Message from Managing Director's Desk

“Challenges lead to opportunities for growth”

R. DORAISWAMY Managing Director

Dear Valued Shareholders,

The past financial year brought headwinds for the economy and overall industry, in the form of the COVID-19 pandemic. As you all are aware, the pandemic adversely impacted entire supply chains, logistics and business operations across sectors in India and globally. Several regions in India are still under the impact of the second wave of this pandemic.

However, I am proud to say that our Company has shown tremendous resilience and sustainability through this tumultuous period. Our standalone revenue for this fiscal grew 6.82% year-on-year to Rs. 605.62 cr, while EBITDA and PAT stood at Rs. 61.79 cr and Rs. 20.67 cr, respectively. In terms of vertical performance, our Industrial Switchgears division contributed 41.3% to revenue, while Wires and Cables accounted for 52.8%, with a strong growth. The Building products division contributed only 5.4% to revenue mainly due to a muted real estate sector especially in the initial quarters. With a revival in this sector, we can hope to see higher revenues from this division. The Energy management is an order book driven business and revenue was primarily from annual maintenance contracts. The lag in passing on the raw material price increase to the customers, impacted margins during this period. Exports during the year grew, accounting for 20% of our top line. This was mainly from Europe and North America. We continue to focus on our export markets as well, with an aim to add more regions to our purview.

The initial months were most affected by the lockdown, but over the last two quarters, we

have seen gradual recovery as markets are slowly opening up in India and abroad. We utilized the lockdown period in planning, fine tuning, re-examining our set goals, constraints and focussing on building a contingency fund for any future crises. As factories reopened in a phased manner, we took all necessary steps and precautions for the well-being of our employees. Looking ahead, it is still early to make long/medium-term projections, but the market sentiment looks optimistic as vaccination increases and the COVID-impact subsides across regions. In April-May 2021, we even held a vaccination drive for all our employees.

Our ability to sustain through turbulent market scenarios is based on our widespread geographical reach, strong client relationships and brand presence, and our innovation-driven diverse product portfolio. Moreover, synergies from our recent acquisition of Kaycee Industries are also coming together. The acquisition was with the clear aim to capture a larger market, expand our customer-base and boost our portfolio of industrial switchgears. The move is giving us a substantial competitive advantage in the industry.

We, at Salzer, are continuously engaging in R&D and innovation to bring new and advanced technology products to the market, staying abreast with new technologies. With emission norms getting more stringent in the automotive industry, electric vehicles (EV) are likely gain more widespread acceptance and adoption. While several developed nations are already moving towards EVs, India also has a long-term plan to increase the share of EVs amongst

vehicles on road. This would entail investments in charging stations and cables, which would require switchgear and cable products, thereby benefiting companies like ours.

In line with this, we have recently entered into Two Joint Ventures in the EV Field.

One is a technical alliance with Kostad Steuerungsbaubau GmbH, an Austria-based specialist in EV FAST chargers. With this firm, we are forming a joint venture company named Salzer Kostad EV Chargers Pvt Ltd, which will manufacture DC FAST chargers with latest advanced technology for e-vehicles along with related components and systems. Salzer would have a 26% equity stake in this JV, and would manufacture and market these products across India, Southeast Asia and the Middle East. Kostad's technical know-how, combined with our manufacturing capabilities, places us in a position to capture a potentially large market-base in the future.

Second one is with EMarch LLP an India based technology Start-up who has IP for Electric Conversion Kits for Auto rickshaws, Cars and busses. We have floated a 100% Subsidiary in the name of Salzer EV Infra Pvt Ltd., Going forward all investments into EV business will be done through this subsidiary. Now, we along with EMarch will form a JV in the name of Salzer Emarch Emobility Pvt Ltd. to manufacture E Conversion kits for Auto rickshaws to start with and then for Cars & busses going forward.

In the post-COVID scenario, we are continually working on being future-ready to be able to grab new opportunities going forward. Our focus has always been on driving sustainable growth and increasing efficiencies across all our business with a clear target of improving our returns on capital employed. The pandemic has brought a lot of new learnings and opportunities for us, and I believe the team and our Company has come out stronger.

Value Creation

Salzer has successfully gone through multiple technology cycles over the last three decades, adapting each time to build new capabilities and help our clients achieve the benefits of these new technologies which will enable us to compete in the Global Markets. Our responsiveness, agility, and adaptability to change have been core to our endurance.

Though in this fluid and uncertain environment it is difficult to predict and give FY22 targets, but our internal target would be not just to maintain last year's performance but strive to outperform. Our team of capable engineers working in various departments along with the investments made are helping us create customised solutions for our customers and understanding their future needs. Our vision/aim continues to be sustainable value creation for all stakeholders. This vision reflects in each and every employee of our company, who is working towards improving productivity, reducing costs and enhancing return on capital in the long run.

Looking Forward

India is emerging as a preferred destination for global companies to source products from here. With adopting advanced technologies in manufacturing, labour availability and supply chain, many companies are looking at India as a viable option for their requirements. There is support from the Government also, through 'Make in India' initiative to help boost local manufacturing and thereby increase contribution of export from India.

We, at Salzer, are excited about these opportunities that the industry has to offer going forward. We have already started witnessing a strong revival in demand from our export markets, enabling us to increase our revenues and utilizing our capacities more efficiently.

I am proud to have a motivated team of people who come together during times of crisis and are dedicated to performing better. Together, we will continue to focus on growing our business, improving our working capital cycle & efficiencies leading to a higher return on capital employed. Even as the second wave of the pandemic continues, the team has demonstrated its mettle and come out strong.

I would like to thank all our stakeholders for their untiring efforts in all our endeavours. We continue to look forward to your support, motivating us to reach newer heights!

R.DORAISWAMY

"RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorised to do all such acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution."

Order of the Board
For Salzer Electronics Limited

S. BASKARA SUBRAMANIAN

Director (Corporate Affairs) &
Company Secretary
(DIN :00003152& FCS No.4605)

Date: June 15, 2021
Place: Coimbatore

Notes:

1. The relative Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 Act setting out material facts concerning the business under Item Nos. 5 & 6 of the Notice, is annexed hereto. The relevant details as required under Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, of the person seeking appointment/ re-appointment as Director under Item Nos. 3,4 & 5 of the Notice, are also annexed.
2. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed, the Government of India, ("MCA") has vide its circular dated May 5, 2020 read with circulars dated 8th April, 2020, 13th April, 2020, 15th June, 2020, 28th September, 2020, 31st December, 2020 and 13th January, 2021 (collectively referred to as "MCA Circulars") permitted the holding of the "AGM" through Video Conferencing (VC) / Other Audio Visual Means (OAVM), without the physical presence of the Members at a common venue. Accordingly, in compliance with the provisions of the Act, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, the 36th AGM of the Company is being held through VC/OAVM.
3. Hence, members can attend and participate in the AGM through VC/OAVM only. The detailed procedure for participation in the meeting through VC/OAVM is given in page no. 13 and also available at the Company's website www.salzergroup.net

NOTICE (Contd.)

4. The AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
5. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
6. 13. The dividend, as recommended by the Board of Directors of the Company, if declared at the Annual General Meeting, will be paid within the stipulated time to those Members whose names stand registered on the Company's Register of Members:-
 - a) in respect of shares held in dematerialized form, the Beneficial Owners are as at the end of business hours on Friday the **August 27, 2021** as per the list to be furnished by National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL).
 - b) in respect of shares held in physical form, the Beneficial Owners are the Members in the Register of Members of the Company after giving effect to valid share transmission / transposition lodged with the Company, on or before **August 26, 2021** and whose names appearing in the Register of Members as at **August 27, 2021** in respect of Members holding shares in physical form.
14. Members holding shares in dematerialized form are requested to intimate all changes pertaining to **their bank details** such as bank account number, name of the bank and branch details, MICR code and IFSC code, mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., **to their depository participant** (DP). Changes intimated to the DP will then be automatically reflected in the Company's records which will help the Company and the Company's Registrars and Transfer Agents, M/s. GNSA Infotech Limited (GNSA) to

NOTICE (Contd.)

provide efficient and better services. Members holding shares in physical form are requested to intimate such changes to GNSA / Company.

15. **As per SEBI regulations, except in case of transmission or transposition of securities, requests for effecting transfer of securities in physical mode has totally been done away with effective April 01, 2019.**
16. In view of the above, the members holding shares in physical form are requested to consider converting their holdings into electronic mode and to avail various benefits of dematerialisation and to eliminate all risks associated with physical shares and for ease of portfolio management.
17. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or RTA - GNSA, the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes.
18. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The said form can be downloaded from the Company's website www.salzergroup.net (under 'Investors' section). Members holding shares in physical form may submit the same to RTA /Company. Members holding shares in electronic form may submit the same to their respective depository participant (DP).
19. **Those Members who have so far not encashed their dividend warrants for the Financial year 2013-14**, may approach GNSA, for making their claim without any further delay as the said unpaid dividends will get transferred to the Investor Education and Protection Fund of the Central Government before August 2021 pursuant to the provisions of Companies Act 2013. Further Ministry of Corporate Affairs has notified on September 05, 2016 on the operation of Section 124(6) of the Companies Act 2013 and Related Rules - Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 effective September 07, 2016 which, inter alia, contain provisions for transfer of all shares in respect of which dividend has not been paid or claimed for seven consecutive years in the name of IEPF Suspense Account.
20. Due dates for transfer of unclaimed / unpaid dividends from the financial year 2013-14 are as under and thereafter the unclaimed/unpaid dividend amount will be transferred to IEPF:

FY ended	Declaration Date	Last date for encashment	Due Date
2013-14 (31.03.2014)	09.08.2014	14.09.2021	13.10.2021
2014-15 (31.03.2015)	08.08.2015	13.09.2022	12.10.2022
2015-16 (31.03.2016)	13.08.2016	19.09.2023	17.10.2023
2016-17 (31.03.2017)	09.08.2017	15.10.2024	14.11.2024
2017-18 (31.03.2018)	22.09.2018	28.10.2025	26.11.2025
2018-19 (31.03.2019)	10.08.2019	14.09.2026	13.10.2026
2019-20 (31.03.2020)	No dividend Declared		

21. Shareholders are requested to note that no claim shall lie against the Company in respect of any amounts, which were unclaimed and unpaid for a period of 7 consecutive years and transferred to Investor Education and Protection Fund of the Central Government. However, Shareholders may claim from IEPF Authority both unclaimed dividend amount and the shares transferred to IEPF Suspense Account as per the applicable provisions of Companies Act, 2013 and rules made thereunder.
22. Adhering to the various requirements set out in the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company transferred all shares to the IEPF Authority in respect of which dividend had remained unpaid or unclaimed for seven consecutive years or more as on the due date and the details of which, are available on the website of the Company and the same can be accessed through the link: <http://www.salzergroup.net/investors.html>. The said details have also been uploaded on the website of the IEPF Authority and the same can be accessed through the link: www.iepf.gov.in.
23. Members may note that shares as well as unclaimed dividends transferred to IEPF Authority can be claimed back from them. Concerned members/ investors are advised to visit the webpage: <http://www.iepf.gov.in/IEPFA/refund.html> or contact our RTA for lodging claim for refund of shares and/or dividend from the IEPF Authority.

NOTICE (Contd.)

24. A sum of ₹.3,49,176/- has been transferred to the Investor Education and Protection Fund in the year 2020 towards unclaimed/unpaid dividend declared during August 2013 for the year 2012-13.
25. The Securities and Exchange Board of India ("SEBI") has mandated the submission of Permanent Account Number (PAN) by every participant in securities market.
26. Members holding shares in physical mode:
 - a) are required to submit their Permanent Account Number (PAN) and Bank Account details to the Company/ RTA, if not registered with the Company as mandated by SEBI.
 - b) are requested to register / update their e-mail address with the company / RTA for receiving all communications from the company electronically.
27. Members holding shares in electronic mode:
 - a) are required to submit their Permanent Account Number (PAN) and Bank Account details to their DPs with whom they are maintaining their demat account.
 - b) are requested to register / update their e-mail address with their DPs for receiving all communications from the company electronically.
28. Non-Resident Indian members are requested to inform RTA / respective DPs, immediately of:
 - a) Change in their residential status on return to India for permanent settlement.
 - b) Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.
29. To support the 'Green Initiative', Members who have not registered their e-mail addresses are requested to register the same with DPs / GNSA.
30. In compliance with the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, and Regulation 44 of the SEBI Listing Regulations, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by NSDL, on all the resolutions set forth in this Notice. The instructions for e-voting are given herein below. Resolution(s) passed by Members through e-voting is/are deemed to have been passed as if they have been passed at the AGM.
31. The Board of Directors has appointed G V and Associates, Company Secretaries as the Scrutinizer to scrutinize the voting at the meeting and remote e-voting process in a fair and transparent manner.
32. The facility for voting, either through electronic voting system or polling paper shall also be made available at the AGM and the Members attending the meeting who have not already cast their vote by remote e-voting shall be able to exercise their right to vote at the AGM.
33. The Members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM through VC / OAVM but shall not be entitled to cast their vote again. The facility of casting votes by a member using remote e-voting as well as e-voting system on the date of the AGM will be provided by NSDL.

PROCEDURE AND INSTRUCTIONS FOR REMOTE E-VOTING ARE AS UNDER:-

- I. (i) **The remote e-voting period begins on Wednesday, September 08, 2021 (9.00 a.m.) and ends on Sunday, September 12, 2021 (5.00 p.m.).** During this period, shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Monday, September 06, 2021 may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote during the meeting

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

NOTICE (Contd.)

EXPLANATORY STATEMENT

As required by Section 102 of the Companies Act, 2013 ("Act"), the following explanatory statement sets out all material facts relating to the business mentioned under Item Nos. 5 and 6 of the accompanying Notice:

Item No. 5

Similarly Mr.D.Rajeshkumar (DIN: 00003126) was last re-appointed as Joint Managing Director by the shareholders at their 31st Annual General Meeting held on August 13, 2016 with a term of five years effective October 01, 2016.

The Board of Directors, at their meeting held on August 09, 2014, appointed aforesaid Mr.D.Rajeshkumar as a Chief Financial officer of the Company in order to fulfil the requirements under Section 203 of the Companies Act 2013.

Considering his term expiring on October 01, 2021, your Board of Directors, at their Meeting held on June 15, 2021, re-appointed Mr.D.Rajeshkumar (DIN: 00003126), as Joint Managing Director and Chief Financial Officer of the Company for an another consecutive term of five years effective October 01, 2021 based on the recommendation of Nomination and Remuneration Committee, in compliance with provisions of Sections 196, 197, 198, 203 and other applicable provisions of the Companies Act, 2013 and the rules made thereunder read with Schedule-V of the Companies Act, 2013, upon such regulations as specified under SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, in line with terms of Company's policy for Nomination and Remuneration Committee and subject to approval by the Shareholders at their 36th Annual General Meeting, with a set of terms and conditions as more particularly given in the resolutions.

Mr.D.Rajeshkumar is also a Promoter and young entrepreneur having a dynamic power to elevate the Company's performance. He has demonstrated his wide array of skills in the last 20 years to make the Company from Rs.100 Crores business to Rs.600 Crores business now. Accordingly, your Board recommended his re-appointment for another term of five years and necessary resolutions have been placed before the

Members for their consideration and approval by means of ordinary resolutions.

Approval of the members is required by way of Ordinary Resolutions for appointment and payment of remuneration.

The office of Joint Managing Director and the Office of Chief Financial Officer in respect of Mr.D.Rajeshkumar will not co-exist. If he happens to resign any office under any circumstances, he may, if Board decides, continue with other office as well in pursuance of applicable Act and Regulations and his term of office is subject to retirement by rotation.

Except Mr.D.Rajeshkumar Joint Managing Director and Chief Financial Officer, Mr.R.Doraiswamy, (being father), Mr.D.Vishnu Rangaswamy (being brother) and Dr.Mrs.RajeshkumarThilagam, Non-Executive Director (being wife) or their relatives, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise in this resolution set out at item no. 5.

Details of Mr. D.Rajeshkumar are provided in the "Annexure" to the Notice.

Item No.6

Pursuant to Section 148 of the Companies Act, 2013 and Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the Company is required to appoint a cost auditor to audit the cost records for the applicable products of the Company. On the recommendation of the Audit Committee at its meeting held on June 15, 2021, the Board considered and approved the appointment of CMA.A.R.Ramasubramania Raja (M.No. 32458) as the cost auditor for the FY 202122 at a remuneration of Rs.1,15,000/- plus applicable service tax and reimbursement of out-of-pocket expenses on actual basis. The Board of Directors recommends the Ordinary Resolution as set out in Item No. 6 of the Notice for the approval of the shareholders.

None of the Directors, Key Managerial Personnel, or their relatives is in any way, concerned or interested, financially or otherwise, in the said resolution.

NOTICE (Contd.)

2. A LOOK INTO THE STATE OF AFFAIRS

The Financial year 2020-21 affected by unprecedented challenges posed by COVID-19 pandemic that adversely affected the business operations not only at the national but at the international level also which put the lives of the people at great risk. During the year, every Country was required to reorient its programs to contain the spread of the virus and one of such measures was lockdown pronounced by the Government,

which led to the suspension of business operations for some time and caused disruption in the supply chain. Even now, the impact still continues across the country by way of second wave. This situation led us to severely restrict our manufacturing operations in all the units, shutting down of offices and workplaces resulting in a financial stiffness. In these trying times, your Company has shown tremendous resilience and has come out with a recognisable performance in the financial year that has just concluded.

DIRECTORS' REPORT (Contd.)

In the year 2020-21, your Company on a standalone basis has earned revenue of ₹.605.62 Crs and registered a growth of around 7% over the corresponding period of the year - 2019-20. The Wires and Cables division was the major contributor to the growth in the year.

However, the profitability of the Company has significantly suffered in the year due to increase in Prices of raw materials such as copper, plastics, steel and every other material throughout the year. Considering the likely impact of the competition in the market, your Company was able to pass on the price increase only to a limited extent in some of the product lines and consequently resulting in the margins getting reduced to the extent.

Your company's export markets showed viable signs of a strong recovery with substantial demand for our products coming in from developed countries. The Contribution from exports was 20% in FY21, as against 17.17% in FY20, mainly driven by higher exports to the US and other regions. Exports grew at 24.56% in FY21.

Your Company expects that the near-term market situation could still be somewhat unsettled given the on-going second wave of the pandemic and the continuance partial lockdowns in various parts of India. But based on demand recovery and positive indications from various OEMs and customers, your Company is quite optimistic about a profitable growth in the current year. Your company is well positioned to cater to any demand across the markets and is poised to take up any opportunities coming its way.

The domestic business and retail market started moving up and slowly catching up the Pre-Covid -19 level that reflects in Company's Switch Gear and Building segments business, being on a recovery path from the fourth quarter. Your Company is hopeful that in the current financial year, a demand for its products would continue to gain momentum despite some headwinds.

3. Standalone financial result

For reasons as stated above, the business in the first quarter of the FY21 was adversely impacted the revenues that have a big impact on the EBITDA and PAT for the full year. Hence, the results may not be directly comparable with the previous corresponding year.

The Company's standalone revenue stood at ₹.605.6 crores, up by 6.8% over that of the previous year. A strong demand for the Wire Harness products, Three Phase Transformers, Wires and Cables business altogether in the later part of the year offset the impact of COVID-19 on the first quarter.

EBITDA for FY 21 stood at ₹.61.8 crores compared to ₹.65.2 crores in FY 20, a decline of 5.2%, mainly

due to increase in raw material prices. Similarly, EBITDA margin in FY21 stood at 10.2% as against 11.5% in the previous corresponding period-squeezed by the rise in raw material prices and also higher contribution from the low yielding Wires and Cables business.

Profit After Tax at ₹. 20.67 crore in FY21 as against ₹. 26.39 crore in FY20 with a de-growth rate of 22% which was attributable to the substantial reversal of deferred tax amount of ₹.4 crores in FY20 due to adoption of New Tax Regime under Section 115BAA of the Income Tax 1961 and consequent reduction in the Tax Rates.

Your Company's focus will continue to remain on adding new high margin products, reach out to different markets with customized products and solutions in order to add new clients to grow our business and constantly looking for new opportunities for technical associations to strengthen our base for offering of products - existing and new.

Your Company would always strive to focus itself on adding new high margin products to its Portfolio, reach out to new geographies and offer Total Solutions to its customers besides strengthening the current revenue drivers, improving Return on Capital Employed, working capital cycle as well as constantly looking for the new opportunities for technical association in the emerging areas for developing components, parts etc., and charging stations for the Electric Vehicles.

a. Industrial switch gear Division

The industrial switch gear business is one the largest contributors to overall revenues of your Company. This division comprises of legacy products like Cam Operated Rotary Switches and Load Break Switches, apart from Toroidal Transformers, Relays, Wire Harness, Three Phase Dry Type Transformers, Contactors, Over Load relays & MCB's etc.,. During the year, this division made a 41% contribution to the total revenues of the Company.

The Company's new Wire Harness product has achieved a consistent growth rate ever since it was introduced in the market- mainly driven by the business from various existing OEMs. Wire Harness business grew at 122% year-on-year in FY21. Industrial Switch Gear division's EBITDA margin percentage stood at 14.6% for FY21 as against 15.4% in FY20. The Decline is mainly due to increase in Raw Material prices.

b. Wires and cables Division

There was an overall increase in demand across all sectors for Wires and Cables. Price increase coupled with a significant growth in volumes led to a 63% year-on-year increase for this division during Q4 of FY21. For Full year in FY21, the division had a

DIRECTORS' REPORT (Contd.)

growth of 20%. This division's EBITDA stood at 7.7% for the year FY 21 and contributed 53% to the overall revenue of the Company.

c. Building Products Division

This is the only segment where your Company has been operating on a B2C basis. The Portfolio under this Segment involves Distribution Boards, Modular Switches & Speciality Switches, Movement Sensors, Remote Switches, Single Phase Motors Switches, House Wires, MCB's etc.,. The building segment product division contributed around 5% to your Company's revenues in 2020-21.

The Consumer sentiment in the real estate market was relatively muted this year. However, the Company is seeing some signs of gradual recovery now which could help to increase the contribution from this segment to the overall revenues in the current year.

d. Energy management Division

The energy management segment is an order driven business. This is a new technology-oriented business developed by your Company's in-house R&D team. Energy Management division, during the full year FY21, has contributed only 1% to the total revenues of the Company. There are no ongoing projects as of now and hence no revenues from this Division for Q3 and Q4 in FY 21.

e. Pandemic and its impact on the affairs of the Company

As already indicated earlier, Covid-19 caused a huge impact both on the lives and livelihood of the people across the globe and posed unprecedented challenges for survival right from March 2020. Owing to this, business activities were severally hampered, the supply chain was heavily disrupted particularly during the first quarter of the financial year 2020-21 due to lockdowns and severe restrictions in the people movement.

As directed by the Government authorities, your Company suspended its Operational activities in all its Units in the first one and half months of the year, and thereafter for another one and half months, we were operating at 50% Capacity. During this period, the sales took a huge hit which cast its shadow on the full year's financial results. Subsequent to the Lock downs, all Units resumed operations in strict compliance with the Standard Operating Procedures and other Guidelines issued by the Government Authorities from

time to time we took the utmost care in protecting well being of the employees at all levels.

In its efforts to be a responsible employer, the company had reacted out to its employees with timely and periodical assistance - attending to the medical needs and recognizing their predicaments conducted Vaccination Drives across all its Units in the months of April and May 2021 and the employees were administered COVID Vaccine. The employees are strictly advised to follow all safety procedures during these pandemic times. Further, depending on the exigencies of the situation, the company is extending its help to its employees in a significant measure.

The Company, as mark of its support to the Government efforts in saving the lives of People from deadly Corona Virus, contributed ₹.25 Lakhs to Chief Minister's Public Relief Fund (CMPRF) during May 2021.

4. CONSOLIDATED FINANCIAL RESULT

i) Your company's consolidated revenue for the financial year 2020-21 was Rs.625.73 crores, which is not comparable with the previous year containing the results only for the period between date of acquisition of controlling stake in Kaycee in July 2019 and March 31, 2020. For your information, we would like to state that the affairs of the Subsidiary situated in the state of Maharastra were severely affected by a continuous period of lockdowns. As the result, the Subsidiary could only earn revenue of ₹.23 Crores in the year and its profitability and rate of return on capital employed came down considerably. However, the Subsidiary was able to maintain its dividend distribution pattern for the year and

ii) Further, your Company performed a detailed assessment of its liquidity position and the recoverability of the assets as on the balance sheet date and concluded that based on the indicators of future economic conditions, the carrying value of the assets would be recovered. Your Company believes that it had fully considered the possible impact of all the known events arising from COVID-19 pandemic in its assessment. However, the impact assessment of COVID-19 is a continuing process. Your Directors will continue to monitor any material changes to future economic conditions.

5. DIVIDEND

Your Board of Directors at their meeting held on June 15, 2021 considered the proposal of Dividend for the financial year ended March 31, 2021 and recommended a Dividend at the rate

DIRECTORS' REPORT (Contd.)

of 16% i.e ₹. 1.60 per equity share of ₹. 10/- each for the financial year 2020-21 which will involve a cash outgo of ₹.255.72 Lakhs.

The above recommended dividend, if approved by you at the Annual General Meeting, will be payable to all eligible shareholders whose name appears on the relevant date, within the stipulated time as permitted under the Provisions of the Companies Act, 2013.

NOTE:- As announced in the Union Budget in February 2020, the Dividend is now taxable in the hands of the recipient, and the Company is required to deduct the TDS from the Dividend payment to the shareholders exceeding ₹.5,000/- at the rate of 10%, and 20% for Non PAN Shareholders.

6. CAPITAL STRUCTURE AND OTHER RELATED ISSUES

Amendment to the Memorandum and Articles of Association

During the year under review, your Company has not amended any Provisions in the Memorandum and Articles of Association.

7. CORPORATE GOVERNANCE

As required under Schedule V(C) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, a separate section on corporate governance practices followed by the Company, together with a certificate from the Company's Auditors confirming compliance are attached to this report as Annex: 1

8. RESERVES

Your Board of Directors, as a prudent policy, in the absence of specific provisions in the Companies Act 2013 and Rules made there-under, have transferred ₹.50.00 Lakhs to the General Reserve Account. Now, your Company has General Reserve of ₹. 2,008.46 Lakhs as at March 31, 2021.

9. LIQUIDITY

a) The Company has adequate cash and cash equivalents in its Books as at March 31, 2021 taking care of all current liabilities comfortably.

b) Further, your Company performed a detailed assessment of its liquidity position and the recoverability of the assets as on the balance sheet date and concluded that based on the indicators of future economic conditions, the carrying value of the assets would be recovered. Your Company believes that it had fully considered the possible impact of all the known events arising from COVID-19 pandemic in its assessment. However, the impact assessment of COVID-19 is a continuing process. Your Directors will continue to monitor any material changes to future economic conditions.

10. CHANGE IN THE NATURE OF BUSINESS, IF ANY

During the year, the nature of the business of your Company Manufacturing of Electrical Installation Products- has not changed.

11. MATERIAL CHANGES AND COMMITMENTS AFFECTING THE FINANCIAL POSITION OF THE COMPANY WHICH HAVE OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR OF THE COMPANY TO WHICH THE FINANCIAL STATEMENTS RELATE AND THE DATE OF THE REPORT

Though there was a localised Lockdown imposed by the State Government during the month of May and June 2021 to contain the Covid -19 in its second wave, the operations of the Company have not been significantly impacted and affected the financial position during the period between the end of the financial year of the Company to which the Financial statements relate and the date of this report.

12. DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND COMPANY'S OPERATIONS IN FUTURE

No orders were passed by any Court in India or by any Regulator or by Tribunal affecting the going concern status and Company's operations in future, during the year under review and also upto the date of this report.

13. DETAILS IN RESPECT OF ADEQUACY OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS.

The Company has put in place adequate internal financial controls over financial reporting. These are reviewed periodically and made part of work instructions or processes in the Company. The Company continuously tries to automate these controls to increase its reliability.

The Company has adopted accounting policies which are in line with the Indian Accounting Standards notified under Section 133 of the Companies Act, 2013 read together with the Companies (Indian Accounting Standards) Rules, 2015. Changes in policies, if any, are approved by the Audit Committee in consultation with the Statutory Auditors.

The Company has identified inherent reporting risks for each major element in the financial statements and put in place controls to mitigate the same. These risks and the mitigation controls are reviewed periodically in the light of changes in business, IT systems, regulations and internal policies. Corporate accounts function is involved in designing large process changes as well as validating changes to IT systems that have a bearing on the books of account.

DIRECTORS' REPORT (Contd.)

The Company periodically conducts a physical verification of inventory, fixed assets and cash on hand and matches them with the books of accounts. No discrepancies were found during the year under review.

The Company, in preparing its financial statements, makes judgements and estimates based on sound policies and uses external agencies to verify/validate them as and when needed and appropriate. The basis of such judgements and estimates are also approved by the Audit Committee of the Board of Directors of the Company in consultation with the Statutory Auditors of the Company. The company has a well-

run internal audit system manned by competent external agencies. The system periodically reports to the Audit Committee any significant changes or non-confirmation to procedures.

The Company has a Code of Conduct applicable to all its employees as well as Board of Directors along with a Whistle Blowing Policy Mechanism.

14. DETAILS OF SUBSIDIARY/JOINT VENTURES / ASSOCIATE COMPANIES

Your Company has one Subsidiary Company - M/s.Kaycee Industries Ltd, Mumbai which is engaged in the business of manufacturing of electrical installation products.

THE FINANCIAL PERFORMANCE OF SUBSIDIARY COMPANY FOLLOWS AS UNDER

Peer evaluation

The Companies Act, 2013 states that a formal annual evaluation needs to be made by the Board of its own performance and that of its committees and individual directors. Schedule IV of the Companies Act, 2013 states that the performance evaluation of independent directors shall be done by the entire Board of Directors, excluding the director being evaluated. The evaluation of all the directors and the Board as a whole was conducted based on the criteria and framework adopted by the Board. The evaluation process has been explained in the corporate governance report.

E) Committees of the Board.

Currently, the Board has five committees: the Audit Committee, the Nomination and Remuneration Committee, the Corporate Social Responsibility Committee, Stakeholders Relationship Committee, and the Risk Management Committee. A detailed note on the composition of the Board and its committees is provided in the corporate governance report section of this Annual Report.

25. LISTING REGULATIONS

Your Company has duly complied with various Regulations as prescribed under SEBI (Listing obligations and Disclosures) Regulations 2015.

26. MEETINGS

The details in respect of the Meeting of the Board of Directors, Audit Committee and all other sub Committee are given in the Corporate Governance Report.

27. WHISTLE BLOWING POLICY MECHANISM

A whistle blowing policy mechanism has been in place providing opportunity to Directors/Employees

- To access in good faith, to the Audit Committee in case they observe unethical and improper practices or any other wrongful conduct in the Company,
- to prohibit managerial personnel from taking any adverse personnel action against those employees and
- to provide necessary safeguards for protection of employees from reprisals or victimization

This policy applies to all directors and employees of the Company to report concerns about unethical behaviour, actual or suspected fraud or violation of the company's code of conduct or ethics policy

To report such incidents, practices etc., the concerned Employees / Directors can contact / report to

Office of the Audit Committee (Compliance Officer)

E-Mail : baskarasubramanian@salzergroup.com

Contact No. 0422 4233614

Office of the Managing Director

E-Mail : rd@salzergroup.com

Contact No.0422-4233612

Office of Joint Managing Director and Chief Financial Officer

E-Mail : rajesh@salzergroup.com

Contact No.0422-4233610

During the year under review, no complaint was received by the above officers under whistle blowing policy mechanism with respect to the performance of the company and other related matters.

28. PREVENTION OF SEXUAL HARASSMENT AT THE WORK PLACE

The Company has constituted an Internal Committee (IC) in all the Units to consider and resolve all sexual harassment complaints reported by women. The constitution of the IC is as per the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. All employees (permanent, contractual, temporary, trainees) are covered under this policy.

During the year under review, the Committee has not received any complaint.

29. NOMINATION AND REMUNERATION COMMITTEE

The purpose of the committee is to screen and to review individuals qualified to serve as executive directors, non-executive directors and independent directors, consistent with policies approved by the Board, and to recommend, for approval by the Board, nominees for election at the AGM.

The committee also makes recommendations to the Board on candidates for

- (i) nomination for election or re-election by the shareholders; and
- (ii) any Board vacancies that are to be filled.

It also reviews and discusses all matters pertaining to candidates and evaluates the candidates. The Nomination and Remuneration Committee coordinates and oversees the annual self-evaluation of the Board and of individual directors.

DIRECTORS' REPORT (Contd.)

The nomination and remuneration committee's charter and policy are available on our website.

30. POLICY ON THE DIRECTORS APPOINTMENT AND REMUNERATION

In accordance with the Regulation 17 of SEBI (Listing Obligations and Disclosures Requirements) Regulation 2015 read with Salzer's Policy for Nomination and Remuneration, the Board is having an optimum combination of the executive, non-executive and independent directors. As of March 31, 2021, the Board has eleven members, four of whom are Executive Directors; two are Non-Executive and Non-Independent member and five Independent Directors. One non-executive and non-independent member of the Board is a woman. The policy of the Company on directors' appointment and remuneration, including the criteria for determining qualifications, positive attributes, independence of a director and other matters, as required under sub-section (3) of Section 178 of the Companies Act, 2013, is available on its website.

We affirm that the remuneration paid to the directors is as per the terms laid out in the Nomination and Remuneration Policy of the Company.

31. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

During the year under review,

- During the year, the Company has not granted/taken loans, unsecured, from or to Companies, firms or other parties, listed in the Register maintained under section 189 of the Companies Act, 2013 ('the Act'), the terms and conditions are not prima facie prejudicial to the interest of the Company during the course of its business and
- The investments in other bodies corporate are well within the limit as prescribed under Section 186 of the Companies 2013.

32. RELATED PARTY TRANSACTIONS

All the transactions of the Company with related parties are at arms' length and have taken place in the ordinary course of business. None of the transactions with related parties is a material transaction. Since there are no transactions that are not in arms' length and material in nature, disclosure under AOC 2 does not arise. A copy of the Related Party Transaction Policy is available at the Company's website www.salzergroup.net

33. INSIDER TRADING

The Board of Directors has adopted the Insider Trading Policy in accordance with the requirements of the SEBI (Prohibition of Insider Trading) Regulation, 2015. The Insider Trading Policy of the Company lays down guidelines and procedures to be

followed, and disclosures to be made while dealing with shares of the Company, as well as the consequences of violation. The policy has been formulated to regulate, monitor and ensure reporting of deals by employees and to maintain the highest ethical standards of dealing in Company securities. The Insider Trading Policy of the Company covering code of practices and procedures for fair disclosure of unpublished price sensitive information and code of conduct for the prevention of insider trading, is available on our website www.salzergroup.net

34. MANAGERIAL REMUNERATION

- A) The Company has not employed any individual whose remuneration falls within the purview of the limits prescribed under the provisions of Section 197 of the Companies Act, 2013, read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 i.e
- No employee of the Company throughout the Financial year was in receipt of remuneration for that year which, in the aggregate, for Rupees one Crore and two Lakhs rupees and
 - No employee of the Company for a part of the Financial year was in receipt of remuneration for any part of year which, in the aggregate, for Rupees Eight Lakhs and Fifty Thousand per month
- B) The Company does not have such director who is in receipt of any commission from the company and who is a Managing Director or Whole-time Director of the Company receiving any remuneration or commission from any Holding Company or Subsidiary Company of such Company.

Details pursuant to section 197(12) of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 form part of this Report and are annexed herewith as Annex: 4.

35. SECRETARIAL AUDIT REPORT

In terms of Section 204 of the Companies Act, 2013, the Board of Directors, at their meeting held on June 18, 2020, appointed Mr. G Vasudevan, B.Com, LLB & FCS, M/s.G V Associates, Company Secretaries (Certificate of Practice No. 6522), as the Secretarial Auditor to conduct an audit of the secretarial records, for the financial year 2020-21 in terms of Section 204 of the Companies Act, 2013 read with Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

The Secretarial Audit Report for the financial year ended 31st March, 2021 is set out in the Annex: 5 to this report.

The Secretarial Audit Report does not contain any qualification, reservation or adverse remark except the following one

DIRECTORS' REPORT (Contd.)

Observation in the Report

The Annual Report 2020-21 contains only the Managing Director certification instead of both Chief Executive Officer and Chief Financial Officer

Management comments

Since the Company does not have any Chief Executive Officer, the Managing Director has been certifying Compliance Report as a person virtually acting as the Chief Executive Officer of the Company and

Due to some typo error, the certification of the Chief Financial Officer was left out inadvertently in the Report. This is purely a printing error and does not bear any significance on the Compliance.

36. COMPLIANCE ON SECRETARIAL STANDARDS

The Company complies with all applicable mandatory secretarial standards issued by the Institute of Company Secretaries of India.

37. TRANSFER OF UNCLAIMED DIVIDEND TO INVESTOR EDUCATION AND PROTECTION FUND

Pursuant to the applicable provisions of the Companies Act, 2013, read with the IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("the IEPF Rules"), all unpaid or unclaimed dividends are required to be transferred by the Company to the IEPF, established by the Government of India, after the completion of seven years. Further, according to the Rules, the shares on which dividend has not been paid or claimed by the shareholders for seven consecutive years or more shall also be transferred to the demat account of the IEPF Authority. During the year, the Company has transferred the unclaimed and unpaid dividends of ₹.3,49,176/-. Further, 8988 corresponding shares on which dividends were unclaimed for seven consecutive years were transferred as per the requirements of the IEPF rules. The details are available on our website at www.salzergroup.net

38. RISK MANAGEMENT POLICY

Risk management is attempting to identify and manage threats that could severely impact or bring down the organization. Generally, this involves reviewing operations of the organization, identifying potential threats to the firm and the likelihood of their occurrence, and then taking appropriate actions to address the most likely threats. In order to tackle such risks emanating during the course of business operation, the Board of Directors, constituted Risk Management Committee with an objective of identifying the potential threats that are likely to impact the growth of the organization and evolve suitable measure strategically to mitigate such identified Risks.

Accordingly, the operating management review the risk profile which has got impact on the performance of the company in accordance with the policy of the company on Risk Management and also in compliance with the relevant regulations thereof on a periodical basis.

39. MANAGEMENT'S DISCUSSION AND ANALYSIS REPORT

In terms of the provisions of Regulation 34 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management's discussion and analysis is set out in this Annual Report as Annex: 6

40. COST AUDITOR

Pursuant to Section 148 of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Amendment Rules, 2014, the Directors, on the recommendation of the Audit Committee and subject to the approval of the Members, have appointed CMA Mr.A.R.Ramasubramania Raja, Practicing Cost and Management Accountant, as the Cost Auditor of the Company for the Financial Year 2021-22 to conduct the audit on the Maintenance of Cost Records of the Company and submit the report to the Central Government with the due approval of the Board of Directors within the stipulated time.

41. POLICIES OF THE COMPANY

The Company is committed to a good corporate governance and has consistently maintained its organizational culture as a remarkable confluence of high standards of professionalism and building shareholder equity with principles of fairness, integrity and ethics.

The Board of Directors of the Company have from time to time framed and approved various Policies as required by the Companies Act, 2013 read with the Rules issued thereunder and the Listing Regulations. These Policies and Codes are reviewed by the Board and are updated, if required.

Some of the key policies adopted by the Company are as follows:

- a) Policy on Materiality of Related Party Transactions
- b) Corporate Social Responsibility Policy
- c) Insider Trading Policy
- d) Nomination and Remuneration Policy
- e) Policy on Related Party Transactions
- f) Risk Management Policy
- g) Policy on prevention of sexual harassment at workplace
- h) Whistle Blower Policy

DIRECTORS' REPORT (Contd.)

- i) Policy on payment of remuneration to Non-Executive Directors
- j) Policy on Familiarization Program for the Non-Executive Directors
- k) Policy on Determination of materiality of events/information
- l) Policy for Preservation of Records
- m) Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information
- n) Policy on Subsidiary & Material Subsidiary Company

42. DIRECTORS' RESPONSIBILITY STATEMENT

In terms of Section 134(5) of the Companies Act, 2013, your Directors make the following statements:

- that in the preparation of the annual financial statements for the year ended March 31, 2021, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;
- that such accounting policies have been selected and applied consistently and judgments and estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2021 and of the profit and loss of the company for that period;
- that proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- that the annual financial statements have been prepared on a going concern basis;

The Management and the Board believe that it has taken into account all the possible impact of events arising from COVID 19 pandemic in the preparation of the financial statements including the ability of the Company to continue as going concern. However, the impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration.

- that internal financial controls are being followed by the company and that such internal financial controls are adequate and were operating effectively.
- that systems to ensure compliance with the provisions of all applicable laws are in place and are adequate and operating effectively

43. CREDIT RATINGS

During the year under review, the credit ratings have reaffirmed as '**CRISIL A/Stable**' for **long term borrowing** and '**CRISIL A1**' for **short term borrowings**.

44. INDUSTRIAL RELATIONS

During the year under review, industrial relations at the Company's all units have continued to remain cordial and peaceful.

45. DETAILS OF APPLICATION MADE OR ANY PROCEEDING PENDING UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016 DURING THE YEAR ALONG WITH THEIR STATUS AS AT THE END OF THE FINANCIAL YEAR - Not Applicable

46. DETAILS OF DIFFERENCE BETWEEN AMOUNT OF THE VALUATION DONE AT THE TIME OF ONE TIME SETTLEMENT AND THE VALUATION DONE WHILE TAKING LOAN FROM THE BANKS OR FINANCIAL INSTITUTIONS ALONG WITH THE REASONS THEREOF - Not Applicable

47. CAUTIONARY STATEMENT

Statements in the Annual Report, particularly those which relate to Management Discussion and Analysis, describing the Company's objectives, projections, estimates and expectations, may constitute 'forward looking statements' within the meaning of applicable laws and regulations. Although the expectations are based on reasonable assumptions, the actual results might differ.

48. ACKNOWLEDGEMENTS

Your Directors place on record their deep sense of appreciation and gratitude to the Shareholders, various Government Agencies, Canara Bank, Union Bank of India, ICICI Bank, Citi Bank NA, M/s. Axis Bank, M/s. HDFC Bank, M/s. Larsen & Toubro Limited - Marketing Associates, CRISIL, M/s. GNSA Infotech Ltd, (Registrar & Share Transfer agent) for their continued support and co-operation. Your Directors also wish to record their appreciation for the dedicated services being rendered by the employees at all levels.

Mr.S.Baskarasubramanian, Director (Corporate Affairs) & Company Secretary act as the Secretary to the Nomination and Remuneration Committee.

FORMULATION OF POLICY FOR SELECTION AND APPOINTMENT OF DIRECTORS AND THEIR REMUNERATION.

The Nomination and Remuneration Committee discussed and evolved a policy for selection of appointment of directors and their remuneration. The highlights of this policy are as follows:

Criteria for appointment of Whole-time / Executive / Managing Director / Non-Executive Independent Director / KMP and Senior Management Personnel

1. The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend to the Board his / her appointment
2. A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the concerned position.
3. Appointment of Independent Directors is subject to compliance of provisions of section 149 of the Companies Act, 2013, read with schedule IV and rules there-under.
4. The Company shall appoint or continue the employment of any person as Whole-time Director as per the relevant provisions of the Companies Act, 2013 read along with the relevant schedule and rules made thereunder.

Remuneration

Remuneration to Whole-time / Executive / Managing Director

The Whole-time Director shall be eligible for remuneration as may be approved by the Shareholders of the Company on the recommendation of the Committee and the Board of Directors. The break-up of the pay scale, performance bonus by way of commission on net profit being computed as per regulations and quantum of perquisites including, employer's contribution to P.F, pension scheme, medical expenses, club fees etc. shall be decided and approved by the Board on the recommendation of the Committee and shall be within the overall remuneration approved by the shareholders and Central Government, wherever required.

Minimum Remuneration

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Whole-time Director in accordance with the provisions of the Companies Act, 2013 and if it is not able to comply with such provisions, then with the prior approval of the Central Government.

Provisions for excess remuneration

If any Whole-time Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he / she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

ANNEXURE-1 (Contd.)

REMUNERATION TO NON-EXECUTIVE / INDEPENDENT DIRECTOR

Sitting Fees - The Non-executive Independent Directors and Non-executive Non Independent Directors of the Company shall be paid sitting fees as per the applicable Regulations. The quantum of sitting fees will be determined as per the recommendation of Nomination and Remuneration Committee and approved by the Board of Directors of the Company. Further the boarding and lodging expenses shall be reimbursed to the Directors for their travelling on company's business.

Profit-linked Commission - The profit-linked Commission shall be paid to the Directors within the monetary limit approved by the shareholders of the Company, subject to the regulations thereof, on the net profits of the Company being computed.

Stock Options - Pursuant to the provisions of the Act, an Independent Director shall not be entitled to any stock option of the Company.

REMUNERATION TO KMP AND SENIOR MANAGEMENT PERSONNEL

The KMP and Senior Management Personnel of the Company shall be paid monthly remuneration as per the Company's HR policies and / or as approved by the Committee/ Board. The break-up of the pay scale and quantum of perquisites including, employer's contribution to P.F, pension scheme, medical expenses, club fees etc. shall be as per the Company's HR policies.

As per SEBI regulations, except in case of transmission or transposition of securities, requests for effecting transfer of securities in physical mode will not be processed with effect from 1st April 2019.

In view of the above, the members holding shares in physical form are requested to consider converting their holdings to dematerialize and to avail various benefits of dematerialisation and to eliminate all risks associated with physical shares and for ease of portfolio management.

Application for transmission / transposition of share held in physical form are received both at the Registered office of the Company and at the office of the Registrar / Share Transfer Agent of the Company and if the documents are found to be in order, the transmission / transposition work is completed and the share certificate are returned within the stipulated time as per the Regulations.

To consider transmission / transposition of shares, the committee meets at least once in 15 days.

The Shares held in the demat form are electronically traded in the depositories and the Registrar and Transfer Agents of the Company periodically receive from the depositories the beneficiary holdings, to enable them to update their records.

ANNEXURE-2

Disclosure pursuant to Section 134(3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUT GO.

A. CONSERVATION OF ENERGY

Energy conservation is an effort made to reduce the consumption of energy by using energy at a reduced level. This can be achieved either by using energy more efficiently or by reducing the amount of service used. Energy conservation is an integral part of the concept of eco-sufficiency. Energy conservation reduces the need for energy services and can result in increased environmental quality, national security and higher savings. It also lowers energy costs by preventing future resource depletion.

In this Direction, your Company has been conscious to achieve optimal energy efficiency across the Units and aims to employ continuous measurement of energy consumption and review its operating procedures periodically.

B. PARTICULARS WITH RESPECT TO TECHNOLOGY ABSORPTION:

RESEARCH & DEVELOPMENT:

Research and Development (R&D) plays a critical role in the innovation process. It's essentially an investment in technology and future capabilities which is transformed into new products, processes, and services. R&D is essential to maintain Competitive edge in the technology driven world. R&D would make the products to get transformed frequently in line with changing needs of the end users. Besides, new products with contemporary technologies and new features are being developed at our in-house R&D in order to gain the market share.

As stated in the Directors' Report, the recognition of in-house R & D by the Government of India, Ministry of Science and Technology, Department of Scientific and Industrial Research, (DSIR) New Delhi is being continuously maintained since 2004 and the present renewal of the recognition is valid upto 31.03.2024.

1. Specific areas in which R&D was carried out by the Company.

The R&D wing of the Company has been working to achieve the following objectives:

- Sustainability of the quality standards comparable to the international standards.

- Ensuring process development on continuous basis, to be cost effective and cost competitiveness.
- Enlarging the utilities of the product by continuous improvement in specifications, design, etc.,
- Ensuring technological upgradation and know-how for the products of the Company.
- Developing new products to increase market share & profitability.

2. Benefits derived as a result of the above R&D activities:

Major products developed by R&D and its significant benefits

1. Energy Saver products

Energy Saver Product is one of the key developments from our R&D which has considerable penetrations in the Market. Your Company has already installed these products in various parts of our Country, especially in Tamil Nadu and proved its capabilities

Benefits

- Guaranteed operating efficiency of 97% (higher than industry standards) with the use of highly efficient Toroidal transformers
- Dynamic Voltage reduction: provides stabilized voltage to the lamps
- Automatic On/Off based on Sunrise/Sunset or on programmed timings
- Wireless control and monitoring through sophisticated web-based software
- Automatic bypass in case of tripping with manual changeover in case of maintenance or emergency
- Reduces operational, maintenance and running cost
- Reliable and safe changeover with On-Load tap changing
- Completely remote programmable ON/OFF timings, alert and energy saving settings
- Instantaneous alerts for critical fault conditions to your mobile phone

ANNEXURE-2 (Contd.)

- Energy saving reports and lamp failure reports on daily, weekly and monthly basis for single, multiple or all devices
- Detection of Energy theft or leakage
- Maintains a high power factor of above 0.85
- Guaranteed operating life of 10 years: No moving parts ensuring long life
- Eco-friendly - First in India to adhere to RoHS compliance
- Reduces public inconvenience
- Lighting levels conforming to ISI Standards

2. Automated Meter Reading

Benefits.

- All consumer lines (Energy Meters) are connected with AMR modules
- All the AMR modules will communicate to a single IP, i.e. all the readings shall terminate at the central station
- Unpaid consumer accounts can be disconnected & re-connected from the central station itself
- Any tampering / fault occurrence of the meter can be found from the central station itself
Hardware can be retrofitted to existing static energy meters
- Real-time data configurable for a frequency as less than 15/30 minutes is available in the Control Station
- Low implementation costs & Low Maintenance / Operating Cost
- AMR System becomes inherently expandable, i.e. addition of a new service at any point in the power line becomes plug n play
- Real-time data available

3. Electric Vehicle charging station:

- Low current AC charging stations for Two wheeler & Three wheeler
- High current DC charging stations for Car, Trucks, Heavy vehicles.
- Compact & sleek design
- Easily configurable, authentication and monitoring system as per user requirements with respect to power, time & cost
- Bluetooth interface with user's mobile phone
- Safety features as per regulatory requirements

4. **Other Products** -Energy saving Fan regulator, Electric vehicle charging stations, Brushless DC motors, Air conditioner Energy Saver, Disconnect switch, Ceiling Mount movement sensor, Touch cum remote switch, GE Earth Terminal, Bimetallic Overload Relay, Different Type of Sensors, Contactors and Overloaded relays upto 105 A, Definite purpose Contactors, Motor protection circuit breakers, DC isolators for PV applications, Brushless DC Motors, Data cables, Tinned Copper Wires etc., are developed by your R&D and are in different stage of testing and approval which will give considerable benefits on its usage.

Technology Absorption, Adaptation & Innovation

1. Efforts, in brief, made towards technology absorption, adaptation and innovation:

- The Company signed technical licensing agreement with Austria-based Trafomodern, Austria so to use former technology and design and assistance, to manufacture dry type air cooled transformers, Chokes and inductors in India. Dry type transformers is a highly specialised and technical product with applications in Medium & large UPS, renewable energy business, railways, power generation and the marine industry. Trafomodern is one of the leading manufacturers of dry type transformers in Europe.
- The Company has setup state of the art manufacturing facility and commenced the production in 2017. This product has well received both in domestic and international markets and has got good potentials which would in turn improve the growth and profitability of the company.
- The Company signed a Distribution Agreement with IPD Group Limited of Australia a Leading Electrical distributor/Wholesaler and manufacturer in Australia for marketing and selling of Salzer Branded Electrical products for Solar Photovoltaic Applications in Australia and Newzeland. This understanding with IPD opens to the Company a Large New Market for its internationally tested and approved products.
- Your Company has also undertaken the development of Contactors for C3 Controls, USA who is one of the reputed manufacturer and supplier of the electrical goods worldwide. This product has already established its foothold in the domestic and international markets.
- Your company is contemplating for joint venture with an European giant for manufacture of Electric vehicle charging stations.

ANNEXURE-2 (Contd.)
2. During the year under review the following expenditures were incurred with regard to R & D:

• Capital Expenditure as additions to Plant & Machineries, Tools, Dies etc. ,	₹ 481.50 Lakhs
• New Products and Process development	₹ 175.75 Lakhs
• Salary and other expenses for R & D personnel	₹ 172.43 Lakhs

4. Details of Imported Technology:

• Technology Imported	For the manufacture of (i) CAM Operated Rotary Switches (ii) Toroidal Transformers (iii) Three phase try type transformer
• Year of Import	(i) 1985 (ii) 1995 / 2005 (iii) 2016
• Has the technology been fully absorbed	Yes, Fully absorbed.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO:

a) Foreign Exchange earned during the year	₹ 6,061.67 Lakhs
b) Foreign Exchange outgo	₹ 5,018.41 Lakhs

3. Provide the web-link where Composition of CSR committee, CSR Policy and CSR projects approved by the board are disclosed on the website of the company.

<https://www.salzergroup.net/investors.html>

4. Provide the details of Impact assessment of CSR projects carried out in pursuance of sub-rule (3) of rule 8 of the Companies (Corporate Social responsibility Policy) Rules, 2014, if applicable (attach the report).

Not applicable The Impact assessment of CSR Project will arise only when the Company's average CSR obligation exceeds ten crore rupees in the three immediately preceding financial years,

5. Details of the amount available for set off in pursuance of sub-rule (3) of rule 7 of the Companies (Corporate Social responsibility Policy) Rules, 2014 and amount required for set off for the financial year, if any

S. No	Financial Year	Amount available for set-off from preceding financial years (in Rs)	Amount required to be set-off for the financial year, if any (in Rs)
1	2018-19	NILL	NILL
2	2019-20	NILL	NILL
3	2020-21	NILL	NILL
	Total	-	-

6. Average net profit of the company as per section 135(5).

₹ In Lakhs

	2019-20	2018-19	2017-18
Last three years profit (in Rs.Lakhs)	3112.71	3218.24	3075.66
Average profit (in Rs.Lakhs)			3135.54
2% of the average Net Profit			62.71
Rounded Off			63.00

ANNEXURE-3 (Contd.)
7. CSR Obligations for the Financial year

a.	Two percent of average net profit of the company as per section 135(5)	₹ 63.00 Lakhs
b.	Surplus arising out of the CSR projects or programmes or activities of the previous financial years	NIL
c.	Amount required to be set off for the financial year, if any	NIL
c.	Total CSR obligation for the financial year (7a+7b-7c).	₹ 63.00 Lakhs

8. CSR amount spent or unspent for the financial year:

Total Amount Spent for the Financial Year. (in ₹)	Amount Unspent (in Rs.)				
	Total Amount transferred to Unspent CSR Account as per section 135(6).		Amount transferred to any fund specified under Schedule VII as per second proviso to section 135(5).		
	Amount	Amount	Date of transfer	Amount	Date of transfer
₹ 75.90 Lakhs	NIL	NIL	NIL	NIL	NIL

(b) Details of CSR amount spent against on-going projects for the financial year:

S. No	Name of the Project	Item from the list of activities in Schedule VII to the Act.	Local area (Yes/No)	Location of the project.		Project duration	Amount allocated for the project (in Rs.).	Amount spent in the current financial Year (in Rs.).	Amount transferred to Unspent CSR Account for the project as per Section 135(6) (in Rs.)	Mode of Implementation-Direct (Yes/No)	Mode of Implementation - Through Implementing Agency	
				State	District						Name	CSR Registration number.
NIL												

(c) Details of CSR amount spent against **other than on-going projects** for the financial year:

S. No	Name of the Project	Item from the list of activities in schedule VII to the Act.	Local area (Yes/No)	Location of the Project. State & District	Amount spent for the projects	Mode of implementation	Mode of implementation Through implementing agency.	
							Name	CSR registration number
1	2	3	4	5	6	7	8	
					₹ In Lakhs			
1	Health care	Health	Yes	Coimbatore, Tamil Nadu	39.18	Both direct and implementing agency	Salzer Educational Medical Research Trust	CSR000 01068
2	Education	Education	Yes	Coimbatore, Tamil Nadu	11.48			
3	Rural development project	Rural developments	Yes	Coimbatore, Tamil Nadu	25.24			
Total					75.90			

(d) Amount spent in Administrative Overheads : NIL

(e) Amount spent on Impact Assessment, if applicable : NIL

(f) Total amount spent for the Financial Year (8b+8c+8d+8e) : ₹. 75.90 Lakhs

(g) Excess amount for set off, if any

S. No	Particular	Amount ₹ in Lakhs
(i)	Two percent of average net profit of the company as per section 135(5)	63.00
(ii)	Total amount spent for the Financial Year	75.90
(iii)	Excess amount spent for the financial year [(ii)-(i)]	12.90
(iv)	Surplus arising out of the CSR projects or programmes or activities of the previous financial years, if any	NIL
(v)	Amount available for set off in succeeding financial years [(iii)-(iv)]	12.90

ANNEXURE-3 (Contd.)**9. (a) Details of Unspent CSR amount for the preceding three financial years:**

S. No	Preceding Financial Year	Amount transferred to Unspent CSR Account under section 135 (6) (in ₹.)	Amount spent in the reporting Financial Year (in ₹.)	Amount spent in the reporting Financial Year (in ₹.)	Amount transferred to any fund specified under Schedule VII as per section 135(6), if any			Amount remaining to be spent in succeeding financial years. (in ₹.)
					Name of the Fund	Amount (in ₹.)	Date of transfer	
NIL								

(b) Details of CSR amount spent in the financial year for on-going projects of the preceding financial year(s):

S. No	Project ID	Name of the Project	Financial Year in which the project was commenced	Project duration	Total amount allocated for the project (in ₹.)	Amount spent on the project in the reporting Financial Year (in ₹.)	Cumulative amount spent at the end of reporting Financial Year (in ₹.)	Status of the project- Completed/ Ongoing
NIL								

10. In case of creation or acquisition of capital asset, furnish the details relating to the asset so created or acquired through CSR spent in the financial year : Nil

(asset-wise details).

(a) Date of creation or acquisition of the capital asset(s). - NIL

(b) Amount of CSR spent for creation or acquisition of capital asset. NIL

(c) Details of the entity or public authority or beneficiary under whose name such capital asset is registered, their address etc. NIL

(d) Provide details of the capital asset(s) created or acquired (including complete address and location of the capital asset). NIL

11. Specify the reason(s), if the company has failed to spend two per cent of the average net profit as per section 135(5): Not Applicable.

ANNEXURE-5**SECRETARIAL AUDIT REPORT**

To

The Members,
Salzer Electronics Limited,
Samichettipalayam,
Coimbatore 641047

Our Secretarial Audit Report of even date is to be read along with this letter:

1. Maintenance of secretarial records is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the process and practices we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and books of accounts of the Company.
4. Wherever required, we have obtained Management Representation about the compliance of laws, rules and regulations and happening of events, etc.
5. The compliance of the provisions of corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
OF
SALZER ELECTRONICS LIMITED
For The Financial Year Ended March 31, 2021

[Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]
and Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended]

To

The Members,
Salzer Electronics Limited,
Samichettipalayam,
Coimbatore-641047.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. Salzer Electronics Limited** (CIN: L03210TZ1985PLC001535), a listed entity having its registered office at Samichettipalayam, Coimbatore - 641047 (hereinafter called 'the Company' or SEL). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon. We have conducted online verification & examination of records, as facilitated by the Company, due to COVID -19 restrictions enforced by the government for the purpose of issuing this report.

Based on our verification of **M/s. Salzer Electronics Limited (SEL)** books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31.03.2021 complied with the statutory provisions listed here under and also that the Company has proper Board-processes and compliance-mechanism in place (with respect to statutory provisions listed hereunder) to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31.03.2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings; **(Not Applicable to the company during the Audit Period)**
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
 - (d) Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulation, 2015.
 - (e) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **(Not Applicable to the company during the Audit Period)**
 - (f) Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 **(Not Applicable to the company during the Audit Period)**

ANNEXURE-5 (Contd.)

- (g) Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018 **(Not Applicable to the company during the Audit Period)**
- (h) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not Applicable to the company during the Audit Period)**
- (i) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(Not Applicable to the company during the Audit Period)**
- (j) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not Applicable to the company during the Audit Period)**

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards 1, 2, 3 & 4 issued by The Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except with the following observations:

- i) The Compliance Report annexed to Annual Report as per regulation 17(8) of Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulation, 2015, which is provided in public domain contains only Managing Director certification instead of both Chief Executive Officer and Chief Financial Officer certification.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and a woman Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda were sent in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings were carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case maybe.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with laws, rules, regulations and guidelines mentioned herein above.

ANNEXURE-6

MANAGEMENT DISCUSSION AND ANALYSIS

Forward looking statement -

The following discussions on our financial condition and result of operations should be read together with our audited consolidated financial statements and the notes to these statements included in the annual report. Unless otherwise specified or the context otherwise requires, all references herein to "we", "us", "our", "the Company", "Salzer" are to Salzer Electronics Limited and its subsidiaries and associates.

Global Economic Overview

The global economy has been reeling under the impact of the COVID-19 pandemic over the last year, which has impacted almost all industries and geographies across the world. Lockdowns in various parts of the world to contain this pandemic further hampered businesses and supply chains, denting economic growth.

The World Bank states that global economic output is recovering from the recent collapse, albeit will remain below pre-pandemic trends for some period. The pandemic has exacerbated the risks associated with a decade-long wave of global debt accumulation. It is also likely to steepen the long-expected slowdown in potential growth over the next decade.

As per World Bank predictions, global output is expected to expand 4% in 2021 after a 4.3% contraction in 2020, but remain below pre-COVID projections. Downside risks include the possibility of a further resurgence of the virus, vaccination delays, more severe effects on potential output from the pandemic, and financial stress. The higher level of uncertainty highlights the role of policy-makers in raising the likelihood of better outcomes while warding off worse ones. Policy actions would need to balance the risks from large debts with those from premature fiscal tightening, while safeguarding health and education, improving governance, and enhancing debt transparency.

The collapse in global economic activity in 2020 is estimated to have been slightly less severe than previously projected, mainly due to shallower contractions in advanced economies and a more robust recovery in China. In contrast, disruptions to activity in the majority of other emerging market and developing economies were more acute than expected.

The near-term outlook remains uncertain, and different growth outcomes are still possible. A downside scenario in which infections continue to rise and the rollout of a vaccine is delayed could limit the global expansion to 1.6% in 2021. Meanwhile, in an upside scenario with successful pandemic control and a faster vaccination process, global growth could accelerate to nearly 5%.

Indian Engineering & Electrical Sector

The Indian engineering sector accounts for about 3% of India's GDP. Rising domestic demand, increasing investment and growth opportunities, favourable government policies and global & domestic focus on establishing low cost plants have propelled the engineering sector to greater heights. The Government's 'Make in India' initiative has also supported this trend.

Over the last few years, India has emerged as a global engineering hub. Several international manufacturing companies have partnered with Indian firms in setting up successful engineering units across the country. Some of these include Alstom (France), Ansaldo (Italy), Babcock (UK), Colfax Corporation, GE (USA), Hitachi (Japan), Legrand (France), MHI (Japan), Schneider Electric (France), and Toshiba (Japan).

Some of the key reasons behind this include India's thriving development among the emerging economies, availability of skilled labour and relatively lower cost of production, compared with various developed markets.

One of the key areas of focus for domestic players has also been technology up-gradation. Several firms have formed strategic alliances with technology suppliers to upgrade their production and processing capabilities. With the entry of foreign players, competition has increased, spurring investment in technology to improve production quality and capacity. Increasingly, domestic players are securing the ISO 9000 accreditation to further strengthen their position in the global market.

A major sub-segment in India's engineering sector, is the electrical and power sector. India is fast becoming a major power-generation and -consumption nation among developing economies. The country is witnessing increasing demand for power due to increase in capacity utilisation, industrialization, urbanization and growing population.

Through reforms such as 'Power for all', the government plans to add 93 GW by 2022, this would fuel the demand for power transmission and distribution equipment. The Indian power and distribution transformer market is forecast to reach \$2.9 billion by 2022. The government is taking significant steps to strengthen the power transmission and distribution network and has undertaken initiatives such as UDAY for financial turnaround of power distribution companies.

Global Switchgear Industry

Switchgears are switching devices designed to protect, regulate & control power generation, transmission & distribution equipment and electric motor control systems. The global switchgear market is expected to grow from around \$100 billion in 2019 to \$155 billion by 2025.

ANNEXURE-6 (Contd.)

Switchgears are located on both the low voltage and high voltage side of large power transformers in substations. A switchgear includes circuit breakers, fuses, and isolators. Besides stopping flow of current in a circuit manually, switchgear automatically regulates whenever there is an over current in the circuit or any other abnormal situation arises, thereby protecting valuable equipment.

Growing investments in renewable energy and rising demand for safe and secure control distribution systems and advanced monitoring units is triggering the demand for switchgears. Furthermore, replacement and modernization of aging electrical networks is also complementing the growth in the global switchgear industry. Other factors contributing to the rise in switchgear demand include innovations in smart grid technologies and growing focus towards environmental protection.

The global switchgear market is segmented based on insulation, installation, voltage, product, end user, and region. Based on insulation, the market can be segmented into air insulated, gas insulated and others.

The gas insulated segment is expected to hold the largest market share till 2025 on account of its use in various industries for fulfilling the high demand for energy. Based on installation, the market can be bifurcated into indoor and outdoor. The outdoor segment is expected to grow at a fast pace during this period owing to the widespread application in transmission and sub-transmission sectors.

Based on voltage, the market can be categorized into low, medium and high. The low voltage segment is expected to dominate the market during the forecast period. Based on end-user, the market can be divided into Transmission & Distribution Utilities, Industrial, Commercial, Residential and Others. The Transmission & Distribution utilities segment is anticipated to register high CAGR till 2025, as the segment is responsible for the generation, transmission, and distribution of electricity.

Region-wise, Asia-Pacific is expected to dominate the overall switchgear market followed by Europe, North America, Middle East & Africa and South America. Major players operating in the global switchgear market include Bharat Heavy Electricals Ltd., Mitsubishi Electric Corporation, CG Power and Industrial Solutions Limited, Siemens Aktiengesellschaft, General Electric Company, Eaton Corporation plc, ABB Ltd., Alstom SA, Schneider Electric SE, and Havells India Ltd. Several major companies are developing advanced technologies and launching new products in order to stay competitive in the market. Other competitive strategies include mergers & acquisitions.

Source - <https://www.prnewswire.com/news-releases/global-switchgear-market-is-expected-to-grow-from-around--100-billion-in-2019-to--155-billion-by-2025-300999308.html>

Indian Switchgear Industry

In line with the global market trend, the Indian switchgear market is also witnessing a growth trajectory. Rapidly growing electrification need for remote areas along with rising electricity generation has positively affected the demand for various electrical equipment. Progressive targets by regional governments to deliver electricity to rural zones is set to benefit the switchgear industry.

Switchgears are readily installed in different residential, commercial, industrial and utility applications to ensure operational safety, cost-effective and uninterrupted operations. The current path in an electrical network is at times hindered due to break down of insulation layers leading to problematic fault or short circuit conditions. These erratic situations may lead to harmful consequences like equipment damage, fire and explosions, islanding and other failure. Switchgears are widely installed in low, medium and high voltage systems to deal with the abnormal operating levels in a variable network between load centers and generating stations.

Expanding transmission & distribution (T&D) networks have influenced the usage of switchgears across different regions. Asia Pacific region accounts for majority share owing to the presence of large industrial establishments like bulk manufacturing units. Europe occupies a substantial market position due to long standing distribution network along with increasing adoption of renewable technologies. North America switchgear market is set to grow at a considerable rate owing to the expansion of existing commercial and industrial infrastructure along with the construction of new grids for renewable power.

India's switchgear market is projected to grow at a CAGR of about 6.7% through during 2020-26, driven by rising development across residential, commercial and industrial end-use sectors. Moreover, electrification programs running across the country and development of T&D networks is further fueling growth in India's switchgear market. Additionally, with rising per capita income, demand for various electrical appliances like air conditioners, fridges, etc., is also growing, which in turn, is increasing the electricity consumption and the need of switchgears to regulate and control these appliances.

The government of India has planned to increase the transmission lines from 4,14,858 circuit kms to 4,78,132 circuit kms by 2022 which would expand the usage of switchgears in the power utilities segment over the upcoming years.

India's overall market for switchgears is forecast to grow over 7% by the end of 2023. Low Voltage Switchgear will lead the growth during this period. In Medium and High Voltage (HV) switchgear market, Medium Voltage (MV) custom built products are anticipated to be predominant for the forecast period. The MV and HV switchgear is anticipated to expand at a CAGR of around 8% during the five years to 2023.

ANNEXURE-6 (Contd.)

With economic and infrastructure development, India's generation and consumption of power and electricity is steadily rising. The nation's power sector is one of the most diversified in the world sources of power generation range from traditional sources like coal, lignite, natural gas, oil, hydro and nuclear power to renewable non-conventional sources such as wind, solar, agricultural and domestic waste. Switchgears are applicable across all types of production and delivery of electricity to end users.

Wires & Cables Industry

India is one of the key emerging markets worldwide, and is at the forefront of development in the Asia Pacific region, following China. Progress in infrastructure and technology is spurring demand for electricity in the country. This, in turn, is generating the need for development of quality electrical infrastructure supporting this growth, which bodes well for the wires and cables industry in India. Being one of the key sub-segments of the power sector, the wires and cables industry is witnessing a rising demand owing to the growth in power generation infrastructure.

Globally, the wires and cables market is expected to grow to approximately \$332.6 bn by 2026, from \$201.7 bn in 2018, at a CAGR of 6.45%. In India, this market comprises nearly 40% of the electrical industry and is growing at a CAGR of 15%, driven by growth in the power and infrastructure sectors. Moreover, global investors now consider India as a potential market for high voltage (HV) and extra high voltage (EHV) cables, based on the industrialization and urbanization trends.

Before the last Union Budget, the Cabinet approved a Rs. 12,195 cr PLI scheme for the telecom sector including localized production of core transmission equipment as well as access and customer premise products, routers and switches. The government aims to draw large overseas investments to help domestic companies seize the emerging opportunities and become dominant players in the export market.

As per a CRISIL report, in terms of volumes, the domestic wires and cables market grew at a CAGR of 22% over the last five years to reach about 17 million km in FY19, and is forecast to reach 27 million km by FY24, at a CAGR of 10%. Similar industry growth has been witnessed in value terms as well, as per the report. India has become a significant exporter of wires and cables, with double-digit annual growth of 12% during the 10 years to 2019.

ABOUT SALZER ELECTRONICS LIMITED

Salzer Electronics Limited is among leading players offering Total and Customized Electrical Solutions in Switchgears, Wires & Cables and Energy Management business in India. The Company is the largest manufacturer of CAM Operated Rotary switches & Wire Ducts in India, with a market share of 25% & 20% respectively. The Company caters to a wide range of products with five In-house manufacturing facilities located in Coimbatore.

The Company has a wide distribution network locally and globally, exporting to more than 40 countries. In India, Salzer markets its products through its own distributors and more than 350 local distributors of L&T. The Company has a strong R&D team that focuses on developing and commercializing the technologies of the products, and as a result, can offer total customized electrical solutions to its customers.

FINANCIAL OVERVIEW

The standalone financial performance of the Company for the financial year ended March 31st, 2021, is as follows:

Total revenue from operations at Rs. 605.6 crore for the year ended March 31st, 2021, as against Rs. 566.9 crore for the corresponding previous period, an increase of 6.8%, mainly driven by wire harness and three-phase transformers. The Contribution from Export Sales was 20%, driven by Industrial Switchgear Division.

The Breakup of revenue for the Electrical Installation Products:

- Industrial Switchgear 41.3% of net revenues
- Wires & Cables 52.8% of net revenues, YoY increase of 20%
- Buildings Products 5.4% of net revenues
- Energy Management 0.5% of net revenue

The raw materials consumed for the financial year ended March 31st, 2021 were Rs. 470.4 crore as against Rs. 419.8 crore for the corresponding previous period, an increase of 12%.

The staff expenses for the financial year ended March 31st, 2021 were Rs. 24.3 crore as against Rs. 26.4 crore for the corresponding previous period, a decrease of 7.8%.

ANNEXURE-6 (Contd.)

The other expenses for the financial year ended March 31st, 2021 were Rs. 49.1 crore as against Rs. 55.5 crore for the corresponding previous period, a decrease of 11.6%.

The EBIDTA (earnings before interest, depreciation and tax) was Rs. 61.8 crore for the year ended March 31st, 2021, as against Rs. 65.2 crore for the corresponding previous period, a decrease of 5.2%

The depreciation for the financial year ended March 31st, 2021 was Rs. 15.6 crore, as against Rs. 14.4 crore for the corresponding previous period, an increase of 8.1%.

The EBIT (earnings before interest and tax) were Rs. 48.2 crore for the year ended March 31st, 2021, as against Rs. 51.6 crore for the corresponding previous period, a decline of 6.7%

The interest for the financial year ended March 31st, 2021 was Rs. 21.3 crore as against Rs. 21.2 crore for the corresponding previous period, an increase of 0.5%

The profit after tax for the financial year ended March 31st, 2021 was at Rs. 20.7 crore as against Rs. 26.4 crores for the corresponding previous period, a decline of 21.6%.

The EPS (Earning per Share) for the financial year ended March 31st, 2021 was Rs. 12.93 for a face value of Rs 10 per share, as against Rs. 16.51 for the corresponding previous period.

The consolidated Revenue for FY21 was Rs. 625.7 crore with EBITDA of Rs. 63.0 crores and PAT of Rs. 21.4 crores.

RESOURCES AND LIQUIDITY

As on March 31st, 2021, the total net worth stood at Rs. 331.3 crore and total debt was at Rs. 199.5 crore.

The net debt to equity ratio of the Company stood at 0.57 as on March 31st, 2021.

BUSINESS PERFORMANCE

Salzer primarily operates in four divisions, viz. Industrial Switchgears, Copper Business, Building division and Energy Savers.

Industrial Switchgear

This business division occupies the first place in contribution to the total business of the Company. This division includes transformers, terminal blocks, rotary switches, isolators, general purpose relays, wiring ducts, MPCBs, contactors, control panels, and overload relays etc. The products are mainly targeted for the Original Equipment Manufacturers (OEMs) like Engineering Conglomerates Larsen & Toubro Limited etc., Panel Builders, special Machine Manufacturers etc. The Company commenced its operation in 1985 with this division which now has both domestic and export markets considerably. These products have all the necessary international certifications like UL

(Underwriters Laboratories Inc), CSA (Canadian Standards Association), Intertek Semko certification and CE (Conformite Europeane).

During the year, this division posted revenue of Rs. 250.4 cr against Rs. 254.3 cr in FY20, and contributed 41.3% to the top-line.

Copper business

The copper division comes second in contribution to the business. In this division, Larsen and Toubro plays a major role in the off take. This vertical commenced some 16 years back and focusing more on domestic market. After few years of flat performance, the division witnessed robust recovery and during the year, the division reported business revenue of Rs. 320.1 cr as against Rs. 266.6 cr in FY20 with year on year rise of 20%.

The copper division includes wires and cables, flexible bus bars, enameled wires, bunched conductors and tinned wires.

Building Division

Salzer has a wide range of products under this division including modular switches, wires and cables, changeovers and MCBs. Modular Switches drives this division in a major way.

Some of the features are:

- Contemporary and aesthetically sleek switches - 10, 20 and 32 Amps AC
- Silver nickel contacts for enhanced electrical life
- Manufactured using high-grade engineering plastics
- Safety features: anti-spark shield and finger-protected switch terminals
- Specialty products viz. movement sensors, shock protectors, shaver sockets, key tag switch, programmable timers, remote switches and touch switches etc.

During the year, the Buildings Products business contributed 5.4% to total revenue.

Energy Savers

The energy saving division is a new business vertical and expects to further boost growth by focusing on the manufacturing and installation of energy saving and efficient products like street light controllers and energy saving panels. During the year, this division contributed 0.5% to the revenue.

Recent Lockdowns

In March-April 2020, Company had to temporarily shut down its manufacturing activity due to nationwide lockdown announced by Government of India amid the spread of COVID 19 virus. In April-May 2021 as well, the company was operating as partial capacity due to the local lockdown in the state.

ANNEXURE-6 (Contd.)

RISKS AND CONCERNS

The Company faces the following Risks and Concerns:

Commodity risk

A part of the business is substantially dependent on copper. Factors that could affect the copper business include rising copper prices. However, this increase in prices is passed on to the customer, and as the Company operates on a monthly average pricing mechanism, it does not expect to be significantly affected by this risk.

Competition Risk

This risk arising from more players wanting to be a part of this business. Like in most other industries, opportunity brings with itself competition. In each individual business division the Company faces different kinds of competition risk from both domestic manufacturers and bigger international companies. However, Salzer's strong reputation, its brand goodwill and ability to customize orders as per its customers has differentiated the Company from its competition. Over the years, the Company has expanded its presence geographically and added more customers. It also offers total and customized electrical solutions to its customers. As a result, the Company has achieved a 'Preferred Supplier' status with GE and Schneider who source their products from Salzer on a global basis. The Company also has a substantial advantage over others due to the superior quality of infrastructure, customer-centric approach and highly innovative approach. Thus, the Company does not expect to be significantly affected by this risk.

Regulatory Risk

If the Company is unable to obtain the required certifications and approvals for existing and new products, growth will be affected. However, the Company has all the necessary international certifications for existing products. Moreover, with the previous experience of obtaining the necessary certifications for new products, the Company does not expect this risk to affect it in the coming years.

Execution risk

The Company is planning to expand its product range as well as add technologically-advanced new products. The execution of the project is dependent on land purchase and project management skills. However, land acquisition is not a concern as the Company has a sufficient land-bank to increase capacity and support the addition of new products.

Concerns like unprecedented natural calamities, political/ social turmoil may remain. However, these threats are faced by the whole industry. With improved and efficient processes in place, the Company is well-positioned for sustainable growth.

Forex risk

Given the volatile global economy and fluctuations in the foreign exchange market, the Company does face forex risk. In order to mitigate this, hedging tools have been adopted to arrest the negative impact. Importantly, Salzer has a natural hedge having both import and export at appropriate value and as the result, any volatility in the forex market does not have a significant material impact on the business.

Risk from COVID-19

Continued spread of the pandemic, and potential lockdowns in various parts of the nation and world, could adversely impact the production and distribution of Company's products.

OPPORTUNITIES

Ongoing investments across commercial and residential sector will complement the industry statistics Rising space constraints along with ongoing investments in R&D sector for the enhancement of smart and compact control equipment will further complement the industry scenario. Continuous investments across commercial and residential establishments including public and private apartments, offices, and restaurants will further fuel the product demand. Moreover, ease-of-operation, longer product life cycle and enhanced equipment safety are the essential features which will accelerate the product adoption.

Growing inclination toward energy efficient systems will complement the industry outlook Increasing demand for safe & reliable systems coupled with the increasing demand for HVDC systems across the T&D network will complement the demand DC switchgears. Expansion of extra high-tension transmission networks to cater to the growing energy demand across the manufacturing and industrial sector will further stimulate the product demand. In addition, rising fund allocation toward solar and offshore wind farms across developed and developing countries will further complement the switchgear market growth.

Ageing Equipment in many countries The installed base of switchgear in many countries either has exceeded or is nearing their recommended operational life. Such conditions provide good prospects for the replacement market. There are possibilities for switchgears to explode if at all they fail, causing potential damages to other equipment, facility and environment. This may involve liabilities such as compensation, environmental cleanup and legal action. Presently the nature of the load has changed to a large extent, mainly due to growth of electronic equipment that is being used. Therefore, in order to ensure high power quality, improved efficiency and to meet the load demand the existing aged switchgear should be replaced the new ones.

ANNEXURE-6 (Contd.)

Increase in Electricity Generation The world electricity capacity is expected to grow over a period of time. There has been a trend of increasing re-location of industrial activity from developed economies to emerging economies such as China, India, Eastern Europe and Latin America. Such a trend arises because of two reasons. Firstly, the low-cost advantage that the companies can derive out of shifting some of their operations in these countries. Secondly there has been a growing domestic demand in these emerging economies for increased industrial and commercial production. To meet the growing demand for more power, countries will require increased investments in electricity infrastructure. Such growth in the installed capacity would require additional infrastructure investments in switchgears. Additionally, the upgradation of transmission and distribution infrastructure to meet the federal and state level energy efficiency mandate is likely to boost the demand for switchgears. The impact of this driver is expected to be medium in the short term and high in the medium and long term over a period of time.

THREATS

- Competition from local and multinational players
- Execution risk
- Regulatory changes
- Raw Material Cost

HUMAN RESOURCES

The company has proper human resource and industry relations policies, which are reviewed periodically. The human resource team conducts various training sessions for employee development on an ongoing basis. These development programs are aimed at augmenting employee potential and represent an integral part of the overall business goals. Besides, employees profile represents a well balanced mix of experience and youth.

As on March 31st, 2021, the Company had a workforce of 568 people on rolls.

Way Ahead

The demand of electricity in India and globally is growing year-on-year, which will open new growth opportunities and demand for switchgear, transformers, wires and

cables. Currently, around 10% of India's export market is comprised of transformers. With the introduction of the "Make in India" initiative, the share of transformers is likely to grow in the near future. Several incentives have also been introduced for capacity addition in power generation, which are expected to significantly increase the demand for transformers and other electrical equipment in the coming years. With huge investments proposed across the power and infrastructure sectors, the transformers market in India is poised for strong growth. The excess capacity in the transformer industry in India, and entry of new players is further expected to increase competition in the market. This is also expected to lead to market consolidation over the next few years.

The government's focus on smart cities development is also expected to spur demand for electrical products that go into construction etc. and Salzer expects to capitalize on these opportunities. Besides, the Company also focuses on having technical tie-up's with globally renowned players to develop technically advanced products for its customers.

Salzer also works on sourcing global technologies to make products in India under the 'Make in India' initiative of the Government, in making products locally. The Company's tie-ups with global firms, for importing technologies to commercially produce various products, is a way of capitalizing this 'Make In India' initiative.

On another front, the market for electric vehicles (EV) is expected to rise globally as more and more nations encourage EVs over traditional fuel cars. Environmental concerns are leading to more stringent emission norms as well as expediting the adoption of EVs. A long-term growth outlook for electric vehicles (EV) would also spur demand for cables and switchgear products used in charging stations and related cables. It is in line with this vision that we have recently entered into two joint ventures to explore and penetrate this sector.

While the post-COVID-19 scenario remains uncertain in various regions, the domestic and global economies are gradually recovering from the impact of the pandemic. Based on this and our internal strengths and efficiencies, we are cautiously optimistic about the business prospects in the coming year.

STANDALONE INDEPENDENT AUDITOR'S REPORT

"To
the Members of **SALZER ELCTRONICS LIMITED**
Report on the Standalone Ind AS Financial Statements

Opinion

We have audited accompanying standalone Ind AS financial statements of Salzer Electronics Limited ("**the Company**"), which comprise of the balance sheet as at March 31, 2021, the statement of Profit and Loss (Including other comprehensive income), the Statement of changes in Equity and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by The Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards

on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independent requirement that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Act and the rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

Sr.No	Key Audit Matter	Auditor's Response
1.	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers"</p> <p>The application of this revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, this revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date</p>	<p>Principal Audit Procedures</p> <p>We assessed the Company's process to identify the impact of adoption of the revenue accounting standard.</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> - Evaluated the design of internal controls relating to implementation of the new revenue accounting standard. - It is observed that transaction price charged is ex works price and revenue is booked at the time of dispatch of the goods. - The above method followed by the Company is in line with the provisions of Ind AS 115-'Revenue from contracts with customers' <p>Conclusion:</p> <p>We agree with the management's evaluation.</p>

STANDALONE INDEPENDENT AUDITOR'S REPORT (Contd.)

Sr.No	Key Audit Matter	Auditor's Response
	<p>Accuracy of revenues and onerous obligations in respect of fixed price contracts.</p>	<p>Principal Audit Procedures</p> <p>In the process of verifying the accuracy of recognition of revenues of fixed price contracts, we have undertaken the following audit approach</p> <ul style="list-style-type: none"> • Understood, evaluated and tested the key controls over the recognition of revenue from fixed price contracts. We selected a sample of transactions and - Agreed the applied tariff to the respective terms in the contract. - Tested revenue calculations and agreed the revenue recognized to the underlying accounting records. <p>Conclusion:</p> <p>We agree with the management's evaluation.</p>
	<p>Assessment of carrying value of investments</p> <p>The Company has invested in listed equity instruments. We consider this a key audit matter given the relative significance of the value of investments.</p>	<p>Our procedures in relation to assessing the carrying value of investments include the following observations.</p> <ul style="list-style-type: none"> - The equity investments are carried at fair value as on 31st March, 2021. - Due to market fluctuation, there has been significant value reduction in the equity investments. - The Company has also invested in equity oriented mutual funds, and the same has also been recognized at fair market value as on 31st March, 2021. <p>Conclusion:</p> <p>We agree with the management's evaluation</p>
	<p>Impairment assessment of carrying value of Investment in Kaycee Industries limited</p> <p>The Company's investment in Kaycee Industries Limited, a subsidiary of the Company, aggregates to ₹ 16,59.82 Lakhs as at March 31,2021.</p> <p>Kaycee Industries Limited, is engaged in the business of manufacture and sale of Industrial Switchgears. The carrying value of investment is greater than the net worth of the subsidiary as at March 31, 2021 which is an indicator of potential impairment of this investment and accordingly an impairment assessment has been performed by the Management.</p> <p>This is a key audit matter as the investment is significant to the financial statements and Management judgement is required in certain key areas such as discount and growth rates in estimating future cash flows prepared by the Company (the Model) along with the Management's valuer to support the carrying value of its investment.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> - Understanding and evaluating the design and testing the operating effectiveness of key controls in relation to the impairment testing Model. - Assessing the Model and evaluating the independence, competence, capabilities and objectivity of the management's valuer. - Assessing the historical accuracy of the Company's forecasts by comparing the forecasts used in the prior year models with the actual performance in the current year. - Testing the mathematical accuracy of the underlying calculations and agreeing the forecasts for the ensuing year with the latest Board approved budgets. - Evaluating, along with the auditor's experts, the key assumptions such as discount rate and growth rate used in the Model. - Performing sensitivity tests on the Model for a range of certain assumptions, such as discount rate and growth rate.

STANDALONE INDEPENDENT AUDITOR'S REPORT (Contd.)

Sr.No	Key Audit Matter	Auditor's Response
		<p>- Evaluating adequacy of the disclosures made in the financial statements.</p> <p>Based on the procedure performed , we did not identify any material exceptions in the impairment assessment carried out by the management in respect of the carrying value of its investment in Kaycee Industries Limited.</p> <p>Conclusion: We agree with the management's evaluation</p>
	<p>Allowance for credit losses</p> <p>The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries the Company deals with and the countries where it operates. In calculating expected credit loss, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID-19. We identified allowance for credit losses as a key audit matter because the Company exercises significant judgment in calculating the expected credit losses.</p> <p>Refer Note No: 12 to the Standalone Ind AS financial statements</p>	<p>Our audit procedures related to the allowance for credit losses for trade receivables and unbilled revenue included the following, among others: We tested the effectiveness of controls over the (1) development of the methodology for the allowance for credit losses, including consideration of the current and estimated future economic conditions (2) completeness and accuracy of information used in the estimation of probability of default and (3) computation of the allowance for credit losses. For a sample of customers: We tested the input data such as credit reports and other credit related information used in estimating the probability of default by comparing them to external and internal sources of information. We tested the mathematical accuracy and computation of the allowances by using the same input data used by the Company.</p> <p>Conclusion: We agree with the management's evaluation</p>

Information other than the Standalone Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the preparation of the other information. The other information comprises of the information included in the Management Discussion and Analysis, Board's report including Annexures to Boards Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance and conclusion thereon.

In connection with our audit of the standalone Ind AS financial statement, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone Ind AS financial statements or other information obtained during the course of our audit or otherwise appear to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Standalone Ind AS Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error

STANDALONE INDEPENDENT AUDITOR'S REPORT (Contd.)

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

A further description of the auditor's responsibilities for the audit of the standalone Ind AS financial statements is included in Annexure "A". This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our Audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the statement of change in equity, and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors,

none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements. Refer No.42 to the standalone Financial statements
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

UDIN NO.: 21028346AAAAFT5161

Memb.No. 028346

ANNEXURE "A"

TO THE INDEPENDENT AUDITOR'S REPORT RESPONSIBILITIES FOR AUDIT OF STANDALONE IND AS FINANCIAL STATEMENTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism through- out the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE "B"

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON STANDALONE IND AS FINANCIAL STATEMENTS OF M/s. SALZER ELECTRONICS LIMITED

(Referred to in paragraph 2 under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the standalone Ind AS financial statements of the Company for the year ended March 31st, 2021)

(i) In respect of its Fixed Assets

- a. The company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
 - b. These fixed assets of the Company have been physically verified in a phased periodical manner, by the management, which in our opinion is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification
 - c. The title deeds of all the immovable properties of the Company Shown under Property, Plant and Equipment are held in the name of the company.
- (ii) According to the information and explanations given to us, the Physical verification of the inventory has been conducted by the management at reasonable intervals. The Company has maintained proper record of inventory and no material discrepancies were noticed on physical verification of inventories as compared to the books of records.
 - (iii) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act 2013 during the financial year.
 - (iv) The Company has not granted loans, given guarantees and securities however made investments during the year in compliance with the provisions of section 185 and 186 of the Companies Act, 2013.
 - (v) The Company has not accepted any deposits during the year and therefore paragraph 3(v) of the Order is not applicable to the Company
 - vi) The Central Government has prescribed the maintenance of cost records under sub-section (1) of section 148 of the Companies Act'2013. We have broadly reviewed the accounts and records of the Company in this connection and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however carried out a detailed examination of the cost records with a view to determine whether they are accurate and complete.

- (vii) According to the records of the Company, undisputed statutory dues including Provident Fund, Employee's State Insurance, Income Tax, Goods and Services Tax, Customs Duty and other material statutory dues have been generally regularly deposited with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at March 31, 2021 for a period of more than six months from the date of being payable.

Details of dues of Income Tax, Goods and Services Tax, Customs Duty which have not been deposited as on March 31, 2021 on account of disputes are given below

Name of the Statute	Nature of Dues	Amount	Forum where the dispute is pending
Central Excise Act	Customs/ Excise Duty	₹ 97,68,260 (out of which ₹ 12,00,000 was paid under protest)	CESAT- APPEAL
Income Tax Act	Disputed Income Liability appeal	₹ 91,64,051 (out of which ₹ 15,00,000 was Deposited)	CIT- APPEAL

- (viii) The company has not borrowed loans from any financial institutions against issue of debentures.
- (ix) The Company did not raise any money by way of initial Public offer or further public offer (including debt instruments). However, the Company has availed a term Loan and applied for the purpose for which the Loan obtained for.
- (x) No fraud by the Company or fraud on the Company by its officers or employees has been noticed or reported during the year.
- (xi) In our Opinion, the managerial remuneration has been paid in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act.
- (xii) The Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) In our opinion the transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details of such transactions have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.

ANNEXUR "B" (Contd.)

- (xiv) During the year, the Company has not made any preferential allotment or Private Placement of shares or fully or partly convertible debentures. Accordingly, provisions of clause 3 (xiv) of the order is not applicable.
- (xv) The company has not entered into any non-cash transactions with directors or persons connected with them. Accordingly clause 3(xv) of the order is not applicable.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE "C"

TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of the Independent Auditors' Report to the members of the Company on the Standalone Ind AS Financial Statements for the year ended on 31st March, 2021).

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SALZER ELECTRONICS LIMITED ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal

Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial

ANNEXUR "C" (Contd.)

control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India

STANDALONE NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021

Significant Accounting Policies

Note No. 1

i. Corporate Information:

SalzerElectronics Limited, incorporated in January 1985, for manufacture of Electrical Installation Products and Components viz., CAM Operated Rotary switches, Selector Switches, Wiring Ducts, Voltmeter Switches, copper wires and cables and allied products addressing customers in the electrical equipment, power, medical equipment, automotive as well as renewable and uninterrupted power system spaces, in a single and unified segment. The company is listed in Bombay Stock Exchange Limited and National Stock Exchange of India Limited.

ii. General Information and Statement of Compliance with Ind AS:

These standalone financial statements ('financial statements') of the Company have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Company has uniformly applied the accounting policies during the periods presented.

These financial statements for the year ended 31 March 2021 were authorized and approved for issue by the Board of Directors on June 15, 2021

iii. Basis of Preparation:

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India.

The Financial Statements have been prepared and presented on the historical cost basis except for certain financial instruments measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services as on the exchange date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes in to account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the

asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on the basis stated above. In addition, for financial reporting purposes, fair value measurements are categorized into Level 1,2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 Inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

All amounts included in the financial statements are reported in lakhs of Indian rupees except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

iv. Use of Estimates:

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management of the Company to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Application of accounting policies that require significant accounting estimates involving complex and subjective judgments and the use of assumptions in these

Financial statements have been disclosed separately under the heading "Significant accounting Judgements, estimates and assumption".

STANDALONE NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)

v. Current versus non-current classification

The entity presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is classified as current, when:

- It is expected to be realised or intended to be sold or consumed in normal operating cycle
- It is held primarily for the purpose of trading
- It is expected to be realised within twelve months after the reporting period, or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current, when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The entity classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

vi. Foreign currency transactions

Functional and presentation currency

The financial statements are presented in Indian Rupee which is also the functional and presentation currency of the Company. All amounts have been rounded-off to the nearest rupee.

(a) Initial recognition

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

(b) Conversion

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or any other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

(c) Forward Contract

Premium/ Discount in respect of Forward Contract are amortized as expense/income over the period of contract. Exchange differences arising on forward contracts between the exchange rate on the date of transaction and the exchange rate prevailing at the year end is recognized in the Statement of Profit and Loss.

vii. Property, Plant and Equipment:

Property, plant and equipment are stated at cost net of historical Indirect Taxes, including appropriate direct and allocated expenses less accumulated depreciation and impairment losses, if any. Increase/Decrease in rupee liability in respect of foreign currency liability related to acquisition of fixed assets is recognised as expense or income in the Statement of Profit and Loss. Freehold land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use.

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of company's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end with the effect of any changes in estimate accounted for on a prospective basis. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method.

STANDALONE NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31,2021 (Contd.)

Class of Assets	Useful Lives
Buildings	30 Years
Plant and Machinery	15 Years
Windmill	22 Years
Electrical Machinery solar	30 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years

An item of property ,plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit or loss.

ix. Investment property:

Investment property is a property, being a land or a building or part of a building or both, held by the owner or by the lessee under a finance lease, to earn rentals or for capital appreciation or both, rather than for use in the production or supply of goods or services or for administrative purposes; or sale in the ordinary course of business. Investment properties (if any), are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

x. Intangible assets and amortization:

An intangible asset is an identifiable non-monetary asset without physical substance.

Intangible assets are recognised only if it is probable that future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.

Computer software licenses are capitalised on the basis of costs incurred to acquire and bring to use the specific software. Operating software is capitalised and amortised along with the related fixed asset.

The Company has used the following useful lives to amortise its intangible assets:

Class of Assets	Useful Lives
Computer software	3 Years
Internally Generated Intangible assets	3 Years

xi. Research and Development Expenditure:

Research & Development expenditure is charged to revenue under the natural heads of account in the year in which it is incurred. However, expenditure incurred at development phase, where it is reasonably certain that outcome of research will be commercially exploited to yield economic benefits to the Company, is considered as Property, plant and equipment or Intangible Asset and depreciated in accordance with the policies stated above.

xii. Impairment of Non Financial assets:

The Company periodically assesses whether there is any indication that an asset or a group of assets comprising a cash generating unit may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. For an asset or group of assets that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which the asset belongs. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs to is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost. An impairment loss is reversed only to the extent that the amount of asset does not exceed the net book value that would have been determined if no impairment loss had been recognized.

xiii. Inventories:

Inventories are carried at the lower of cost and net realizable value.

Cost includes all applicable costs incurred in bringing the properties to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Cost of raw materials including consumables and stores & spares are determined on FIFO (First In First Out) Basis.

Cost of work-in-progress is valued at cost of materials and labor together with relevant factory overheads. The cost of work-in progress is determined on the basis of weighted average method.

STANDALONE NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)

The finished goods are valued at cost inclusive of excise duty (or) net realizable value whichever is less.

xiv. Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1. Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI);
- Debt instruments and equity instruments at fair value through profit or loss (FVTPL);
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

Debt instrument at FVTOCI:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Debt instrument at FVTPL:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity investments (other than investments in subsidiaries and joint ventures):

All equity investments within the scope of Ind AS 109, 'Financial Instruments', are measured at fair value either through statement of profit and loss or other comprehensive income. The Company makes an irrevocable election to present in OCI the subsequent changes in the fair value on an instrument-by-instrument basis. The classification is made on initial recognition.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, impairment gains or losses and foreign exchange gains and losses, are recognized in the OCI. Any gains or losses on de-recognition is recognized in the OCI and are not recycled to the statement of profit or loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

De-recognition of Financial Assets:

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily de-recognized when:

STANDALONE NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Investment in Subsidiaries, Associates and Joint ventures:

The Company's investment in equity instruments of Subsidiary is accounted for at cost as per Ind AS 27.

2. Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and transaction cost (if any) that is attributable to the acquisition of the financial liabilities is also adjusted.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

a. Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in profit or loss when the liabilities are de-recognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

b. Trade and other payables

These amounts represent liabilities for goods or services provided to the Company which are unpaid at the end of the reporting period. Trade and other payables are presented as current liabilities when the payment is due within a period of 12 months from the end of the reporting period. For all trade and other payables classified as current, the carrying amounts approximate fair value due to the short maturity of these instruments. Other payables falling due after 12 months from the end of the reporting period are presented as non-current liabilities and are measured at amortized cost unless designated as fair value through profit and loss at the inception.

c. Other financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gains or losses on liabilities held for trading are recognized in the profit or loss.

De-recognition of Financial Liabilities:

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or Modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

3. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

4. Compound Financial Instruments:

A financial instrument that comprises of both the liability and equity components are accounted as compound financial instruments. The fair value of the liability component is separated from the compound instrument and is subsequently measured at amortized cost. The residual value is recognized as equity component of other financial instrument and is not re-measured after initial recognition.

STANDALONE NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)

The transaction costs related to compound instruments are allocated to the liability and equity components in the proportion to the allocation of gross proceeds. Transaction costs related to equity component is recognized directly in equity and the cost related to liability component is included in the carrying amount of the liability component and amortized using effective interest method.

xv. Impairment of Financial assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

xvi. Fair value measurement:

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs

and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- **Level 1:** Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- **Level 2:** Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- **Level 3:** Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

xvii. Revenue Recognition:

a. Revenue from sale of goods and services:

Revenue is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of returns and discounts to customers.

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer, which is mainly upon delivery, the amount of revenue can be measured reliably and the recovery of consideration is probable. Revenue from the sale of goods includes excise and other duties which the Company pays as a principal but excludes amounts collected on behalf of third parties, such as goods and service tax (GST) and value added tax, as applicable.

Export Benefits are recognized as revenue when the right to receive credit as per the terms of the entitlement is established in respect of exports made.

Revenue from services is recognised in the periods in which the services are rendered.

b. Revenue from Projects

Revenue from fixed Price Contracts, where the performance obligation is satisfied over the period of time and where there is no un-certainty as to measurement or collectability of consideration is

STANDALONE NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)

recognized as per the percentage of completion method in accordance with the IND AS 115. Under the percentage of completion method, revenue is recognised in proportion that the contract costs incurred for work performed up to the reporting date bear to the estimated total contract costs. The amount recognised is net of goods and service tax (GST), service tax and other amounts collected from the customer in the capacity of an agent, as applicable. In cases where the total project cost is estimated to exceed the total estimated revenue from a project, the loss is recognised immediately.

Contract costs include the estimated material costs, installation costs and other directly attributable costs of the project.

Contract revenues represent the aggregate amounts of fair value of sale price for agreements entered into and are accrued based on the percentage that the actual construction costs incurred until the reporting date bears to the total estimated construction costs to completion.

The estimates for contract costs are reviewed by the management periodically and the cumulative effect of the changes in these estimates, if any, are recognized in the period in which these changes may be reliably measured.

c. Dividend:

Income from dividends are recognized when the Company's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

Final dividend on shares are recorded as a liability on the date of approval by the shareholders at the annual general meeting and interim dividend are recorded as a liability on the date of declaration by the Company's Board of Directors

b. Interest Income:

Interest income, including income arising from other financial instruments, is recognised using the effective interest rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial. When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss. The expected cash flows are reassessed on a yearly basis and changes, if any, are accounted prospectively.

e. Other Operating Revenue:

Other Operating revenue comprises income from ancillary activities incidental to the operations of the company and are recognized when the right to receive the income is established as per the terms of the contract.

xviii. Leases:

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

Assets acquired under lease where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such lease is capitalized at the inception of the lease at lower of the fair value or the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

Assets acquired on lease where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating lease. Lease rentals on assets taken on operating lease are recognized as an expense in the statement of profit and loss on a straight line basis over the lease term.

xix. Employee benefits

1. Short Term and other long term employee benefits:

A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognized in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

STANDALONE NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)

Compensated leave absences are encashed by employees at year end and no carry forward of leave is permitted as per the leave policy.

2. Post-Employment Benefits

a. Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund and Superannuation Fund. The Company's contribution is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

b. Defined Benefit Plans

For defined benefit retirement plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognized in OCI in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment.

xx. Share Based Payments Arrangements

Equity-settled share based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date. Details regarding the determination of the fair value of the equity settled share based payment transactions are set out in the Note No.40.

xxi. Borrowing costs:

Borrowing costs directly attributable to acquisition/ construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use/ sale. All other borrowing costs are charged to statement of profit and loss.

xxii. Provisions:

A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of

embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Provision for warranty:

Provision for expected cost of warranty obligations are recognized based on management's best estimate of the expenditure required to settle the obligations which takes into account the empirical data on the nature, frequency and average cost of warranty claims and regarding possible future incidents.

xxiii. Contingent liabilities and Contingent Assets:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent Assets are not recognized but are disclosed when the inflow of economic benefits are probable.

xxiv. Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares (if any) are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and consolidation of shares if any.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

STANDALONE NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)

xxv. Taxes on Income:

Tax expense comprises of current and deferred tax.

a. Current income tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in other comprehensive income / equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b. Deferred tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

xxvi. Cash and cash equivalents:

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

xxvii. Segment Reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's Chief Executive Officer (CEO), who is the Chief Operating Decision Maker (CODM), to make decisions about resources to be allocated to the segments and assess their performance. Information reported to the CODM for the purpose of resource allocation and assessment of segment performance focuses on the type of goods or services delivered or provided.

The Company is primarily engaged in manufacturing of wide range of electrical installation products including devices for energy efficiencies services which all fall under One segment by name Electrical Installation Products for any reporting requirements.

Significant accounting judgments, estimates and assumptions:

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgments that the management has made in the process of applying the Company's accounting policies:

a) Recognition of deferred tax assets:

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

STANDALONE NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)**b) Revenue recognition, contract costs:**

The Company uses the percentage of completion method for recognition of revenue, accounting for unbilled revenue and contract cost thereon for its contractual projects. The percentage of completion is measured by reference to the stage of the projects and contracts determined based on the proportion of contract costs incurred for work performed to date bear to the estimated total contract costs. Use of the percentage-of-completion method requires the Company to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended. Significant assumptions are required in determining the stage of completion, the extent of the contract cost incurred to the estimated total contract revenue and contract cost and the recoverability of the contracts. These estimates are based on events existing at the end of each reporting date.

c) Provision and contingent liability:

On an ongoing basis, the Company reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements.

d) Useful lives of depreciable assets:

Management reviews the useful lives of depreciable assets at each reporting. As at March 31, 2021 management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to previous year.

e) Evaluation of indicators for impairment of assets:

The evaluation of applicable indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

f) Defined benefit obligation:

Management's estimate of the Defined Benefit obligation is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may impact the obligation amount and the annual defined benefit expenses.

g) Fair value measurements:

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Provision for Warranty	130.01	100.83
Total	130.01	100.83

The Company gives warranties for its products undertaking to repair or replace the items that fail to perform satisfactorily during the warranty period. The provision for warranty claims represents the present value of the Management's best estimate of the future outflow of economic benefits that will be required under the Company's obligations for warranties under sale of goods legislations. The estimate has been made on the basis of historical warranty trends and may vary as a result of new materials, altered manufacturing processes or other events affecting product quality

	March 31, 2021	March 31, 2020
Employer's Contribution to PF	118.20	110.94
Employer's Contribution to ESIC	10.50	13.59
Employer's Contribution to Superannuation fund	4.18	3.15
TOTAL	132.88	127.68

B. Defined Benefit plans

In accordance with the Payment of Gratuity Act, 1972, the Company provides for gratuity, as defined benefit plan. The gratuity plan provides for a lump sum payment to the employees at the time of separation from the service on completion of vested year of employment i.e. five years. The liability of gratuity plan is provided based on actuarial valuation using the projected unit credit method as at the end of each financial year based on which the Company contributes the ascertained liability to Life Insurance Corporation of India with whom the plan assets are maintained.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk, salary risk and longevity risk.

Investment Risk: The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Longevity risk: The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

NOTES TO STADALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31,2021 (Contd.)
Principal actuarial assumptions

Principal actuarial assumptions used to determine the present value of the defined benefit obligation are as follows:

Particulars	(₹ in Lakhs)	
	March 31, 2021	March 31, 2020
Discount Rate	7.02%/6.36%	6.86%/6.66%

NOTES TO STADALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31,2021 (Contd.)**Net Asset/ Liability recognized in Balance Sheet**

(₹ in Lakhs)

Particulars	March 31, 2021		March 31, 2020	
	Increase	Decrease	Increase	Decrease
Present value of obligations	813.67		789.46	
Fair Value of Plan Assets	814.58		709.43	
Amount recognized	-0.91		80.03	

The actuarial valuation, as certified by LIC of India with whom the company has its defined group gratuity scheme, is adopted to determine the present value of the defined benefit obligations. For the year ended 31/03/2020, as the certification as per AS 19 of ICAI was not available till the finalisation of accounts and adoption by the Board, the profit and loss account and balance sheet were recognised based on the past experience, indicators and the contributions made and benefits paid. (Please refer note on accounts for the relevant year 2020). The difference arising out of the actuarial valuation and the assumptions made by the company were recognised in the accounts of the first quarter of the year 2021 and accordingly, the recognition for the year ended 31/03/2021 are based on the actuarial valuation as certified by LIC of India.

Sensitivity Analysis

Below is the sensitivity analysis determined for significant actuarial assumptions for the determination of defined benefit obligations and based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period while holding all other assumptions constant.

ii. Fair Value Hierarchy

The Company has classified its financial instruments into three levels in order to provide an indication about the reliability of the inputs used in determining fair values.

- (i) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (ii) Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- (iii) Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

Fair value hierarchy of financial assets and liabilities measured at fair value as at March 31, 2021

(₹ in Lakhs)

Particulars	Note	Level 1	Level 2	Level 3	Carrying value
Financial Assets					
At fair value through Other Comprehensive Income		-	-	-	-
Investments					
Investments - Non - current - Quoted	6, 11	390.17	1,661.39	-	2,051.56

NOTES TO STADALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)
Fair value hierarchy of financial assets and liabilities measured at fair value as at March 31, 2020

(₹ in Lakhs)

Particulars	Note	Level 1	Level 2	Level 3	Carrying value
Financial Assets					
At fair value through Other Comprehensive Income		-	-	-	-
Investments - Non - current - Quoted	6, 11	225.43	1,663.94	-	1,889.37
Investments - Non - current - Unquoted	6	-	-	83.29	83.29
At fair value through Profit and Loss					
Investments - Current	11	-	-	-	299.68
Financial Liabilities					
At amortised costs					
Borrowings	20, 23	-	17,368.36	-	17,368.36

The carrying amounts of trade receivables, cash and cash equivalents, other bank balances, loans, other financial assets, current borrowings, trade payables and other current financial liabilities are a reasonable approximation of their fair values. Accordingly, the fair values of such financial assets and financial liabilities have not been disclosed separately.

iii. Valuation technique used to determine fair value

- The fair value of the financial assets and liabilities are at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- The carrying amounts of trade receivables, cash and cash equivalents, other bank balances, loans, other financial assets, current borrowings, trade payables and other current financial liabilities are a reasonable approximation of their fair values.
- The investment included in Level 3 hierarchy have been valued at cost approach to arrive at the fair values. The cost of unquoted investment approximate the fair value as there is a wide range of possible fair value measurement and the cost represents estimate of fair value within that range.
- The estimated fair value amounts as at March 31, 2020 have been measured as at that date. As such, the fair values of these financial instruments subsequent to reporting date may be different than the amounts reported at each year-end.
- There were no transfers between Level 1, Level 2 and Level 3 during the year.

NOTE No. 46 FINANCIAL RISK MANAGEMENT

The Company's businesses are subject to several risks and uncertainties including financial risks.

The Company's activities expose it to credit risk, liquidity risk, market risk - interest rate risk and foreign currency risk. The Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Ageing analysis, Credit ratings
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts
Market risk Interest rate risk	Long-term borrowings at variable rates	Cash flow forecasting, Sensitivity analysis
Foreign Currency risk	Recognised financial assets and liabilities not denominated in functional currency	Cash flow forecasting, Sensitivity analysis

NOTES TO STADALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31,2021 (Contd.)

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

The company's credit risk generally arises from Cash and cash equivalents, trade receivables, and other financial assets.

Credit Risk Management

The Group assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

Assets Group	Description of category	Particulars	Provision for expected credit loss *
Low credit risk	Assets where the counterparty has strong capacity to meet the obligations and where the risk of default is negligible or nil	Cash and cash equivalents, other bank balances, investments, loans, trade receivables and other financial assets	12 month expected credit loss/life time expected credit loss
Moderate credit risk	Assets where the probability of default is considered moderate, counter-party where the capacity to meet the obligations is not strong	Nil	12 month expected credit loss/life time expected credit loss
High credit risk	Assets where there is a high probability of default.	Nil	12 month expected credit loss/life time expected credit loss/fully provided for

* Life time expected credit loss is provided for trade receivables.

Based on business environment in which the Company operates, a default on a financial asset is considered when the counterparty fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions. Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss.

Classification of Financial assets among risk categories:

(₹ in Lakhs)

Credit rating	Particulars	March 31, 2021	March 31, 2020
Low credit risk	Cash and cash equivalents, other bank balances, investments, loans, trade receivables and other financial assets	25,774.32	22,086.02
Moderate credit risk	Nil	-	-
High credit risk	Nil	-	-

The loss allowance for trade receivables using expected credit losses for different ageing periods as at 31 March 2021 are as follows:

(₹ in Lakhs)

SCHNEIDER	3,009.99	1,661.80
NEWTEC CABLES	956.43	-
TOTAL	3,966.42	1,661.80

Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the business, the Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Maturities of Financial Liabilities as at 31 Mar 2021 are as follows:

Particulars	Less than 1 year	1-5 year	More than 5 year	Total
Borrowings	18,327.88	1,626.68	-	19,954.56
Trade Payables	5,880.88	-	-	5,880.88
Other financial Liabilities	462.62	17.18	8.80	488.60

Maturities of Financial Liabilities as at 31 Mar 2020 are as follows:

Particulars	Less than 1 year	1-5 year	More than 5 year	Total
Borrowings	15,590.75	1,777.61	-	17,368.36
Trade Payables	5,040.29	-	-	5,040.29
Other financial Liabilities	471.09	21.81	7.89	500.79

Market Risk

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates etc. could affect the Company's income or the value of its holdings of financial instruments including cash flow. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximising the return.

NOTES TO STADALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31,2021 (Contd.)

Interest rate Risks

The Company uses a mix of cash and borrowings to manage the liquidity & fund requirements of its day-to-day operations. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The borrowings are fixed rate borrowings and are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, 'Financial Instruments - Disclosures', since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Interest rate risk exposure

The following table provide the break-up of the co. fixed and floating rate borrowing

(₹ in Lakhs)

Particulars	March 31, 2021	March 31, 2020
Fixed Rate Borrowings	-	-
Floating Rate	20,417.18	17,839.45
Total Borrowings	20,417.18	17,839.45

Interest Rate Sensitivity analysis:

The Sensitivity Analysis below have been determined based on the exposure to interest rate for Floating Rate Liabilities, assuming the amount of the liability outstanding at the year end was outstanding for the whole year:

If interest rate had been 100 basis points higher/lower and all other variable were held constant, the company's profit for the year ended 31.03.2021 would decrease/increase by ₹ 178.40 Lacs. (for the year ended 31.03.2020: decrease /increase by ₹ 147.68 Lacs). This is mainly attributable to the Company's exposure to interest rate on its variable rate borrowings.

Foreign Currency Risk

The Company's exposure to currency risk relates primarily to the Company's operating activities including anticipated sales & purchase and borrowings where the transactions are denominated in a currency other than the Company's functional currency. The risk is measured through a forecast of highly probable foreign currency cash flows.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at 31.03.2021 are as follows:

Particulars	US\$	GPB	EURO
Financial Assets	15,30,57,957.41	4,80,85,280.00	1,17,04,026.48
Financial Liabilities	3,87,09,929.76	-	5,86,201.36
Net exposure	11,43,39,886.45	4,80,85,280.00	1,11,18,041.00

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at 31.03.2020 are as follows:

Particulars	US\$	GPB	EURO
Financial Assets	32,54,851.73	5,15,869.73	-
Financial Liabilities	35,45,965.69	15,52,836.00	32,895.00
Net exposure	-2,91,113.96	-10,36,966.27	-32,895.00

Foreign Currency Sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in foreign currency rates, with all other variables held constant.

Particulars	Impact on profit before tax			
	March 31, 2021		March 31, 2020	
	0.5 %	-0.5 %	0.5 %	-0.5 %
USD	5.72	-5.72	-0.01	0.01
GBP	2.40	-2.40	-0.05	0.05
EURO	0.56	-0.56	-	-

NOTES TO STADALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31,2021 (Contd.)

NOTE No. 47 CAPITAL MANAGEMENT

The Company's objectives when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth. The Company's overall strategy remains unchanged from previous year.

The funding requirements are met through a mixture of equity, internal fund generation and other non-current borrowings. The Company's policy is to use current and non-current borrowings to meet anticipated funding requirements.

The Company monitors capital on the basis of the gearing ratio which is net debt divided by total capital (equity plus net debt).

Net debt are non-current and current debts as reduced by cash and cash equivalents, other bank balances and current investments. Equity comprises all components including other comprehensive income.

The following table summarizes the capital of the Company:

Particulars	(₹ in Lakhs)	
	March 31, 2021	March 31, 2020
Non-Current Borrowings (Refer Note : 20)	1,626.68	1,777.61
Current Borrowings (Refer Note : 23)	18,327.88	15,590.76
Current Maturities of Long term Debt (Refer Note : 25)	488.60	200.79
Total Borrowings (a)	20,443.16	17,869.16
Cash and Cash equivalents (Refer Note : 13)	493.33	221.82
Other Bank Balances (Refer Note : 14)	556.59	664.81
Current Investments (Refer Note : 11)	390.17	225.43
Total Cash (b)	1,440.09	1,112.06
Net Debt (c) = (a)-(b)	19,003.07	16,757.10
Equity (Refer Note : 18)	1,598.27	1,598.27
Other Equity (Refer Note : 19)	31,530.38	29,339.72
Total Equity (d)	33,128.65	30,937.99
Total Capital (e) = (c)+(d)	52,131.72	47,695.09
Gearing Ratio = (c)/(e)	0.36	0.35

CONSOLIDATED INDEPENDENT AUDITOR'S REPORT

"To
the Members of **SALZER ELECTRONICS LIMITED**
Report on the Consolidated Ind AS Financial Statements

Opinion

We have audited accompanying consolidated Ind AS financial statements of **Salzer Electronics Limited** ("the Company") and its subsidiary (the Company and its subsidiary together referred to as "the Group"), which comprise of the Balance Sheet as at March 31, 2021, the Consolidated statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of changes in Equity and the Consolidated Cash Flows Statement for the year ended on that date, and notes to the Consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the Consolidated Ind AS Financial Statements:)

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by The Companies Act, 2013 ("The Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2021, consolidated profit and total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis of Opinion

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independent requirement that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Act and the rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

Sr.No	Key Audit Matter	Auditor's Response
1.	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers"</p> <p>The application of this revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, this revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p>	<p>Principal Audit Procedures</p> <p>We assessed the Group's process to identify the impact of adoption of the revenue accounting standard.</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> - Evaluated the design of internal controls relating to implementation of the new revenue accounting standard. - It is observed that transaction price charged is exworks price and revenue is booked at the time of dispatch of the goods. - The above method followed by the Group is in line with the provisions of Ind AS 115-'Revenue from contracts with customers' <p>Conclusion:</p> <p>We agree with the management's evaluation.</p>

CONSOLIDATED INDEPENDENT AUDITOR'S REPORT (Contd.)

Sr.No	Key Audit Matter	Auditor's Response
2.	Accuracy of revenues and onerous obligations in respect of fixed price contracts.	<p>In the process of verifying the accuracy of recognition of revenues of fixed price contracts, we have undertaken the following audit approach</p> <ul style="list-style-type: none"> - Understood, evaluated and tested the key controls over the recognition of revenue from fixed price contracts. We selected a sample of transactions and - Agreed the applied tariff to the respective terms in the contract. - Tested revenue calculations and agreed the revenue recognized to the underlying accounting records. <p>Conclusion:</p> <p>We agree with the management's evaluation</p>
3.	<p>Allowance for credit losses</p> <p>The Group determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Group considered current and anticipated future economic conditions relating to industries the Group deals with and the countries where it operates. In calculating expected credit loss, the Group has also considered credit reports and other related credit information for its customers to estimate the probability of default in future and has taken into account estimates of possible effect from the pandemic relating to COVID-19. We identified allowance for credit losses as a key audit matter because the Group exercises significant judgment in calculating the expected credit losses.</p> <p>Refer Note No: 12 to the Consolidated Ind AS financial statements</p>	<p>Our audit procedures related to the allowance for credit losses for trade receivables and unbilled revenue included the following, among others: We tested the effectiveness of controls over the (1) development of the methodology for the allowance for credit losses, including consideration of the current and estimated future economic conditions (2) completeness and accuracy of information used in the estimation of probability of default and (3) computation of the allowance for credit losses. For a sample of customers: We tested the input data such as credit reports and other credit related information used in estimating the probability of default by comparing them to external and internal sources of information. We tested the mathematical accuracy and computation of the allowances by using the same input data used by the Company.</p> <p>Conclusion:</p> <p>We agree with the management's evaluation</p>
4.	<p>Assessment of carrying value of goodwill as per Ind AS 36 (Refer Note. 1 (vii) to the Consolidated financial Statements)</p> <p>The Group has a goodwill balance of ₹ 697.94 Lakhs as at March 31, 2021 relating to the acquisition of subsidiary, which is considered as a Cash Generating Unit (CGU). For the year ended March 31, 2021, the Group performed an assessment of the carrying value of goodwill as required under Ind AS 36 by:</p> <ul style="list-style-type: none"> • Calculating the recoverable amount for CGU using a discounted cash flow model (DCF model). • Comparing the recoverable amount of the respective carrying amount of assets and liabilities. The preparation of discounted cash flows requires assumptions for projections of cash flows for a specific period, typically for 5 years. A terminal 	<p>Our audit procedures in relation to assessment of carrying value of goodwill arising on consolidation of subsidiary company, included the following:</p> <ul style="list-style-type: none"> • Understood and performed procedures to assess the design and test the operating effectiveness of relevant controls related to the annual evaluation on assessment of carrying value of goodwill. • Together with auditor's valuation experts, evaluated the assumptions and methodologies used in the DCF models, in particular those relating to the cash flow projections used, discount rates and terminal growth rates applied, by: <ul style="list-style-type: none"> a. Evaluating the reasonableness of the cash flow projections by comparing with the approved budgets, previous year performance and our knowledge and understanding of current business conditions.

CONSOLIDATED INDEPENDENT AUDITOR'S REPORT (Contd.)

Sr.No Key Audit Matter	Auditor's Response
<p>2. growth rate is applied in determining the terminal value. We considered the carrying value of goodwill as a key audit matter, considering its significance to the consolidated financial statements, and where applicable, the Management judgement involved in estimating future cash flows, particularly with respect to factors such as discount rates, cash flow projections and terminal growth rates</p>	<p>b. Determining a range of acceptable discount rates and terminal growth rates, with reference to valuations of similar companies and other relevant external data, and comparing this range to the discount rates and terminal growth rates adopted by the Company.</p> <p>c. Performing sensitivity tests on the DCF Model by analysing the impact of using other possible growth rates and discount rates within a reasonable and foreseeable range.</p> <p>d. Tested the arithmetical accuracy of the calculations carried out by the Management.</p> <p>Based on above procedures performed, we found the management's assessment of carrying value of goodwill to be reasonable.</p>

In prepa

Other Matters

We did not audit the financial statements of subsidiary Kaycee Industries Ltd., whose Ind AS financial statements reflect total assets of ₹. 2,069.21 Lakhs as at 31st March, 2021, total turnover of ₹.2,306.57 Lakhs and net cash flows amounting to ₹ 23.46 Lakhs for the year ended on that date, as considered in the consolidated Ind AS financial statements. The consolidated Ind AS financial statements also include the Group's share of Profit of ₹ 113.54 Lakhs for the year ended 31st March, 2021, as considered in the consolidated financial statements, in respect of the subsidiary, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditors.

Information other than the Consolidated Ind AS Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises of the information included in the Management Discussion and Analysis, Board's report including Annexures to Boards Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance and conclusion

thereon.

In connection with our audit of the consolidated Ind AS financial statement, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the consolidated Ind AS financial statements or other information obtained during the course of our audit or otherwise appear to be materially misstated, If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with governance for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated Ind AS financial statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance including other comprehensive income, Consolidated changes in equity and Consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and

CONSOLIDATED INDEPENDENT AUDITOR'S REPORT (Contd.)

presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

A further description of the auditor's responsibilities for the audit of the consolidated Ind AS financial statements is included in Annexure "A". This description forms part of our auditor's report.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our Audit, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated statement of change in equity, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of consolidated Ind AS financial statements,
- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2021 taken on record by the Board of Directors of the Holding company, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group Refer Note No. 42 to the consolidated Ind AS financial statements.
 - ii. Provision has been made in the consolidated Ind AS financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts Refer Note No. 28 to the consolidated Ind AS financial statements.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company.

ANNEXURE "A"

TO THE INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS OF SALZER ELECTRONICS LIMITED

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism through- out the audit. We also:-

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated Ind

AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company and such other entity included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE "B"

"ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON CONSOLIDATED IND AS FINANCIAL STATEMENTS OF M/s. SALZER ELECTRONICS LIMITED

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of the Independent Auditors' Report to the members of the Company on the Consolidated Ind AS Financial Statements for the year ended on 31st March, 2021).

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal financial controls with reference to the financial statements of Salzer Electronics Limited (hereinafter referred to as "the Company"), the holding company and its subsidiary company, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over

financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for my /our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

CONSOLIDATED INDEPENDENT AUDITOR'S REPORT (Contd.)**Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

CONSOLIDATED SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED MARCH 31, 2021

Significant Accounting Policies

Note No. 1

i. Corporate Information:

Salzer Electronics Limited, incorporated in January 1985 under the provisions of Companies Act, 1956. The Group is engaged in manufacture of Electrical Installation Products and Components viz., CAM Operated Rotary switches, Selector Switches, Wiring Ducts, Voltmeter Switches, copper wires and cables and allied products addressing customers in the electrical equipment, power, medical equipment, automotive as well as renewable and uninterrupted power system spaces, in a single and unified segment. The Parent Company is listed in Bombay Stock Exchange Limited and National Stock Exchange of India Limited and Subsidiary Company is listed in Bombay Stock Exchange Limited only.

ii. General Information and Statement of Compliance with IND AS

These Consolidated financial statements ('financial statements') of the Group have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The Group has uniformly applied the accounting policies during the periods presented.

These financial statements for the year ended 31 March 2021 were authorized and approved for issue by the Group's Board of Directors on June 18, 2021.

iii. Basis of Preparation:

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India.

The Financial Statements have been prepared and presented on the historical cost basis except for certain financial instruments measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services as on the exchange date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Group takes in to account the characteristics of the asset or liability

if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on the basis stated above. In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 Inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

All amounts included in the financial statements are reported in lakhs of Indian rupees except share and per share data, unless otherwise stated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

iv. Basis of Consolidation

The consolidated financial statements incorporate the financial statements of the Group and entities (including structured entities) controlled by the Group and its subsidiaries.

Subsidiaries are all entities (including structured entities) over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Inter company transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group. Non-controlling interests in the results and

NOTE 5 TO CONSOLIDATED IND AS FINANCIAL STATEMENTS (Contd.)

equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively. The carrying amount of equity accounted investments are tested for impairment. The consolidated Ind AS financial statements of the Group include subsidiary which are incorporated in India in the table below

Name of the Subsidiary	% of Holding	Reporting Date
Kaycee industries Ltd	74.91%	31.03.2021

iv) Use of Estimates:

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management of the Group to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Application of accounting policies that require significant accounting estimates involving complex and subjective judgments and the use of assumptions in these

Financial statements have been disclosed separately under the heading "Significant accounting Judgements, estimates and assumption".

v. Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is classified as current, when:

- It is expected to be realised or intended to be sold or consumed in normal operating cycle
- It is held primarily for the purpose of trading
- It is expected to be realised within twelve months after the reporting period, or
- It is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is classified as current, when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading,

- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The entity classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

vi. Foreign currency transactions

Functional and presentation currency

The financial statements are presented in Indian Rupee which is also the functional and presentation currency of the Company. All amounts have been rounded-off to the nearest rupee.

(a) Initial recognition

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

(b) Conversion

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or any other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

(c) Forward Contract

Premium/ Discount in respect of Forward Contract are amortized as expense/income over the period of contract. Exchange differences arising on forward contracts between the exchange rate on the date of transaction and the exchange rate prevailing at the year end is recognized in the Statement of Profit and Loss.

vii) Property, Plant and Equipment:

Property, Plant and Equipment (PPE) is recognized when the cost of an asset can be reliably measured and it is probable that the entity will obtain future economic benefits from the asset.

Property, plant and equipment are stated at historical cost net of indirect taxes, including appropriate direct and allocated expenses less accumulated depreciation and impairment losses, if any. Increase/Decrease in rupee liability in respect

NOTE 5 TO CONSOLIDATED IND AS FINANCIAL STATEMENTS (Contd.)

of foreign currency liability related to acquisition of fixed assets is recognised as expense or income in the Statement of Profit and Loss. Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Cost includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the group's accounting policy. Such properties are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use. Depreciation of these assets, on the same basis as other property assets, commences when the assets are ready for their intended use. Property, plant and equipment represent a significant proportion of the asset base of the group. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of group's assets are determined by management at the time the asset is acquired and reviewed periodically, including at each financial year end with the effect of any changes in estimate accounted for on a prospective basis. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method.

PPE is measured initially at cost. Cost includes the fair value of the consideration given to acquire the asset (net of discounts and rebates) and any directly attributable cost of bringing the asset to working condition for its intended use (inclusive of import duties and non-refundable purchase taxes). Subsequent expenditure relates to an item of PPE is capitalised if it meets the recognition criteria.

On the date of transition to Ind AS, barring Land which has been valued at Fair value, all other items of assets have been valued as per their 'deemed cost' in accordance with Ind AS 101.

Foreign exchange gain/loss arising on foreign currency denominated borrowing which are not hedged that were incurred to acquire PPE are recorded in the cost of the asset as per Ind AS 101 Para D13AA and Ind AS 21 Para 7A and depreciated over their remaining useful life. In respect of exchange gain/loss arising from foreign currency denominated borrowings which are hedged, accounting has been done based on hedge effectiveness either as derivate/cash flow hedge as per Ind AS 109.

Depreciation:

The depreciable amount of PPE (being the Gross carrying value less the estimated residual value) is depreciated on a systematic basis over its useful life.

In respect of certain classes of PPE, the Group uses different useful life other than those prescribed in Schedule II to the Act. The useful life of such class of PPE has been ascertained based on technical review by a Chartered Engineer and assessment by the management as detailed in the following table:

Class of Assets	Useful Lives
Buildings	30 Years
Plant and Machinery	15 Years
Windmill	22 Years
Electrical Machinery solar	30 Years
Furniture and Fixtures	10 Years
Vehicles	8 Years

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit or loss.

viii) Investment property:

Investment property is a property, being a land or a building or part of a building or both, held by the owner or by the lessee under a finance lease, to earn rentals or for capital appreciation or both, rather than for use in the production or supply of goods or services or for administrative purposes; or sale in the ordinary course of business. Investment properties (if any), are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the group depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

ix) Intangible assets and amortization:

An intangible asset is an identifiable non-monetary asset without physical substance.

Intangible assets are recognised only if it is probable that future economic benefits that are

NOTE 5 TO CONSOLIDATED IND AS FINANCIAL STATEMENTS (Contd.)

attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.

Computer software licenses are capitalised on the basis of costs incurred to acquire and bring to use the specific software. Operating software is capitalised and amortised along with the related fixed asset.

The Group has used the following useful lives to amortise its intangible assets:

Class of Assets	Useful Lives
Computer software	3 Years
Internally Generated Intangible assets	3 Years

x. Research and Development Expenditure:

Research & Development expenditure is charged to revenue under the natural heads of account in the year in which it is incurred. However, expenditure incurred at development phase, where it is reasonably certain that outcome of research will be commercially exploited to yield economic benefits to the Company, is considered as Property, plant and equipment or Intangible Asset and depreciated in accordance with the policies stated above.

xi. Impairment of Non Financial assets

The Group periodically assesses whether there is any indication that an asset or a group of assets comprising a cash generating unit may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. For an asset or group of assets that does not generate largely independent cash inflows, the recoverable amount is determined for the cash- generating unit to which the asset belongs. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs to is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost. An impairment loss is reversed only to the extent that the amount of asset does not exceed the net book value that would have been determined if no impairment loss had been recognized.

xii) Inventories:

Inventories are carried at the lower of cost and net realizable value.

Cost includes all applicable costs incurred in bringing the properties to their present location and condition.

Net realizable value is the estimated selling price in

the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Cost of raw materials including consumables and stores & spares are determined on FIFO (First In First Out) Basis.

Cost of work-in-progress is valued at cost of materials and labor together with relevant factory overheads. The cost of work-in progress is determined on the basis of weighted average method.

The finished goods are valued at cost inclusive of excise duty (or) net realizable value whichever is less.

xiii) Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1. Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI);
- Debt instruments and equity instruments at fair value through profit or loss (FVTPL);
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Debt instruments at amortized cost:

A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

NOTE 5 TO CONSOLIDATED IND AS FINANCIAL STATEMENTS (Contd.)

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

Debt instrument at FVTOCI:

A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Debt instrument at FVTPL:

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity investments (other than investments in subsidiaries and joint ventures):

All equity investments within the scope of Ind AS 109, 'Financial Instruments', are measured at fair value either through statement of profit and loss or other comprehensive income. The Group makes an irrevocable election to present in OCI the subsequent changes in the fair value on an instrument-by-instrument basis. The classification is made on initial recognition.

If the Group decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, impairment gains or losses and foreign exchange gains and losses, are recognized in the OCI. Any gains or losses on de-recognition is recognized in the OCI and are not recycled to the statement of profit or loss.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

De-recognition of Financial Assets:

A financial asset (or, where applicable, a part of a financial asset or part of a Group of similar financial assets) is primarily de-recognized when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognize the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Investment in Subsidiaries, Associates and Joint ventures:

The Group's investment in equity instruments of Subsidiaries, is accounted for at cost as per Ind AS 27.

2. Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and transaction cost (if any) that is attributable to the acquisition of the financial liabilities is also adjusted.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

a. Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in

NOTE 5 TO CONSOLIDATED IND AS FINANCIAL STATEMENTS (Contd.)

profit or loss when the liabilities are de-recognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

b. Trade and other payables

These amounts represent liabilities for goods or services provided to the Group which are unpaid at the end of the reporting period. Trade and other payables are presented as current liabilities when the payment is due within a period of 12 months from the end of the reporting period. For all trade and other payables classified as current, the carrying amounts approximate fair value due to the short maturity of these instruments. Other payables falling due after 12 months from the end of the reporting period are presented as non-current liabilities and are measured at amortized cost unless designated as fair value through profit and loss at the inception.

c. Other financial liabilities at fair value through profit or loss:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gains or losses on liabilities held for trading are recognized in the profit or loss.

d. De-recognition of Financial Liabilities:

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or Modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

3. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

4. Compound Financial Instruments:

A financial instrument that comprises of both the liability and equity components are accounted as compound financial instruments. The fair value of the liability component is separated from the

compound instrument and is subsequently measured at amortized cost. The residual value is recognized as equity component of other financial instrument and is not re-measured after initial recognition.

The transaction costs related to compound instruments are allocated to the liability and equity components in the proportion to the allocation of gross proceeds. Transaction costs related to equity component is recognized directly in equity and the cost related to liability component is included in the carrying amount of the liability component and amortized using effective interest method.

xiv) Impairment of Financial assets:

The Group assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

xv) Fair value measurement:

The Group measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

NOTE 5 TO CONSOLIDATED IND AS FINANCIAL STATEMENTS (Contd.)

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- **Level 1:** Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- **Level 2:** Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
- **Level 3:** Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

xvi) Revenue Recognition:

a. Revenue from sale of goods and services:

Revenue is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of returns and discounts to customers.

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer, which is mainly upon delivery, the amount of revenue can be measured reliably and the recovery of consideration is probable. Revenue from the sale of goods includes excise and other duties which the Group pays as a principal but excludes amounts collected on behalf of third parties, such as goods and service tax (GST) and value added tax, as applicable.

Export Benefits are recognized as revenue when the right to receive credit as per the terms of the entitlement is established in respect of exports made.

Revenue from services is recognised in the periods in which the services are rendered.

b. Revenue from Projects

Revenue from fixed Price Contracts, where the performance obligation is satisfied over the period of time and where there is no un-certainty as to

measurement or collectability of consideration is recognized as per the percentage of completion method in accordance with the IND AS 115. Under the percentage of completion method, revenue is recognised in proportion that the contract costs incurred for work performed up to the reporting date bear to the estimated total contract costs. The amount recognised is net of goods and service tax (GST), service tax and other amounts collected from the customer in the capacity of an agent, as applicable. In cases where the total project cost is estimated to exceed the total estimated revenue from a project, the loss is recognised immediately.

Contract costs include the estimated material costs, installation costs and other directly attributable costs of the project.

Contract revenues represent the aggregate amounts of fair value of sale price for agreements entered into and are accrued based on the percentage that the actual construction costs incurred until the reporting date bears to the total estimated construction costs to completion.

The estimates for contract costs are reviewed by the management periodically and the cumulative effect of the changes in these estimates, if any, are recognized in the period in which these changes may be reliably measured.

c. Dividend :

Income from dividends are recognized when the Group's right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

Final dividend on shares are recorded as a liability on the date of approval by the shareholders at the annual general meeting and interim dividend are recorded as a liability on the date of declaration by the Company's Board of Directors

d. Interest Income:

Interest income, including income arising from other financial instruments, is recognised using the effective interest rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss. The expected cash flows are reassessed on a yearly basis and changes, if any, are accounted prospectively.

NOTE 5 TO CONSOLIDATED IND AS FINANCIAL STATEMENTS (Contd.)

a. Other Operating Revenue:

Other Operating revenue comprises income from ancillary activities incidental to the operations of the Group and are recognized when the right to receive the income is established as per the terms of the contract.

xvii) Leases:

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

Assets acquired under lease where the Group has substantially all the risks and rewards of ownership are classified as finance lease. Such lease is capitalized at the inception of the lease at lower of the fair value or the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

Assets acquired on lease where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating lease. Lease rentals on assets taken on operating lease are recognized as an expense in the statement of profit and loss on a straight line basis over the lease term.

xviii) Employee benefits

1. Short Term and other long term employee benefits:

A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognized in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date.

Compensated leave absences are encashed by employees at year end and no carry forward of leave is permitted as per the leave policy.

2. Post-Employment Benefits

a. Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Group pays specified contributions to a separate entity. The Group makes specified monthly contributions towards Provident Fund and Superannuation Fund. The Group's contribution is recognized as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

b. Defined Benefit Plans

For defined benefit retirement plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognized in OCI in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment.

xix) Share Based Payments Arrangements

Equity-settled share based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

xx) Borrowing costs:

Borrowing costs directly attributable to acquisition/ construction of qualifying assets are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use/ sale. All other borrowing costs are charged to statement of profit and loss.

xxi) Provisions:

A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when

NOTE 5 TO CONSOLIDATED IND AS FINANCIAL STATEMENTS (Contd.)

appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Provision for warranty:

Provision for expected cost of warranty obligations are recognized based on management's best estimate of the expenditure required to settle the obligations which takes into account the empirical data on the nature, frequency and average cost of warranty claims and regarding possible future incidents.

xxii) Contingent liabilities and Contingent Assets:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent Assets are not recognized but are disclosed when the inflow of economic benefits are probable.

xxiii) Earnings per share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares (if any) are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue; bonus element in a rights issue to existing shareholders; share split; and consolidation of shares if any.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xxiv) Taxes on Income:

Tax expense comprises of current and deferred tax.

a. Current income tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount

are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in other comprehensive income / equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b. Deferred tax

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

xxvi) Cash and cash equivalents:

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

Business Combination under common control

Common control business combination includes transaction, such as transfer of subsidiaries or business, between entities within a Group. Business combinations involving entities or business under common control are accounted for using the pooling of interest method. Under pooling of interest, the assets and liabilities of the combining entities are reflected at their carrying amount, the only adjustment that are made are to harmonise accounting policies.

NOTE 5 TO CONSOLIDATED IND AS FINANCIAL STATEMENTS (Contd.)

The financial information in the financial statement in respect of prior period are restated as if the business combination had occurred from the beginning of the preceding period in the financial statement, irrespective of the actual date of the combination. However, if business combination had occurred after that date, the prior period information is restated only from that date.

The differences, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other asset and the amount of share capital of the transferor is transferred to capital reserve and presented separately from other capital reserves with disclosure of its nature and purpose in the notes.

xxvii) Segment Reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's Chief Executive Officer (CEO), who is the Chief Operating Decision Maker (CODM), to make decisions about resources to be allocated to the segments and assess their performance. Information reported to the CODM for the purpose of resource allocation and assessment of segment performance focuses on the type of goods or services delivered or provided.

The Company is primarily engaged in manufacturing of wide range of electrical installation products including devices for energy efficiencies services which all fall under One segment by name Electrical Installation Products for any reporting requirements.

Significant accounting Judgments, estimates and assumptions:

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the

revision and future periods if the revision affects both current and future periods.

The following are the areas of estimation uncertainty and critical judgments that the management has made in the process of applying the Group's accounting policies

a) Recognition of deferred tax assets:

The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

b) Revenue recognition, contract costs:

The Group uses the percentage of completion method for recognition of revenue, accounting for unbilled revenue and contract cost thereon for its contractual projects. The percentage of completion is measured by reference to the stage of the projects and contracts determined based on the proportion of contract costs incurred for work performed to date bear to the estimated total contract costs. Use of the percentage-of-completion method requires the Group to estimate the efforts or costs expended to date as a proportion of the total efforts or costs to be expended. Significant assumptions are required in determining the stage of completion, the extent of the contract cost incurred to the estimated total contract revenue and contract cost and the recoverability of the contracts. These estimates are based on events existing at the end of each reporting date.

c) Provision and contingent liability:

On an on-going basis, the Group reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements.

d) Useful lives of depreciable assets:

Management reviews the useful lives of depreciable assets at each reporting. As at March 31, 2017 management assessed that the useful lives represent the expected utility of the assets to the Group. Further, there is no significant change in the useful lives as compared to previous year.

e) Evaluation of indicators for impairment of assets:

The evaluation of applicable indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

NOTE 5 TO CONSOLIDATED IND AS FINANCIAL STATEMENTS (Contd.)

f) Defined benefit obligation:

Management's estimate of the Defined Benefit obligation is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may impact the obligation amount and the annual defined benefit expenses.

g) Fair value measurements:

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

The Company gives warranties for its products undertaking to repair or replace the items that fail to perform satisfactorily during the warranty period. The provision for warranty claims represents the present value of the Management's best estimate of the future outflow of economic benefits that will be required under the Company's obligations for warranties under sale of goods legislations. The estimate has been made on the basis of historical warranty trends and may vary as a result of new materials, altered manufacturing processes or other events affecting product quality

	March 31, 2021	March 31, 2020
Employer's Contribution to PF	124.21	127.68
Employer's Contribution to ESIC	10.94	14.10
Employer's Contribution to Superannuation fund	4.18	3.15
Pension Fund	8.86	-
TOTAL	148.19	141.78

B. Defined Benefit plans

In accordance with the Payment of Gratuity Act, 1972, the Group provides for gratuity, as defined benefit plan. The gratuity plan provides for a lump sum payment to the employees at the time of separation from the service on completion of vested year of employment i.e. five years. The liability of gratuity plan is provided based on actuarial valuation using the projected unit credit method as at the end of each financial year based on which the Company contributes the ascertained liability to Life Insurance Corporation of India with whom the plan assets are maintained.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk, salary risk and longevity risk.

Investment Risk: The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Salary risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Longevity risk: The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)
Principal actuarial assumptions

Principal actuarial assumptions used to determine the present value of the defined benefit obligation are as follows:

Particulars	(₹ in Lakhs)	
	March 31, 2021	March 31, 2020
Discount Rate	7.02%/6.84%	6.86%/6.66%
Expected Return on Assets	7.02%/6.84%	6.86%/6.66%
Salary Escalation	5.00% to 6.50%	6.50%
Attrition Rate	5.00% to 2.00%	5.00%

Amount recognized in Profit and Loss for the year

Particulars	(₹ in Lakhs)	
	March 31, 2021	March 31, 2020

Fair Value of Plan Assets	884.95		716.82	
Amount recognized	11.11		56.23	

The actuarial valuation, as certified by LIC of India with whom the company has its defined group gratuity scheme, is adopted to determine the present value of the defined benefit obligations. For the year ended 31/03/2020, as the certification as per AS 19 of ICAI was not available till the finalisation of accounts and adoption by the Board, the profit and loss account and balance sheet were recognised based on the past experience, indicators and the contributions made and benefits paid. (Please refer note on accounts for the relevant year 2020). The difference arising out of the actuarial valuation and the assumptions made by the company were recognised in the accounts of the first quarter of the year 2021 and according the recognition for the year ended 31/03/2021 are based on the actuarial valuation as certified by LIC of India.

Net Asset/ Liability recognized in Balance Sheet**Sensitivity Analysis**

Below is the sensitivity analysis determined for significant actuarial assumptions for the determination of defined benefit obligations and based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period while holding all other assumptions constant.

ii. Fair Value Hierarchy

The Company has classified its financial instruments into three levels in order to provide an indication about the reliability of the inputs used in determining fair values.

- (i) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (ii) Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- (iii) Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

Fair value hierarchy of financial assets and liabilities measured at fair value as at March 31, 2021 (₹ in Lakhs)

Particulars	Note	Level 1	Level 2	Level 3	Carrying value
Financial Assets					
At fair value through Other Comprehensive Income	11	390.17	-	-	390.17

Investments - Non - current - Unquoted	6	-	-	83.29	83.29
At fair value through Profit and Loss					
Investments	11	-	-	-	-
Financial Liabilities					
At amortised costs		-	-	-	-
Borrowings	20, 24	-	17,403.37	-	17,403.37

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)

The carrying amounts of trade receivables, cash and cash equivalents, other bank balances, loans, other financial assets, current borrowings, trade payables and other current financial liabilities are a reasonable approximation of their fair values. Accordingly, the fair values of such financial assets and financial liabilities have not been disclosed separately.

iii. Valuation technique used to determine fair value

- The fair value of the financial assets and liabilities are at the amount that would be received to sell an asset and paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- The carrying amounts of trade receivables, cash and cash equivalents, other bank balances, loans, other financial assets, current borrowings, trade payables and other current financial liabilities are a reasonable approximation of their fair values.
- The investment included in Level 3 hierarchy have been valued at cost approach to arrive at the fair values. The cost of unquoted investment approximate the fair value as there is a wide range of possible fair value measurement and the cost represents estimate of fair value within that range.
- The estimated fair value amounts as at March 31, 2019 have been measured as at that date. As such, the fair values of these financial instruments subsequent to reporting date may be different than the amounts reported at each year-end.
- There were no transfers between Level 1, Level 2 and Level 3 during the year.

NOTE No. 46 FINANCIAL RISK MANAGEMENT

The Company's businesses are subject to several risks and uncertainties including financial risks.

The Company's activities expose it to credit risk, liquidity risk, market risk - interest rate risk and foreign currency risk. The Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Ageing analysis, Credit ratings
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts
Market risk Interest rate risk	Long-term borrowings at variable rates	Cash flow forecasting, Sensitivity analysis
Foreign Currency risk	Recognised financial assets and liabilities not denominated in functional currency	Cash flow forecasting, Sensitivity analysis

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

The company's credit risk generally arises from Cash and cash equivalents, trade receivables, and other financial assets.

Credit Risk Management

The Group assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)

Assets Group	Description of category	Particulars	Provision for expected credit loss **
Low credit risk	Assets where the counterparty has strong capacity to meet the obligations and where the risk of default is negligible or nil	Cash and cash equivalents, other bank balances, investments, loans, trade receivables and other financial assets	12 month expected credit loss/life time expected credit loss
Moderate credit risk	Assets where the probability of default is considered moderate, counter-party where the capacity to meet the obligations is not strong	Nil	12 month expected credit loss/life time expected credit loss
High credit risk	Assets where there is a high probability of default.	Nil	12 month expected credit loss/life time expected credit loss/fully provided for

** Life time expected credit loss is provided for trade receivables.

Based on business environment in which the Company operates, a default on a financial asset is considered when the counterparty fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions. Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognized in statement of profit and loss.

Classification of Financial assets among risk categories:

(₹ in Lakhs)

Credit rating	Particulars	March 31, 2021	March 31, 2020
Low credit risk	Cash and cash equivalents, other bank balances, investments, loans, trade receivables and other financial assets	25,458.13	21,651.86
Moderate credit risk	Nil	-	-
High credit risk	Nil	-	-

Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the business, the Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates. In addition, the company's liquidity management policy involves projecting cash flows and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

Maturities of Financial Liabilities as at 31 Mar 2021 are as follows:

Particulars	Less than 1 year	1-5 year	More than 5 year	Total
Borrowings	18,327.88	1,626.68	-	19,954.56
Trade Payables	6,316.39	-	-	6,316.39
Other financial Liabilities	463.10	21.81	7.89	492.80

Maturities of Financial Liabilities as at 31 Mar 2020 are as follows:

Particulars	Less than 1 year	1-5 year	More than 5 year	Total
Borrowings	15,625.76	1,777.61	-	17,403.37
Trade Payables	5,409.12	-	-	5,409.12
Other financial Liabilities	475.50	21.81	7.89	505.20

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31,2021 (Contd.)**Market Risk**

Market risk is the risk that changes in market prices such as foreign exchange rates, interest rates etc. could affect the Company's income or the value of its holdings of financial instruments including cash flow. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while maximising the return.

Interest rate Risks

The Company uses a mix of cash and borrowings to manage the liquidity & fund requirements of its day-to-day operations. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The borrowings are fixed rate borrowings and are carried at amortized cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, 'Financial Instruments - Disclosures', since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Interest rate risk exposure

The following table provide the break-up of the co. fixed and floating rate borrowing

(₹ in Lakhs)

Particulars	March 31, 2021	March 31, 2020
Fixed Rate Borrowings	-	-
Floating Rate	20,417.18	17,874.46
Total Borrowings	20,417.18	17,874.46

Interest Rate Sensitivity analysis:

The Sensitivity Analysis below have been determined based on the exposure to interest rate for Floating Rate Liabilities, assuming the amount of the liability outstanding at the year end was outstanding for the whole year.

If interest rate had been 100 basis points higher/lower and all other variable were held constant, the company's profit for the year ended 31.03.2021 would decrease/increase by ₹ 178.40 Lacs. This is mainly attributable to the Company's exposure to interest rate on its variable rate borrowings.

Foreign Currency Risk

The Company's exposure to currency risk relates primarily to the Company's operating activities including anticipated sales & purchase and borrowings where the transactions are denominated in a currency other than the Company's functional currency. The risk is measured through a forecast of highly probable foreign currency cash flows.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at 31.03.2021 are as follows:

Particulars	US\$	GPB	EURO
Financial Assets	15,30,57,957.41	4,80,85,280.00	1,17,04,026.48
Financial Liabilities	3,87,09,929.76	-	32,895.00
Net exposure	11,43,39,886.45	4,80,85,280.00	1,11,18,041.00

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at 31.03.2020 are as follows:

Particulars	US\$	GPB	EURO
Financial Assets	32,54,851.73	5,15,869.73	-
Financial Liabilities	35,45,965.69	15,52,836.00	32,895.00
Net exposure	-2,91,113.96	-10,36,966.27	-32,895.00

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021 (Contd.)

Foreign Currency Sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in foreign currency rates, with all other variables held constant.

Particulars	Impact on profit before tax			
	March 31, 2021		March 31, 2020	
	0.5%	-0.5%	0.5%	-0.5%
USD	5.72	-5.72	-0.01	0.01
GBP	2.40	-2.40	-0.05	0.05
EURO	0.56	-0.56	-	-

NOTE No. 47 CAPITAL MANAGEMENT

The Company's objectives when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth. The Company's overall strategy remains unchanged from previous year.

The funding requirements are met through a mixture of equity, internal fund generation and other non-current borrowings. The Company's policy is to use current and non-current borrowings to meet anticipated funding requirements.

The Company monitors capital on the basis of the gearing ratio which is net debt divided by total capital (equity plus net debt).

Net debt are non-current and current debts as reduced by cash and cash equivalents, other bank balances and current investments. Equity comprises all components including other comprehensive income.

The following table summarizes the capital of the Company:

Particulars	(₹ in Lakhs)	
	March 31, 2021	March 31, 2020
Non-Current Borrowings (Refer Note : 20)	1,626.68	1,777.61
Current Borrowings (Refer Note : 23)	18,327.88	15,625.76
Current Maturities of Long term Debt (Refer Note : 25)	462.62	471.09
Total Borrowings (a)	20,417.18	17,874.46
Cash and Cash equivalents (Refer Note : 13)	529.85	199.88
Other Bank Balances (Refer Note : 14)	863.45	979.32
Current Investments (Refer Note : 11)	390.17	225.43
Total Cash (b)	1,783.47	1,404.64
Net Debt (c) = (a)-(b)	18,633.71	16,469.82
Equity (Refer Note : 18)	1,598.27	1,598.27
Other Equity (Refer Note : 19)	31,643.92	29,405.44
Total Equity (d)	33,242.19	31,003.71
Total Capital (e) = (c)+(d)	51,875.90	47,473.53
Gearing Ratio = (c)/(e)	0.36	0.35

NOTE No. 48 RELATED PARTY DISCLOSURES

Related Party Relationships

A. Key Management Personnel

- Mr. R. Doraiswamy - Managing Director
