which is the date that the Company becomes a party to the contractual terms of the instrument. Financial liabilities other than fair valued through profit and loss are recognized initially at fair value less any directly attributable transaction costs. Subsequent to initial recognition, these financial liabilities are measured at amortized cost using the effective interest method. Transaction costs of financial liability carried at fair value through profit or loss is expensed in profit or loss. The Company derecognizes a financial liability when its contractual obligations are settled or cancelled or expired.

a. Financial liabilities at fair value through profit or loss:

It include financial liabilities held for trading and are designated such at initial recognition. Financial liabilities are held for trading if they are incurred for the purpose of repurchasing in near term and also include Derivatives that are not part of an effective hedge accounting in accordance with IND AS 109 , classified as "held for trading" and carried at fair value through profit or loss. Financial liabilities at fair value through profit or loss are measured at each reporting date at fair value with all the changes recognized in the Statement of Profit and Loss.

b. Financial liabilities measured at amortised cost

Post recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method ("EIR"). Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in the Statement of Profit and Loss.

c. Loans and Borrowings

After initial recognition, interest-bearing borrowings are subsequently measured at amortised cost using the effective interest method. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down.

d. Financial guarantee contracts:

As per IND AS -109 "Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument."

e. Initial recognition

The date the company becomes a party to the irrevocable commitment is considered to be the date of initial recognition and Financial guarantee contracts are recognised as liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.

f. Trade and other payables:

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. Trade accounts payable and other non-derivative financial liabilities are in general measured at amortized cost using the effective interest method. Finance charges, including premiums payable on redemption or settlement, are periodically accrued using the effective interest method and increase the liabilities' carrying amounts unless they have already been settled in the period in which they were incurred.

k.) Impairment of non-financial assets:

At each reporting date, the company assesses whether there is any indication that a non-financial asset may be impaired. If any such indication exists, the recoverable amount of the non-financial asset is estimated in order to determine the extent of the impairment loss, if any.

Recoverable amount is determined:

- In the case of an individual asset, at the higher of the Fair Value less cost to sell and the value in use; and
- In the case of cash generating unit (a group of assets that generates identified, independent cash flows) at the higher of cash generating unit's fair value less cost to sell and the value in use.

Where it is not possible to estimate the recoverable amount of an individual non-financial asset, the company estimates the recoverable amount of the smallest cash generating unit to which the non-financial asset belongs. The recoverable amount is the higher of an asset's or cash generating unit's fair value less costs of disposal and its value in use.

If the recoverable amount of a non-financial asset or cash generating unit is estimated to be less than its carrying amount, the carrying amount of the non-financial asset or cash generating unit is reduced to its recoverable amount. Impairment losses are recognized immediately in the statement of Profit and Loss. Where an impairment loss subsequently reverses, the carrying amount of the non-financial asset or cash generating unit is increased to the revised estimate of its recoverable amount. However, this increased amount cannot exceed the carrying amount that would have been determined had no impairment loss been recognized for that non-financial asset or cash generating unit in prior periods. A reversal of an impairment loss is recognized immediately in the statement of Profit and Loss.

l Foreign currency transactions:

i) Functional and presentation Currency

The functional and reporting currency of company is INR.

ii) Transaction and Balances

1. Currency Transactions denominated in foreign currencies are initially recorded at the rates of exchange prevailing on the dates of the transactions.
2. Monetary assets and liabilities denominated in such currencies are retranslated at the rates prevailing on the balance sheet date.
3. Profits and losses arising on exchange are included in the net profit or loss for the period. Pursuant to exemption given under IND AS 101 the company has continued the policy for accounting for amortization of exchange differences arising from translation of long-term foreign currency monetary items over the tenure of loan.
4. Non-Monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items is recognised in line with the gain or loss of the item that gave rise to the translation difference.

m) Revenue recognition:

i) Sale of product and services:

1. The company derives revenue from sale of manufactured goods and traded goods. In accordance with Ind AS 115, the company recognise revenue from sale of products and services at a time when performance obligation is satisfied and upon transfer of control of promised products or services to customer in an amount that reflects the consideration the company expect to receive in exchange for their products or services. The company disaggregates the revenue based on nature of products/Geography.
2. Amount disclosed as revenue are inclusive of Excise duty and net of Goods and Service Tax (GST), returns, discounts, rebates.
3. Export sales are accounted for, on the basis of exchange rate of LEO Date (Let Export Order) of transactions and recognized as and when Risk & Rewards are transferred

ii) Revenue from other activities: is recognized based on the nature of activity, when consideration can be reasonably measured. • Revenue is measured at the fair value (excluding Goods and Services Tax) of the consideration received or receivable, taking into account contractually defined terms of payment.

iii) **Dividend income:**

Dividend income is accounted for when the right to receive the same is established, which is generally when shareholders approve the dividend.

iv) **Interest income:**

1. For all Financial instruments measured at amortised cost, interest income is recorded using effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset. Interest income is included in other income in statement of profit and loss.
2. Interest reivable from Trade Receivables are accounted on receipt basis.

v) **Export incentive:** Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.

vi) Units generated on Enercon wind power plant has been accounted on the basis of effective tariff rate in respective month. Units generated on Suzlon wind power plant has been accounted at contract price on accrual basis.

n) Government Grant

i) Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the Company has complied with all attached conditions.

ii) Government grants relating to income are deferred and recognized in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income

iii) Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

iv) In respect of Property, Plant and Equipment purchased under Export Promotion Capital Goods (EPCG) scheme of Government of India, exemption of custom duty under the scheme is treated as, Government Grant and is recognized in Statement of Profit and Loss on fulfillment of associated export obligations.

o) Employees Benefits:

i) **Short term employee Benefit:**

All employees' benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

ii) Defined Contribution Plan:

Contributions to the Employees' Provident Fund and Employee's State Insurance are recognized as Defined Contribution Plan and charged as expenses in the year in which the employees render the services.

iii) Defined Benefit Plan:

The Leave Encashment and Gratuity are defined benefit plans. The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method with actuarial valuations being carried out at each balance sheet date, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation. Re-measurements, comprising of actuarial gains and losses, excluding amounts included in net interest on the net defined benefit liability, are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Re-measurements are not classified to the statement of profit and loss in subsequent periods. Past Service cost is recognised in the statement of profit and loss in the period of plan amendment. Net Interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Company recognises the following changes in the net defined benefit obligation under employee benefit expenses in the statement of profit and loss.

- Service costs comprising current service costs, gains and losses on curtailments and non-routine Settlements.
- Net interest income or expense.

iv) Long term Employee Benefit:

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the defined benefit obligation at the balance sheet date.

v) Termination benefits:

Termination benefits are recognised as an expense in the period in which they are incurred.

The Company shall recognise a liability and expense for termination benefits at the earlier of the following dates:

- (a) when the entity can no longer withdraw the offer of those benefits; and
- (b) when the entity recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of termination benefits.

p) Borrowing costs:

i) Borrowing costs that are specifically attributable to the acquisition, construction, or production of a qualifying asset are capitalised as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over twelve months) to get ready for its intended use or sale.

ii) All other borrowing costs are recognised as expense in the period in which they are incurred.

q) Leases:

In accordance with IND AS 116, the Company recognises right of use assets representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of right of use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payment made at or before commencement date less any lease incentive received plus any initial direct cost incurred and an estimate of cost to be incurred by lessee in dismantling and removing underlying asset or restoring the underlying asset or site on which it is located. The right of use asset is subsequently measured at cost less accumulated depreciation, accumulated impairment losses, if any, and adjusted for any remeasurement of lease liability. The right of use assets is depreciated using the straight line method from the commencement date over the shorter of lease term or useful life of right of use asset. The estimated useful lives of right of use assets are determined on the same basis as those of property, plant and equipment. Right of use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modification or to reflect revised-in-substance fixed lease payments, the company recognises amount of remeasurement of lease liability due to modification as an adjustment to right of use assets and statement of profit and loss depending upon the nature of modification. Where the carrying amount of right of use assets is reduced to zero and there is further reduction in measurement of lease liability, the Company recognises any remaining amount of the remeasurement in statement of profit and loss.

The Company has elected not to apply the requirements of IND AS 116 to short term leases of all assets that have a lease term of twelve month or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on straight line basis over lease term.

r) Taxes on income:

Income Tax expenses comprise current tax expenses and the net change in the deferred tax asset or liabilities during the year. Current and Deferred tax are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively.

i) Current Tax

The Company provides current tax based on the provisions of the Income Tax Act, 1961 applicable to the Company.

ii) Deferred Tax

Deferred tax is recognised using the Balance Sheet approach. Deferred tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or liability is settled, based on tax rates (and tax laws) that have been enacted or substantially enacted at the reporting date. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

s) Provisions, Contingent liabilities, Contingent assets and Commitments:

i) Provisions:

The Company recognizes provisions for liabilities and probable losses that have been incurred when it has a present legal or constructive obligation as a result of past events and it is probable that the Company will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a financing cost.

ii) Contingent liability is disclosed in the case of:

- A present obligation arising from past events, when it is not probable that an out flow of resources will be required to settle the obligation:
- A present obligation arising from past events, when no reliable estimate is possible:
- A possible obligation arising from past events, unless the probability of out flow of resources is remote.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

iii) Other Litigation claims:

Provision for litigation related obligation represents liabilities that are expected to materialise in respect of matters in appeal.

iv) Onerous contracts:

Provisions for onerous contracts are recorded in the statements of operations when it becomes known that the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received.

v) Contingent Assets : Contingent Assets are not recognised but disclosed in the financial statements when an inflow of economic is probable

t) Exceptional Items:

On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the company is such that its disclosure improves the understanding of the performance of the company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

u) Earnings per share:

Basic Earnings per share is calculated by dividing the profit from continuing operations and total profit, both attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. In case there are any dilutive securities during the period presented, the impact of same is given to arrive at diluted earning per share.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

v) Segment accounting:

The company's business falls within a primary business segment viz "Manufacturing and Trading of Aluminium Foil in various forms"

w) Financial statement classification:

Certain line items on the balance sheet and in the statement of Profit and Loss have been combined. These items are disclosed separately in the Notes to the financial statements. Certain reclassifications have been made to the prior year presentation to conform to that of the current year. In general the company classifies assets and liabilities as current when they are expected to be realized or settled within twelve months after the balance sheet date.

x) Fair value measurement:

The Company measures financial instruments such as derivatives and certain investments, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability. Or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non- financial asset takes in to account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole at the end of each reporting period).

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

The Ministry of Corporate Affairs (MCA) notifies new Indian Accounting Standards or amendments there to. There is no such notification which would have been applicable from April 1st 2021.

(xi) Sensitivity Analysis							
The sensitivity of defined benefit obligations to changes in the weighted principal assumptions is :							
	Change in Assumption	Increase in Assumption			Decrease in Assumption		
		Impact	31-Mar-21	31-Mar-20	Impact	31-Mar-21	31-Mar-20
Discount Rate per annum	0.50%	Increase by	(12.44)	(11.98)	Decrease by	13.39	12.88
Future salary increases	0.50%	Increase by	13.43	12.93	Decrease by	(12.60)	(12.13)
<p>The above sensitivity analysis is based on a change in assumption while holding all the other assumptions constant. In practice, this is unlikely to occur, and change in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in balance sheet.</p>							
(xii) Maturity Profile of Defined Benefit Obligation		Sr. No.	Year	Amount			
		a)	0 to 1 Year	126.58			
		b)	1 to 2 Year	38.61

		e)	4 to 5 Year	25.19			
		f)	5 to 6 Year	14.00			
		g)	6 Year onwards	166.69			
(xiii) Risk exposure							
<p>The gratuity scheme is a final salary Defined Benefit Plan that provides for lump sum payment made on exit either by way of retirement death, disability, voluntary withdrawal. The benefits are defined on the basis of final salary and the period of service and paid as lump sum at exit. The plan design means the risk commonly affecting the liabilities and the financial results are expected to be:</p>							
A) Salary Increases: Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.							
B) Investment Risk: If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.							
C) Discount Rate: Reduction in discount rate in subsequent valuations can increase the plan's liability.							
D) Mortality & disability: Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.							
E) Withdrawals: Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.							
b) Leave Encashment (Unfunded)							
The Leave Encashment liability of Rs. 85.21 lacs form part of long term provision Rs. 68.25 Lacs (PY Rs. 56.29 Lacs) and short term provision Rs.16.96 Lacs (PY Rs. 13.98 Lacs) and is unfunded and does not require disclosures as mentioned in para 158 of Ind AS 19.
